Statement of Housing Needs and Strategy for Addressing Housing Needs

The tables below provide current information regarding the Authority's waiting lists. The information regarding the City's housing needs and the Authority's strategy for addressing these needs has not been revised.

The Authority's waiting lists reflect this information, showing nearly 20,000 applicants on the combined waiting lists. A large majority of these households have incomes below 30% AMI. Further, a majority are families with children, and in the public housing program, the greatest need is for one- and two-bedroom units.

- Applications will now be withdrawn when an applicant fails to respond to a request for information, attend a meeting, briefing or appointment, or when letters or notices sent to the applicant are returned because the applicant is no longer at the address of record;
- Changes have been made regarding adult applicant family members who have an open arrest for either violent or drug related criminal activity. If such an applicant family member is verified to have an open (unresolved) arrest for either violent or drug related criminal activity, the application will be suspended for up to one year or until the arrest is resolved by acquittal, dismissal, conviction or guilty plea.

Changes made to the policies that govern Eligibility, Selection and Admission to the Housing Choice Voucher Program are described below.

Operations and Management

Public Housing

Changes made to the policies that govern Operations and Management of the Public Housing Program are described below.

- No smoking will be allowed anywhere on DHA property other than designated smoking areas that will be at least 20 feet from any building:
- Clarification is made that live-in aides will be assigned a bedroom provided a unit of the correct size is available:
- A change is being made to the transfer policy which will eliminate residentrequested transfers;
- A change is being made for voluntary or incentive transfers of high performing families, including those that have enrolled in FSS to certain properties. Such residents may no longer request transfers, but, rather, managers will nominate qualifying residents;
- For regular reexaminations, the Authority may now take a streamlined approach for income verification using COLA percentages and interest rates rather than independent verification for families with fixed incomes;
- The time period in which the Earned Income Disallowance (EID) will terminate is now 24 months from the date when the resident first qualified for the EID. Previously the time period was 48 months from the date the resident first qualified;
- If the value of the utility reimbursement when a resident's Total Tenant Payment is less than the utility allowance is less than \$15, the Authority will now pay the reimbursement quarterly rather than monthly.

The following changes have been made in the Residential Lease:

- The lease has been revised to state that if the value of the Utility
 Reimbursement is \$15 or less per month and the Tenant does not request to
 be paid monthly, the Reimbursement will be paid quarterly;
- The lease has been revised to prohibit smoking on DHA premises other than outdoors more than 20 feet from a DHA building. Failure to comply with the smoking ban is grounds for termination of the lease;
- As smoking is now banned in the housing units by tenants and their guests, there will no longer be additional security deposits required for tenants who smoke;
- Tenant-Incentive transfers will only be permitted upon nomination by their Manager to a different development or a scattered site unit;
- Language permitting the display of legal firearms on DHA property has been removed:
- Tenants may be evicted for non-compliance with the Community Service requirements no earlier than the end of the second lease term after the Tenant or non-exempt adult members fail to comply with the requirements;
- The lease now contains language stating the Authority's President and CEO shall appoint as hearing officers fair and impartial persons knowledgeable of Federal law, HUD regulations and the Authority's policies who do not work in the Property Management or Intake Departments. The names of the persons so appointed shall be shared with the Resident Advisory Board and all Tenants through posting on bulletin boards at all properties.

 Language has been added to the House Rules to state that DHA will cooperate with DISD to reduce or prevent truancy by resident children and to prevent non-residents from using Authority addresses to register their children for school.

Housing Choice Voucher Program

Changes made to the policies that govern Operations and Management of the Housing Choice Voucher Program are described below.

- Participants in the Housing Choice Voucher Program will now qualify for the utility allowance based upon the lower of the unit size approved for the family or the allowance of the unit actually leased;
- The Authority will not permit adults not formerly members of the household to join the household simply to become the remaining member of a tenant family.
- If the value of the utility reimbursement is less than \$15, DHA will now pay the reimbursement quarterly rather than monthly;
- DHA may extend the term of the voucher for persons with disabilities when the market is tight;
- The time period in which the Earned Income Disallowance (EID) will terminate is now 24 months from the date when the resident first qualified for the EID. Previously the time period was 48 months from the date the resident first qualified.

Grievance Procedures

Changes made to the grievance procedures for the low-income housing programs are described below.

- A definition of "Hearing Panel" has been included. The new definition is: "Hearing Panel: A group of three persons, two of whom shall be public housing residents and one a DHA Hearing Officer selected in accordance with 24 CFR §966.55 to hear grievances and render decisions with respect thereto."
- The Hearing Officer must now receiving training in writing the decision memo;
- Changes have been made regarding the qualifications of those appointed to the Hearing Panel, deleting the requirement that two members of the Hearing Panel be members of the Council of Presidents;
- A provision has been included to permit the Hearing Officer to conduct the hearing if scheduling problems prohibit the Hearing Panel to hear the matter within 10 days of when it is requested by the complainant.
- Hearing Panel members may not serve on a Panel for a matter involving a friend, relative, or other closely connected individual. No resident may serve as a Hearing Officer for a grievance involving the property in which he or she resides:
- A Formal Hearing must now take place within 10 days of the date it is requested by the Complainant.

Attachment 2 Deconcentration Policy

The Authority's Deconcentration of Poverty Policy will be included in the Admissions and Continued Occupancy Policy (ACOP) and included in the draft PHA Plan.

Attachment 3 New Activities

Mixed Finance Modernization or Development

The Authority anticipates submitting mixed-finance proposals for Cedar Springs Place Addition (to be renamed Fairmount Crossing), Brooks Manor (to be renamed Los Encinos) and Little Mexico Village prior to the end of 2017. Approximately 366 mixed-income units will be developed at Fairmount Crossing. The number of units for Los Encinos and Little Mexico Village has not been determined at this time.

Demolition and/or Disposition

The Authority anticipates submitting a Request for Disposition approval for Little Mexico Village by mid-2017. The proposed disposition via long-term ground lease will facilitate the redevelopment of the site for mixed-income housing.

Designated Housing for Elderly and/or Disabled Families

Prior to the end of 2016, DHA will request and extension of the designated housing approval for elderly families at the Buckeye Trail Commons Senior Building.

Occupancy by Police Officers

The Authority anticipates making one unit available for a police officer at the Fairmount Crossing development.

Non-Smoking Policies

The Authority will implement a non-smoking policy at all of its properties. Smoking will be prohibited in any Authority-owned building and within 20 feet of a DHA building. Smoking will only be permitted in designated smoking areas.

Project-Based Vouchers

The Authority will continue its plan to allocate up to 20 percent of its Housing Choice Vouchers for potential use under the Project-Based Voucher (PBV) Program. The units will be located throughout the Authority's jurisdiction. The Authority uses the PBV Program to 1) meet the requirements under the <u>Walker</u> housing desegregation lawsuit; 2) provide permanent supportive housing for persons with disabilities; and 3) enhance the financing of the Authority's redevelopment activities. DHA currently has approximately 1,790 PBV units and anticipates another 1,000 units will receive PBV assistance during the 2015-2019 PHA Plan five-year period.

Units with Approved Vacancies for Modernization

The Authority anticipates vacating the units at the Conner Scattered Site (TX00900016) for modernization during 2017. Additionally, periodically a unit will be vacated for repairs due to a fire or other extensive damage.

Other Capital Grant Programs (i.e., Capital Fund Community Facilities or Emergency Safety and Security Grants)

In 2016 DHA submitted an application for an Emergency Safety and Security Grant for security cameras at Cedar Springs Place. The Authority anticipates submitting an application annually under this program to increase security at its public housing sites.

- 7. For PHA Plans that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2010-25);

The Hillcrest Development is an all electric site, meaning all end uses including space heating and domestic hot water are fueled by electricity. Currently all residential electric consumption is Checkmetered at each apartment and the tenants are billed back for excess consumption. The intent of this study is to determine an reasonable utility allowance under regulations established by HUD. To do this the Engineering Methodology was used to develop reasonable utility consumptions levels and the current utility rates were applied to those consumption levels to obatian a monthly Utility Allowance amount.

ADMISSIONS AND CONTINUED OCCUPANCY POLICY FOR DHA-OWNED PROPERTIES Pollog Housing Authority

Dallas Housing Authority 3939 N Hampton Road.

Dallas, TX 75212

Public Housing Program: 214-583-8900 TDY: 214-951-8488.

The U.S. Department of Housing and Urban Development (HUD) has established certain regulatory requirements applicable to Low Income Housing, that are generally set forth in Title 24 of the Code of Federal Regulations (24 CFR), Parts 5, 8, 100, 290, 401, 402, 880, 886, 960 and 966. If there is any conflict between HUD's regulations and this policy, the HUD regulations will govern. In addition to Low Rent Public Housing, certain sections of this policy apply to other types of low income housing owned, managed or developed by the Dallas Housing Authority (hereafter DHA) such as multifamily housing, project-based Section 8 housing, project-based voucher housing and Low Income Housing Tax Credit units. When Federal guidance is inconsistent, statute shall take highest priority, regulations second priority, handbooks third priority and other HUD guidance last priority.

Besides being DHA's Admissions and Continued Occupancy Policy, this is the Tenant Selection Plan for multifamily housing owned by DHA.

In its management of the multifamily project-based Section 8 housing that DHA owns, it will comply with HUD's regulations and guidance governing such housing. If HUD's regulations and guidance for multifamily housing conflict with those governing the management of public housing DHA will comply with the HUD rules applicable to the type of housing owned and managed. DHA's staff are aware of which of its properties and units are public housing, multifamily housing and project-based voucher housing and, consequently, which rules and guidance apply.

This policy references certain procedures (shown in *italic type*), that describe in detail how the policy is to be carried out by staff. The procedures are extensions of the policy document referenced. All procedures are public documents and are available for review upon request.

I. Nondiscrimination

A. Complying with Civil Rights Laws

- 1. Civil rights laws protect the rights of applicants and residents to equal treatment by the Housing Authority in operating its programs. It is the policy of the Dallas Housing Authority (DHA) to comply with all Civil Rights laws now in effect and subsequently enacted, including but not limited to:
 - a. Title VI of the Civil Rights Act of 1964, which forbids discrimination on the basis of race, color, religion, national origin or sex; 24 CFR §§ 1 and 100
 - b. Title VIII of the Civil Rights Act of 1968 (as amended by the 1974 HCDA and the Fair Housing Amendments Act of 1988), which extends protection against discrimination based on disability and familial status, and spells out forms of prohibited discrimination; 24 CFR § 100
 - c. Executive Order 11063,
 - d. Section 504 of the Rehabilitation Act of 1973, which describes specific housing rights of persons with disabilities; 24 CFR § 8
 - e. Age Discrimination Act of 1975, which establishes certain rights of the elderly; 24 CFR §

146

- f. Title II of the Americans with Disabilities Act, otherwise Section 504 and the Fair Housing Amendments govern (Title II deals with common areas and public space, not living units, which are covered by Section 504.)
- g. Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity
- h. Any applicable State laws or local ordinances.
- 2. DHA shall not discriminate because of race, color, national origin, sex, religion, familial status, disability, sexual orientation or gender identity in the leasing, rental, occupancy, use, or other disposition of housing or related facilities, including land, that is part of a development under the DHA's jurisdiction covered by a public housing Annual Contributions Contract with HUD. 24 CFR § 100
- 3. DHA shall not deny admission to otherwise qualified applicants because of their membership in some group to which negative behavior may be imputed (e.g., families with children born to unmarried parents). Instead, each applicant who is a member of a particular group will be treated as an individual based on his or her history and behavior. 24 CFR § 960.203(a)
- 4. DHA will work continuously to affirmatively further fair housing and to remove impediments to housing choice by members of protected classes;
- 5. DHA will offer units only in the order prescribed by this policy, since any other method violates the rights of applicants.

B. Reasonable Accommodations

- 1. DHA, as a public agency that provides affordable housing to eligible families, has a legal obligation to provide "unit modifications" and "reasonable accommodations" to applicants and residents if they or any family members have a disability. 24 CFR § 8.4
- 2. A unit modification is some adaptation or change DHA can make to its apartments, buildings, or sites. A reasonable accommodation is a modification DHA can make to its methods and procedures (but not Federal law, regulations or DHA policies). Both unit modifications and reasonable accommodations are carried out to assist an otherwise eligible applicant or resident with a disability to take full advantage of and use DHA's programs, including those that are operated by other agencies in DHA-owned public space. 24 CFR § 8.20

A modification or accommodation is not reasonable if it: 24 CFR § 8.21(b) and 24 CFR § 8.24(a)(2)

- a. Causes an undue financial and administrative burden; or
- b. Represents a fundamental alteration in the nature of DHA's program.
- 3. Subject to the undue burdens and fundamental alterations tests, DHA will correct physical situations or procedures that create a barrier to equal housing opportunity for all. To permit people with disabilities to take full advantage of DHA's housing program and non-housing programs, in accordance with Section 504 and the Fair Housing Amendments Act of 1988, DHA shall comply with all requirements and prohibitions in applicable law. Specific actions are described in the *Procedure on Civil Rights and Disability Rights*. 24 CFR § 8.4
- 4. Facilities and programs used by applicants and residents shall be accessible to persons using wheelchairs, persons with sensory impairments and other persons with disabilities.

Application and management offices, hearing rooms, community centers, day care centers, laundry facilities, craft and game rooms, etc. (to the extent that the DHA has such facilities) will be usable by residents with a full range of disabilities. If DHA offers such facilities, and none is accessible, some¹ will be made so, subject to the undue financial and administrative burden test. 24 CFR § 8.2

- 5. Documents and procedures used by applicants and residents will be accessible for those with vision, hearing or other sensory impairments. Also, all documents will be written simply and clearly to enable applicants with learning or cognitive disabilities to understand as much as possible. Methods used to ensure that communication is understandable by persons with disabilities are described in the *Procedure on Civil Rights and Disability Rights*. 24 CFR § 8.6
- 6. Examples of reasonable accommodations include, but are not limited to: 24 CFR §8.4
 - **a.** Making alterations to a DHA apartment to make it fully accessible so it could be used by a person in a wheelchair;
 - **b.** Transferring a resident (at DHA's expense) who needs a fully accessible unit from an apartment that cannot be made accessible to an apartment that is accessible (this may require moving the resident from one property to another);
 - **c.** Widening the door of a community room or public restroom so a person in a wheelchair may use the facility;
 - **d.** Adding or altering apartment or building features so they may be used by a family member with a disability, including but not limited to;
 - 1) Installing strobe-type flashing light smoke detectors and flashing light/doorbell for a family with a hearing impaired member;
 - 2) Adding structural grab bars in the bathroom;
 - 3) Changing the doorknobs to lever-type door handles;
 - 4) Installing a magnifier over the thermostat;
 - 5) Switching the bathtub to a shower;
 - 6) Lowering the peephole on the door;
 - e. Permitting a family to have a large dog to assist a family member with a disability in a DHA family development where the size of dogs is usually limited; 24 CFR § 8.20
 - f. Making sure that DHA processes are understandable to applicants and residents with sensory or cognitive impairments, including but not limited to: 24 CFR § 8.6
 - Making large type documents, Braille documents, cassettes or a reader available to an applicant or resident with a vision impairment during interviews or meetings with DHA staff;
 - 2) Using personal visits, interviews or telephone calls to convey information to an applicant or resident who cannot see or read;
 - Making a sign language interpreter available to an applicant with a hearing impairment during interviews or meetings with DHA staff;

¹ It is not required that all public and common areas be made accessible so long as persons with disabilities have full access to all the types of facilities and activities available to persons without disabilities. Thus, not all laundry facilities need to be accessible so long as there are sufficient accessible laundry facilities for use by persons with disabilities at each development that provides laundry facilities.

- 4) Permitting an applicant or resident to be accompanied or represented by a family member, friend or advocate at all meetings and interviews with DHA if the individual desires such representation;
- 5) Permitting an outside agency or individual to assist an applicant with a disability to meet the DHA's applicant screening criteria.
- 7. To meet the standard of HUD's definition of "Qualified Individual with a Disability" a family head or other member with a disability must still be able to meet essential obligations of tenancy. They must be able: 24 CFR § 8.3
 - a. to pay rent and other charges (e.g. utility bills) as required by the lease in a timely manner:
 - b. to care for and avoid damaging the apartment and common areas; to use facilities and equipment in a reasonable way;
 - c. to create no health, or safety hazards, and to report maintenance needs
 - d. not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
 - e. not to smoke in a DHA unit, common areas or anywhere on DHA property except designated smoking areas;
 - f. not to engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
 - g. to comply with necessary and reasonable rules and program requirements of HUD and the DHA.

But there is no requirement that they be able to do these things without assistance.

- a. If an applicant or resident family member needs assistance with one of the essential obligations of tenancy, DHA will, as a reasonable accommodation, make a referral to an individual or agency that can provide such assistance. 24 CFR § 8.20
- b. If an applicant or resident receives a referral to an agency or individual who can assist the applicant or resident with complying with the essential obligations of tenancy, the applicant or resident is not obligated to accept the service, but if refusing service results in a lease violation, DHA may terminate the lease. 24 CFR § 8.2
- c. An applicant or resident family with a member who has a disability and needs or wants a reasonable accommodation may request it at any time. 24 CFR § 8.20
- d. If an applicant or resident would prefer not to discuss his/her disability with the DHA, that is his/her right.
- e. Any request that requires a certified verification, must be submitted directly to DHA by the qualified person making the certification.
- C. <u>Providing Information in Languages other than English for persons with Limited English Proficiency</u>
 - For persons with Limited English Proficiency (LEP), language can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federallyassisted programs and activities may violate the prohibition under Title VI against

discrimination on the basis of national origin.

- 2. DHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).
- 3. DHA's Procedure on *Communication with Persons with Limited English Proficiency* describes the specific methods DHA will use to accomplish this policy.
 - a. All forms, written materials and recorded voice-mail messages used to communicate with prospective applicants, applicants and residents shall be available in any language spoken by the lower of 1000 eligible families or five percent of the eligible population of Dallas. This includes documents related to intake, marketing, outreach, certification, reexamination and inspections. At this writing, DHA makes this information available in English, Spanish and Vietnamese.
 - b. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with DHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.
 - c. In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the DHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.
 - d. The DHA will provide written translations of other vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served. Translation of other documents, if needed, can be provided orally. In 2011 the LEP groups for which DHA will provide translated materials are those who need materials in Spanish and in Vietnamese.
 - e. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with DHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.

II. Eligibility and Intake

A. Applications

- DHA will accept and process applications (including transfer applications) in accordance with applicable HUD Regulations and DHA's *Procedure on Intake and Processing*. Except for qualification for preferences, DHA will make its initial determination of eligibility assuming that the facts certified to by the applicant in the preliminary application are correct, although all those facts will be verified later in the application process.
- 2. Newly developed properties owned by DHA or a DHA entity that contain a mix of units, some subsidized by project-based vouchers and others subsidized by public housing operating funds, shall maintain one waiting list. Applicants shall be assigned to units suitable for their family sizes and disability needs without regard to subsidy type.
- 3. Every application file for admission to low rent housing shall include the date and time of application, or lottery/application number (if applicable), applicant's race and ethnicity; eligibility determination; when eligible, the apartment size(s) for which eligible; preference, if any; and the date, location, identification, and circumstances of each vacancy offered and accepted or refused.

- 4. Beginning with the full implementation of this policy, all applications shall automatically expire 18 months after they are received. Accordingly, DHA will no longer purge the waiting lists. Rather, DHA will open every waiting list every 18 months (before the previous list expires) and anyone who wants to be listed may apply at that time including people on the list to be extinguished.
- 5. The following information will be verified according to HUD's regulatory requirements at 24 CFR part 5 and DHA's Procedure on Verification, to determine qualification for admission to DHA's housing: **24 CFR § 960.259**
 - a. Family composition, demographics and type (Elderly/Disabled//Non-elderly)
 - b. Annual Income
 - c. Assets and Asset Income
 - d. Deductions from Income
 - e. Preferences
 - f. Social Security Numbers of all Family Members
 - g. Applicant Screening Information (including tenant and criminal history)
 - h. Citizenship or immigration status
- 6. Enterprise Income Verification (using Federal databases) or third party written information that is mailed, faxed or transmitted electronically between DHA and the verification source are the required form of documentation. Any other form of verification requires a note to the file explaining its use. 24 CFR § 960.259
- 7. Individuals applying for admission must submit a pre-application in the manner stipulated the announcement of the opening of the Waiting List, or, if they are a person with a disability, may submit an application by mail or in person.
- 8. If an applicant needs assistance in completing any aspect of the application process because of a disability, DHA will assist the applicant as needed to ensure equal access to DHA's programs.
- 9. Applicants providing false information regarding Family Income, composition, preferences or other circumstances affecting their eligibility or rent level will be rejected. If the Applicant has been assigned a unit, the lease will be terminated and DHA will pursue all lawful civil claims and criminal actions, including the recoupment of back rent.
- 10. If an applicant's preference status changes while on the waiting list, the applicant's position on the list will be adjusted in accordance with DHA's Procedure on Application Intake and Processing.
- 11. If the head of an applicant household dies while the family is on the waiting list, and the family includes another adult, DHA will change the application to make the other adult the new applicant so long as the family reports the death within 30 days and requests that another adult family member be named the head.
- 12. Applicants whose family size or composition changes while on the waiting list will be able to change their applications in accordance with the following policy:
 - a. Children who have been added to the family through birth adoption or court awarded custody to people already listed on the application will be added;
 - b. Individuals who can document that they need a Live-in Aide (even though not included on the original application) will be permitted to add the Live-in Aide;

c. Other adults will NOT be added to an application unless their addition would not change the unit size for which the family qualifies, although the family may file a different application with a different family composition when the waiting list is open.

B. Closing and Re-opening the Waiting List

- 1. Waiting lists will be opened and closed in accordance with DHA's *Procedure on Opening and Closing Waiting Lists*. Applicant names will be removed from the waiting list only in accordance with DHA's *Procedure on Removing Applicants from the Waiting List*. **24 CFR § 960.206**
- 2. It is unlikely that DHA will close the waiting list for the highest priority applicants or at certain properties.

C. Affirmative Fair Housing Marketing and Outreach Procedures

- When the waiting list is open DHA will conduct affirmative marketing as needed to ensure that the waiting list includes a mix of Applicants with races, ethnic backgrounds, ages and disabilities proportionate to the mix of those groups in the eligible population of its area of operation. DHA will review the factors regularly to determine the need for and scope of marketing efforts.
- 2. All marketing efforts will include outreach to those least likely to apply. DHA may designate sites for accepting applications. DHA staff will be available at these sites to assist Applicants in completing the housing application documents. If additional applications are required to attain any of the objectives established in this Policy, DHA will engage in outreach efforts directed toward potential Applicants who might fulfill the need.
- 3. The method used for Affirmative Marketing is described in *Procedure on Affirmative Marketing*.

D. Income Targeting Requirements

DHA will ensure that at least 40 percent of Families admitted to public housing in any year have incomes at or below the Federal "extremely low income" limit. HUD establishes income limits and revises them annually to ensure that federal rental assistance is provided only to low-income families. Except under limited circumstances, the Applicant Family's Annual Income must not exceed the applicable income limit that HUD establishes and publishes for each county or Metropolitan Statistical Area (MSA) in the country. The income limits are based on percentages of the median income of the geographic area for which the limit is established, and are adjusted for family size.

To be considered, mitigating circumstances must be verifiable. 24 CFR § 960.203(d).
 - b. DHA will consider whether individuals with negative behavior in their recent past can document that they have been rehabilitated.

⁵ If the Applicant entering DHA's program is from another state, DHA will verify the Applicant has successfully completed a state approved supervised program from the Applicant's state of origin

F. Occupancy by a Police Officer

If the Applicant entering DHA's program is from another state, DHA will verify the Applicant has successfully completed a state approved supervised program from the Applicant's state of origin; or

 - a. DHA will provide the Applicant with a copy of any information (including criminal history) DHA used to determine the Applicant ineligible or unqualified for admission upon written request.
 - b. The review and hearing procedures are described in DHA's *Procedure on Informal Hearings*.

- 4. Applications withdrawn by the Applicant or DHA, applications submitted by ineligible or unqualified applicants, and the notice of ineligibility will be retained in DHA files for at least three (3) years following the date of the withdrawal or rejection of the application.
- 5. Applications will be withdrawn by DHA when an applicant fails to respond to a request for information, or to attend a meeting, briefing or appointment or when letters or notices sent to the applicant are returned because the applicant is no longer at the address of record. So long as the communications sent by DHA used first class mail or other method requested by applicants with disabilities, applicants shall not be entitled to informal hearings for withdrawn applications.
- J. The Preference System for Public Housing and Multifamily Housing Units

Preferences establish the order of applicants on the waiting list. Every applicant must still meet DHA's Selection Criteria before being offered an apartment. Preferences will be granted to applicants who are otherwise qualified and who, at the time of the offer (immediately prior to execution of a lease), are verified to meet one of the definitions of the preferences described below. **24 CFR § 960.206**

1. Local Preferences

There are 5 local preferences in effect. An applicant will qualify for a preference if he/she qualifies in one or more of the following categories (that are defined Chapter XIII, Definition of Terms):

- a. <u>Vulnerable homeless persons:</u> A preference shall be granted to vulnerable homeless individuals and families as identified by the Bridge (individuals), the Salvation Army, Family Gateway, Family Place (families with children) and other organizations that serve homeless individuals and families when supportive services are available under a memorandum of agreement or through DHA social service staff. Additionally, persons with disabilities from other DHA properties who can remain as residents with the benefit of supportive services will be given a preference to transfer to such property.
 - Vacant ready units at Cliff Manor that have received furniture through the Bridge shall have an absolute admission preference for homeless individuals. Units at Renaissance Oaks, Park Manor, Audelia Manor, Forest Green Manor and Lakeland Manor and subsequently developed mixed population properties shall be offered to vulnerable homeless persons/couples. In addition, turnover units at family properties shall be made available to homeless and formerly homeless families, with the exception of scattered site homes
- b. <u>Formerly homeless families at Pebbles Park:</u> Homeless families housed at Pebbles Park whose situations have been sufficiently stabilized to qualify for admission to public housing will be given an admission preference.
- c. <u>Disaster Preference</u>: Applicants displaced by a Federally declared disaster, or a disaster to a DHA-assisted unit will qualify for this preference if they apply within 90 days from the date the disaster is declared (and the waiting list is open at that time). They will be admitted in the following order:
 - 1) Existing public housing residents and HCV program participants
 - 2) Applicants who were not previously living in assisted housing but who meet all other application criteria.
- d. Working Families: Applies to up to one half of any year's admissions at non-elderly developments only. (Families whose sole adult members are elderly individuals or

persons with disabilities at these properties will automatically be awarded this preference.) A family will qualify for this preference if they have at least one adult member who has been employed at least 30 hours per week in the 6 consecutive months prior to admission with no period of unemployment for more than two (2) weeks.

At Fairmount Crossing, Working Families will receive a preference for the two- and three-bedroom units.

If there are insufficient Working Families to fill up to one half of the year's admissions, units will not be held vacant – non-preference waiting list families will be admitted.

e. Elderly or Disabled Persons of Families in General Occupancy Properties

For the one-bedroom units at Fairmount Crossing, applications from single persons who qualify under the definitions of Elderly Family, and Disabled Family will be ranked higher than those of single persons who are not elderly, disabled or displaced.

- f. Mixed population building preference ⁷
 - 1) In buildings designed for occupancy by Elderly and Disabled families (Renaissance Oaks, Park Manor, Cliff Manor, Audelia Manor, Forest Green Manor, Lakeland Manor), applications from single persons who qualify under the definitions of Elderly Family, Disabled Family and Displaced Person will be ranked higher than those of single persons who are not elderly, disabled or displaced. None of these properties has been formally designated for Elderly and Disabled families.
 - 2) Roseland Gardens, Buckeye Senior Building, and Lakewest Senior Village properties are designated for occupancy by Elderly Families. Only families whose head, spouse or sole member is a person aged 55 years old or older may be admitted to these properties and no families with children may be admitted.
- 2. Except as indicated below, these preferences are of equal weight and an applicant may qualify under any of the above categories.
- 3. Families that do not qualify for one of these preferences and all applicants to multifamily properties will be categorized as "no-local-preference" applicants;
- 4. Sorting among applicants with equal Local preferences will be by lottery number (whichever system is in effect).
- K. Factors other than Preferences that affect selection of Applicants
 - Accessible units: For UFAS accessible units, resident and applicant families that include a
 member with a disability who is verified to need the features of such units shall be given
 preference for admission over a family that does not include a member with such a
 disability. Further, persons needing more features of a specific unit will be given preference
 over persons needing fewer features of the units available.
 - When a UFAS accessible unit becomes available, it shall be offered first to a current resident who needs the features of the unit and second (if there are no residents who need the features and will accept a transfer) to an applicant family with a member who needs the accessibility features.
 - 2. <u>Income targeting</u>: At least 40 percent of public housing admissions in every year shall be families of Extremely Low Income (as defined in Chapter XIII, Definition of Terms).

.

⁷ This preference shall not apply to units in General Occupancy properties.

3. <u>Deconcentration</u>: If at any time, one of DHA's public housing properties has an average tenant income greater than 15 percent higher than the DHA-wide average income, extremely low and very low income applicants will be targeted for admission until it is within 15 percent of DHA-wide average income. In addition, DHA may offer voluntary transfers from higher income properties to lower income properties to help achieve deconcentration goals. It is not practical to try to attract higher income applicants to the lower income properties because there are virtually no higher income applicants to attract.

L. Records Management

Information received by DHA from any agency regarding drug treatment and criminal background shall be handled as required by HUD regulations.

All criminal records are maintained in a secured environment. Once the purpose for which the records were obtained is completed, the records are permanently destroyed by shredding.

M. Occupancy Guidelines: HUD Notice of Policy, Dec. 18, 1998 Federal Register

1. Apartments shall be occupied by families of the appropriate size. This policy maintains the usefulness of the apartments, while preserving them from excessive wear and tear <u>and</u> underutilization.

Minimum and Maximum-Number-of-Persons-Per Unit Standard						
Number of Bedrooms	Min Persons/Unit	Max Persons/Unit				
	(Largest Unit Size)	(Smallest Unit Size)				
0BR	1	1				
1BR	1	2				
2BR	2	4				
3BR	3	6				
4BR	5	8				
5BR	7	10				

- 2. The following principles govern the size of apartment for which a family will qualify. Generally two people are expected to share a bedroom. The guidance below explains how DHA determines unit sizes to be assigned, but each family, not DHA, decides exactly who shares a bedroom. Units will be so assigned that:
 - a. Children age four and under will be assigned a bedroom with any other child or a parent, regardless of age or sex;
 - b. Children between the ages of five and seventeen and adults will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
 - c. Two children between the ages of five and seventeen of the same sex will be assigned one bedroom;
 - d. Two children between the ages of five and seventeen of the opposite sex will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
 - e. Two adults (eighteen and older) of the same sex are assigned one bedroom regardless of relationship;
 - f. Two adults (eighteen and older) of opposite sex who are spouses or co-heads are assigned one bedroom;
 - g. Adults (eighteen and older) of opposite sex who are not spouses or co-heads of household are assigned separate bedrooms although the actual use of bedrooms is

determined by the family

- h. A single head of household parent will be assigned a separate bedroom from his/her child over age five, although the actual use of bedrooms is determined by the family.
- i. Exceptions to the largest permissible apartment size may be made when verified to be needed as a reasonable accommodations for a person with disabilities.
- An unborn child will be counted as a person in determining apartment size assigned;
- k. DHA will count for unit size determination a child who is temporarily away from the home because the child has been placed in foster care, kinship care, or is away at school, so long as it can be verified that the child will be living with the family if they are admitted.
- I. A live-in aide may be assigned a bedroom if a unit of the right size is available. Single elderly or disabled residents with live-in aides will be assigned one or two bedroom units (not efficiency units).
- m. DHA reserves the right to relax these Occupancy Standards at hard-to-lease properties.
- n. The Local Housing Code of two persons per bedroom is the standard for the smallest apartment a family may be offered 8.
- o. The largest apartment size that a family may be offered would be one bedroom per family member, considering family size and composition.

III. **Tenant Selection and Assignment Plan**

A. Organizing the Applicant Waiting List

1. Site-based Waiting Lists

DHA has established site-based waiting lists:

- a. All mixed finance properties have site-based waiting lists as do the Section 8 multifamily and Project-based properties.
- b. An applicant may apply for admission to up to 3 properties with open waiting lists or may request an offer of the "first available unit". This will place his/her name on every waiting list. Homeless applicants will be set up for "first available" offers to ensure that they receive the earliest offer of housing. The exception to this requirement would be for a homeless applicant who can document a disability related reason to need housing at a specific site.
- c. When an applicant is processed for admission he/she will be removed from all waiting lists whenever he/she accepts a unit offer, is denied admission due to ineligibility or failure to meet screening standards, or refuses a unit offer without good cause.
- d. Certain public housing properties are occupied mostly by the transfer of eligible residents (incentive transfers) who are high performing residents when such transferees are available, including but not limited to those participating in the Family Self Sufficiency Program. These properties include the following:
 - 1) Frazier scattered site homes,
 - 2) Scattered site homes,

3) Single family homes (TX 9-29, TX 9-30, TX 9-37, TX 9-40 and TX 9-42),

⁸ Individual apartments with very small or very large bedrooms or other specific situations that inhibit or encourage lower or higher levels of occupancy may be permitted to establish lower or higher occupancy levels so long as the occupancy levels will not discriminate on the basis of familial status.

- 4) Frankford Townhomes,
- 5) Villas at Hillcrest and
- 6) any single family homes to be developed in the future
- e. Although applications may be accepted at each authorized site, they will continue to be processed centrally and all offers will be authorized centrally. Further, the central Intake and Placement office will monitor any increases in racial or ethnic concentration caused by site-based waiting list choices.
- f. The preferences described earlier in this Policy will be used to establish the order of each site-based waiting list and all applicants will retain their initial date and time of application/application number in the conversion.

B. Making Unit Offers to Transferees and Applicants

- 1. Certain transferees (categories B.1.3.a. and b.1) and b.2) will receive offers of housing before applicants from the waiting list.
- 2. In all offers DHA shall not discriminate on grounds of race, color, sex, religion, national origin, disability, sexual preference, gender identity or familial status. Also, see the DHA *Procedure on Transfers*.
- 3. Specifically, the following order of offers applies:
 - a. Emergency transfers; 24 CFR § 966.4 (h)
 - b. Administrative transfers in the following category order:
 - 1) Priority 1: DHA actions that require a unit to be vacated. Such actions could include renovation, revitalization, demolition or disposition of the building or complex;
 - 2) Priority 2: Reasonable accommodations for residents with disabilities 24 CFR § 8.4
 - 3) Priority 3: Resident Incentive⁹/ Family Self Sufficiency transfers;
 - 4) Priority 4: Unit too large or too small for resident family 24 CFR § 966.4(c)
 - 5) New Admissions from the waiting list;

Other than incentive transfer, DHA does not offer resident-requested transfers

- 4. To assure equal opportunity and nondiscrimination on grounds of race, color, sex, religion, sexual preference, gender identity, national origin, disability or familial status, PLAN "A", the one-offer plan, will be used to make apartment offers to applicants or transferees from waiting lists. 24 CFR § 1.4(2)(ii)
- 5. The first qualified applicant or transferee in sequence on the waiting list is made one offer of an apartment of appropriate size and type.
- 6. An applicant/transferee must accept the vacancy offered or be removed from the waiting list unless the applicant refuses the offer with Good Cause. (see DHA's *Procedure on Good Cause for Refusal of Unit Offers*)
- 7. DHA will first match the apartment available to the highest ranking applicant for an apartment of that size, type and special features (if any). Preferences will then be used to determine the order of selection from the waiting list. If two applicants need the same type and size of apartment and have the same local and ranking preference status, the applicant with the earliest date and time of application/lowest application number will receive the earlier offer. 24 CFR § 960.206(c).

⁹ A resident incentive transfer **IS NOT** resident initiated. This is a transfer of a high performing resident from a family property to a more desireable property or scattered site home.

- 8. If an applicant family's size changes while on the waiting list, the family is required to contact DHA so they can be placed on the correct sublist by unit size. If DHA discovers that a change in family size means that a family cannot be processed for a certain vacant unit, the family will be transferred to a list for the correct size of unit. Some sites may not have units of the size needed by the family and the family will be permitted to select a different site or up to 3 sites.
- 9. When application processing is delayed because of missing verifications or inconclusive screening information, a family's application will be suspended for up to 60 days until the necessary verifications are received. This means that a person who is lower on the waiting list may receive a unit offer before a person who is higher on the waiting list. As soon as the necessary verification(s) are received, the suspended application will be placed back on the waiting list in its former position
- 10. If an adult applicant family member is verified to have an open (unresolved) arrest for either violent or drug related criminal activity, the application will be suspended for up to one year or until the arrest is resolved by acquittal, dismissal, conviction or guilty plea. The applicant is responsible for keeping DHA's Intake department informed of the status of all such open arrests.
- 11. The applicant must accept any apartment offered within five (5) calendar days of the later of the date the offer is communicated (by phone, mail, or the method of communication designated by an applicant with disabilities) or the date they are shown the apartment or an equivalent apartment.
- 12. If the applicant does not accept the unit offer within five (5) calendar days, he/she will be withdrawn from the waiting list. Applicants may not receive an offer for public housing for 12 months from the date when they either refused a unit offer or failed to respond to a unit offer.
- 13. All offers made over the phone will be confirmed by first class letter^{10.}
 - a. If more than one apartment of the appropriate size and type is available, the first apartment to be offered will be the apartment that is or will be ready for move-in first.
 - b. If two units are ready for move-in on the same day, the first apartment to be offered will be the apartment that became vacant first.
- 14. Names will be removed from the waiting list in accordance with DHA's *Procedure on Removing Applications from the Waiting List*.

C. Accessible Units

1. Before offering a UFAS accessible apartment to a non-disabled applicant, DHA will offer such units:

- a. First, to a current public housing resident with a disability that requires the greatest numbers of the special features of the vacant apartment. 24 CFR § 8.27(1) (a)
- b. Second, to an eligible qualified applicant on the waiting list having a disability that requires the greatest number of special features of the vacant apartment. 24 CFR § 8.27(1) (b)
- 2. When offering an accessible/adaptable apartment to a non-disabled applicant, DHA will require the applicant to agree to move to an available non-accessible apartment within 30 days when a current resident or an applicant with a disability needs the apartment. This

.

¹⁰ Or by the communication method requested by an applicant with disabilities

requirement is also reflected in the lease. 24 CFR § 8.27 (2)

3. If an applicant family includes a member with a visual or hearing impairment, the DHA will quickly retrofit the unit (at DHA's cost) to be offered to the family to make it fully accessible for the family member's disability.

D. Administering the Applicant and Transfer Waiting Lists

- Applications for admission and transfer to and within public housing properties (including public housing units at tax credit properties) will be processed centrally by the Intake and Placement Office. Initial intake, waiting list management, screening, and assigning of housing (including transfers) will be made from the Intake and Placement office. Offers may be made in person, in writing or by phone from the central office.
- 2. Note: DHA will be in charge of the application and transfer at process for ALL public housing units/properties. Applications for admission to the market rate units at Low Income Housing Tax Credit properties will be processed by site staff and audited monthly by DHA.

E. Transfers

DHA has three possible types of transfers: Emergency, Administrative and Resident-Incentive. The definition of each is found in the Transfer section.

- 1. Certain transfers take precedence over new admissions (See paragraph B.1 of this section).
- 2. Tenants on the transfer list may refuse transfer offers for the "good cause" reasons cited in its *Procedure on Good Cause for Refusal of Unit Offers* without losing their position on the transfer list.
- Tenants who refuse a transfer offer without good cause will be removed from the transfer list and tenants whose transfers are mandatory are subject to lease termination. 24 CFR § 955.4(c)
- 4. Tenants may use the DHA Grievance Procedure if DHA is requiring them to transfer and they do not want to do so. 24 CFR § 966.50

F. Monitoring Tenant Selection and Assignments

Detailed records of units offered, including the location, date, and circumstances for each acceptance, or refusal of an offer will be maintained and monitored using the DHA *Procedure on Monitoring Tenant Selection and Assignment*.

G. Fair Housing

- 1. Complaints: DHA will respond to all complaints received from Applicants and tenants who believe that their rights under the Fair Housing Act have been violated. A written record of each complaint including the date, name of the person making the complaint, names of all person(s) involved, investigation of the facts, record of the hearing, and the final decision regarding the complaint will be maintained by DHA. Each complainant will be furnished a written notice of the decision or action taken.
- Applicants will be advised of their right to file a complaint with the HUD Fair Housing and Equal Opportunity Office. Information outlining how to file complaints with HUD is posted in the Applications and Assignments office and at all DHA housing developments

IV. Leasing Policies

A. General Leasing Policy

- Apartments will be leased without regard to race, color, religion, sex, age¹¹, sexual orientation, gender identity, national origin, disability and family status. 24 CFR §§ 1.4 and 100
- 2. All units must be occupied by families whose sole residence is the apartment. 24 CFR § 966.4(f)
- 3. All units must be occupied pursuant to a signed DHA lease that complies with HUD's regulations 24 CFR § 966.4 or, for multifamily properties, the HUD model lease.
- 4. DHA will not offer nor move a family into an apartment that does not meet basic standards of habitability, including HUD occupancy standards. 24 CFR § 966.4(e)
- 5. The lease shall be signed by the head, spouse, and all other adult members of the family and by the authorized representative of DHA, prior to actual admission 24 CFR § 966.4 (p)
- 6. The manager shall provide an explanation of the lease provisions either prior to move-in or at the time of move-in. The explanation must be in a language understood by the Resident or in a manner intelligible to a person with disabilities.
- 7. Changes in family composition, income or family status between the eligibility interview and leasing will be processed by the Occupancy Division or site staff (see III.d.1 and 2 above). Changes after leasing will be processed by the Manager or other authorized representative of DHA.

8. Security Deposit:

Public Housing Properties:

- a. The resident shall pay a security deposit at the time of leasing, or, with the permission of DHA, shall be permitted to pay part of the security deposit at leasing and the remainder over the first six months of tenancy as a charge in addition to the rent.
- b. The security deposit for new Elderly or Disabled families shall be the greater of \$100 or one month's rent.
- c. The security deposit for new non-elderly and non-disabled families shall be the greater of \$200 or one month's rent.
- d. For all current residents, the amount of security deposit already paid shall not be increased while the resident lives at any DHA property (including situations in which a family is transferred from one property to another).
- e. If a resident transfers from one property to another, the security deposit should be applied to the new unit and shall not be increased. If, after conducting a move out inspection of the previous unit, damages or other charges are owed, DHA will charge the resident but will not use the security deposit to pay the charges. The disposition of the security deposit will only occur when the resident leaves the program.

Multifamily properties:

DHA will comply with HUD's security deposit requirements as stated in Handbook 4350.3 as revised from time to time.

9. Pet deposits are in addition to the security deposit, in accordance with DHA's Pet Policy and Procedure. Assistive animals verified to be needed by residents with disabilities are not pets

-

¹¹ Except at those properties that are properly designated for Elderly families without children, only.

and pet deposits are not required. 24 CFR § 966.4(b)(5)

- 10. If a resident transfers from one DHA apartment to another, a new lease will be executed for the dwelling into which the family moves. 24 CFR § 966.4 (a)(ii)
- 11. If at any time during the life of the lease agreement, a change in the resident's status results in the need for changing or amending any provision of the lease, either: 24 CFR § 966.4(c)
 - a. A new lease agreement will be executed, or
 - b. A Notice of Rent Adjustment will be executed, or
 - c. An appropriate rider will be prepared and made a part of the existing lease.

All copies of such riders or insertions are to be dated and signed by the Resident and by the Executive Director or other authorized representative of DHA. **24 CFR § 966.4 (o)**

- 12. At the time of leasing, the new resident will receive a copy of the applicable DHA Lease and the following attachments:
 - a. Pet Policy;
 - b. Community Service Policy (public housing only);
 - c. Applicable City Ordinances (if applicable).
 - d. Other lease attachments as stipulated in Part 1 of the Lease.
- 13. If, at any time, the head of household dies or leaves the unit for any reason (Institutionalization, forming a new household elsewhere), DHA will permit the remaining members of the family to remain in the unit so long as:
 - a. The remaining family member(s) report the death or departure of the head within ten days of the occurrence;
 - b. There is still at least one member who was listed on the lease for the apartment
 - c. The family includes a person who is either an adult or an emancipated minor capable of executing a lease;
- 14. Residents are not permitted to allow roomers or boarders to occupy their apartments. Violation of this provision is grounds for lease termination:
- 15. Residents are not permitted to allow a former resident of DHA who has been evicted to occupy their unit, even as a visitor. Violation of this provision is grounds for lease termination.
- 16. Residents must advise DHA if they will be absent from the apartment for more than 7 days. Residents shall notify the manager, secure the apartment and provide a means for DHA to contact the resident in an emergency. Failure to advise DHA of an extended absence is grounds for termination of the lease.

B. Showing Units Prior to Leasing

- 1. Applicants may have an opportunity to see the unit being offered or a similar sample unit before they accept the offer and lease the apartment in accordance with DHA's *Procedure on Showing Units Prior to Leasing*.
- 2. DHA will not show nor move a family into a unit that does not meet basic habitability standards, including applicable DHA occupancy standards.
- C. Additions to and Deletions from the Resident Family and Household
 - 1. Only persons listed on the most recent certification form and lease, or added in accordance

- with law or DHA's *Procedure on Additions to Resident Families/ Households*, shall be permitted to occupy a dwelling unit **24 CFR § 966.4(a)(v)**.
- 2. Children will be added to families if they are born to or adopted by a family member or a Court awards custody to an adult family member listed on the lease.
- 3. Generally DHA will approve the addition of an adult family or household member only when that individual passes screening and does not overcrowd the family in the unit they currently occupy.
- 4. Residents who permit unauthorized individuals to occupy their units are subject to lease termination and eviction.

D. Visitors

- 1. Overnight visitors are permitted in a dwelling unit in accordance with DHA's *Procedure on Visitors* so long as they have no previous history of behavior on DHA premises that would be a lease violation.
- 2. Residents must register all their overnight visitors with the property manager. The registration form permits DHA to run a criminal history check on adult visitors who stay overnight, however DHA will not run a criminal history check on a visitor unless DHA has reason to believe the visitor actually lives in the DHA unit or if DHA receives complaints about the visitor's behavior from other residents or <u>law enforcement personnel</u>.
- 3. In DHA properties a guest may visit overnight for a total of 14 days/nights in any twelve month period.

V. Transfer Policy

A. General Transfer Policy

- Transfers are made within and between properties without regard to race, color, sexual orientation, gender identity, national origin, sex, religion, or familial status. Residents can be transferred to accommodate a disability. Transfers will be made in accordance with DHA's Transfer Procedure. 24 CFR § 100.5
- 2. Residents will not be transferred to a dwelling unit of equal size except to alleviate hardship of the resident or other undesirable conditions as determined by the Chief Operating Officer or designee or as an incentive to high performing residents.
- 3. Residents will receive one offer of a transfer. Refusal of that offer without good cause will result in lease termination for mandatory transfers or the removal of the household from the transfer list for voluntary transfers. 24 CFR § 1.4(2)(ii)
- 4. There is no notice requirement for emergency transfers. All other categories of transfers will be given the appropriate amount of notice required by the laws of the State of Texas.
- 5. When possible, DHA will allow a resident in good standing to choose the property to which to transfer for rehabilitation or redevelopment units so long as there are units of the right size and right type for the resident being transferred. Residents who are subject to mandatory transfers do not have the right to wait until a suitable unit is available at the property they prefer, rather each resident will receive a choice of the units available that are the right size and type.
- 6. Residents cannot be transferred across housing programs. This includes transfers from public housing (including ACC units in tax credit properties) to multifamily housing properties or LIHTC market rate housing, but residents can be transferred within such properties.

B. Types of Transfers

- 1. The order in which families are transferred shall be hierarchic by category set forth below.
 - a. <u>Emergency Transfers</u> are mandatory, and are made when DHA determines that unit or building conditions pose an immediate threat to resident life, health or safety or to resolve problems of a life-threatening nature that are not related to building or unit conditions. **24 CFR § 966.4(h)**
 - 1) DHA is not required to give prior notice of an Emergency Transfer;
 - 2) Emergency conditions that occur due to resident abuse or neglect will be grounds for emergency transfers, however resident will be charged for the damages caused to the apartment¹². 24 CFR § 966.4(h)
 - 3) Refusal to accept an emergency transfer is grounds for lease termination and eviction.
 - b. Administrative Transfers: These transfers shall take priority over new admissions.
 - 1) <u>Priority 1:</u> Mandatory administrative transfers to permit DHA to renovate, modernize, revitalize, demolish or dispose of a public housing property;
 - 2) <u>Priority 2:</u> Voluntary administrative transfers to move residents with disabilities to accessible units or units with features that accommodate their disabilities better than those in their current apartments.

This category also includes mandatory transfers of tenants without disabilities from accessible units when no one in their family needs the accessibility features, to regular units so that a family that needs the accessibility features can occupy the accessible unit. 24 CFR § 8.27(1)

This transfer priority also covers transfers of individuals from independent living apartments to a property with enriched supportive services when such services are needed to preserve the tenancy of the individual with disabilities.

- 3) Priority 3: Incentive Transfers: Voluntary transfers of high performing families, including those that have enrolled in FSS or those with higher incomes to certain properties. Managers will nominate qualifying residents, and the transfer requests must include necessary documentation to substantiate the qualification for such transfers. These transfers are made both to ensure that all properties are well cared for by their residents and to achieve income deconcentration goals.
- 4) Priority 4: Mandatory transfers to move families out of units that are too large or too small for the families. Families in units that are too large shall be transferred before families in units that are too small. 24 CFR § 966.4(c)
- 2. Whenever feasible, transfers will be made within a resident's area or other location of the resident's choice, but residents do not have the right to delay a transfer because a unit in the location they prefer is not available at the time they are required to transfer.

C. Priorities for Transfers

- 1. As described in the Tenant Selection and Assignment Chapter of this policy, transfers will be sorted into their appropriate categories by the Intake and Placement staff. Offers of apartments will be made in the following order:
 - a. Emergency transfers;

¹² Resident may challenge any charges for damages by using the DHA Grievance Procedure

- b. Administrative transfers in the following category order:
 - 1) Priority 1: DHA-initiated transfers to permit construction or revitalization
 - 2) Priority 2: Reasonable accommodations for residents with disabilities
 - 3) Priority 3: Resident incentive transfers for high performing families choosing to move to certain properties
 - 4) Priority 4: Over-housing and Overcrowding
- c. New Admissions from the waiting list;

D. Residents in Good Standing

- 1. In general, and in all cases of all resident-requested transfers, residents will be considered for transfers only if the head of household and other family members and guests under the resident's control:
 - a. Are current on rent without unpaid balance at any time in the past 12 months or current on a repayment agreement for the past 12 months;
 - b. Are current on utility payments to DHA or to utility supplier or are current with any repayment agreement with the DHA or utility supplier;
 - c. Are in compliance with the terms of the lease and any additional terms required to be added to that lease by Federal law. Violations of the lease must be documented by notices of lease violations or other evidence of serious or repeated violations of the material terms of the lease;
 - d. Meet reasonable housekeeping standards and have no housekeeping lease violations as documented by housekeeping inspection reports or work orders reflecting a pattern of damage caused by poor housekeeping; and
 - e. Have not destroyed, defaced, damaged or removed any part of an apartment or the development as documented by housekeeping inspection reports or work orders reflecting a pattern of damage or abuse.
 - f. For all resident incentive transfers, a one year perfect record of timely payment (rent and other charges), good housekeeping record and no lease violations is required.
- 2. Exceptions to the good record requirements may be made for emergency transfers or when it is to DHA's advantage¹³ to make the transfer. The exception to the good record requirement will be made by the central transfer administrator taking into account the recommendation by the Manager.
- 3. Absent a determination of exception, the following policy applies to transfers:
 - a. If back rent is owed, the resident will not be transferred until a payment plan is established or, if prior payment plans have failed, back rent is paid in full.
 - b. A resident with housekeeping standards violations will not be transferred until he/she passes a follow-up housekeeping inspection.

E. Cost of Transfers

- 1. DHA will pay the cost of transfers it initiates and reasonable accommodation transfers but not those due to changes in family size (overcrowding and over housing), or change in income tier:
- 2. Transfers in connection with modernization or revitalization will include moving expenses

¹³ e.g. a single person is living alone in a three bedroom unit and does not want to move

including the cost of disconnecting and reconnecting utilities.

F. Transfers at Section 8 project-based and Low Income Housing Tax Credit Properties

Not all the properties DHA owns and manages are public housing properties. Some are multifamily Section 8 new construction developments and others are LIHTC properties. Because DHA operates properties under multiple programs, public housing tenants may not be able to transfer to or from these properties. They must, instead, be processed as applicants.

Current tenants of Section 8 project based developments or tax credit properties may be transferred within the properties but not to other developments. These transfers will be handled by DHA's Occupancy Department.

VI. Annual Reexaminations of Income and Family Circumstances

A. Eligibility for Continued Occupancy

Residents who meet the following criteria will be eligible for continued occupancy:

- 1. Qualify as a family as defined in Section XIII of this policy. 14
- 2. Are in full compliance with the resident obligations and responsibilities as described in the dwelling lease as documented by a lack of lease violation notices in their files. 24 CFR § 966.4(f)
- 3. Whose family members each have verified Social Security numbers. 24 CFR § 5.216
- 4. Who meet HUD standards on citizenship or immigration status or are paying a pro-rated rent 24 CFR § 5.5
- 5. Who are in compliance with the DHA's Community service requirements, if applicable. 15

B. Remaining Family Members and Prior Debt

- 1. If the head of household dies or leaves the unit, continued occupancy by remaining family members is permitted only if:
 - a. The family reports the departure (or death) of the head of household within 10 days of the occurrence; and
 - b. The family includes a member who can pass screening and is either of legal age to execute a lease or is a Court-recognized emancipated minor; and
 - c. The new head signs a new lease within 10 calendar days of the departure/death of the former head.
- 2. Remaining family members age 18 years or older will be held responsible for debts incurred by the former head or spouse.
- 3. DHA will not hold remaining family members (other than the head or spouse) responsible for any portion of the debt incurred before the remaining member attained age 18.

C. Reexaminations

_

 Regular reexaminations: DHA shall, at least once every 12 months, re-examine the family composition and incomes of all resident families, except that public housing families paying Flat Rent shall have their incomes reexamined only every three years. DHA may take a

¹⁴ For purpose of continued occupancy, remaining family members qualify as a family so long as at least one of them is of legal age to execute a lease. Remaining family members can also include court recognized emancipated minors under age 18

- streamlined approach to the verification of income for families with fixed incomes, using COLA percentages and interest rates rather than independent verification. 24 CFR § 960.257
- 2. Special Reexaminations: When it is not possible to estimate family income accurately, a temporary determination will be made with respect to income and a special reexamination will be scheduled every 120 days until a reasonably accurate estimate of income can be made. 24 CFR § 5.609(d)
- 3. A special reexamination shall be conducted when there is a change in the head of household that requires a remaining family member to take on the responsibilities of a leaseholder. 24 CFR § 960.257
- 4. Zero Income Families: Unless the family has income that is excluded for rent computation (e.g. the family receives state funding for the care of foster children), families reporting zero income will have their circumstances examined every 90 days until they have a stable income. As required by Federal regulations, monetary or non-monetary contributions from persons not residing in the dwelling unit for any purpose other than the payment or reimbursement of medical expenses shall be considered income. 24 CFR § 5.609
- 5 If DHA is terminating the lease of a resident when the resident is scheduled for reexamination, the reexamination will be completed but a new lease will not be executed:
 - a. If DHA prevails in the lease termination action, a new lease will not be executed, and the resident will be evicted;
 - b. If the resident prevails in the lease termination action, a new lease will be executed.
- 6. Action Following Reexamination: If there is any change in rent, the lease will be amended, a new lease will be executed, or a Notice of Rent Adjustment will be issued. 24 CFR § 966.4(a)(3)
 - a. If any change in the apartment size is required, the resident will be placed on a transfer list in accordance with the transfer criteria described above in this policy and moved to an appropriate apartment when one becomes available. 24 CFR § 966.4(c)(3)
 - b. The Notice of rent adjustment will include the current rent, the new rent, the date when the new rent takes effect, the reason for the rent adjustment, and the fact that the resident has the right to request a Grievance hearing if he/she disagrees with or does not understand the new rent.
- 7. Effective Date of Adjustments
 - a. Residents will be notified in writing of any rent adjustment including the effective date of the adjustment.
 - b. Rent decreases go into effect the first of the month following the report of a change. Income decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.
 - c. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first day of the following month.
 - d. Rent increases due to misrepresentation are retroactive to the first of the month following the event that was misrepresented or not reported.

VII. Interim Rent Adjustments: Modified Fixed Rent System

- A. Adjusting Rent between Regular Reexaminations
 - 1. Residents are required to report all changes in family composition or status to the

housing manager within 10 calendar days of the occurrence. Failure to report within the 10 calendar days may result in a retroactive rent increase, but not a retroactive credit or rent reduction. In order to qualify for rent reductions, residents must report income decreases promptly. Residents are also required to report interim increases in income if they have been granted interim rent reductions or have previously reported zero income.

2. DHA wishes to encourage families to improve their economic circumstances, so most changes in family income between reexaminations will not result in a rent change. DHA will process interim changes in rent in accordance with the chart below:

INCOME CHANGE	DHA ACTION	
(a) Decrease in income for any reason, except for decrease that lasts less than 30 days or subject to Imputed Welfare Income rules ¹⁶ .	• Process interim rent reduction if income decrease will last more than 30 days. 24 CFR § 5.609	
(b) Increase in verified family deductions	Process interim rent reduction if income decrease ill last more than 30 days. 24 CFR § 5.609	
(c) Increase in income following DHA granting interim rent decrease.	Process interim increase for income increases after interim rent reductions.	
(d) Increase in earned income from the employment of a current household member.	•Defer rent increase until next regular reexam. 24 CFR§ 960.255	
(e) Increase in unearned income (e.g.COLA adjustment for social security).	Defer rent increase to the next regular reexam.	
(f) Increase in income because a person with income (from any source) joins the household.	Conduct an Interim Redetermination of the family's income and raise the rent.	
(g) Increase in monetary or non-monetary income after Resident claims zero income	Process an interim rent increase.	

- 3. DHA will process an interim increase in rent only if
 - a. the resident has misrepresented or failed to report facts upon which rent is based, so the rent the Resident is paying is less than it should have 17; or
 - b. the resident's income increases after the resident was granted an interim decrease in rent; or
 - c. the resident reported zero income and has a verified increase in income (that may be a non-monetary contribution); or
 - d. a person with income joins the household;
- 4. Complete verification of the circumstances applicable to rent adjustments must be documented and approved by according to DHA *Procedure on Verification* 24 CFR § 960.259(c)

Decreases in welfare income resulting from welfare fraud or from cuts for failure to comply with economic self sufficiency requirements are not eligible for rent reductions (24 CFR § 5.615).

¹⁷ DHA will apply any increase in rent retroactive to the month following the month in which the misrepresentation occurred.

- 5. DHA will process interim decreases in rent as follows:
 - a. When a decrease in income is reported, and DHA verifies that the decrease will last less than 30 days, an interim adjustment will not be processed.
 - b. Residents reporting decreases in income that are expected to last more than 30 days will have an interim adjustment processed.
- 6. Residents granted a reduction in rent are required to report for special reexaminations at intervals determined by the Housing Manager. Reporting is required until income increases or it is time for the next regularly scheduled reexamination, whichever occurs first.
- 7. If residents experience a decrease in income from public assistance because their grant is cut for one of the two following reasons, their rent will not be reduced:
 - a. Welfare department has reduced the grant because of welfare fraud; or
 - b. Welfare department has reduced the grant because the family failed to comply with economic self sufficiency requirements.
- 8. If a resident challenges the welfare department's reduction of their grant, an interim reduction in rent will not be processed until the matter is settled by the welfare department.
- 9. If the welfare department upholds the grant reduction, the resident shall owe a retroactive rent on the interim rent reduction granted in "8" above.
- 10. If the welfare department overturns the grant reduction, no retroactive balance is owed. See DHA *Procedure on Imputed Welfare Income*

B. Interim Changes in Family Composition

- 1. All changes in family composition must be reported within ten days of occurrence. Certain types of changes do not require DHA advance approval but they must be reported within ten days if occurrence, including:
 - a. Someone listed on the lease leaving the unit:
 - b. Birth, adoption or court-awarded custody of a child;
- 2. Additions of the following persons must be requested in writing and require written permission from DHA **before** the persons may move into the apartment:
 - a. Adult family member (including a new spouse);
 - b. Foster child or children;
 - c. Foster adult;
 - d. Live-in Aide:
 - e. Child in kinship care.
- 3. All adults who are proposed for addition to a family or household must be screened by the occupancy division and, with the exception of Live-in Aides, must not overcrowd the unit. See DHA *Procedure on Additions to and Deletions from the Household*.
- 4. When the change in family size would require the family to transfer to a smaller or larger unit, the family will be placed on the central transfer list as soon as the change in family circumstances is verified. Transfers will be processed in accordance with this policy and DHA's *Procedure on Transfers*.

C. Effective Date of Rent Adjustments

Residents will be notified in writing of any rent adjustment including the effective date of the

- 1. Rent decreases go into effect the first of the month following the report of a change. Income decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.
- 2. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first of the second month after the circumstances leading to the increase.
- D. Earned Income Disallowances: Public Housing Properties/ACC Residents ONLY
 - 1. If a resident goes to work or has new or additional earned income and qualifies under one of the following three criteria, that individual will receive an Earned Income Disallowance (EID) as described below and in the DHA *Procedure on Earned Income Disallowances*. To qualify, a public housing Resident:
 - a. Goes to work after having been unemployed for at least twelve months, or goes to work after having earned less in the last 12 months than would be earned working ten hours per week for a fifty week year earning minimum wage; or
 - b. Receives new or increased earned income during participation in an education, job training, or other economic self sufficiency activity; or
 - c. Receives new or increased earned income within six months of having received a cash benefit or in-kind services funded through the program of Temporary Assistance to Needy Families. If an in-kind benefit (child care, clothing or transportation subsidies, for example) was received it must be worth at least \$500 in the past six months.
 - 2. During the first 12 months after the date when the resident qualified for the EID, the resident's rent will not be increased because of the new earned income. Rent during this period will be based on the resident's income before qualifying for the EID plus any increases in unearned income that may occur after qualifying for the EID.
 - 3. During the second 12 months after the date the resident qualified for the EID, the resident's rent will be increased by an amount based on fifty percent of the resident's incremental earned income..
 - 4. The disallowance periods described in number 3 and 4 above only occur while the resident is employed. If the resident stops working, the disallowance stops and resumes again when the resident goes back to work. During the period when the resident is not employed, rent will be based on the resident's actual income.
 - 5. Even if the full 24 months of disallowance (12 months of full disallowance plus 12 months of 50% disallowance) have not been used, the EID will terminate 24 months from the date when the resident first qualified for the EID.
 - 6. An EID is awarded to a person, not an entire family. More than one adult family member can receive an EID at the same time if they qualify as described under number 1 above.
 - 7. No one receives more than one EID in a lifetime.
 - 8. Residents may qualify for a retroactive EID if **all** the following are true:
 - a. The residents qualified for an EID after 10/1/99; and
 - b. The resident reported the increased income; and
 - c. DHA increased the resident's rent; and
 - d. The resident paid the increased rent.
 - 9. Before the amount potentially owed to a resident for a retroactive rent credit is determined,

any amounts owed to DHA by the resident shall be deducted.

10. If a resident qualifies for a retroactive EID as described in "8" above, he/she shall be entitled to the choice of a payment of the retroactive amount due as calculated above, or a prospective rent credit.

VIII. Lease Termination Policies

A. General Policy: Lease Termination

Either DHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms 24 CFR § 966.4(I)

B. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to DHA or property manager in accord with DHA *Procedure on Lease Terminations*.

C. DHA-initiated Lease Terminations

- 1. DHA or its manager shall terminate the lease only for serious or repeated violations of the material provisions of the lease or other good cause. 24 CFR § 966.4(I)
- 2. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations, in English or Spanish, or, in the case of a resident with disability, in the format requested by the resident 24 CFR § 966.4(I)
- 3. In accordance with the lease and grievance procedure, DHA shall notify Resident in the lease termination notice of Resident's grievance rights if the lease termination is subject to the Grievance Procedure.
- 4. DHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence or stalking (see Definitions in Section XIII) and will offer a resident in this situation an opportunity to certify to such facts.
 - The Violence Against Women Act protects individuals who are the victims of such crimes and misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on HUD form 50066) or provide other documentation of their status.
- 5. If a non-exempt member of a resident family fails to comply with the 8 hour per month Community Service requirement, the entire family may be subject to lease termination. In such cases the resident and the Authority may enter into a contract to make up the delinquent service hours within the 12 months following the period for which hours are delinquent. If, at any time during this period, the individual fails to perform both the current and delinquent hours agreed to, the Authority will terminate tenancy.
- 6. The community service requirement does not apply to properties that are project-based Section 8 or low income housing tax credit units that do not receive HUD public housing operating subsidy.

D. Notification Requirements

- The Authority's written Notice of Lease Termination will state the reason for the proposed termination, the section of the lease violated, the details of the reason for termination, the date the termination will take place and will indicate the tenant's rights under Texas law this policy.
- 2. The Notice of Termination may run concurrent with any Notice to Vacate or other notification required by Texas law.

- 3. Notices of lease termination may be personally served on a member of the tenant household who is at least 15 years old, may be taped to the inside of the front door of the unit, or may be mailed by first class mail.
- 4. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 14 days prior to termination for failure to pay rent;
 - a days prior to termination, consistent with the exigencies of the situation in cases of violent or drug-related criminal activity that threatens other residents, staff, or neighbors of the property;
 - c. At least 30 days prior to termination in all other cases.

E. Eviction Actions

- 1. DHA may evict a resident only by bringing a Court action.
- 2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.
- 3. If DHA files an eviction action against a resident, the resident will be liable for Court costs, including attorney's fees, unless the resident prevails in the action;
- 4. DHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease. The resident must prove this defense by the preponderance of the evidence.
- 5. In deciding whether or not to evict for criminal activity DHA may consider all the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.
- 6. In appropriate cases of criminal activity by a family member other than the head or spouse, DHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit or the property.
- 7. DHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
- 8. DHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on lease probation for an appropriate period of time.
- 9. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.

F. Record keeping Requirements

- 1. A written record of every termination and/or eviction shall be maintained by DHA, and shall contain the following information:
 - a. Name of resident, resident's race and ethnicity, number and identification of apartment occupied;
 - b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
 - c. For lease terminations for criminal activity, a note in the file with the date, case number

and source of information relating to the Notice of Arrest of Notice of the Incident;

- d. For "cause" lease terminations, copies of any occurrence reports, lease violation notices, or other appropriate documentation of the underlying facts surrounding the incident that is the subject of the eviction;
- e. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
- f. Date and method of notifying resident; and
- g. Summaries of any conferences held with resident including dates, names of conference participants and conclusions:
- h. Copy of the served Termination Notice;
- i. Copy of any agreed settlement orders;
- j. Copy of any post-judgment agreements.

Section 8 Project-based Properties, Multifamily Properties, Low Income Housing Tax Credit Units not receiving HUD Operating Subsidy

A. General Policy: Lease Termination

Either DHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms.

B. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to DHA or property manager in accordance with *DHA Procedure on Lease Terminations*.

C. DHA-initiated Lease Terminations

DHA or its manager shall terminate the lease only for

- 1. substantial lease violations or
- 2. repeated violations of the lease that disrupt the livability of the project, adversely affect the health, safety or right to peaceful enjoyment of the leased premises of any tenant, interfere with the management of the project, or have an adverse financial effect upon the project, or
- 3. failure to carry out obligations under the State of Texas Property Code or
- 4. other good cause (only at the expiration of the lease term).
- 5. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations in English, or Spanish, or, in the case of a resident with disability, in the format requested by the resident
- 6. Although under HUD regulations, project-based Section 8 and Low Income Housing Tax Credit units that do not receive HUD operating subsidy are not subject to the public housing Grievance Procedure, DHA has chosen to make this forum available in all the properties it manages. Consequently, in accordance with the grievance procedure rules, DHA shall notify Resident in the lease termination notice of Resident's grievance rights if the lease termination is subject to the Grievance Procedure.
- 7. DHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence or stalking (see Definitions in Section XIII) and will offer a resident in this situation an opportunity to certify to such facts. The Violence Against Women Act protects individuals who are the victims of such crimes and

misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on the applicable HUD form) or provide other documentation of their status.

D. Notification Requirements

The Authority's written Notice of Lease Termination will state

- 1. The date the lease will be terminated
- 2. The grounds for termination with enough detail for the tenant to prepare a defense. If the grounds are non-payment of rent, the notice must state the amount of balance due and the date of that computation;
- 3. That if the tenant remains in the unit beyond the date specified for termination that the Authority may enforce the termination only by bringing judicial action, at which time the tenant may present a defense;
- 4. That the tenant has 10 calendar days within which to discuss the proposed termination of tenancy with the manager. The 10 calendar days will start on the earlier of the date the notice was hand delivered or the day after the date the notice was mailed
- 5. Failure of the tenant to object to the termination notice does not constitute a waiver of the tenant's right to contest the Authority's actions in any court proceeding;
- 6. Termination notices for "other good cause" must provide that the proposed termination will be effective at the later of the end of the lease term or 30 days from the date of the notice.
- 7. The Notice to Vacate may run concurrent with any notice required by State law.
- 8. Notices of lease termination may be personally served on a member of the tenant household who is at least 15 years old, taped to the inside of the unit's front door, or may be mailed by first class mail.
- 9. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 10 days prior to termination for failure to pay rent;
 - b. 10 days prior to termination, consistent with the exigencies of the situation in cases of violent or drug related criminal activity;
 - c. At least 30 days prior to termination in all other cases.

E. Eviction Actions

- 1. DHA may evict a resident only by bringing a Court action.
- 2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.
- 3. If DHA files an eviction action against a resident, the resident will be liable for Court costs, excluding attorney's fees, unless the resident prevails in the action;
- 4. DHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease.
- 5. The resident may raise as a defense that the resident did not know nor should have known about the action that violated the lease.
- 6. The resident must prove this defense by the preponderance of the evidence.
- 7. In deciding whether or not to evict for criminal activity DHA may consider all the

circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.

- 8. In appropriate cases, DHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit.
- DHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
- 10. DHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on probation for an appropriate period of time.
- 11. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.

F. Record Keeping Requirements

A written record of every termination and/or eviction shall be maintained by DHA, and shall contain the following information:

- a. Name of resident, race and ethnicity, number and identification of apartment occupied;
- b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
- c. For lease terminations for criminal activity, a note in the file with the date, case number and source of information relating to the Notice of Arrest of Notice of the Incident
- d. For "cause" lease terminations, copies of any occurrence reports, lease violation notices, or other appropriate documentation of the underlying facts surrounding the incident that is the subject of the eviction;
- e. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
- f. Date and method of notifying resident; and
- g. Summaries of any conferences held with resident including dates, names of conference participants and conclusions;
- h. Copy of the served Termination Notice;
- i. Copy of any agreed settlement orders;
- j. Copy of any post-judgment agreements.

IX. Utilities

A. Resident-Paid Utilities 24 CFR § 965 & 966.4(b)(2)

The following requirements apply **only** to residents living in developments with resident-paid utilities:

- 1. In units with Resident-paid utilities, paying the utility bill in a timely manner is an obligation under the lease and failure to pay in a timely manner is a serious violation of the lease, subject to lease termination. 24 CFR § 960.253(c)(3) and 966.4(b)
- 2. If a resident or applicant is unable to get utilities connected in his/her own name because of bad credit or a previous balance owed to the utility company at a prior address, the resident

- or applicant will not be permitted to move into a unit with resident-paid utilities. Depending upon the size and type of unit an applicant needs, the inability of an applicant to get utilities connected may cause the application to be rejected. 24 CFR § 960.203
- 3. When a resident makes application for utility service in his/her own name, he or she is required to sign a third-party notification agreement so that DHA will be notified if the resident fails to pay the utility bill.
- 4. Each resident will receive a monthly Utility Allowance that reflects a reasonable amount of utilities for the specific size and type of apartment occupied. 24 CFR § 5.609
- 5. Residents who pay their utility bills directly and are paying an income-based rent have the amount of rent owed to DHA reduced by the amount of the Utility Allowance. In other words, the resident's Total Tenant Payment, less the Utility Allowance equals the Tenant Rent owed to DHA.
- 6. When a resident's Total Tenant Payment is less than the utility allowance, DHA will pay a utility reimbursement, equal to the difference between one month's total tenant payment and the utility allowance to either the tenant or the utility supplier. 24 CFR § 5.632. When the value of the utility reimbursement is less than \$15 per month, reimbursements will be paid quarterly rather than monthly.
- 7. Residents on whose behalf Utility Reimbursements are paid to the utility company are required to pay the utility supplier for any use in excess of that covered by the Utility Allowance;
- 8. If the resident's actual utility bill is less than the Utility Allowance, the resident receives the saving.
- 9. Residents who have elected to pay a Flat Rent do not receive a utility allowance. The value of the utilities paid by the resident have already been deducted from the Flat Rent.

B. Excess Utility Charges

- 1. Check-metered developments or buildings: In buildings that are check-metered, residents shall have consumption-based utility allowances that reflect the size and type of units and actual equipment provided by DHA. Check meters are read by DHA and each tenant charged only for consumption in excess of the utility allowance at the rate paid by DHA.
- 2. In buildings where utilities are not individually metered and there are no check meters, DHA may make excess utility charges for the use of certain resident-supplied appliances in excess of those supplied by DHA. Examples include:
 - a. Second refrigerator;
 - b. Freezer

C. Reasonable Accommodations 24 CFR § 8.4 and 966.7

1. Residents with disabilities may be entitled to higher than normal utility allowances or may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability.

X. Flat Rents (Public Housing only)

A. Flat Rents

1. Flat rents shall be determined in accordance with HUD regulations.

- 2. Flat rents vary by apartment size and type and also by development location.
- 3. Flat rents payers do not receive a utility allowance. An apartment with resident-paid utilities will have a lower flat rent than the same apartment with project-paid utilities.

B. Annual Update of Flat Rents

- 1. DHA shall review the Flat Rent structure annually and adjust the rents as needed.
- 2. Flat rents may either be increased or decreased based on HUD's published Fair Market Rents.
- 3. When a resident chooses Flat rent, his/her rent shall be adjusted only at the next annual reexamination rather than when DHA may revise the Flat rents.

C. Choice of Rent

- 1. Once each year, beginning with admission and continuing at each annual reexamination, each family is offered a choice between paying the income-based rent and the Flat rent applicable to the unit they will be occupying.
- 2. Because of the way the Federal law is written, choice of Flat rent may only be offered at admission and annual reexamination.

D. Recertification of Families on Flat Rents

Families paying flat rents are required to recertify income only every three years, rather than annually, although they are still required to participate in an Annual Reexamination in order to ensure that apartment size is still appropriate and Community Service requirements (if applicable) are met. 24 CFR § 960.257 (a)(2)

E. Hardship Reduction in Flat Rents

- 1. If a resident who opted for Flat Rent experiences a decrease in income, Management will perform an Interim Reexamination of Income.
- 2. If the reduction in income will last more than 30 days, Management will reduce rent to the income-based rent based on verified income information. 24 CFR § 960.253 (f)
- 3. If the Resident's income rises again before the annual reexamination, the resident must pay the income-based rent until the next annual reexamination.

XI. Determining Income and Rent

A. Annual Income 24 CFR § 5,609

DHA shall use HUD's definition of Annual Income. Should this definition be revised, HUD's definition, rather than that presented below shall be used.

Annual income is the anticipated total income from all sources, including net income derived from assets, received by the family head and spouse (even if temporarily absent) and by each additional family member including all net income from assets for the 12-month period following the effective date of initial determination or reexamination of income, exclusive of income that is temporary, non-recurring, or sporadic as defined below, or is specifically excluded from income by other federal statute. C. Anticipating Annual Income 24 CFR § 5.609(d)

If it is not feasible to anticipate income for a 12-month period, the Authority may use the annualized income anticipated for a shorter period, subject to an Interim Adjustment at the end of the shorter period. (This method would be used for school bus drivers or classroom aides who are only paid for 9 months, or for tenants receiving unemployment compensation.)

D. Adjusted Income 24 CFR § 5.611

Amounts deducted must be unreimbursed expenses and shall not exceed: (a) the amount of income earned by the family member released to work; or (b) an amount determined to be reasonable by DHA when the expense is incurred to permit education or to seek employment.
- 2. Dependent Deduction An exemption of \$480 for each member of the family residing in the household (other than the head of household, or spouse, Live-in Aide, foster adult or foster child) who is under eighteen years of age or who is eighteen years of age or older and disabled, or a full-time student.
- 3. Work-related Disability Expenses a deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. Equipment and auxiliary apparatus may include but are not limited to: wheelchairs, lifts, reading devices for the visually impaired, and equipment added to cars and vans to permit their use by the disabled family member. Also included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.

- a. For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income, provided the amount so calculated does not exceed the employment income earned.
- b. For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income (provided the amount so calculated does not exceed the

employment income earned) PLUS medical expenses as defined below.

Only elderly and disabled families eligible, (when verified):

- a. For elderly or disabled families without work-related disability expenses: The amount of the deduction shall equal total medical expenses less three percent of annual income.
- b. For elderly or disabled families with both work-related disability expenses and medical expenses: the amount of the deduction is calculated as described in paragraph 3 (b) above.
- 5. Elderly/Disabled Household Exemption An exemption of \$400 per household. See Definitions in the next section.

- d. The 504 definition of disability does not include homosexuality, bisexuality, or transvestitism because these are not disabilities. These characteristics do not disqualify an otherwise disabled applicant/resident from being covered. The 504 definition of individual with disabilities is a civil rights definition. To be considered for admission to public housing designated for people with disabilities or to receive a disability-related income deduction a person must meet the program definition of "Person with Disabilities" found in this section.
- 41. <u>Kinship</u> care an arrangement in which a relative or non-relative becomes the primary caregiver for a child or children but is not the biological parent of the child or children. The primary caregiver need not have legal custody of such child or children to be a kinship caregiver under this definition. This is usually accomplished through school or medical records.

There are 5 local preferences in effect. An applicant will qualify for a preference if he/she qualifies in one or more of the following categories (defined Chapter XII, Definition of Terms):

- a. <u>Vulnerable homeless persons:</u> For admission to properties with supportive services, a preference shall be granted to vulnerable homeless individuals and families as identified by an organization that serves homeless people. - c. <u>Disaster Preference</u>: Applicants displaced by a Federally declared disaster, or a disaster to a DHA-assisted unit will qualify for this preference if they apply within 90 days from the date the disaster is declared (and the waiting list is open at that time).  - Existing public housing residents and HCV program participants
 - Applicants who were not previously living in assisted housing but who meet all other application criteria.
- d. Working Families: Applies to up to one half of any year's admissions at non-elderly developments only. (Families whose sole adult members are elderly individuals or persons with disabilities at these properties will automatically be awarded this preference). A family will qualify for this preference if they have at least one adult member who is employed at least 30 hours per week in the 6 months prior to admission.
 - Any family that is admitted because they qualify for this preference and, in the 12 months following admission, voluntarily leaves employment shall be considered to have committed program fraud. Such a family's lease will be terminated.
 - If there are insufficient working families to fill up to one half of the year's admissions, units will not be held vacant non-preference waiting list families will be admitted.
- e. Mixed population building preference¹⁸

In buildings designed for occupancy by Elderly and Disabled families (Brooks Manor, Park Manor, Cliff Manor, Audelia Manor, Forest Green Manor, Lakeland Manor), applications from single persons who qualify under the definitions of Elderly Family, Disabled Family and Displaced Person will be ranked higher than those of single persons who are not elderly, disabled or displaced.

Roseland Gardens and Lakewest Senior Village properties are designated for occupancy by Elderly Families. Only families whose head, spouse or sole member is a person aged 55 years old or older may be admitted to these properties and no families with children may be admitted

44. <u>Lower-Income</u> Household - A family whose annual income does not exceed 80 percent of the median income for the area as determined by HUD with adjusted for smaller family size. **42 USC 1437a(b)**

- 64. Tenant Rent The amount payable monthly by the Family as rent to DHA. If all utilities (except telephone) and other essential housing services are supplied by the DHA, Tenant Rent equals Total Tenant Payment. If some or all utilities (except telephone) and other essential housing services are not supplied by the DHA the cost thereof is not included in the amount paid as rent, and Tenant Rent equals Total Tenant Payment less the Utility Allowance 24 CFR § 5.6.
- 65. Total Tenant Payment (TTP) The TTP is calculated using the following formula:
 - The greater of 30% of the monthly Adjusted Income (as defined in these policies) or 10% of the monthly Annual Income (as defined in these policies), but never less than the Minimum Rent. If the Resident pays utilities directly to the utility supplier, the amount of the Utility Allowance is deducted from the TTP. **24 CFR §5.6** See definition for Tenant Rent

- 67. <u>Utilities</u> Utilities means water, electricity, gas, other heating, refrigeration and cooking fuels, trash collection, and sewerage services. Telephone service is not included as a utility **24 CFR § 965.473**
- 68. <u>Utility Allowance</u> At properties with tenant-paid utilities, this is a dollar amount established in accordance with HUD regulations (24 CFR § 965) for utilities paid directly to the utility supplier by residents. It is adequate to include reasonable consumption for major equipment such as heat, water heating and appliances, but does not include air conditioning in family developments. The amount of the utility allowance is subtracted from each resident's Total Tenant Payment to determine Tenant Rent.
- 69. <u>Utility Reimbursement</u> At properties with tenant-paid utilities, amounts paid to families or utility providers when the families' Total Tenant Payment is less than the Utility Allowance for tenant-paid utilities.

Families paying Flat rent do not receive Utility Allowances and, consequently, will never qualify for utility reimbursements.

XIV. DHA PUBLIC HOUSING COMMUNITY SERVICE POLICY

A. Background

- As all staff of DHA know, the Community Service requirement is only applicable to residents
 of public housing properties or residents living in ACC subsidized units at mixed finance
 properties. No one living in a multifamily property or a project based voucher property or
 using a tenant based voucher in a market rate unit at a mixed finance property is subject to
 the Community Service requirement.
- 2. DHA is working to enable its residents to become fully economically independent. In support of this goal and HUD requirements, DHA requires that all non-exempt members of resident families meet monthly targets for neighborhood service or economic self sufficiency, as monitored monthly.
- 3. The Community Service requirement is 8 hours per month for each non-exempt adult (not for each family with a non-exempt adult).
- 4. Compliance with Community Service activities is monitored by monthly contact between the non-exempt resident and the Resident Service Coordinator. DHA opts not to accept tenant

certifications of compliance with the Community Service requirement. It will continue to verify compliance.

B. Definitions

 - e. Work with service programs sponsored by churches so long as they do not involve religious education or the practice of religion (e.g. a meals program for the homeless sponsored by a church and provided in the parish hall would be acceptable, teaching Sunday School would not);
 - f. Work with other youth, disability service or advocacy, or senior organizations;
 - g. Work at the property to help improve physical conditions (for example as a grounds or building captain, or on a beautification program for the building or grounds);

- 1. Exempt Adult an adult member of the family who is not required to perform Community Service because he/she:
 - a. A person who is 62 years or older
 - b. A person who is blind or disabled, as defined under 216(i)(1) or 1614 of the service provisions of this subpart

C. Requirements of the Program

- 1. Each non-exempt adult in a public housing family must contribute and document some combination of 8 hours per month of Community service or self sufficiency activity.
- 2. The 8 hours per month may be either volunteer work or self sufficiency program activity or a combination of the two.
- 3. At least 8 hours of activity must be performed each month. An individual may not skip a month and then double up the following month, unless special circumstances warrant special consideration. DHA will make the determination of whether to allow or disallow a deviation from the schedule.
- 4. Activities must be performed within the neighborhood and not outside the jurisdictional area of the DHA. The exception to this rule would be adults who are enrolled in full-time higher education or vocational training. Their hours of education would count toward the requirement.

5. Family obligations

- a. At lease execution or re-examination after the effective date of this policy, all adult members (18 or older) of a public housing resident family must
 - 1) provide documentation that they are exempt from Community Service requirement if they qualify for an exemption, and
 - 2) sign a certification that they have received and read this policy and understand that if they are not exempt, failure to comply with the Community Service requirement will result in termination of their lease.
- b. Once each month non-exempt family members must present a completed documentation form (provided by DHA) of activities performed over the previous month to the Housing Manager.
- c. At each annual re-examination, non-exempt family members must present a completed documentation form (provided by DHA) of activities performed over the previous twelve months. Both forms will include places for signatures of supervisors, instructors, or counselors certifying to the number of hours contributed each month by month.

6. Change in exempt status:

D. DHA obligations

- 1. To the greatest extent possible and practicable, DHA and its property managers will
 - a. provide names and contacts at agencies that can provide opportunities for residents, including those with disabilities, to fulfill their Community Service/Self Sufficiency

obligations;

- include in the Community Service requirement a disabled person who is otherwise able to be gainfully employed, since such an individual is not exempt from the Community Service requirement; and

- 3. DHA will make the final determination as to whether or not a family member is exempt from the Community Service/Self Sufficiency requirement.
- 4. Residents may use DHA's Grievance Procedure if they disagree with DHA's determination.

E. Noncompliance of a non-exempt family member

- 1. If a non-exempt adult fails to report to the Manager or fails to complete the required eight hours of neighborhood service or self sufficiency activity, the non-exempt adult shall be considered to be in noncompliance.
- 2. When a property manager receives a report of a non-exempt adult's failure to either report or complete the required activity, the property manager shall send a Notice of Lease Violation to the head of household.
- 3. The non-exempt adult may be granted additional time to make up any lost hours, properly reported to the Manager.
- 4. If the non-exempt adult who fails to make up the required hours is someone other than the head of household, the remaining family members may retain their tenancy if the noncompliant adult leaves the household;
- 5. The family may use DHA's Grievance Procedure to contest the lease termination.

If there is any conflict between HUD's regulations and this policy, the hub.regulations will govern. In addition to Low Rent Public Housing, certain sections of this policy apply to other types of low income housing owned, managed or developed by <a href="https://hub.regulations.org/leveloped-busing-noise-to-based-busing-noise-to-based-busing-noise-to-based-busing-busing-noise-to-based-busing-

Besides being DHA's Admissions and Continued Occupancy Policy, this is the Tenant Selection Plan for multifamily housing owned by DHA.

In its management of the multifamily project-based <u>Sectionsection</u> 8 housing that DHA owns, it will comply with HUD's regulations and guidance governing such housing. If HUD's regulations and guidance for multifamily housing conflict with those governing the management of public housing DHA will comply with the HUD rules applicable to the type of housing <u>owned and managed.</u> DHA's staff are aware of which of its properties <u>and units</u> are public housing, multifamily housing and project-based voucher housing and, consequently, which rules and guidance apply.

This policy references certain procedures (shown Shown in *italic type*), that describe in detail how the policy is to be carried out by staff. The procedures are extensions of the policy document referenced. All procedures are public documents and are available for review upon request.

I. Nondiscrimination

A Complying with Civil Rights Laws

- Civil rights laws protect the rights of applicants and residents to equal treatment by the Housing Authority in operating its programs. It is the policy of the Dallas Housing Authority (DHA) to comply with all Civil Rights laws now in effect and subsequently enacted, including but not limited to:
 - a. Title VI of the Civil Rights Act of 1964, which forbids discrimination on the basis of race, color, religion, national origin or sex; 24 CFR §§ 1 and 100
 - b. Title VIII of the Civil Rights Act of 1968 (as amended by the 1974 HCDA and the Fair Housing Amendments Act of 1988), which extends protection against discrimination based on disability and familial status, and spells out forms of prohibited discrimination; 24 CFR § 100
 - c. Executive Order 11063,
 - d. Section 504 of the Rehabilitation Act of 1973, which describes specific housing rights of persons with disabilities; 24 CFR § 8

- e. Age Discrimination Act of 1975, which establishes certain rights of the elderly; 24 CFR § 146
- f. Title II of the Americans with Disabilities Act, otherwise Section 504 and the Fair Housing Amendments govern (Title II deals with common areas and public space, not living units, which are covered by Section 504.)
- g. Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity
- h. Any applicable State laws or local ordinances.
- 2. DHA shall not discriminate because of race, color, national origin, sex, religion, familial status, disability, sexual orientation or gender identity in the leasing, rental, occupancy, use, or other disposition of housing or related facilities, including land, that is part of a development under the DHA's jurisdiction covered by a public housing Annual Contributions Contract with HUD. 24 CFR § 100
- 3. DHA shall not deny admission to otherwise qualified applicants because of their membership in some group to which negative behavior may be imputed (e.g., families with children born to unmarried parents). Instead, each applicant who is a member of a particular group will be treated as an individual based on his or her historyattributes and behavior. 24 CFR § 960.203(a)
- 4. DHA will work continuously to affirmatively further fair housing and to remove impediments to housing choice by members of protected classes;
- 5. DHA will offer units only in the order prescribed by this policy, since any other method violates the rights of applicants.

B. Reasonable Accommodations

- 1. DHA, as a public agency that provides affordable housing to eligible families, has a legal obligation to provide "unit modifications" and "reasonable accommodations" to applicants and residents if they or any family members have a disability. 24 CFR § 8.4
- 2. A unit modification is some adaptation or change DHA can make to its apartments, buildings, or sites. A reasonable accommodation is a modification DHA can make to its methods and procedures (but not Federal law, regulations or DHA policies). Both unit modifications and reasonable accommodations are carried out to assist an otherwise eligible applicant or resident with a disability to take full advantage of and use DHA's programs, including those that are operated by other agencies in DHA-owned public space. 24 CFR § 8.20
 - A modification or accommodation is not reasonable if it: 24 CFR § 8.21(b) and 24 CFR § 8.24(a)(2)
 - a. —Causes an undue financial and administrative burden; or
 - b. —Represents a fundamental alteration in the nature of DHA's program.
- 3. Subject to the undue burdens and fundamental alterations tests, DHA will correct physical situations or procedures that create a barrier to equal housing opportunity for all. To permit people with disabilities to take full advantage of DHA's housing program and non-housing programs, in accordance with Section 504 and the Fair Housing Amendments Act of 1988, DHA shall comply with all requirements and prohibitions in applicable law. Specific actions are described in the *Procedure on Civil Rights and Disability Rights*. 24 CFR § 8.4
- 4. Facilities and programs used by applicants and residents shall be accessible to persons

using wheelchairs, persons with sensory impairments and other persons with disabilities. Application and management offices, hearing rooms, community centers, day care centers, laundry facilities, craft and game rooms, etc. (to the extent that the DHA has such facilities) will be usable by residents with a full range of disabilities. If DHA offers such facilities, and none is accessible, some¹ will be made so, subject to the undue financial and administrative burden test. **24 CFR § 8.2**

- 5. Documents and procedures used by applicants and residents will be accessible for those with vision, hearing or other sensory impairments. Also, all documents will be written simply and clearly to enable applicants with learning or cognitive disabilities to understand as much as possible. Methods used to ensure that communication is understandable by persons with disabilities are described in the *Procedure on Civil Rights and Disability Rights*. 24 CFR § 8.6
 - 6. Examples of reasonable accommodations include, but are not limited to: 24 CFR §8.4
 - **a.** Making alterations to a DHA apartment to make it fully accessible so it could be used by a person in a wheelchair;
 - **b.** Transferring a resident (at DHA's expense) who needs a fully accessible unit from an apartment that cannot be made accessible to an apartment that is accessible (this may require moving the resident from one property to another);
 - **c.** Widening the door of a community room or public restroom so a person in a wheelchair may use the facility;
 - **d.** Adding or altering apartment or building features so they may be used by a family member with a disability, including but not limited to;
 - 1) Installing strobe-type flashing light smoke detectors and flashing light/doorbell for a family with a hearing impaired member;
 - 2) Adding structural grab bars in the bathroom;
 - 3) Changing the doorknobs to lever-type door handles;
 - 4) Installing a magnifier over the thermostat;
 - 5) Switching the bathtub to a shower;
 - 6) Lowering the peephole on the door;
 - e. Permitting a family to have a large dog to assist a family member with a disability in a DHA family development where the size of dogs is usually limited; 24 CFR § 8.20
 - f. Making sure that DHA processes are understandable to applicants and residents with sensory or cognitive impairments, including but not limited to: 24 CFR § 8.6
 - 1) Making large type documents, Braille documents, cassettes or a reader available to an applicant or resident with a vision impairment during interviews or meetings with DHA staff;
 - 2) Using personal visits, interviews or telephone calls to convey information to an applicant or resident who cannot see or read;
 - 3) Making a sign language interpreter available to an applicant with a hearing impairment during interviews or meetings with DHA staff;

¹ It is not required that all public and common areas be made accessible so long as persons with disabilities have full access to all the types of facilities and activities available to persons without disabilities. Thus, not all laundry facilities need to be accessible so long as there are sufficient accessible laundry facilities for use by persons with disabilities at each development that provides laundry facilities.

- 4) Permitting an applicant or resident to be accompanied or represented by a family member, friend or advocate at all meetings and interviews with DHA if the individual desires such representation;
- 5) Permitting an outside agency or individual to assist an applicant with a disability to meet the DHA's applicant screening criteria.
- g-7. To meet the standard of HUD's definition of "Qualified Individual with a Disability" a family head or other member with a disability must still be able to meet essential obligations of tenancy. They must be able: 24 CFR § 8.3
 - 4)a. _____to pay rent and other charges (e.g. utility bills) as required by the lease in a timely manner;
 - 2)b. to care for and avoid damaging the apartment and common areas; to use facilities and equipment in a reasonable way;
 - 3)c. to create no health, or safety hazards, and to report maintenance needs
 - 4)d. _____not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
 - e. not to smoke in a DHA unit, common areas or anywhere on DHA property except designated smoking areas;
 - 5)f. not to engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
 - 6)g. to comply with necessary and reasonable rules and program requirements of HUD and the DHA.

But there is no requirement that they be able to do these things without assistance.

- h.a. If an applicant or resident family member needs assistance with one of the essential obligations of tenancy, DHA will, as a reasonable accommodation, make a referral to an individual or agency that can provide such assistance. 24 CFR § 8.20
- i.b. If an applicant or resident receives a referral to an agency or individual who can assist the applicant or resident with complying with the essential obligations of tenancy, the applicant or resident is not obligated to accept the service, but if refusing service results in a lease violation, DHA may terminate the lease. 24 CFR § 8.2
- j.c. An applicant or resident family with a member who has a disability and needs or wants a reasonable accommodation may request it at any time. 24 CFR § 8.20
- k.d. If an applicant or resident would prefer not to discuss his/her disability with the DHA, that is his/her right.
- Le. Any request that requires a certified verification, must be submitted directly to DHA by the qualified person making the certification.
- C Providing Information in Languages other than English for persons with Limited English Proficiency
 - For persons with Limited English Proficiency (LEP), language can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information. In certain circumstances, failure to ensure that LEP persons can effectively

participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin.

- 2. The DHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency (LEP).
- 3. DHA's Procedure on *Communication with Persons with Limited English Proficiency* describes the specific methods DHA will use to accomplish this policy.
- a. All forms, written materials and recorded voice-mail messages used to communicate with prospective applicants, applicants and residents shall be available in any language spoken by the lower of 1000 eligible families or five percent of the eligible population of Dallas. This includes documents related to intake, marketing, outreach, certification, reexamination and inspections. At this writing, DHA makes this information available in English, Spanish and Vietnamese.
- b. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with DHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.
- c. In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the DHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.
- d. The DHA will provide written translations of other vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served. Translation of other documents, if needed, can be provided orally. In 2011 the LEP groups for which DHA will provide translated materials are those who need materials in Spanish and in Vietnamese.
- e. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with DHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.

II. Eligibility and Intake

Applications

- 1. DHA will accept and process applications (including transfer applications) in accordance with applicable HUD Regulations and DHA's *Procedure on Intake and Processing*. Except for qualification for preferences, DHA will make its initial determination of eligibility assuming that the facts certified to by the applicant in the preliminary application are correct, although all those facts will be verified later in the application process.
- 2. Newly developed properties owned by DHA or a DHA entity that contain a mix of units, some subsidized by project-based vouchers and others subsidized by public housing operating funds, shall maintain one waiting list. Applicants shall be assigned to units suitable for their family sizes and disability needs without regard to subsidy type.
- 3. Every application file for admission to low rent housing shall include the date and time of application, or lottery/application number (if applicable), applicant's race and ethnicity; eligibility determination; when eligible, the apartment size(s) for which eligible; preference, if

any; and the date, location, identification, and circumstances of each vacancy offered and accepted or refused.

- 4. Beginning with the full implementation of this policy, all applications shall automatically expire 18 months after they are received. Accordingly, DHA will no longer purge the waiting lists. Rather, DHA will open every waiting list every 18 months (before the previous list expires) and anyone who wants to be listed may apply at that time including people on the list to be extinguished.
- 4.5. The following information will be verified according to HUD's regulatory requirements at 24 CFR part 5 and DHA's Procedure on Verification, to determine qualification for admission to DHA's housing: **24 CFR § 960.259**
 - a. Family composition, demographics and type (Elderly/Disabled//Non-elderly)
 - b. Annual Income
 - c. Assets and Asset Income
 - d. Deductions from Income
 - e. Preferences

 - 6-7. Individuals applying for admission must submit a pre-application in the manner stipulated the announcement of the opening of the Waiting List-, or, if they are a person with a disability, may submit an application by mail or in person.
- 7.8. If an applicant needs assistance in completing any aspect of the application process because of a disability, DHA will assist the applicant as needed to ensure equal access to DHA's programs.
- 8.9. Applicants providing false information regarding Family Income, composition, preferences or other circumstances affecting their eligibility or rent level will be rejected. If the Applicant has been assigned a unit, the lease will be terminated —and DHA will pursue any and all lawful civil claims and criminal actions, including the recoupment of back rent.
 - 9. DHA will periodically update each waiting list sublist either by contacting all applicants in writing² in accordance with DHA's *Procedure on Updating the Waiting List* or by requiring applicants to update their pre-applications on line.
 - 10. If an applicant's preference status changes while on the waiting list, the applicant's position on the list will be adjusted in accordance with DHA's Procedure on Application Intake and Processing.
- 11. If the head of an applicant household dies while the family is on the waiting list, and the family includes another adult, DHA will change the application to make the other adult the

²—Or by the method designated at initial application by applicants with disabilities.

new applicant so long as the family reports the death within 30 days and requests that another adult family member be named the head.

- 12. Applicants whose family size or composition changes while on the waiting list will be able to change their applications in accordance with the following policy:
 - a. Children who have been added to the family through birth adoption or court awarded custody to people already listed on the application will be added;
 - b. Individuals who can document that they need a Live-in Aide (even though not included on the original application) will be permitted to add the Live-in Aide;
 - c. Other adults will NOT be added to an application unless their addition would not change the unit size for which the family qualifies, although the family may file a different application with a different family composition when the waiting list is open.

B. Closing and Re-opening the Waiting List

- 1. Waiting lists will be opened and closed in accordance with DHA's *Procedure on Opening and Closing Waiting Lists*. Applicant names will be removed from the waiting list only in accordance with DHA's *Procedure on Removing Applicants from the Waiting List*. **24 CFR § 960.206**
- 2. It is unlikely that DHA will close the waiting list for the highest priority applicants or at certain properties.

C Affirmative Fair Housing Marketing and Outreach Procedures

- When the waiting list is open DHA will conduct affirmative marketing as needed to ensure that the waiting list includes a mix of Applicants with races, ethnic backgrounds, ages and disabilities proportionate to the mix of those groups in the eligible population of its area of operation. DHA will review the factors regularly to determine the need for and scope of marketing efforts.
- 2. All marketing efforts will include outreach to those least likely to apply. DHA may designate sites for accepting applications. DHA staff will be available at these sites to assist Applicants in completing the housing application documents. If additional applications are required to attain any of the objectives established in this Policy, DHA will engage in outreach efforts directed toward potential Applicants who might fulfill the need.
- 3. The method used for Affirmative Marketing is described in *Procedure on Affirmative Marketing*.

D Income Targeting Requirements

DHA will ensure that at least 40 percent of Families admitted to public housing in any year have incomes at or below the Federal "extremely low income" limit. HUD establishes income limits and revises them annually to ensure that federal rental assistance is provided only to low-income families. Except under limited circumstances, the Applicant Family's Annual Income must not exceed the applicable income limit that HUD establishes and publishes for each county or Metropolitan Statistical Area (MSA) in the country. The income limits are based on percentages of the median income of the geographic area for which the limit is established, and are adjusted for family size.

- d. Working Families: Applies to up to one half of any year's admissions at non-elderly developments only. (Families whose sole adult members are elderly individuals or persons with disabilities at these properties will automatically be awarded this preference.) A family will qualify for this preference if they have at least one adult member who has been employed at least 30 hours per week in the 6 consecutive months prior to admission with no period of unemployment for more than two (2) weeks.

At Fairmount Crossing, Working Families will receive a preference for the two- and three-bedroom units.

If there are insufficient Working Families to fill up to one half of the year's admissions, units will not be held vacant - non-preference waiting list families will be admitted.

e. Elderly or Disabled Persons of Families in General Occupancy Properties

For the one-bedroom units at Fairmount Crossing, applications from single persons who qualify under the definitions of Elderly Family, and Disabled Family and Displaced Person will be ranked higher than those of single persons who are not elderly, disabled or displaced.

- f. Mixed population building preference 8
 - 1) In buildings designed for occupancy by Elderly and Disabled families (Renaissance

 $^{^{8}}$ This preference shall not apply to units in General Occupancy properties.

Oaks, Park Manor, Cliff Manor, Audelia Manor, Forest Green Manor, Lakeland Manor), applications from single persons who qualify under the definitions of Elderly Family, Disabled Family and Displaced Person will be ranked higher than those of single persons who are not elderly, disabled or displaced. None of these properties has been formally designated for Elderly and Disabled families.

- 2) Roseland Gardens, Buckeye Senior Building, and Lakewest Senior Village properties are designated for occupancy by Elderly Families. Only families whose head, spouse or sole member is a person aged 55 years old or older may be admitted to these properties and no families with children may be admitted.
- 2. Except as indicated below, these preferences are of equal weight and an applicant may qualify under any of the above categories.
- 3. Families that do not qualify for one of these preferences and all applicants to multifamily properties will be categorized as "no-local-preference" applicants;
- 4. Sorting among applicants with equal Local preferences will be by lottery number (whichever system is in effect).
- K Factors other than Preferences that affect selection of Applicants
 - Accessible units: For UFAS accessible units, resident and applicant families that include a
 member with a disability who is verified to need the features of such units shall be given
 preference for admission over a family that does not include a member with such a
 disability. Further, persons needing more features of a specific unit will be given preference
 over persons needing fewer features of the units available.
 - When a UFAS accessible unit becomes available, it shall be offered first to a current resident who needs the features of the unit and second (if there are no residents who need the features and will accept a transfer) to an applicant family with a member who needs the accessibility features.
 - 2. <u>Income targeting</u>: At least 40 percent of public housing admissions in every year shall be families of Extremely Low Income (as defined in Chapter XIII, Definition of Terms).
 - 3. <u>Deconcentration</u>: If at any time, one of DHA's public housing properties has an average tenant income greater than 15 percent higher than the DHA-wide average income, extremely low and very low income applicants will be targeted for admission until it is within 15 percent of DHA-wide average income. This requirement neither requires nor permits the transfer of families to achieve deconcentration goals.
- L. Records Management

Information received by DHA from any agency regarding drug treatment and criminal background shall be handled as required by HUD regulations.

All criminal records are maintained in a secured environment. Once the purpose for which the records were obtained is completed, the records are permanently destroyed by shredding.

- M. Occupancy Guidelines: HUD Notice of Policy, Dec. 18, 1998 Federal Register
 - 1. Apartments shall be occupied by families of the appropriate size. This policy maintains the usefulness of the apartments, while preserving them from excessive wear and tear <u>and</u> underutilization.
 - Minimum and Maximum-Number-of-Persons-Per Unit Standard

Number of Bedrooms

Min Persons/Unit

Max Persons/Unit

(Largest Unit Size)

(Smallest Unit Size)

0BR	1	1
1BR	1	2
2BR	2	4
3BR	3	6
4BR	5	8
5BR	7	10

- 2. The following principles govern the size of apartment for which a family will qualify. Generally two people are expected to share a bedroom. The guidance below explains how DHA determines unit sizes to be assigned, but each family, not DHA, decides exactly who shares a bedroom. Units will be so assigned that:
 - a. Children age four and under will be assigned a bedroom with any other child or a parent, regardless of age or sex;
 - b. Children between the ages of five and seventeen and adults will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
 - c. Two children between the ages of five and seventeen of the same sex will be assigned one bedroom;
 - d. Two children between the ages of five and seventeen of the opposite sex will be assigned separate bedrooms, although the actual use of bedrooms is determined by the family.
 - e. Two adults (eighteen and older) of the same sex are assigned one bedroom regardless of relationship;
 - f. Two adults (eighteen and older) of opposite sex who are spouses or co-heads are assigned one bedroom;
 - g. Adults (eighteen and older) of opposite sex who are not spouses or co-heads of household are assigned separate bedrooms although the actual use of bedrooms is determined by the family
 - h. A single head of household parent will be assigned a separate bedroom from his/her child over age five, although the actual use of bedrooms is determined by the family.
 - i. Exceptions to the largest permissible apartment size may be made when verified to be needed as a reasonable accommodations for a person with disabilities.
 - j. An unborn child will be counted as a person in determining apartment size assigned;
 - a.k.DHA will count for unit size determination a child who is temporarily away from the home because the child has been placed in foster care, kinship care, or is away at school, so long as it can be verified that the child will be living with the family if they are admitted.
 - b.l. A live-in aide may be assigned a bedroom if a unit of the right size is available. Single elderly or disabled residents with live-in aides will be assigned one or two bedroom units (not efficiency units).
- e.m. DHA reserves the right to relax these Occupancy Standards at hard-to-lease properties.
- d.n. The Local Housing Code of two persons per bedroom is the standard for the

smallest apartment a family may be offered 9.

e.o. The largest apartment size that a family may be offered would be one bedroom per family member, considering family size and composition.

III. Tenant Selection and Assignment Plan

Organizing the Applicant Waiting List

1. Site-based Waiting Lists

DHA has established site-based waiting lists:

- a. All mixed finance properties have site-based waiting lists as do the Section 8 multifamily and Project-based properties.
- b. An applicant may apply for admission to up to 3 properties with open waiting lists or may request an offer of the "first available unit". This will place his/her name on every waiting list. Homeless applicants will be set up for "first available" offers to ensure that they receive the earliest offer of housing. The exception to this requirement would be for a homeless applicant who can document a disability related reason to need housing at a specific site.
- c. When an applicant is processed for admission he/she will be removed from all waiting lists whenever he/she accepts a unit offer, is denied admission due to ineligibility or failure to meet screening standards, or refuses a unit offer without good cause.
- d. Certain public housing properties are occupied mostly by the transfer of eligible residents (<u>incentive transfers</u>) who are high performing residents when such transferees are available, including but not limited to those participating in the Family Self Sufficiency Program. These properties include the following:
 - 1) Frazier scattered site homes,
 - 2) Scattered site homes,
 - 3) Single family homes (TX 9-29, TX 9-30, TX 9-37, TX 9-40 and TX 9-42),
 - 4) Frankford Townhomes,
 - 5) Villas at Hillcrest and
 - 6) any single family homes to be developed in the future
- e. Although applications may be accepted at each authorized site, they will continue to be processed centrally and all offers will be authorized centrally. Further, the central Intake intake and Placementplacement office will monitor any increases in racial or ethnic concentration caused by site-based waiting list choices.
- f. The preferences described earlier in this Policy will be used to establish the order of each site-based waiting list and all applicants will retain their initial date and time of application/application number in the conversion.

B Making Unit Offers to Transferees and Applicants

1. Certain transferees (categories B.1.3.a. and b.1) and b.2) will receive offers of housing before applicants from the waiting list.

.

⁹ Individual apartments with very small or very large bedrooms or other specific situations that inhibit or encourage lower or higher levels of occupancy may be permitted to establish lower or higher occupancy levels so long as the occupancy levels will not discriminate on the basis of familial status.

- In all offers DHA shall not discriminate on grounds of race, color, sex, religion, national origin, disability, sexual preference, gender identity or familial status. Also, see the DHA Procedure on Transfers.
- 3. Specifically, the following order of offers applies:
 - a. Emergency transfers; 24 CFR § 966.4 (h)
 - b. Administrative transfers in the following category order:
 - 1) Priority 1: DHA actions that require a unit to be vacated. Such actions could include renovation, revitalization, demolition or disposition of the building or complex;
 - 2) Priority 2: Reasonable accommodations for residents with disabilities 24 CFR § 8.4
 - 3) Priority 3: Resident Incentive 10/1 Family Self Sufficiency transfers;
 - 4) Priority 4: Unit too large or too small for resident family 24 CFR § 966.4(c)
 - e.5) New Admissions from the waiting list;

Other than incentive transfer, DHA does not offer resident-requested transfers

- 4. To assure equal opportunity and nondiscrimination on grounds of race, color, sex, religion, sexual preference, gender identity, national origin, disability or familial status, PLAN "A", the one-offer plan, will be used to make apartment offers to applicants or transferees from waiting lists. 24 CFR § 1.4(2)(ii)
- 5. The first qualified applicant or transferee in sequence on the waiting list is made one offer of an apartment of appropriate size and type.
- 6. An applicant/transferee must accept the vacancy offered or be removed from the waiting list unless the applicant refuses the offer with Good Cause. (see DHA's *Procedure on Good Cause for Refusal of Unit Offers*)
- 7. DHA will first match the apartment available to the highest ranking applicant for an apartment of that size, type and special features (if any). Preferences will then be used to determine the order of selection from the waiting list. If two applicants need the same type and size of apartment and have the same local and ranking preference status, the applicant with the earliest date and time of application/lowest application number will receive the earlier offer. 24 CFR § 960.206(c).
 - 8. If an applicant family's size changes while on the waiting list, the family is required to contact DHA so they can be placed on the correct sublist by unit size. If DHA discovers that a change in family size means that a family cannot be processed for a certain vacant unit, the family will be transferred to a list for the correct size of unit. Some sites may not have units of the size needed by the family and the family will be permitted to select a different site or up to 3 sites.
- 9. When application processing is delayed because of missing verifications or inconclusive screening information, a family's application will be suspended for up to 60 days until the necessary verifications are received. This means that a person who is lower on the waiting list may receive a unit offer before a person who is higher on the waiting list. As soon as the necessary verification(s) are received, the suspended application will be placed back on the waiting list in its former position

-

¹⁰ A resident incentive transfer **IS NOT** resident initiated. This is a transfer of a high performing resident from a family property to a more desireable property or scattered site home.

- 10. If an adult applicant family member is verified to have an open (unresolved) arrest for either violent or drug related criminal activity, the application will be suspended for up to one year or until the arrest is resolved by acquittal, dismissal, conviction or guilty plea. The applicant is responsible for keeping DHA's Intake department informed of the status of all such open arrests.
- 40.11. The applicant must accept any apartment offered within five (5) calendar days of the later of the date the offer is communicated (by phone, mail, or the method of communication designated by an applicant with disabilities) or the date they are shown the apartment or an equivalent apartment.
- 11.12. If the applicant does not accept the unit offer within five (5) calendar days, he/she will be withdrawn from the waiting list. Applicants may not receive an offer for public housing for 12 months from the date when they either refused a unit offer or failed to respond to a unit offer.
 - 42.13. All offers made over the phone will be confirmed by first class letter 11.
 - a. If more than one apartment of the appropriate size and type is available, the first apartment to be offered will be the apartment that is or will be ready for move-in first.
 - b. If two units are ready for move-in on the same day, the first apartment to be offered will be the apartment that became vacant first.
 - 43.14. Names will be removed from the waiting list in accordance with DHA's *Procedure on Removing Applications from the Waiting List*.

C Accessible Units

- 1. Before offering a UFAS accessible apartment to a non-disabled applicant, DHA will offer such units:
 - a. First, to a current public housing resident with a disability that requires the greatest numbers of the special features of the vacant apartment. 24 CFR § 8.27(1) (a)
 - b. Second, to an eligible qualified applicant on the waiting list having a disability that requires the greatest number of special features of the vacant apartment. 24 CFR § 8.27(1) (b)
- 2. When offering an accessible/adaptable apartment to a non-disabled applicant, DHA will require the applicant to agree to move to an available non-accessible apartment within 30 days when a current resident or an applicant with a disability needs the apartment. This requirement is also reflected in the lease. 24 CFR § 8.27 (2)
- 3. If an applicant family includes a member with a visual or hearing impairment, the DHA will quickly retrofit the unit (at DHA's cost) to be offered to the family to make it fully accessible for the family member's disability.

Dl Administering the Applicant and Transfer Waiting Lists

1. Applications for admission and transfer to and within public housing properties (including public housing units at tax credit properties) will be processed centrally by the Intake and Placement OfficeDepartment. Initial intake, waiting list management, screening, and assigning of housing (including transfers) will be made from the Intake and Placement office. Offers may be made in person, in writing or by phone from the central office.

¹¹ Or by the communication method requested by an applicant with disabilities

2. -Note: DHA will be in charge of the application and transfer at process for ALL public housing units/properties. Applications for admission to the market rate units at Low Income Housing Tax Credit properties will be processed by site staff and audited monthly by DHA.

E. Transfers

DHA has three possible types of transfers: Emergency, Administrative and Resident-Incentive. The definition of each is found in the Transfer section.

- 1. Certain transfers take precedence over new admissions (See paragraph B.1 of this section).
- 2. Tenants on the transfer list may refuse transfer offers for the "good cause" reasons cited in its *Procedure on Good Cause for Refusal of Unit Offers* without losing their position on the transfer list.
- 3. Tenants who refuse a transfer offer without good cause will be removed from the transfer list and tenants whose transfers are mandatory are subject to lease termination. 24 CFR § 955.4(c)
- 4. Tenants may use the DHA Grievance Procedure if they are refused the right to transfer or if DHA is requiring them to transfer and they do not want to do so. 24 CFR § 966.50

F. Monitoring Tenant Selection and Assignments

Detailed records of units offered, including the location, date, and circumstances for each acceptance, or refusal of an offer will be maintained and monitored using the DHA *Procedure on Monitoring Tenant Selection and Assignment*.

G. Fair Housing

- 1. Complaints: DHA will respond to all complaints received from Applicants and tenants who believe that their rights under the Fair Housing Act have been violated. A written record of each complaint including the date, name of the person making the complaint, names of all person(s) involved, investigation of the facts, record of the hearing, and the final decision regarding the complaint will be maintained by DHA. Each complainant will be furnished a written notice of the decision or action taken.
- 2. Applicants will be advised of their right to file a complaint with the HUD Fair Housing and Equal Opportunity Office. Information outlining how to file complaints with HUD is posted in the Applications and Assignments office and at all DHA housing developments

IV. Leasing Policies

General Leasing Policy

 Apartments will be leased without regard to race, color, religion, sex, age¹², sexual orientation, gender identity, national origin, disability and family status. 24 CFR §§ 1.4 and 100

- 2. All units must be occupied by families whose sole residence is the apartment. 24 CFR § 966.4(f)
- 3. All units must be occupied pursuant to a signed DHA lease that complies with HUD's regulations 24 CFR § 966.4 or, for multifamily properties, the HUD model lease.
- 4. DHA will not offer nor move a family into an apartment that does not meet basic standards of habitability, including HUD occupancy standards. 24 CFR § 966.4(e)

_

- 5. The lease shall be signed by the head, spouse, and all other adult members of the family and by the Executive Director or other authorized representative of DHA, prior to actual admission -24 CFR § 966.4 (p)
- 6. The manager shall provide an explanation of the lease provisions either prior to move-in or at the time of move-in. The explanation must be in a language understood by the Resident or in a manner intelligible to a person with disabilities.
- 7. Changes in family composition, income or family status between the eligibility interview and leasing will be processed by the Occupancy Division or site staff (see III.d.1 and 2 above). Changes after leasing will be processed by the Manager or other authorized representative of DHA.
 - 8. Security Deposit:
 - Public Housing Properties:
 - i.a. The resident shall pay a security deposit at the time of leasing, or, with the permission of DHA, shall be permitted to pay part of the security deposit at leasing and the remainder over the first six months of tenancy as a charge in addition to the rent.
 - ii.b. The security deposit for new Elderly or Disabled families with no members who smoke, shall be the greater of \$100 or one month's rent.
 - iii. The security deposit for new Elderly or Disabled families with members who smoke, shall be the greater of \$250 or one month's rent.

 - paid shall not be increased while the resident lives at any DHA property (including situations in which a family is transferred from one property to another).
 - vii.e. If a resident transfers from one property to another, the security deposit should be applied to the new unit and shall not be increased. If, after conducting a move out inspection of the previous unit, damages or other charges are owed, DHA will charge the resident but will not use the security deposit to pay the charges. The disposition of the security deposit will only occur when the resident leaves the program.
 - b. Multifamily properties:
 - i. DHA will comply with HUD's security deposit requirements as stated in Handbook 4350.3 as revised from time to time.
 - 9. Pet deposits are in addition to the security deposit, in accordance with DHA's Pet Policy and Procedure. Assistive animals verified to be needed by residents with disabilities are not pets and pet deposits are not required. 24 CFR § 966.4(b)(5)
 - 10. If a resident transfers from one DHA apartment to another, a new lease will be executed for the dwelling into which the family moves. 24 CFR § 966.4 (a)(ii)
 - 11. If at any time during the life of the lease agreement, a change in the resident's status results in the need for changing or amending any provision of the lease, either: 24 CFR § 966.4(c)
 - a. A new lease agreement will be executed, or
 - b. A Notice of Rent Adjustment will be executed, or

- c. An appropriate rider will be prepared and made a part of the existing lease.
- All copies of such riders or insertions are to be dated and signed by the Resident and by the Executive Director or other authorized representative of DHA. **24 CFR § 966.4 (o)**
- 12. At the time of leasing, the new resident will receive a copy of the applicable DHA Lease and the following attachments:
 - a. Pet Policy;
 - b. Community Service Policy (public housing only);
 - c. Applicable City Ordinances (if applicable).
 - d. Other lease attachments as stipulated in Part 1 of the Lease.
- 13. If, at any time, the head of household dies or leaves the unit for any reason (Institutionalization, forming a new household elsewhere), DHA will permit the remaining members of the family to remain in the unit so long as:
 - a. The remaining family member(s) report the death or departure of the head within ten days of the occurrence;
 - b. There is still at least one member who was listed on the lease for the apartment
 - c. The family includes a person who is either an adult or an emancipated minor capable of executing a lease;
- 14. Residents are not permitted to allow roomers or boarders to occupy their apartments. Violation of this provision is grounds for lease termination;
- 15. Residents are not permitted to allow a former resident of DHA who has been evicted to occupy their unit, even as a visitor. Violation of this provision is grounds for lease termination.
- 16. Residents must advise DHA if they will be absent from the apartment for more than 7 days. Residents shall notify the manager, secure the apartment and provide a means for DHA to contact the resident in an emergency. Failure to advise DHA of an extended absence is grounds for termination of the lease.

B Showing Units Prior to Leasing

- 1. Applicants may have an opportunity to see the unit being offered or a similar sample unit before they accept the offer and lease the apartment in accordance with DHA's *Procedure on Showing Units Prior to Leasing*.
- 2. DHA will not show nor move a family into a unit that does not meet basic habitability standards, including applicable DHA occupancy standards.
- C Additions to and Deletions from the Resident Family and Household
 - 1. Only persons listed on the most recent certification form and lease, or added in accordance with law or DHA's *Procedure on Additions to Resident Families/ Households*, shall be permitted to occupy a dwelling unit 24 CFR § 966.4(a)(v).
 - 2. Children will be added to families if they are born to or adopted by a family member or a Court awards custody to an adult family member listed on the lease.
 - 3. Generally DHA will approve the addition of an adult family or household member only when that individual passes screening and does not overcrowd the family in the unit they currently occupy.
 - 4. Residents who permit unauthorized individuals to occupy their units are subject to lease

D Visitors

- 1. Overnight visitors are permitted in a dwelling unit in accordance with DHA's *Procedure on Visitors* so long as they have no previous history of behavior on DHA premises that would be a lease violation.
- 2. Residents must register <u>all</u> their overnight visitors with the property manager. The registration form permits DHA to run a criminal history check on adult visitors who stay overnight, however DHA will not run a criminal history check on a visitor unless DHA has reason to believe the visitor actually lives in the DHA unit or if DHA receives complaints about the visitor's behavior from other residents or lawlaw enforcement personnel.
 - 3. In DHA properties a guest may visit overnight for a total of 14 days/nights in any twelve month period.

V. Transfer Policy

General Transfer Policy

- 1. Transfers are made within and between properties without regard to race, color, sexual orientation, gender identity, national origin, sex, religion, or familial status. Residents can be transferred to accommodate a disability. Transfers will be made in accordance with DHA's *Transfer Procedure.* 24 CFR § 100.5
- 2. Residents will not be transferred to a dwelling unit of equal size except to alleviate hardship of the resident or other undesirable conditions as determined by the Chief Operating Officer or designee or as an incentive to high performing residents.
- 3. Residents will receive one offer of a transfer. Refusal of that offer without good cause will result in lease termination for mandatory transfers or the removal of the household from the transfer list for voluntary transfers. 24 CFR § 1.4(2)(ii)
- 4. There is no notice requirement for emergency transfers. All other categories of transfers will be given the appropriate amount of notice required by the laws of the State of Texas.
- 5. When possible, DHA will allow a resident in good standing to choose the property to which to transfer for rehabilitation or redevelopment units so long as there are units of the right size and right type for the resident being transferred. Residents who are subject to mandatory transfers do not have the right to wait until a suitable unit is available at the property they prefer, rather each resident will receive a choice of the units available that are the right size and type.
- Residents cannot be transferred across housing programs. This includes transfers from public housing (including ACC units in tax credit properties) to multifamily housing properties or LIHTC market rate housing, but <u>residents</u> can be transferred within such properties.

Types of Transfers

B.

- 1. The order in which families are transferred shall be hierarchic by category set forth below.
 - a. <u>Emergency Transfers</u> are mandatory, and are made when DHA determines that unit or building conditions pose an immediate threat to resident life, health or safety or to resolve problems of a life-threatening nature that are not related to building or unit conditions. 24 CFR § 966.4(h)
 - 1) DHA is not required to give prior notice of an Emergency Transfer;
 - 2) Emergency conditions that occur due to resident abuse or neglect will be grounds for

emergency transfers, however resident will be charged for the damages caused to the apartment¹³. **24 CFR § 966.4(h)**

- 3) Refusal to <u>accept</u>make an emergency transfer is grounds for lease termination and eviction.
- b. Administrative Transfers: These transfers shall take priority over new admissions.
 - 1) <u>Priority 1:</u> Mandatory administrative transfers to permit DHA to renovate, modernize, revitalize, demolish or dispose of a public housing property:
 - 2) <u>Priority 2:</u> Voluntary administrative transfers to move residents with disabilities to accessible units or units with features that accommodate their disabilities better than those in their current apartments.

This category also includes mandatory transfers of tenants without disabilities from accessible units when no one in their family needs the accessibility features, to regular units so that a family that needs the accessibility features can occupy the accessible unit. 24 CFR § 8.27(1)

This transfer priority also covers transfers of individuals from independent living apartments to a property with enriched supportive services when such services are needed to preserve the tenancy of the individual with disabilities.

- 3) <u>Priority 3</u>: <u>Incentive Transfers:</u> Voluntary transfers of high performing families, including those that have enrolled in FSS to certain properties. <u>ManagersResident requests for these transfers</u> will <u>nominate qualifying residentsbe made to their manager</u>, and <u>the transfer requests must include necessary documentation to substantiate the qualificationneed for such transfers.</u>
- 4) <u>Priority 4</u>: Mandatory transfers to move families out of units that are too large or too small for the families. Families in units that are too large shall be transferred before families in units that are too small. **24 CFR § 966.4(c)**
- Whenever feasible, transfers will be made within a resident's area or other location of the resident's choice, but residents do not have the right to delay a transfer because a unit in the location they prefer is not available at the time they are required to transfer.

Priorities for Transfers

- 1. As described in the Tenant Selection and Assignment Chapter of this policy, transfers will be sorted into their appropriate categories by the Intake and Placement staff. Offers of apartments will be made in the following order:
 - a. Emergency transfers;
 - b. Administrative transfers in the following category order:
 - 1) Priority 1: DHA-initiated transfers to permit construction or revitalization
 - 2) Priority 2: Reasonable accommodations for residents with disabilities
 - 3) Priority 3: Resident incentive transfers for high performing families choosing to move to certain properties
 - 4) Priority 4: Over-housing and Overcrowding
 - c. New Admissions from the waiting list;

C

 $^{^{\}mathrm{13}}$ Resident may challenge any charges for damages by using the DHA Grievance Procedure

D.

Residents in Good Standing

- 1. In general, and in all cases of all resident-requested transfers, residents will be considered for transfers only if the head of household and other family members and guests under the resident's control:
 - a. Are current on rent without unpaid balance at any time in the past 12 months or current on a repayment agreement for the past 12 months;
 - b. Are current on utility payments to DHA or to utility supplier or are current with any repayment agreement with the DHA or utility supplier;
 - c. Are in compliance with the terms of the lease and any additional terms required to be added to that lease by Federal law. Violations of the lease must be documented by notices of lease violations or other evidence of serious or repeated violations of the material terms of the lease:
 - d. Meet reasonable housekeeping standards and have no housekeeping lease violations as documented by housekeeping inspection reports or work orders reflecting a pattern of damage caused by poor housekeeping; and
 - e. Have not destroyed, defaced, damaged or removed any part of an apartment or the development as documented by housekeeping inspection reports or work orders reflecting a pattern of damage or abuse.
 - f. For all resident incentive transfers, a one year perfect record of timely payment (rent and other charges), good housekeeping record and no lease violations is required.
- 2. Exceptions to the good record requirements may be made for emergency transfers or when it is to DHA's advantage¹⁴ to make the transfer. The exception to the good record requirement will be made by the central transfer administrator taking into account the recommendation by the Manager.
 - 3. Absent a determination of exception, the following policy applies to transfers:
 - a. If back rent is owed, the resident will not be transferred until a payment plan is established or, if prior payment plans have failed, back rent is paid in full.
 - b. A resident with housekeeping standards violations will not be transferred until he/she passes a follow-up housekeeping inspection.

E. Cost of Transfers

 DHA will pay the cost of transfers it initiates and reasonable accommodation transfers but not those due to changes in family size (overcrowding and over housing), or change in income tier, or requested by the family;

2. Transfers in connection with modernization or revitalization will include moving expenses including the cost of disconnecting and reconnecting utilities.

F. Transfers at Section 8 project-based and Low Income Housing Tax Credit Properties

Not all the properties DHA owns and manages are public housing properties. Some are multifamily Section 8 new construction developments and others are LIHTC properties. Because DHA operates properties under multiple programs, public housing tenants may not be able to transfer to or from these properties. They must, instead, be processed as applicants.

.

¹⁴ e.g. a single person is living alone in a three bedroom unit and does not want to move

Current tenants of Section 8 project based developments or tax credit properties may be transferred within the properties but not to other developments. These transfers will be handled by DHA's Occupancy Department.

VI. Annual Reexaminations of Income and Family Circumstances

Eligibility for Continued Occupancy

Residents who meet the following criteria will be eligible for continued occupancy:

- 1. Qualify as a family as defined in Section XIII of this policy. 15
- Are in full compliance with the resident obligations and responsibilities as described in the dwelling lease as documented by a lack of lease violation notices in their files. 24 CFR § 966.4(f)
- 3. Whose family members each have verified Social Security numbers. 24 CFR § 5.216
- 4. Who meet HUD standards on citizenship or immigration status or are paying a pro-rated rent 24 CFR § 5.5
- 5. Who are in compliance with the DHA's Community service requirements, if applicable. 16

Remaining Family Members and Prior Debt

- 1. If the head of household dies or leaves the unit, continued occupancy by remaining family members is permitted only if:
 - a. The family reports the departure (or death) of the head of household within 10 days of the occurrence; and
 - b. The family includes a member who can pass screening and is either of legal age to execute a lease or is a Court-recognized emancipated minor; and
 - c. The new head signs a new lease within 10 calendar days of the departure/death of the former head.
- 2. Remaining family members age 18 years or older will be held responsible for debts incurred by the former head or spouse.
- 3. DHA will not hold remaining family members (other than the head or spouse) responsible for any portion of the debt incurred before the remaining member attained age 18.

C Reexaminations

I

1. 4. Regular reexaminations: DHA shall, at least once every 12 months, re-examine the family composition and incomes of all resident families, except that public housing families paying Flat Rent shall have their incomes reexamined only every three years. DHA may take a streamlined approach to the verification of income for families with fixed incomes, using COLA percentages and interest rates rather than independent verification.

24 CFR § 960.257

2. Special Reexaminations: When it is not possible to estimate family income accurately, a temporary determination will be made with respect to income and a special reexamination

¹⁵ For purpose of continued occupancy, remaining family members qualify as a family so long as at least one of them is of legal age to execute a lease. Remaining family members can also include court recognized emancipated minors under age 18

¹⁶ applicable to certain adults who are not exempted because they are elderly, disabled and unable to work, working, or participating in qualifying educational or job training programs

will be scheduled every 120 days until a reasonably accurate estimate of income can be made. 24 CFR § 5.609(d)

- 3. A special reexamination shall be conducted when there is a change in the head of household that requires a remaining family member to take on the responsibilities of a leaseholder. 24 CFR § 960.257
- 4. Zero Income Families: Unless the family has income that is excluded for rent computation (e.g. the family receives state funding for the care of foster children), families reporting zero income will have their circumstances examined every 90 days until they have a stable income. As required by Federal regulations, monetary or non-monetary contributions from persons not residing in the dwelling unit for any purpose other than the payment or reimbursement of medical expenses shall be considered income. 24 CFR § 5.609
- 5 If DHA is terminating the lease of a resident when the resident is scheduled for reexamination, the reexamination will be completed but a new lease will not be executed:
 - a. If DHA prevails in the lease termination action, a new lease will not be executed, and the resident will be evicted:
 - b. If the resident prevails in the lease termination action, a new lease will be executed.
 - 6. Action Following Reexamination: If there is any change in rent, the lease will be amended, a new lease will be executed, or a Notice of Rent Adjustment will be issued. 24 CFR § 966.4(a)(3)
 - a. If any change in the apartment size is required, the resident will be placed on a transfer list in accordance with the transfer criteria described above in this policy and moved to an appropriate apartment when one becomes available. 24 CFR § 966.4(c)(3)
 - b. The Notice of rent adjustment will include the current rent, the new rent, the date when the new rent takes effect, the reason for the rent adjustment, and the fact that the resident has the right to request a Grievance hearing if he/she disagrees with or does not understand the new rent.
 - 7. Fffective Date of Adjustments
 - a. Residents will be notified in writing of any rent adjustment including the effective date of the adjustment.
 - b. Rent decreases go into effect the first of the month following the report of a change. Income decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.
 - c. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first day of the following month.
 - d. Rent increases due to misrepresentation are retroactive to the first of the month following the event that was misrepresented or not reported.

VII. Interim Rent Adjustments: Modified Fixed Rent System

- Adjusting Rent between Regular Reexaminations
- 1. Residents are required to report <u>all changes in family composition or status</u> to the housing manager within 10 calendar days of the occurrence. Failure to report within the 10 calendar days may result in a retroactive rent increase, but not a retroactive credit or rent reduction. In order to qualify for rent reductions, residents must report income decreases promptly. Residents are also required to report interim increases in income if they have been granted interim rent reductions or have previously reported zero income.

2. DHA wishes to encourage families to improve their economic circumstances, so most changes in family income between reexaminations will not result in a rent change. DHA will process interim changes in rent in accordance with the chart below:

INCOME CHANGE	DHA ACTION
(a) Decrease in income for any reason, except for decrease that lasts less than 30 days or subject to Imputed Welfare Income rules ¹⁷ .	• Process interim rent reduction if income decrease will last more than 30 days. 24 CFR § 5.609
(b) Increase in verified family deductions	• Process interim rent reduction if income decrease will last more than 30 days. 24 CFR § 5.609
(c) Increase in income following DHA granting interim rent decrease.	• Process interim increase for income increases after interim rent reductions.
(d) Increase in earned income from the employment of a current household member.	•Defer rent increase until next regular reexam. 24 CFR§ 960.255
(e) Increase in unearned income (e.g.COLA adjustment for social security).	Defer rent increase to the next regular reexam.
(f) Increase in income because a person with income (from any source) joins the household.	Conduct an Interim Redetermination of the family's income and raise the rent.
(g) Increase in monetary or non-monetary income after Resident claims zero income	Process an interim rent increase.

- 3. DHA will process an interim increase in rent only if
 - a. the resident has misrepresented or failed to report facts upon which rent is based, so the rent the Resident is paying is less than it should have¹⁸; or
 - b. the resident's income increases after the resident was granted an interim decrease in rent; or
 - c. the resident reported zero income and has a verified increase in income (that may be a non-monetary contribution); or

e.d. a person with income joins the household;

- Complete verification of the circumstances applicable to rent adjustments must be documented and approved by according to DHA *Procedure on Verification* 24 CFR § 960.259(c)
- 5. DHA will process interim decreases in rent as follows:

Decreases in welfare income resulting from welfare fraud or from cuts for failure to comply with economic self sufficiency requirements are not eligible for rent reductions (24 CFR § 5.615).

¹⁸ DHA will apply any increase in rent retroactive to the month following the month in which the misrepresentation occurred.

- a. When a decrease in income is reported, and DHA verifies that the decrease will last less than 30 days, an interim adjustment will not be processed.
- b. Residents reporting decreases in income that are expected to last more than 30 days will have an interim adjustment processed.
- 6. Residents granted a reduction in rent are required to report for special reexaminations at intervals determined by the Housing Manager. Reporting is required until income increases or it is time for the next regularly scheduled reexamination, whichever occurs first.
- 7. If residents experience a decrease in income from public assistance because their grant is cut for one of the two following reasons, their rent will not be reduced:
 - a. Welfare department has reduced the grant because of welfare fraud; or
 - b. Welfare department has reduced the grant because the family failed to comply with economic self sufficiency requirements.
 - 8. If a resident challenges the welfare department's reduction of their grant, an interim reduction in rent will not be processed until the matter is settled by the welfare department.
- 9. If the welfare department upholds the grant reduction, the resident shall owe a retroactive rent on the interim rent reduction granted in "8" above.
 - 10. If the welfare department overturns the grant reduction, no retroactive balance is owed. See DHA *Procedure on Imputed Welfare Income*

B. Interim Changes in Family Composition

- 1. All changes in family composition must be reported within ten days of occurrence. Certain types of changes do not require DHA advance approval but they must be reported within ten days if occurrence, including:
 - a. Someone listed on the lease leaving the unit;
 - b. Birth, adoption or court-awarded custody of a child;
- 2. Additions of the following persons must be requested in writing and require written permission from DHA **before** the persons may move into the apartment:
 - a. Adult family member (including a new spouse);
 - b. Foster child or children:
 - c. Foster adult;
 - d. Live-in Aide;
 - e. Child in kinship care.
- 3. All adults who are proposed for addition to a family or household must be screened by the occupancy division and, with the exception of Live-in Aides, must not overcrowd the unit. See DHA *Procedure on Additions to and Deletions from the Household*.
- 4. When the change in family size would require the family to transfer to a smaller or larger unit, the family will be placed on the central transfer list as soon as the change in family circumstances is verified. Transfers will be processed in accordance with this policy and DHA's *Procedure on Transfers*.

C Effective Date of Rent Adjustments

Residents will be notified in writing of any rent adjustment including the effective date of the adjustment.

- 1. Rent decreases go into effect the first of the month following the report of a change. Income decreases reported or verified after the tenant accounting cut-off date will be effective the first of the second month with a credit retroactive to the first month.
- 2. Rent increases (except those due to misrepresentation) require 30 days' notice and become effective the first of the second month after the circumstances leading to the increase.
- D Earned Income Disallowances: Public Housing Properties/ACC Residents ONLY
 - 1. If a resident goes to work or has new or additional earned income and qualifies under one of the following three criteria, that individual will receive an Earned Income Disallowance (EID) as described below and in the DHA *Procedure on Earned Income Disallowances*. To qualify, a public housing Resident:
 - a. Goes to work after having been unemployed for at least twelve months, or goes to work after having earned less in the last 12 months than would be earned working ten hours per week for a fifty week year earning minimum wage; or
 - b. Receives new or increased earned income during participation in an education, job training, or other economic self sufficiency activity; or
 - c. Receives new or increased earned income within six months of having received a cash benefit or in-kind services funded through the program of Temporary Assistance to Needy Families. If an in-kind benefit (child care, clothing or transportation subsidies, for example) was received it must be worth at least \$500 in the past six months.
 - 2. During the first 12 months after the date when the resident qualified for the EID, the resident's rent will not be increased because of the new earned income. Rent during this period will be based on the resident's income before qualifying for the EID plus any increases in unearned income that may occur after qualifying for the EID.
 - 3. During the second 12 months after the date the resident qualified for the EID, the resident's rent will be increased by an amount <u>based onequal to</u> fifty percent of the resident's incremental earned income..
 - 4. The disallowance periods described in number 3 and 4 above only occur while the resident is employed. If the resident stops working, the disallowance stops and resumes again when the resident goes back to work. During the period when the resident is not employed, rent will be based on the resident's actual income.
 - 5. Even if the full 24 months of disallowance (12 months of full disallowance plus 12 months of 50% disallowance) have not been used, the EID will terminate 2448 months from the date when the resident first qualified for the EID.
 - 6. An EID is awarded to a person, not an entire family. More than one adult family member can receive an EID at the same time if they qualify as described under number 1 above.
 - 7. No one receives more than one EID in a lifetime.
 - 8. Residents may qualify for a retroactive EID if **all** the following are true:
 - a. The residents qualified for an EID after 10/1/99; and
 - b. The resident reported the increased income; and
 - c. DHA increased the resident's rent; and
 - d. The resident paid the increased rent.
 - 9. Before the amount potentially owed to a resident for a retroactive rent credit is determined, any amounts owed to DHA by the resident shall be deducted.

10. If a resident qualifies for a retroactive EID as described in "8" above, he/she shall be entitled to the choice of a payment of the retroactive amount due as calculated above, or a prospective rent credit.

VIII. Lease Termination Policies

A General Policy: Lease Termination

Either DHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms 24 CFR § 966.4(I)

B. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to DHA or property manager in accord with DHA *Procedure on Lease Terminations*.

C DHA-initiated Lease Terminations

- 1. DHA or its manager shall terminate the lease only for serious or repeated violations of the material provisions of the lease or other good cause. 24 CFR § 966.4(I)
- 2. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations, in English or Spanish, or, in the case of a resident with disability, in the format requested by the resident 24 CFR § 966.4(I)
- 3. In accordance with the lease and grievance procedure, DHA shall notify Resident in the lease termination notice of Resident's grievance rights if the lease termination is subject to the Grievance Procedure.
- 4. DHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence or stalking (see Definitions in Section XIII) and will offer a resident in this situation an opportunity to certify to such facts.
- The Violence Against Women Act protects individuals who are the victims of such crimes and misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on HUD form 50066) or provide other documentation of their status.
- 5. If a non-exempt member of a resident family fails to comply with the 8 hour per month Community Service requirement, the entire family may be subject to lease termination. In such cases the resident and the Authority may enter into a contract to make up the delinquent service hours within the 12 months following the period for which hours are delinquent. If, at any time during this period, the individual fails to perform both the current and delinquent hours agreed to, the Authority will terminate tenancy.
- 6. The community service requirement does not apply to properties that are project-based Section 8 or low income housing tax credit units that do not receive HUD public housing operating subsidy.

D Notification Requirements

- The Authority's written Notice of Lease Termination will state the reason for the proposed termination, the section of the lease violated, the details of the reason for termination, the date the termination will take place and will indicate the tenant's rights under Texas law this policy.
- 2. The Notice of Termination may run concurrent with any Notice to Vacate or other notification required by Texas law.

- 3. Notices of lease termination may be personally served on a member of the tenant household who is at least 15 years old, may be taped to the inside of the front door of the unit, or may be mailed by first class mail.
- 4. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 14 days prior to termination for failure to pay rent;
 - b. 3 days prior to termination, consistent with the exigencies of the situation in cases of violent or drug-related criminal activity that threatens other residents, staff, or neighbors of the property;
 - c. At least 30 days prior to termination in all other cases.

E. Eviction Actions

- 1. DHA may evict a resident only by bringing a Court action.
- 2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.
- 3. If DHA files an eviction action against a resident, the resident will be liable for Court costs, including attorney's fees, unless the resident prevails in the action;
- 4. DHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease. The resident must prove this defense by the preponderance of the evidence.
- 5. In deciding whether or not to evict for criminal activity DHA may consider all the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.
- 6. In appropriate cases of criminal activity by a family member other than the head or spouse, DHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit or the property.
- 7. DHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
- 8. DHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on lease probation for an appropriate period of time.
- 9. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.

F. Record keeping Requirements

- 1. A written record of every termination and/or eviction shall be maintained by DHA, and shall contain the following information:
- Name of resident, resident's race and ethnicity, number and identification of apartment occupied;
- b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
 - c. For lease terminations for criminal activity, a note in the file with the date, case number

and source of information relating to the Notice of Arrest of Notice of the Incident;

- d. For "cause" lease terminations, copies of any occurrence reports, lease violation notices, or other appropriate documentation of the underlying facts surrounding the incident that is the subject of the eviction;
- e. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
- f. Date and method of notifying resident; and
- g. Summaries of any conferences held with resident including dates, names of conference participants and conclusions;
- h. Copy of the served Termination Notice;
- i. Copy of any agreed settlement orders;
- j. Copy of any post-judgment agreements.
- 2. Section 8 Project-based Properties, Multifamily Properties, Low Income Housing Tax Credit Units not receiving HUD Operating Subsidy
- General Policy: Lease Termination

Either DHA or the Resident may terminate tenancy at any time in accordance with all applicable Federal, State and local laws and the lease terms.

HB. Resident-initiated Lease Terminations

Resident may terminate tenancy by providing 30 days' written notice to DHA or property manager in accordance with *DHA Procedure on Lease Terminations*.

LC. DHA-initiated Lease Terminations

DHA or its manager shall terminate the lease only for

- 1. substantial lease violations or
- 2. repeated violations of the lease that disrupt the livability of the project, adversely affect the health, safety or right to peaceful enjoyment of the leased premises of any tenant, interfere with the management of the project, or have an adverse financial effect upon the project, or
- 3. failure to carry out obligations under the State of Texas Property Code or
- 4. other good cause (only at the expiration of the lease term).
- 5. Manager shall give written notice of proposed lease termination in the form required by the lease and applicable regulations in English, or Spanish, or, in the case of a resident with disability, in the format requested by the resident
- 6. Although, under HUD regulations, project-based Section 8 and Low Income Housing Tax Credit units that do not receive HUD operating subsidy are not subject to the public housing Grievance Procedure, DHA has chosen to make this forum available in all the properties it manages. Consequently, in accordance with the grievance procedure rules, DHA shall notify Resident in the lease termination notice of Resident's grievance rights if the lease termination is subject to the Grievance Procedure.
- 7. DHA is sensitive to the possibility that certain actions of a resident may be related to or the result of domestic violence, dating violence or stalking (see Definitions in Section XIII) and

will offer a resident in this situation an opportunity to certify to such facts. The Violence Against Women Act protects individuals who are the victims of such crimes and misdemeanors from lease termination and eviction for criminal activity related to their victimization. Victims have 14 days to certify (on the applicable HUD form) or provide other documentation of their status.

The Authority's written Notice of Lease Termination will state

- 1. The date the lease will be terminated
- 2. The grounds for termination with enough detail for the tenant to prepare a defense. If the grounds are non-payment of rent, the notice must state the amount of balance due and the date of that computation;
- 3. That if the tenant remains in the unit beyond the date specified for termination that the Authority may enforce the termination only by bringing judicial action, at which time the tenant may present a defense;
- 4. That the tenant has 10 calendar days within which to discuss the proposed termination of tenancy with the manager. The 10 calendar days will start on the earlier of the date the notice was hand delivered or the day after the date the notice was mailed
- 5. Failure of the tenant to object to the termination notice does not constitute a waiver of the tenant's right to contest the Authority's actions in any court proceeding;
- 6. Termination notices for "other good cause" must provide that the proposed termination will be effective at the later of the end of the lease term or 30 days from the date of the notice.
 - 7. The Notice to Vacate may run concurrent with any notice required by State law.
 - 8. Notices of lease termination may be personally served on a member of the tenant household who is at least 15 years old, taped to the inside of the unit's front door, or may be mailed by first class mail.
 - 9. When the Authority terminates the lease, written notice will be provided as follows:
 - a. 10 days prior to termination for failure to pay rent;
 - b. 10 days prior to termination, consistent with the exigencies of the situation in cases of violent or drug related criminal activity;
 - c. At least 30 days prior to termination in all other cases.

E. Eviction Actions

- 1. DHA may evict a resident only by bringing a Court action.
- 2. The Constable's office or another legally authorized department is the only entity authorized to execute an eviction.
- 3. If DHA files an eviction action against a resident, the resident will be liable for Court costs, excluding attorney's fees, unless the resident prevails in the action;
- 4. DHA is not required to prove that the resident knew or should have known that a family member, household member, guest, or other person under the resident's control was engaged in the action that violated the lease.
- 5. The resident may raise as a defense that the resident did not know nor should have known about the action that violated the lease.

- 6. The resident must prove this defense by the preponderance of the evidence.
- 7. In deciding whether or not to evict for criminal activity DHA may consider all the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effect that the eviction would have on family members not involved in the proscribed activity.
- 8. In appropriate cases, DHA may permit continued occupancy by remaining family members and may impose a condition that the family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit.
- 9. DHA may require a resident who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to be allowed to visit and/or reside in the dwelling unit.
- 10. DHA may require that the remaining family members live in strict compliance with the lease and that the family be placed on probation for an appropriate period of time.
- 11. Once an eviction occurs, the Authority shall notify the Post Office that mail should no longer be delivered to the tenant at the dwelling unit.

F. Record Keeping Requirements

A written record of every termination and/or eviction shall be maintained by DHA, and shall contain the following information:

- a. Name of resident, race and ethnicity, number and identification of apartment occupied;
- b. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
- c. For lease terminations for criminal activity, a note in the file with the date, case number and source of information relating to the Notice of Arrest of Notice of the Incident
- d. For "cause" lease terminations, copies of any occurrence reports, lease violation notices, or other appropriate documentation of the underlying facts surrounding the incident that is the subject of the eviction;
- e. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
 - f. Date and method of notifying resident; and
 - g. Summaries of any conferences held with resident including dates, names of conference participants and conclusions;
 - h. Copy of the served Termination Notice;
 - Copy of any agreed settlement orders;
 - j. Copy of any post-judgment agreements.

IX. Utilities

Resident-Paid Utilities 24 CFR § 965 & 966.4(b)(2)

The following requirements apply **only** to residents living in developments with resident-paid utilities:

1. In units with Resident-paid utilities, paying the utility bill in a timely manner is an obligation

under the lease and failure to pay in a timely manner is a serious violation of the lease, subject to lease termination. 24 CFR § 960.253(c)(3) and 966.4(b)

- 2. If a resident or applicant is unable to get utilities connected in his/her own name because of bad credit or a previous balance owed to the utility company at a prior address, the resident or applicant will not be permitted to move into a unit with resident-paid utilities. Depending upon the size and type of unit an applicant needs, the inability of an applicant to get utilities connected may cause the application to be rejected. 24 CFR § 960.203
- 3. When a resident makes application for utility service in his/her own name, he or she is required to sign a third-party notification agreement so that DHA will be notified if the resident fails to pay the utility bill.
- 4. Each resident will receive a monthly Utility Allowance that reflects a reasonable amount of utilities for the specific size and type of apartment occupied. 24 CFR § 5.609
- 5. Residents who pay their utility bills directly and are paying an income-based rent have the amount of rent owed to DHA reduced by the amount of the Utility Allowance. In other words, the resident's Total Tenant Payment, less the Utility Allowance equals the Tenant Rent owed to DHA.
- 6. When a resident's Total Tenant Payment is less than the utility allowance, DHA will pay a utility reimbursement, equal to the difference between one month's total tenant payment and the utility allowance to either the tenant or the utility supplier. 24 CFR § 5.632. When the value of the utility reimbursement is less than \$15 per month, reimbursements will be paid quarterly rather than monthly.
- Residents on whose behalf Utility Reimbursements are paid to the utility company are required to pay the utility supplier for any use in excess of that covered by the Utility Allowance;
- 8. If the resident's actual utility bill is less than the Utility Allowance, the resident receives the saving.
- 9. Residents who have elected to pay a Flat Rent do not receive a utility allowance. The value of the utilities paid by the resident have already been deducted from the Flat Rent.

B Excess Utility Charges

- 1. Check-metered developments or buildings: In buildings that are check-metered, residents shall have consumption-based utility allowances that reflect the size and type of units and actual equipment provided by DHA. Check meters are read by DHA and each tenant charged only for consumption in excess of the utility allowance at the rate paid by DHA.
- 2. In buildings where utilities are not individually metered and there are no check meters, DHA may make excess utility charges for the use of certain resident-supplied appliances in excess of those supplied by DHA. Examples include:
 - a. Second refrigerator;
 - b. Freezer

C. Reasonable Accommodations 24 CFR § 8.4 and 966.7

1. Residents with disabilities may be entitled to higher than normal utility allowances or may not be charged for the use of certain resident-supplied appliances if there is a verified need for special equipment because of the disability.

X. Flat Rents (Public Housing only)

Flat Rents

- Flat rents shall be determined in accordance with HUD regulations. PIH notice 2014-12.
- 2. Flat rents vary by apartment size and type and also by development location.
- 3. Flat rents payers do not receive a utility allowance. An apartment with resident-paid utilities will have a lower flat rent than the same apartment with project-paid utilities.

B. Annual Update of Flat Rents

- 1. DHA shall review the Flat Rent structure annually and adjust the rents as needed.
- 2. Flat rents may either be increased or decreased based on HUD's published Fair Market Rents.
- 3. When a resident chooses Flat rent, his/her rent shall be adjusted only at the next annual reexamination rather than when DHA may revise the Flat rents.

C Choice of Rent

- 1. Once each year, beginning with admission and continuing at each annual reexamination, each family is offered a choice between paying the income-based rent and the Flat rent applicable to the unit they will be occupying.
- 2. Because of the way the Federal law is written, choice of Flat rent may only be offered at admission and annual reexamination.

D Recertification of Families on Flat Rents

Families paying flat rents are required to recertify income only every three years, rather than annually, although they are still required to participate in an Annual Reexamination in order to ensure that apartment size is still appropriate and Community Service requirements (if applicable) are met. 24 CFR § 960.257 (a)(2)

E. Hardship Reduction in Flat Rents

- 1. If a resident who opted for Flat Rent experiences a decrease in income, Management will perform an Interim Reexamination of Income.
- 2. If the reduction in income will last more than 30 days, Management will reduce rent to the income-based rent based on verified income information. 24 CFR § 960.253 (f)
- 3. If the Resident's income rises again before the annual reexamination, the resident must pay the income-based rent until the next annual reexamination.

XI. Determining Income and Rent

Annual Income 24 CFR § 5,609

DHA shall use HUD's definition of Annual Income. Should this definition be revised, HUD's definition, rather than that presented below shall be used.

Annual income is the anticipated total income from all sources, including net income derived from assets, received by the family head and spouse (even if temporarily absent) and by each additional family member including all net income from assets for the 12-month period following the effective date of initial determination or reexamination of income, exclusive of income that is

temporary, non-recurring, or sporadic as defined below, or is specifically excluded from income by other federal statute. Annual income includes but is not limited to:

- 1. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services;
- 2. The net income from operation of a business or profession, including any withdrawal of cash or assets from the operation of the business. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining the net income from a business. An allowance for the straight line depreciation of assets used in a business or profession may be deducted as provided in IRS regulations. Withdrawals of cash or assets will not be considered income when used to reimburse the family for cash or assets invested in the business;
- 3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for the straight line depreciation of real or personal property is permitted. Withdrawals of cash or assets will not be considered income when used to reimburse the family for cash or assets invested in the property;
- If the Family has Net Family Assets in excess of \$5,000, Annual Income shall include the greater of the actual income derived from all Net Family Assets or a percentage of the value of such Assets based on the current passbook savings rate as determined by HUD;
- 4. The full amount of periodic payments received from social security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts [See B. 14. below for treatment of delayed or deferred periodic payment of social security or supplemental security income benefits.];
- 5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay (But see paragraph B. 3. below concerning treatment of lump-sum additions as Family assets.);
- 6. All welfare assistance payments (Temporary Assistance to Needy Families) received by or on behalf of any family member of any age;
- 7. Periodic and determinable allowances, such as alimony and child support payments, and regular cash and non-cash contributions or gifts received from agencies or persons not residing in the dwelling made to or on behalf of family members; and
- 8. All regular pay, special pay, and allowances of a family member in the Armed Forces. (See paragraph B. 7. below concerning pay for exposure to hostile fire.)

B. Excluded Income 24 CFR § 5.609

Annual Income does not include the following:

For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income, provided the amount so calculated does not exceed the employment income earned.
- b. For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income (provided the amount so calculated does not exceed the employment income earned) PLUS medical expenses as defined below.

- 40. Individual with Disabilities, Section 504 definition 24 CFR § 8.3

Section 504 definitions of Individual with Handicaps and Qualified Individual with disabilities are not the definitions used to determine program eligibility. Instead, use the definition of "Person with Disabilities" as defined later in this section. Note: the Section 504, Fair Housing, and Americans with Disabilities Act (ADA) definitions are similar. ADA uses the term "individual with a disability". Individual with disabilities means any person who has:

a. A physical or mental impairment that:

substantially limits one or more major life activities;

has a record of such an impairment; or

is regarded as having such an impairment.

b. For purposes of housing programs, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

c. Definitional elements:

"physical or mental impairment" means any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term "physical or mental impairment" includes, but is not limited to, such diseases and conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

"Major life activities" means functions such as caring for one 's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

"Has a record of such an impairment" means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

"Is regarded as having an impairment" means has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation; or

Has a physical or mental impairment that substantially limits one or more major life activities only as result of the attitudes of others toward such impairment; or

Has none of the impairments defined in this section but is treated by a recipient as having such an impairment.

- d. The 504 definition of disability does not include homosexuality, bisexuality, or transvestitism because these are not disabilities. These characteristics do not disqualify an otherwise disabled applicant/resident from being covered. The 504 definition of individual with disabilities is a civil rights definition. To be considered for admission to public housing designated for people with disabilities or to receive a disability-related income deduction a person must meet the program definition of "Person with Disabilities" found in this section.
- 41. <u>Kinship</u> care an arrangement in which a relative or non-relative becomes the primary caregiver for a child or children but is not the biological parent of the child or children. The primary caregiver need not have legal custody of such child or children to be a kinship caregiver under this definition. (Definition provided by the Kinship Care Project, National

Association for Public Interest Law) The primary caregiver must be able to document Kinship care. This is usually accomplished through school or medical records.

XIV. DHA PUBLIC HOUSING COMMUNITY SERVICE POLICY

Background

As all staff of DHA know, the Community Service requirement is only applicable to residents
of public housing properties or residents living in ACC subsidized units at mixed finance
properties. No one living in a multifamily property or a project based voucher property or
using a tenant based voucher in a market rate unit at a mixed finance property is subject to

the Community Service requirement.

- 2. DHA is working to enable its residents to become fully economically independent. In support of this goal and HUD requirements, DHA requires that all non-exempt members of resident families meet monthly targets for neighborhood service or economic self sufficiency, as monitored monthly.
 - 3. The Community Service requirement is 8 hours per month for each non-exempt adult (not for each family with a non-exempt adult).
 - 4. Compliance with Community Service activities is monitored by monthly contact between the non-exempt resident and the Resident Service Coordinator. DHA opts not to accept tenant certifications of compliance with the Community Service requirement. It will continue to verify compliance. Manager.

VI. INFORMAL SETTLEMENT OF GRIEVANCES

A tenant must begin the grievance process by requesting and attending an informal settlement conference with the Authority to discuss whether the grievance can be settled without a hearing. The following procedures apply to a request for an informal conference under this tenant administrative grievance procedure:

- A. **Initial Presentation:** Any request for an informal conference must be personally presented, either orally or in writing to the manager in the management office of the development in which the tenant resides or to DHA's main office at 3939 N. The Hearing Officer shall make the determination whether the tenant shows good cause for missing the informal conference before proceeding with the formal hearing.
- E. **Failure to Request Hearing:** If the tenant fails to request a formal hearing within five (5) business days after receiving the written summary of the informal conference, the Authority's decision rendered at the informal conference becomes final and the Authority is no longer obligated to offer the tenant a formal hearing. If the matter involves the amount of rent that the Authority claims is due under the tenant's lease, the tenant shall have paid to the Authority an amount equal to the amount due and payable as of the first day of the month immediately preceding the month in which the complained of act or failure to act took place. The monies paid to the Authority by tenant shall be placed in an escrow account. And, in the case of situations in which hearings are, for any reason delayed, the tenant shall thereafter, deposit the same amount of the monthly rent in an escrow account monthly until the complaint is resolved by decision of the Hearing Officer or his/her designee. The tenant must request the production of such documents in writing to the Office of General Counsel [3939 North Hampton Road, Dallas, TX 75212]. The tenant will be allowed

to copy any such document at the tenant's expense. If the Authority does not make the document available for examination upon request by the tenant, the Authority may not rely on such documents at the grievance hearing.

- 2. The right to be represented by counsel or other person chosen as the tenant's representative and to have such person make statements on the tenant's behalf.
- 3. The right to a private hearing unless the tenant requests a public hearing.
- 4. The right to present evidence and arguments in support of the tenant's complaint, to controvert evidence relied on by the Authority and to confront and cross examine all witnesses upon whose testimony or information the Authority or its management relies; and
- 5. The right to a decision solely and exclusively upon the facts presented at the hearing.

B. Prior Decision in Same Matter

The Hearing Officer/Panel may render a decision without proceeding with the hearing if they determine that the issue has been previously decided in another proceeding.

If the Tenant or the Authority fails to appear at a scheduled hearing, the Hearing Officer/Panel may make a determination to postpone the hearing for a period not to exceed five (5) business days or may make a determination that the party failing to attend has waived the right to a hearing. In such event, the Hearing Officer shall notify the Tenant and the Authority of the determination.

The failure to attend a grievance hearing shall not constitute a waiver of any right for which the tenant may have to contest the Authority's disposition of the grievance in an appropriate judicial proceeding.

D. Required Showing of Entitlement to Relief

At the hearing, the Tenant must first make a showing of an entitlement to the relief sought and thereafter, if such a showing is made, the Authority must sustain the burden of justifying the Authority's action or failure to act against which the complaint is directed.

Failure to comply with the directions of the Hearing Officer/Panel to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.

G. Transcript of Hearing

The Tenant or the Authority may arrange in advance, and at the expense of the party making the arrangement, for a transcript of the hearing. Any interested party may purchase a copy of such transcript.

- the grievance does not concern the Authority's action or failure to act in accordance or involving the tenant's lease or the Authority's policies and procedures that adversely affect the Tenant's rights, duties, welfare or status: or
- 2. the decision of the Hearing Officer/Panel is contrary to applicable Federal, State, or local law, HUD regulations or requirements of the annual contributions contract between HUD and the Authority.

DALLAS HOUSING AUTHORITY

LEASE PART 2: Terms and Conditions

THIS LEASE AGREEMENT (called the "Lease") is between the Dallas Housing Authority (called "DHA" or the "Agency") and Tenant named in the Contract (called "Tenant").

DHA, relying upon data provided by Tenant about income, family composition, and housing needs, leases to the Tenant, the property (and any steps, porch, lawn or yard immediately surrounding the unit, all of which are hereinafter collectively called the "premises" or "dwelling unit") described in Part I of the Lease, to be executed by the Tenant and DHA, subject to the terms and conditions contained in this Lease.

1. Lease Term, Amount of Rent

- (a) The initial term of this Lease is twelve (12) months, unless otherwise modified or terminated in accordance with Part 2, Section 18 of this Lease. The Lease shall automatically be renewed for successive terms of one year.
- (b) At admission and each annual recertification Tenant will be given a choice between paying an income-based rent or flat rent. The formula for income-based rent is established in Federal Regulations. Unless revised in the regulations, Tenant pays the greater of 30 percent of adjusted monthly income or 10 percent of monthly income, but never less than the DHA minimum rent of \$50. Flat rent is a market-based rent that reflects the age, size, location, condition and amenities of each of DHA's developments.
- (c) Families that include at least one member who is either a U.S. citizen or an eligible immigrant and other members who are neither U.S. citizens nor eligible immigrants are called "Mixed Families". As required by Federal law, these families will pay a higher income-based pro-rated rent based on the percentage of members who are eligible for housing assistance.
- (d) In developments with Tenant-paid utilities, only Tenants who pay an income-based rent will receive a Utility Allowance. Flat rent payers do not receive a Utility Allowance.
- (e) The rent amount is stated in the Part 1 of the Lease. Rent shall remain in effect unless adjusted by DHA in accordance with Part 2, Section 6 of this Lease. The amount of the rent shall be determined by DHA in compliance with HUD regulations.
- (f) Rent is due and payable in advance without demand on the first day of each month. Rent is late if not paid by the 5th business day of the month.
- (g) Failure to pay rent on time is a serious lease violation and grounds for lease termination., however, DHA shall not penalize the Tenant when Tenant's rent is not paid on time as a result of government assistance not sent on time. Child support payments, regardless of the source, are not considered government payments.
- (h) Three late payments within any 12 month period shall be considered repeated late payments and shall be a serious lease violation and grounds for lease termination, although the Manager must take the date income is actually received into account in making a determination of late payment, if Tenant relies on government payments as a sole source of income.
- (i) DHA shall use the date of Tenant's postmarked envelope, rather than the date rent is actually received in DHA's lockbox to determine whether rent is timely or late.

2. Notice of Rent Adjustment

- (a) When DHA increases the amount of the rent, DHA shall provide written notice to the Tenant no less than 30 days prior to the effective date of the increase.
- (b) If rent decreases, DHA will reduce the rent on the first of the month after the circumstances leading to the decrease are reported by the Tenant, but not until the circumstances are verified.

3. Charges in Addition to Rent

- (a) In addition to rent, the Tenant is responsible for the payment of other charges. The notice of charge(s) shall advise the Tenant that he/she has the right to an explanation of the charge(s) and that disputes concerning charges may be resolved through the Grievance Procedures.
- (b) Charges in addition to rent are due on the first day of the month after the charge is incurred if a

- minimum of 14 days' notice has been given. Tenant may be given an opportunity to enter into a reasonable payment arrangement based upon Tenant's adjusted income and payment history.
- (c) Failure to pay charges in addition to rent when due is a serious lease violation and grounds for lease termination. All payments received will first apply to the oldest balance on the account, before any current charges are credited (including charges for rent).
- (d) Charges in addition to rent can include but are not limited to:
 - Excess Utility Charges: In properties where utilities that are not billed directly to Tenant, DHA
 will bill Tenant monthly for utility usage in excess of the usage amount allowed at checkmetered developments or for the use of major Tenant-supplied appliances at developments
 without check meters. There are no excess utility charges for those utilities Tenant pays
 directly to the utility supplier unless DHA pays utility charges on a Tenant's behalf.
 - 2. Maintenance costs. The Tenant will be charged for services or repairs due to intentional, careless or negligent damage to the dwelling unit, common areas, or grounds beyond normal wear and tear, caused by the Tenant, Tenant family, Tenant's pet(s), or guests. Tenant will also be charged for services or repairs requested by Tenant that are not related to normal wear and tear on the unit. When such charges occur, Tenant shall be charged for such service, in accordance with the actual cost to DHA for the labor and materials needed to complete the work.
 - 3. <u>Insufficient Funds Charge</u>: A fee of the greater of \$35 or the amount charged by the bank will be charged to the Tenant for any check to DHA written by a Tenant that is returned for insufficient funds. In addition, no personal checks will be accepted from a Tenant who writes an NSF check. All future payments must be made by cashier's check or money order.
 - 4. <u>Late Fees</u>: A one time monthly charge of \$15 after the day specified in Part 2, Section 1(f) of this Lease will be due and payable for all rent not paid in a timely manner.
 - Reasonable Accommodations: In levying charges in addition to rent, the Agency shall grant reasonable accommodation, at no charge to Tenant, for persons with disabilities who require equipment, additional utilities or devices necessary because of the disability or to facilitate access to the dwelling unit, common areas, community facilities or grounds.

4. Payment Location

Rent and other charges shall be paid <u>ONLY</u> by mail to the lockbox using the envelope included with the rent statement. All payments must be made by check, cashier's check or money order. No cash will be accepted for any amounts due to DHA.

Tenants also have the option of enrolling in a direct monthly withdrawal program from a savings or checking account of their choice. Tenants who enroll in a direct withdrawal program will have balances owed debited from their account on the fifth day of the month, but if the fifth falls on a weekend or holiday, the debit will take place on the next business day.

5. Security Deposit

- (a) The Tenant agrees to pay, at the time of leasing, a security deposit. For Elderly and Disabled Families, the amount of the security deposit shall be the greater of \$100.00 or one month's Total Tenant Payment. For non-elderly/non-disabled families the amount of the security deposit shall be the greater of \$200 or one month's Total Tenant Payment. The dollar amount of the security deposit is noted in Part 1 of this Lease.
- (b) If Tenant wishes to have a pet, Tenant agrees to pay a refundable pet deposit and a non-refundable pet fee upon receiving permission to have a pet in the unit. The amounts and purposes of the deposit and fee are described in the Pet Policy. Assistive animals required by Tenant's with disabilities are not considered pets and do not require a pet deposit or pet fee.
- (c) If Tenant is transferred to another unit, Tenant will not be required to pay an additional or increased security deposit or pet deposit, although Tenant will be required to pay in full all amounts for damages to the original unit beyond reasonable wear and tear.
- (d) DHA will use the Security Deposit at the termination of this Lease:
 - 1. To pay the cost of any rent or charges that are due; and.
 - 2. To reimburse DHA for the cost of repairing any damages caused by the Tenant, Tenant

- family, Tenant's pet(s), or guests, beyond reasonable wear and tear.
- (e) The Security Deposit may not be used to pay rent or other charges while Tenant occupies the unit. No refund of the Security Deposit shall be made until the Tenant has vacated the unit and Management has inspected the unit to determine whether maintenance charges will be made.
- (f) After any deductions are made, DHA shall mail to the forwarding address provided by Tenant, within 30 days of Tenant vacating, a statement of the damages allegedly caused to the premises and cost of repair, and any remaining Security Deposit.

6. Smoking

- a) Beginning with the execution of this lease smoking is not permitted on DHA premises. This includes:
 - 1. Individual apartment units and homes;
 - 2. Hallways, stairways and elevators;
 - 3. Community rooms, mailrooms, craft rooms and all other community space;
 - 4. Smoking is not permitted within 20 feet of any DHA buildings.
- b) Each tenant is responsible for ensuring that tenant, tenant family members, household members, guests and other persons on the premises with the permission of tenant refrain from smoking anywhere on DHA premises other than outdoors more than 20 feet from a DHA building.
- c) Failure to comply with the smoking ban is grounds for lease termination.

7. Annual and Interim Re-examination of Rent, Dwelling Size and Eligibility

- (a) Annual Re-examinations: The components of the mandatory annual re-examination are as follows:
 - 1. The status of each family shall be re-examined at least once each year unless the family claims zero income, in which case the family's income will be reexamined every 120 days. Families who have chosen Flat Rent will have their incomes re-examined every three years, but are still required to have their unit size and family composition re-examined annually.
 - Tenant must supply DHA with accurate written information about family composition, citizenship and/or immigration status and age of family members, amount and source of income of all Tenant family members, assets and related information necessary to determine eligibility for continued occupancy, annual income, adjusted income, rent, any criminal activity committed by household members and appropriateness of dwelling size.
 - 3. All adult members of the household and Live-in Aides, if any, must be present during the reexamination meeting to sign releases for required documentation.
 - 4. Tenant agrees to comply with reasonable DHA requests for verification by signing releases or authorizations for third-party sources, presenting documents for review or providing other suitable forms of verification. This information will be used by DHA to decide whether the amount of the rent should be changed, and whether the dwelling size is still appropriate for Tenant's needs.
 - 5. Tenant agrees and gives permission to DHA to conduct a criminal background check on Tenant and all Household Members who are 18 years of age or older and all emancipated minors in the household at least once each year. Criminal conduct may subject Tenant and Household Members to eviction if any Tenant/household member is found in violation of Part 2. Section 11 of this Lease.
 - 6. After Tenant or a family/household member has been admitted and/or executed this Lease, if DHA becomes aware, through a criminal background check, that Tenant or a family /household member was not eligible for admission into the DHA Public Housing Program at the time of admittance, this Lease shall be terminated.
 - 7. Failure to supply requested information and/or misrepresentation of information is a serious violation of the terms of the Lease and may result in termination of the Lease.
 - 8. During the annual re-examination, Tenants will be given the choice between paying:
 - a. rent based on income; or

- b. a flat rent based on the value of the dwelling unit.
- 9. DHA shall notify each family in writing of the dollar amount of these two rent amounts.
- 10. To comply with Annual Re-examination requirements, DHA shall give Tenant reasonable notice of what action(s) Tenant must take and the date by which any such action must be taken for compliance under this section.
- 11. In accordance with Federal and state law, DHA will process any applicable earned income disallowance for a qualifying family that has experienced an increase in their earned income.
- 12. DHA will not reduce any portion of rent if the public assistance benefits of a covered family are reduced when the welfare department verifies:
 - a. failure of any member of the family to comply with conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement, or
 - b. welfare fraud.
 - c. In either of the cases under this section, Tenant's monthly contribution toward rent may not be decreased during the period of reduction, as a result of the benefits reduction.
 - d. If Tenant challenges the welfare program grant reduction, the requirements of paragraph 12 shall not take effect until the results of the challenge are known.
- 13. Failure to comply with annual re-examination requirements or misrepresentation of income or qualification for deductions is a serious lease violation and grounds for lease termination.
- (b) Interim Re-examinations: The components of interim re-examinations are as follows:
 - 1. Between annual re-examinations, <u>all</u> changes in household composition must be reported. Certain changes require advance approval by DHA. Tenants must report the following changes of household composition to the Property Manager within ten (10) calendar days of the occurrence:
 - a. Birth or adoption of children and Court-awarded custody of children.
 - b. Other additions to the household require written approval by DHA <u>before</u> the changes of household composition are made. See section 12 of this lease for details.
 - 2. Failure to obtain advance permission to allow other persons to move into the dwelling unit is a serious lease violation and grounds for lease termination.
 - 3. In accordance with Federal and state law, DHA will process any applicable earned income disallowance for a qualifying family who has experienced an increase in their earned income. Tenants must report timely in accordance with Section 5(c) (1), in order to ensure full benefit of income disallowance.
 - 4. DHA will process an interim reduction in rent if Tenant has a decrease in income or change in household composition or circumstances that will last 30 days or longer.
 - 5. Between annual re-examinations Tenant may be switched from a flat rent to an income-based rent upon a showing of financial hardship.
 - 6. DHA will grant a hardship exemption to a qualifying Tenant who is paying the minimum rent or the flat rent.
 - 7. **Tenant paying flat rent or minimum rent <u>must request</u> the hardship exemption** The following circumstances would constitute a hardship for Minimum or Flat rent payers:
 - a. Tenant experiences a loss income that will last more than 30 days;
 - b. The family has lost eligibility for or is awaiting an eligibility determination from a Federal, State or local assistance program;
 - c. A person with income leaves Tenant's family;
 - d. There is a death in Tenant's family;
 - e. Tenant would be evicted because of being unable to pay either the Flat Rent or the Minimum Rent;
 - 8. Minimum rent payers will be granted an automatic 90 day exemption period. DHA will verify Tenant's hardship claim and, if Tenant does not qualify for a hardship exemption, DHA will reinstate the Minimum Rent, retroactive to the date the exemption was granted. DHA will enter into a Repayment Agreement for any rent not paid during the 90 day period. When the hardship is verified, Tenant's rent will be based on the greater of 30 percent of adjusted

- monthly income or 10 percent of monthly income.
- 9. Flat rent payers who qualify for the hardship exemption will be required to provide necessary documentation of income and deductions so that DHA can compute an accurate incomebased rent.
- 10. If Tenant (other than a Flat or Minimum Rent payer) is granted a reduction in rent between annual re-examinations, Tenant is then subject to an Interim increase in rent if Tenant's income increases.
- 11. DHA will process an interim increase in rent if Tenant receives DHA's permission to add an adult member with income to the lease;
- 12. DHA will NOT process an interim increase in rent if Tenant's earned or unearned income increases. If these increases are still in place at Tenant's regular recertification, rent will increase at that time.
- 13. DHA will process an interim increase in rent if the DHA discovers that Tenant has been misrepresenting the facts upon which his or her rent is based. Failure to report accurate information is also grounds for Lease termination in accordance with Section 15 of this Lease.
- 14. DHA will process an interim increase in rent if DHA verifies that a Tenant claiming zero income has either monetary or non-monetary income.
- (c) Effective Dates of Rent Changes:

Timely Reporting (Within 10 calendar days of the occurrence)

- 1. Decreases 1st day of the month after the decrease in income is first reported to the Property Manager and verified by third party.
- 2. Increases 1st day of the second month following the increase in income. Late Reporting (After 10 calendar days of the occurrence)
- 3. Decreases Tenant is not entitled to a rent credit for any prior monthly rent before the decrease in income is reported to the Property Manager. Any applicable earned income disallowance period will occur, whether reported in a timely manner or not.
- 4. Increases Tenant will receive a retroactive charge for an increase in income that would have resulted in a rent increase and was not reported timely, retroactive to the month after the change should have been reported. (d) Retroactive rent charges will be applied only if it is found that Tenant has misrepresented the facts on which the rent is based so that the rent Tenant is paying is less than the rent Tenant should have been charged; or is late in reporting in accordance with Section 5(c) of this Lease. The increase in rent shall be applied retroactively to the first of the month following the month in which the misrepresentation or failure to report occurred.
- (d) Notice of Rent Adjustments and Grievance Rights:

Tenant will be notified in writing of any rent adjustment due to annual or interim re-examinations. All notices will state the effective date of the rent adjustment. Tenant may ask for an explanation stating the specific grounds of the DHA determination concerning rent, dwelling size or eligibility, and if Tenant does not agree with the determination, Tenant shall have the right to request a hearing under the DHA Grievance Procedures.

8. Utilities and Appliances

- (a) DHA-supplied utilities: If indicated by an (X) in paragraph 10(a) of Part 1 of this Lease, DHA will supply the indicated utility (electricity, gas, water, sewer service, or trash collection). Tenant will pay directly for all other utilities. The Agency will not be liable for any disruptions in service or failures of the utility service provided by the Agency. Utilities shall be used for normal household purposes only. Tenant agrees not to waste any utilities provided by the Agency and to comply with all applicable laws, regulations, or guidelines of any governmental entity regulating utilities or fuels.
- (b) At some developments where DHA provides utilities, the utilities are check-metered at Tenant's unit. In these situations, each Tenant is provided a consumption allowance (in kilowatt hours for electricity and in thousand cubic feet for natural gas). Tenants who exceed the consumption

- allowance will be billed for excess consumption at the rate paid by DHA to the utility provider.
- (c) DHA-supplied appliances: Unless indicated by an (X) in paragraph 10(c) of Part 1 of this Lease, the Agency will provide a cooking range, refrigerator, and, in certain developments, a washer and dryer. Other major electrical appliances: satellite dish, etc. may be installed and operated only with the advance written approval of DHA. All appliances must be professionally installed by an Agency-approved contractor or by DHA maintenance personnel for a reasonable fee.
- (d) Tenant-paid utilities: If Tenant resides in a development where DHA does not supply electricity, gas, water, sewer service or trash collection, DHA shall establish a monthly dollar amount as an Allowance for Tenant Supplied Utilities. The amount shall be appropriate for the size and type of dwelling unit occupied by the Tenant. The Total Tenant Payment less the Utility Allowance equals Tenant Rent. If the Allowance for Utilities exceed the Total Tenant Payment, the Agency will pay a monthly Utility Reimbursement to Tenant or the utility supplier each month or quarterly if the monthly amount of reimbursement is \$15 or less. Tenants who choose Flat Rents (not income-based rents) receive no utility allowance.
- (e) The Agency may change the Utility Allowance at any time during the term of the lease and shall give Tenant 60 days' written notice of the revised Utility Allowance, along with any changes in Tenant Rent or Utility Reimbursement.
- (f) Tenant is responsible for paying the utility bill, related deposits and charges, if applicable. If Tenant's actual utility bill is less than the Utility Allowance, Tenant shall receive the benefit of such savings.
- (g) Tenant will not allow utilities to be disconnected by any means (including by the utility supplier for non-payment) until the end of the lease term.
- (h) When Tenant pays for utilities directly, failure to make timely payments to the utility supplier is a serious lease violation and grounds for lease termination.

9. General Conditions For Use and Occupancy of the Dwelling Unit

- (a) The dwelling unit shall be the sole domicile of Tenant's Household.
- (b) Tenant shall have the right to exclusive use and occupancy of the dwelling unit for Tenant and other authorized Tenant family/household members named in Part I of this lease. Tenant shall neither assign the Lease, nor sublease the dwelling unit.
- (c) The dwelling unit must be used only as a private residence, solely for Tenant and Tenant's family members named on the Lease.
- (d) DHA may, by prior written approval, consent to Tenant's use of the dwelling unit for legal profit-making activities incidental to the primary use of the dwelling unit.
- (e) If during the term of the lease, Tenant, by reason of physical or mental impairment, is unable to comply with the material provisions of this lease and Tenant cannot make arrangements for someone to aid him/her in complying with the lease, and the Agency has complied with all applicable statutes, laws and regulations that would enable Tenant to comply with the lease, Agency will assist Tenant, or a designated member of Tenant's family, to find more suitable housing and move Tenant from the dwelling unit. If there are no family members who can or will take responsibility for moving Tenant, the Agency will work with appropriate agencies to secure suitable housing and will terminate this lease in accordance with Section 18 of the lease.
- (f) Tenant must register guests who will stay in the unit overnight. Tenant shall have the right to accommodate overnight guests or visitors for a period not exceeding 14 calendar days per guest in any twelve-month period. If Tenant wishes any guest to remain longer than 14 calendar days in any twelve-month period, Tenant must submit a written request to the Property Manager asking for permission to extend the time period.
- (g) DHA will not use guest registration information to run criminal history checks on adult guests unless DHA has reason to believe the guest is actually living at the property or the guest is causing trouble on the property as evinced by complaints from other Tenants or law enforcement personnel.
- (h) Failure to register guests or to obtain Agency permission for visits longer than 14 days in a calendar year is a serious lease violation and grounds for lease termination.

10. Housing Transfers

Tenant can be relocated to another unit in the same or a different development under DHA's transfer

policy. Transfers are divided into 5 categories:

- (a) Emergency transfers are mandatory transfers that are implemented when unit or building conditions pose an immediate threat to Tenant life, health, or safety (examples: fire, flood, lack of heat) or administrative transfers to resolve problems of a life-threatening nature that are not related to building or unit as determined either by DHA or in a legal proceeding. Tenant shall receive prior written notice, to the extent practicable. However, DHA will not provide prior written notice in situations where DHA has little or no warning of the condition or situation that results in an emergency.
- (b) Administrative transfers are mandatory transfers initiated by DHA. These include:
 - 1. <u>Priority 1</u>: Mandatory administrative transfers to permit DHA to renovate, modernize, revitalize, demolish or dispose of a public housing property;
 - <u>Priority 2</u>: Voluntary reasonable accommodation administrative transfers to move Tenants with disabilities to accessible units or units with features that accommodate their disabilities better than those in their current units, or mandatory transfers of Tenants without disabilities out of a unit with accessible features to permit a Tenant with disabilities to occupy the unit. **24 CFR § 8.27(1)**
 - <u>Priority 3</u>: Mandatory transfers to move families out of units that are too large or too small for the families. Families in units that are too large shall be transferred before families in units that are too small.
 - Priority 4: Voluntary transfers of families that have enrolled in FSS to FSS properties.
- (c) <u>Tenant-Incentive</u> transfers are non-mandatory transfers available to lease-compliant Tenants that have resided in a development for at least one year are nominated by their Manager to transfer to another unit in a different development or scattered site unit.
- (d) Prior to a transfer to another unit or development, Tenants shall receive a minimum of 30 days written notice, or <u>longer</u> as provided in the Admissions and Occupancy Policy. Exceptions may be made, such as when the transfer is in response to problems of a life threatening nature; threat of attack by criminal elements; documented domestic violence; and witness protection orders.
- (e) Under the Emergency and Administrative Transfer category, Tenants are required to transfer to another unit. The exception to this section is that Tenants with disabilities may decline reasonable accommodation transfers after signing a release acknowledging the transfer offer.
- (f) Costs for Priority 1 Administrative transfers to move a Tenant with a disability to a more suitable unit, or a Tenant without a disability out of an accessible unit, or to permit modernization, rehabilitation, demolition, disposition or revitalization shall be paid by DHA. DHA shall also pay for the costs of emergency transfers when the emergency is due to unit conditions beyond the control of the Tenant.
- (g) Tenant must bear the cost of transfers for over-housed or over-crowded families and Tenant-incentive transfers.
- (h) Involuntary transfers are subject to the Grievance Procedure and no transfers may be made until the time to request a grievance has expired or the procedure has been completed.
- (i) Failure by Tenant to comply with a mandatory transfer is grounds for Lease termination.

11. DHA Obligations

DHA is Obligated:

- (a) To refrain from discrimination based upon race, color, religion, sex, national origin, age, disability, sexual orientation, gender identity and/or familial status.
- (b) To maintain the dwelling unit, common areas and grounds not otherwise assigned to Tenant for maintenance in a decent, safe, and sanitary condition.
- (c) To comply with the requirements of applicable City building codes, housing codes, and HUD regulations materially affecting health and safety.
- (d) To make necessary repairs to the dwelling unit. DHA's failure to make repairs in accordance with the maintenance policy after delivery of written notice to DHA in accordance with the Chapter 92 of the Texas Property Code may give Tenant one or more of the following rights: right to

Tenant may join in any inspection of the Premises to the extent practical.
- (j) Accommodations for Tenants with Disabilities. Upon request by a Tenant with disabilities, or the head of the household on behalf of a family member with disabilities, DHA will provide reasonable accommodations. DHA may, depending on the circumstances, provide either structural modifications or a non-structural solution, such as a transfer to a unit or building with the required accessible features, provided such options are effective in achieving accessibility. - (c) To keep such areas outside the dwelling unit that may be assigned to the Tenant for the Tenant's

- exclusive use in a clean and safe condition; to maintain the yards assigned to him/her in a neat and orderly manner; and to pick up and remove trash assigned to his/her unit. Upon written approval by DHA's 504/ADA Coordinator, as a reasonable accommodation, Tenants with disabilities shall be exempt from this obligation.

- (o) To refrain from having a waterbed on the premises.
- (p) To abide by the necessary and reasonable regulations and house rules established by the DHA, for the benefit and wellbeing of the housing development and Tenants, which shall be posted in the management office and incorporated by reference in the Lease.  - 2. Engaging in any violent criminal activity or other activity that threatens the life, health or

property of other Tenants or their guests, DHA employees, or other persons. - 3. A criminal conviction is not needed to demonstrate serious violations of the Lease.
- 4. If Tenant, household members, guests or other persons under Tenant's control have been convicted of manufacture or production of methamphetamines on the premises of any federally assisted housing, the lease shall be terminated immediately.
- 5. If Tenant, household members, guests or other persons under Tenant's control are subject to a lifetime registration requirement under any Sex Offender registration laws, the lease shall be terminated immediately.
- 6. Tenants who own legal firearms in compliance with State and local laws may store them in DHA units so long as firearms are registered with DHA and are stored either in a locked cabinet or use locking trigger guards to prevent accidental injury to a child.
- 7. Displaying a weapon with a verbal or non-verbal threat to shoot, fire, explode, throw or otherwise discharge the weapon, to actually shoot, fire, explode, throw, or otherwise discharge a deadly weapon, or to inflict any injury on another person or to damage any property through the intentional, reckless, careless or negligent use of a weapon. For purposes of this lease, a "deadly weapon" means a firearm or anything manifestly designed, made or adapted or capable of inflicting death or serious bodily injury. A deadly weapon shall include but not be limited to a club, explosive weapon, firearm, knife or knuckles as those terms are defined in Section 46.01 of the Revised Texas Penal code. This also prohibits the use of any BB gun or pellet guns on DHA property or any weaponized objects; and

No consent shall be given to animals classified as dangerous, or snakes or other exotic animals that are not household pets. All other state and local laws regarding curbing rules, anti-cruelty laws, animal control and animal health shall be applicable to pet ownership by any Tenant. Generally, persons with disabilities who have assistive animals are exempt from all provisions of the Pet Policy except those related to pet health, refraining from disturbing neighbors, and hygiene. 13. Changes in the Household

- (a) Children born to or adopted by family members listed on the lease and children whose custody is awarded to the family by a Court will automatically be added to the Lease upon notification by Tenant to DHA. When the addition of a child or children overcrowds the unit in which Tenant is residing, Tenant will be placed on the transfer waiting list for a move to an appropriately larger unit.
- (b) All other additions to the household, including but not limited to foster children, foster adults, and Live-in Aides require the prior written approval of DHA. For new family members age 15 and older, such approval will be granted only if the new family member meets DHA's applicant screening criteria and the addition of the new family member does not overcrowd the unit.

- (c) Prior approval to add a Live-in Aide is required and shall not be unreasonably refused. A Live-in Aide is a person who resides with Tenant with a disability and who is determined, by a qualified health care provider, to be essential to the care and well-being of Tenant, is not obligated for the support of Tenant, and who would not be living in the dwelling unit except to provide the required supportive services. Generally, a Live-in Aide may not move into a unit if it would create overcrowding. However, based on a request for a reasonable accommodation, a Live-in Aide may be permitted to move into the unit until the household is transferred to another unit of appropriate size. Live-in Aides have no rights as remaining family members. An individual who is already a member of the family will not be approved as a Live-in Aide since such an individual cannot meet the Federal regulatory standard of one "who would not be living in the dwelling unit except to provide the required services".
- (d) DHA shall approve or disapprove a Tenant's request to allow a person to move into the dwelling unit within 30 business days of receipt of the written request. This time period can be extended if there is a delay beyond the control of DHA or Tenant. If DHA makes no decision within the time period, or any extensions, set forth in this subparagraph, then Tenant's request shall be deemed approved.
- (e) Authorized Tenants or family members who move out of the dwelling unit, for any reason, shall be reported by Tenant to DHA in writing, within 10 days of the occurrence.
- (f) Remaining family members. If the head of household dies or leaves the unit for any reason, continued occupancy by remaining household members is permissible only if there is one or more household members on the Lease and living in the household who passes screening and is 18 years of age or older or an emancipated minor. Eviction proceedings can be commenced if
 - 1. The remaining household members fail to inform DHA within 10 days of the death or departure of the former head of household;
 - 2. There is no family member qualified to sign a new lease, or
 - i. after the remaining family member's approval to assume the lease obligations, her/she fails to sign a new Lease within 30 days and/or
 - ii. The only adults or emancipated minors remaining in the unit have committed rent default or criminal activity violations.
 - iii. The family fails to notify the DHA of any additions to the household by birth, adoption or Court-awarded custody and to refrain from permitting other persons to join the household without first undergoing screening by the DHA, except as provided in Section 12(b).
- (g) DHA may permit an adult not on the Lease to join the household as a new head of household. In giving approval for such an arrangement, DHA will consider whether there is any remaining member capable of executing a Lease and the ability of the family to stay together if the new household member is allowed. The new head of the household must meet DHA's applicant screening criteria. A new head of the household added to the Lease under the above paragraph(s) f. and g. will be charged for any arrearages incurred by the former head of household. DHA reserves the right to establish a payment plan with the new head of household, especially when an eviction for arrearages would result in the separation of the family.
- (h) If this Lease is an extension of occupancy by Tenant's household under a prior Lease or Leases with DHA, any amounts due under the prior Lease or Leases may be charged and collected as if the same had occurred under this Lease.

14. Entry of Premises During Tenancy

- (a) Upon applicable and/or reasonable notice, any employee, or contractor of DHA will be permitted to enter the dwelling unit during reasonable hours (8:00 a.m. to 5:30 p.m.) for the purpose of performing routine maintenance, making improvements or repairs, inspecting the unit or showing the unit for re-leasing.
- (b) When Tenant calls to request maintenance on the dwelling unit, DHA shall acknowledge receipt of the request within 24 hours. A request for maintenance constitutes permission for DHA to enter the unit and perform the maintenance. If Tenant is not at home when DHA performs requested maintenance, DHA shall leave a copy of completed work order in the unit.
- (c) For reasons other than emergencies or requested maintenance, DHA shall give all Tenants a minimum 48 hours' written notice that DHA intends to enter the dwelling unit and state the reason for entry. Tenants with disabilities will be provided notice in the formats they request.

- (d) DHA may enter Tenant's dwelling unit at any time without advance notification when there is reasonable cause to believe that an emergency exists that poses an immediate threat to the safety and/or welfare of Tenants and/or employees. Legitimate emergency conditions will not be used as a pretext for unit inspections.
- (e) If Tenant and all adult members of the household are absent from the dwelling unit at the time of entry, DHA shall leave a written statement in the dwelling unit specifying the date, time and purpose of entry prior to leaving the dwelling unit.

15. Defects Hazardous to Life, Health or Safety

If the dwelling unit is damaged so that conditions are created that are hazardous to the life, health or safety of the occupants, the following terms will be applicable:

- (a) DHA Responsibilities and Services: DHA shall be responsible for repair of the unit within a reasonable period of time after receiving notice from Tenant. If the damage was caused by Tenant, family members, Tenant's pet(s), guests, or other person under Tenant's control, the reasonable cost of the repairs shall be charged to Tenant. The reasonable period of time to abate and repair an emergency is defined to be 24 hours.
- (b) If necessary repairs cannot be made within a reasonable time, DHA shall offer Tenant decent, safe and sanitary alternative accommodations.
- (c) If repairs cannot be made by DHA within a reasonable amount of time, and decent, safe and sanitary alternative accommodations containing no hazardous defects are unavailable, then rent shall abate in proportion to the seriousness of the damage and loss in value as a dwelling. The abatement will remain in effect until the damage is corrected.
- (d) No abatement of rent shall occur if Tenant rejects the alternative accommodations and remains in the dwelling unit or if the damage was caused by Tenant, family members, Tenant's pet(s), guests, or other person under Tenant's control.
- (e) If Tenant's dwelling unit is uninhabitable or is hazardous to life, health and safety, and a decent and sanitary alternative accommodation containing no hazardous defects is offered and refused, and Tenant refuses to leave the unit until it is repaired, Tenant's lease may be terminated.
- (f) Tenant Responsibilities: Tenant shall immediately notify the Property Manager of the damage when the damage is hazardous to life, health or safety of the occupants.
- (g) Tenant agrees to continue to pay full rent, less the abated portion, during the time the defect remains uncorrected.
- (h) DHA shall not be liable for any injuries or property damage sustained on any premises leased or assigned to Tenant except for injuries or property damage resulting from intentional or negligent action or omissions on the part of DHA, the DHA's representatives or agents.
- (i) All accidents involving injury or loss of property to Tenant authorized members, Tenant's pet(s) or guests must be reported, in writing, to the Management Office, within 5 business days. Failure to comply with this reporting procedure does not waive or foreclose any legal or equitable remedies that the person may have against the DHA with respect to said damages or injury.

16. Inspections

- (a) Move in Inspections: DHA and Tenant or his/her representative shall inspect the dwelling unit before occupancy. DHA may photograph the unit at the move-in inspection or at any subsequent inspection. DHA shall give Tenant a written statement of the condition of the dwelling unit, both inside and outside and note any equipment provided with the dwelling unit. The statement shall be signed by DHA and Tenant or his/her representative and a copy of the statement will be retained in Tenant's folder. Any deficiencies noted on the inspection report will be corrected by DHA at no charge to Tenant prior to move-in or within ten (10) business days after move-in, provided the defect does not render the unit uninhabitable. If DHA fails to correct the deficiencies within ten (10) business days of the move-in, Tenant may exercise the remedy described in Section 14(c).
- (b) Annual Inspections. An annual inspection will be conducted for all Tenants. Tenants will be notified at least 48 hours in advance of the annual inspection. At least one inspection shall be conducted of all occupied units, structures and systems using the Uniform Property Condition Survey (UPCS).

- (c) Besides the UPCS inspection, DHA shall conduct at least one housekeeping inspection each year to check the condition of the dwelling unit, the equipment within, and any areas assigned to the Tenant for upkeep. DHA will provide Tenant with a written statement regarding dwelling unit conditions. Further, DHA shall request work orders for all items found to be in disrepair.
- (d) DHA will use the annual housekeeping inspection to assess Tenant's overall care of the dwelling unit, equipment and housekeeping habits or practices in accordance with this Lease. When housekeeping is a problem, DHA will notify Tenant in writing of the housekeeping problems and identify the measures and time period provided to abate unsatisfactory conditions.
- (e) Interim Inspections: DHA will conduct interim inspections to follow up to any housekeeping problems found during the annual inspections. Tenants notified in writing of housekeeping problems will receive interim inspections to measure corrections to any identified unsatisfactory conditions and progress toward abatement of the problem.
- (f) Move-out Inspection: DHA will inspect the dwelling unit at the time Tenant vacates and give Tenant a written statement of the charges, if any, for which Tenant is responsible. In order to protect Tenant's rights, Tenant and/or representative may join in such inspection, unless Tenant vacates without notice to DHA.
- (g) **All** Inspections will be conducted to evaluate unit conditions, establish preventive maintenance programs, prepare unit rehabilitation specifications, or take other actions to improve the maintenance of units.
- (h) Failure to permit inspection of the dwelling unit is a serious lease violation and grounds for lease termination.

17. Parking and Motor Vehicles: Tenant agrees:

- a) To refrain from parking any vehicles in any right-of-way or fire lane, on lawns or other DHA property not designated for parking purposes.
- b) Not to drive on DHA property unless Tenant has a current drivers license.
- c) To bring onto DHA property only vehicles that are insured and registered through the Texas Bureau of Motor Vehicles.
- d) To register all vehicles driven by Tenant with the manager and display the parking decal if applicable at Tenant's property.
- e) To park in Tenant parking spaces only (not visitor spaces, if any).
- f) Not to bring any vehicle onto DHA property unless Tenant has registered with manager the make, model, color, year, license number, and state of registration of the vehicle to be parked.
- g) To remove any inoperable or unlicensed vehicle as described above. If not removed by Tenant, these vehicles will be removed from DHA property at Tenant's expense.
- h) Not to carry out automobile repairs on DHA property

18. Notice Procedures

- (a) Tenant Responsibility Any notice to DHA must be in writing, delivered to the Management Office or to DHA's central office personally or sent prepaid first-class mail, properly addressed.
- (b) DHA Responsibility All notices to Tenants must be in writing, except notices to Tenants with disabilities, which must be in the accessible format requested by Tenant. Notices will also be available in Spanish or other languages as needed.
- (c) Notices for lease termination or non-renewal must be personally served upon Tenant or upon any adult member of the household residing in the dwelling unit or sent by regular mail. If no one is in actual possession of the premises, the notice of termination may be posted on the premises. An adult is a person 16 years of age or older or an emancipated minor who is head of household.
- (d) Notices, other than notices for lease termination or non-renewal, may be delivered by hand to Tenant or any adult member of the Tenant's household or sent by first-class mail.
- (e) Unopened, cancelled first class mail returned by the Post Office shall be sufficient evidence that notice was given, whether signed or unsigned.

19. Termination of the Lease

For termination of the Lease, the following procedures shall be followed by DHA and Tenant:

(a) Tenant may terminate this Lease at any time by giving 30 days' written notice. Failure to give the

said notice to management may result in additional rent being charged to the Tenant's account: Tenant is responsible for the final month's rent until the vacate date. Tenant shall leave the unit and all other areas assigned to him/her for maintenance in clean condition except for normal wear and tear and shall return the keys to DHA before leaving. The security deposit may not be used for the rent or other charges. If Tenant fails to give 30 day notice, DHA may charge the Tenant 14 days' rent from the date DHA learns the unit is vacant.

- (b) Tenant may cancel this Lease and vacate the Premises without liability for further rent by showing a court order protecting Tenant against family violence from an occupant of the Premises. DHA is prohibited from collecting rent or enforcing this Lease if Tenant's grounds for canceling this Lease and vacating the premises are instances of domestic violence, dating violence, sexual assault, or stalking, as those terrors are defined in Section 3 of the United States Housing Act of 1937 as amended by the Violence Against Women Act VAWA 42 U.S.C. 13925
- (c) Tenant may cancel this Lease and vacate the Premises without liability for further rent if Tenant joins the military after signing this Lease or is in the military and receives orders for a permanent change of station or to deploy for more than 90 days.
- (d) DHA may terminate this lease only for serious or repeated violations of material terms of the Lease, or for other good cause. Examples of behavior for which the lease can be terminated include, but are not limited to, failure to make payments due under the Lease, or failure to make payments to a utility supplier when the utility connection is in Tenant's name, and/or failure to fulfill Tenant obligations set forth above. A Tenant who submits a late rental payment three times within a twelve month period will be subject to termination of the lease.
- (e) If, after execution of this Lease DHA becomes aware through a criminal background check that the Tenant or a family/household member has been involved in criminal conduct, in violation of Part 2, Section 11, while under a prior DHA Lease Agreement, this Lease shall be terminated.
- (f) The Lease will also be terminated if:
 - Tenant fails to provide complete and accurate information about income, deductions from income, family composition, family circumstances or past criminal activity when requested to do so by DHA;
 - 2. Tenant permits an adult to reside in the unit who has not satisfied the screening requirements established by DHA;
 - 3. Tenant violates DHA's requirements related to registering visitors;
 - 4. Tenant falsifies documents regarding any family member's use of an illegal controlled substance or abuse of alcohol:
 - 5. Tenant, tenant's guests, family members or other persons under the control of tenant smoke on DHA property;
 - 6. Tenant is fleeing to avoid prosecution or custody or confinement after conviction for a crime or attempt to commit a crime, which is a felony under the laws of the state from which he flees, or for violating a condition of probation or parole imposed by Federal or State law;
 - 7. There is any criminal activity engaged in by the Tenant, any member of the household, a guest, or another person under Tenant's control that threatens the health, safety or right of peaceful enjoyment of the premises by other Tenants, DHA employees, or persons residing in the immediate vicinity of the premises; or
 - 8. There is any drug-related criminal activity on or off the premises engaged in by Tenant, any member of the household, a guest, or another person under Tenant's control.
 - The DHA will not be required to prove that Tenant knew, or should have known, that the member of the household, guest, or another person under Tenant's control was engaged in the prohibited activity.
- (g) In deciding to evict for criminal activity, DHA may consider all of the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effects that the eviction would have on family members not involved in the proscribed activity. In appropriate cases, DHA may permit continued occupancy by remaining family members and may impose a condition that family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit. DHA may require a family member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition

- to being allowed to reside or visit in the dwelling unit.
- (h) DHA will not evict Tenant for criminal activity when Tenant is verified to be the victim of domestic violence, dating violence or stalking unless the criminal activity in which Tenant is participating is unrelated to the domestic violence, dating violence or stalking. If the abuser is verified to be a family member, Tenant must remove the abuser from the lease in order to remain in the unit. Nothing in this lease can be construed to limit the authority of Agency to terminate the tenancy of any Tenant when that Tenant's presence can be demonstrated to be an actual and imminent threat to other Tenants, staff or those providing service to the property.
- (i) This Lease may be terminated or will not be renewed by DHA if non-exempt adult members of the Tenant Family are not in Compliance with the Community Service requirements described in Section 25. This can occur no earlier than the end of the second lease term after Tenant or non-exempt adult members fail to comply with Community Service requirements.
- (j) DHA shall give written notice of lease termination in English or Spanish or other language as needed or, in the case of a Tenant with a disability, in an accessible format, of:
 - 1) Fourteen (14) days in the case of failure to pay rent;
 - 2) Three (3) days when the health or safety of other Tenants, DHA employees, or persons residing in the vicinity of the premises is threatened, or for any drug-related or violent criminal activity, or for possession or display of illegal firearms, as described in Section 11(t). A criminal conviction is not needed:
 - 3) Thirty (30) days in any other case.
- (k) The Notice of Lease termination shall state reasons for the termination, shall inform Tenant of his/her right to make such reply as he/she may wish, and of Tenant's right to examine Agency documents directly relevant to the termination. In addition, when the Agency is required to offer Tenant an opportunity for a grievance hearing, the notice shall inform Tenant of the right to request such a hearing in accordance with the DHA Grievance Procedure. Notice to Vacate may be combined with or run concurrently with the Notice of Lease Termination.
- (I) When DHA is required to offer Tenant the opportunity for a grievance hearing, and Tenant has made a timely request for a grievance hearing, the tenancy shall not terminate, even if the notice of Lease termination has expired, until the grievance process has been completed.
- (m) DHA excludes from the DHA Grievance Procedures lease enforcement actions related to any criminal activity that threatens the health, safety or right of peaceful enjoyment of the premises by other Tenants, DHA employees, or agents of DHA, or persons residing in the immediate vicinity. DHA also excludes from the DHA Grievance Procedures lease terminations related to any drug-related criminal activity on or off premises. In lease terminations for these violations, the Notice of Lease Termination shall state that Tenant is not entitled to a Grievance hearing and shall specify the judicial eviction procedure to be used by the Agency. HUD has determined that this eviction procedure provides the opportunity for a hearing in a Court that contains the basic elements of due process.
- (n) Tenant or DHA may give notice of termination on any day of the month.
- (o) DHA may evict Tenant from the dwelling unit **only** by bringing a court action.
- (p) If DHA files an eviction action against Tenant, Tenant will be liable for all legal fees including, costs of court, cost of a writ of possession if one is filed, and costs awarded by the Court, including Attorney's fees, unless Tenant prevails in the action.
- (q) DHA may continue to accept rent or other sums after the giving of a notice to vacate or the filing a suit for eviction. This acceptance of sums does not waive DHA's right of eviction or any other contractual or statutory right. The accepting of money, at any time, does not waive DHA's right to damages, past rent, future rent, other sums, or to continue with any court proceeding.
- (r) This lease shall terminate upon abandonment of the premises by Tenant. No court action will be required to obtain possession of the premises.

20. Grievance Procedure and Requirements

- (a) Disputes arising under this Lease shall be resolved pursuant to the DHA's Grievance Procedure, and any amendments thereto that are in effect at the time such grievances arise, incorporated herein by reference. Lease termination for any reason set forth in Part 2, Section 18(f)(3), (4), (5), and (6) shall be excluded from the DHA's Grievance Procedure.
- (b) In the case of a proposed adverse action including a proposed Lease termination, DHA shall not

- take the proposed action until the time for Tenant to request a grievance hearing has expired or, where applicable, the grievance process has been completed.
- (c) The DHA President and CEO shall appoint as hearing officers fair and impartial persons knowledgeble of Federal law, HUD regulations and DHA policies who do not work in the Property Management or Intake Departments. The names of the persons so appointed shall be shared with the Resident Advisory Board and all Tenants through posting on bulletin boards at all properties.

21. Notice to Post Office

When DHA evicts a Tenant for engaging in any criminal activity, DHA shall notify the local Post Office serving the dwelling unit so that the Post Office will stop delivering mail for such person at the unit and the person will not return to the community to pick up mail.

22. Lease Modifications and Riders

Any modification of this Lease must be by a written rider to the Lease executed by DHA and the Tenant, the only exception being for modifications of rent pursuant to Section 5. of this Lease.

23. Non-waiver of Rights

The failure of DHA or Tenant to exercise any right or remedy as provided in this lease shall not affect the right to do so at any later date.

24. Non-Liability

Tenant acknowledges that any security measures provided by the Agency will not be treated by Tenant as a guarantee against crime or a reduction in the risk of crime. The Agency will not be liable to any Tenant, family/household member, or guest for injury, damage or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism or other crimes. DHA will not be liable to Tenant, any family/household member or guest for personal injury or damage or loss to personal property from fire, water leaks, explosions, or natural causes including rain, hail, ice, snow, smoke, lightning, wind and interruption of utilities. Tenants are strongly urged to secure renter's insurance to protect against the losses mentioned above. If information regarding Tenant, Tenant's family/household members is requested by a third party for law enforcement purposes, Tenant authorizes Agency to provide the information.

25. Abandonment

- (a) DHA may remove all property that remains in the unit or in the common areas after abandonment by Tenant or after judicial eviction of the Tenant. DHA is not liable for any property removed after Tenant's abandonment of the apartment, DHA does not have an obligation to store abandoned property.
- (b) Tenant shall be deemed to have abandoned the dwelling unit when Tenant has moved out. When DHA questions whether the unit has been abandoned, DHA will secure the apartment against vandalism and post a notice of planned entry on the door. If, after 2 days, there is no response to the notice and inspection shows that all or most of Tenant's property has been removed or rent is not paid, DHA will conclude the unit has been abandoned.
- (c) Two (2) days after DHA determines Tenant has abandoned the dwelling unit, DHA may remove all property left in the unit; clean up; make repairs; and relet the apartment,
- (d) Abandonment of the Premises will be treated as a termination by the Tenant under Part 2, Section 18 of this Lease.

26. Community Service Requirements/Economic Self-Sufficiency Programs

- (a) HUD's Community Service requirements and Economic Self-Sufficiency programs mandate that each adult household member not eligible for an exemption shall contribute 8 hours per month of some combination of community service within his/her community, or Economic Self-Sufficiency activity, both as defined in the Admissions and Continued Occupancy Policy.
- (b) If Tenant does not comply with Community Service requirements or Economic Self-Sufficiency programs, DHA will either terminate the lease or not renew or extend Tenant's Lease upon expiration of the Lease term and shall take such action as is necessary to terminate the tenancy

- of the household.
- (c) Based on consideration of Tenant's efforts to comply with this Section, the DHA reserves the right to enter into a written agreement with Tenant before the expiration of the Lease term to cure any non-compliance with neighborhood service or economic self-sufficiency programs.

27. Special Provisions related to occupancy of scattered site single family homes.

- (a.) Tenant is responsible for the complete care of front, back and side yards, including mowing, watering, weeding and trimming the grounds and shrubbery.
- (b.) Tenants who desire to install ceiling fans must obtain written approval from DHA prior to installation. Any ceiling fans installed shall become a part of the premises and the property of DHA upon termination of the lease.

- (e.) For specific designated scattered sites Tenant shall be required to relocate to another non-FSS after the allotted time to reside in the unit has expired.

28. Special Provisions related to occupancy of Family Self Sufficiency and Low Income Housing Tax Credit Developments

Certain DHA properties are identified as housing developments that have been designated as Family Self-Sufficiency/Incentive Transfer Developments. As a condition of occupancy of the Premises, the Tenant must either have an active Family Self-Sufficiency Contract or have qualified as a high performing Tenant for an incentive transfer. When the Tenant was transferred to the development as a Family self Sufficiency participant, the Tenant acknowledges that breach of the Family Self-Sufficiency Contract will constitute a breach of the Lease and will require the transfer of Tenant and all Household Members to another development that has not been designated a Family Self-Sufficiency/Incentive Transfer Development.

29. Special Provisions related to occupancy of Low Income Housing Tax Credit Developments

The Premises is located in a housing development that has been financed, at least in part, with Low-Income Housing Tax Credits. The Tenant understands that the dwelling unit is available to Tenant only because of assistance payments made by HUD (the "Assistance Payments") that allow the Premises to be offered to Tenant at a rent level that is less than the market (unsubsidized) rent that would otherwise be due on the Premises. If such assistance payments terminate or are substantially reduced, and there is a default under any agreement, letter of credit or other instrument providing other funds as a substitute for assistance payments, then Tenant agrees that DHA shall have the right not to renew this Lease or to terminate this Lease at the end of its current term and either

- (a.) relocate Tenant to any other available appropriately sized dwelling unit in the inventory of DHA; or
- (b.) arrange for DHA to provide Tenant a rental voucher under Section 8 of the United States Housing Act of 1937, as amended, if a voucher is then available, to be used by Tenant to obtain another dwelling unit. DHA will make a good faith effort to transfer Tenant within the same neighborhood. Tenant will be given ninety (90) calendar days written notice of the availability of a suitably sized unit prior to being required to move. Tenant's response to the written notice that a transfer will be required because of reduction or elimination of assistance payments must be received by DHA within ten (10) calendar days of the date of the notice and must state Tenant's willingness to move to an appropriately sized dwelling unit within thirty (30) days. Reasonable costs associated with the move will be the responsibility of DHA.

DALLAS HOUSING AUTHORITY

LEASE PART 2: Terms and Conditions

THIS LEASE AGREEMENT (called the "Lease") is between the Dallas Housing Authority (called "DHA" or the "Agency") and Tenant named in the Contract (called "Tenant").

DHA, relying upon data provided by Tenant about income, family composition, and housing needs, leases to the Tenant, the property (and any steps, porch, lawn or yard immediately surrounding the unit, all of which are hereinafter collectively called the "premises" or "dwelling unit") described in Part I of the Lease, to be executed by the Tenant and DHA, subject to the terms and conditions contained in this Lease.

8.1. Lease Term, Amount of Rent

- (a) The initial term of this Lease is twelve (12) months, unless otherwise modified or terminated in accordance with Part 2, Section 18 of this Lease. The Lease shall automatically be renewed for successive terms of one year.
- (b) At admission and each annual recertification Tenant will be given a choice between paying an income-based rent or flat rent. The formula for income-based rent is established in Federal Regulations. Unless revised in the regulations, Tenant pays the greater of 30 percent of adjusted monthly income or 10 percent of monthly income, but never less than the DHA minimum rent of \$50. Flat rent is a market-based rent that reflects the age, size, location, condition and amenities of each of DHA's developments.
- (c) Families that include at least one member who is either a U.S. citizen or an eligible immigrant and other members who are neither U.S. citizens nor eligible immigrants are called "Mixed Families". As required by Federal law, these families will pay a higher income-based pro-rated rent based on the percentage of members who are eligible for housing assistance.
- (d) In developments with Tenant-paid utilities, only Tenants who pay an income-based rent will receive a Utility Allowance. Flat rent payers do not receive a Utility Allowance.
- (e) The rent amount is stated in the Part 1 of the Lease. Rent shall remain in effect unless adjusted by DHA in accordance with Part 2, Section 6 of this Lease. The amount of the rent shall be determined by DHA in compliance with HUD regulations.
- (f) Rent is due and payable in advance without demand on the first day of each month. Rent is late if not paid by the 5th business day of the month.
- (g) Failure to pay rent on time is a serious lease violation and grounds for lease termination., however, DHA shall not penalize the Tenant when Tenant's rent is not paid on time as a result of government assistance not sent on time. Child support payments, regardless of the source, are not considered government payments.
- (h) Three late payments within any 12 month period shall be considered repeated late payments and shall be a serious lease violation and grounds for lease termination, although the Manager must take the date income is actually received into account in making a determination of late payment, if Tenant relies on government payments as a sole source of income.
- (i) DHA shall use the date of Tenant's postmarked envelope, rather than the date rent is actually received in DHA's lockbox to determine whether rent is timely or late.

9.2. Notice of Rent Adjustment

- When DHA increases the amount of the rent, DHA shall provide written notice to the Tenant no less than 30 days prior to the effective date of the increase.
- b.(b) If rent decreases, DHA will reduce the rent on the first of the month after the circumstances leading to the decrease are reported by the Tenant, but not until the circumstances are verified.

10.3. Charges in Addition to Rent

(a) In addition to rent, the Tenant is responsible for the payment of other charges. The notice of charge(s) shall advise the Tenant that he/she has the right to an explanation of the charge(s) and that disputes concerning charges may be resolved through the Grievance Procedures.

- (b) Charges in addition to rent are due on the first day of the month after the charge is incurred if a minimum of 14 days' notice has been given. Tenant may be given an opportunity to enter into a reasonable payment arrangement based upon Tenant's adjusted income and payment history.
- (c) Failure to pay charges in addition to rent when due is a serious lease violation and grounds for lease termination. <u>All payments Payments</u> received will first apply to the oldest balance on the account, before any current charges are credited (including charges for rent).
- (d) Charges in addition to rent can include but are not limited to:
 - Excess Utility Charges: In properties where utilities that are not billed directly to Tenant, DHA
 will bill Tenant monthly for utility usage in excess of the usage amount allowed at checkmetered developments or for the use of major Tenant-supplied appliances at developments
 without check meters. There are no excess utility charges for those utilities Tenant pays
 directly to the utility supplier unless DHA pays utility charges on a Tenant's behalf.
 - 2. Maintenance costs. The Tenant will be charged for services or repairs due to intentional, careless or negligent damage to the dwelling unit, common areas, or grounds beyond normal wear and tear, caused by the Tenant, Tenant family, Tenant's pet(s), or guests. Tenant will also be charged for services or repairs requested by Tenant that are not related to normal wear and tear on the unit. When such charges occur, Tenant shall be charged for such service, in accordance with the actual cost to DHA for the labor and materials needed to complete the work.
 - 3. <u>Insufficient Funds Charge</u>: A fee of the greater of \$35 or the amount charged by the bank will be charged to the Tenant for any check to DHA written by a Tenant that is returned for insufficient funds. In addition, no personal checks will be accepted from a Tenant who writes an NSF check. All future payments must be made by cashier's check or money order.
 - 4. <u>Late Fees</u>: A one time monthly charge of \$15 after the day specified in Part 2, Section 1(f) of this Lease will be due and payable for all rent not paid in a timely manner.
 - 6 Reasonable Accommodations: In levying charges in addition to rent, the Agency shall grant reasonable accommodation, at no charge to Tenant, for persons with disabilities who require equipment, additional utilities or devices necessary because of the disability or to facilitate access to the dwelling unit, common areas, community facilities or grounds.

11.4. Payment Location

Rent and other charges shall be paid <u>ONLY</u> by mail to the lockbox using the envelope included with the rent statement. All payments must be made by check, cashier's check or money order. No cash will be accepted for any amounts due to DHA.

Tenants also have the option of enrolling in a direct monthly withdrawal program from a savings or checking account of their choice. Tenants who enroll in a direct withdrawal program will have balances owed debited from their account on the fifth day of the month, but if the fifth falls on a weekend or holiday, the debit will take place on the next business day.

42.5. Security Deposit

- (a) The Tenant agrees to pay, at the time of leasing, a security deposit. For Elderly and Disabled Families with no members who smoke, the amount of the security deposit shall be the greater of \$100.00 or one month's Total Tenant Payment. For Elderly and Disabled Families with members who smoke, the amount of the security deposit shall be the greater of \$250.00 or one month's Total Tenant Payment. For non-elderly/non-disabled families with no members who smoke, the amount of the security deposit shall be the greater of \$200 or one month's Total Tenant Payment. For non-elderly and non-disabled families with any members who smoke, the amount of the security deposit shall be the greater of \$450.00 or one month's Total Tenant Payment. The dollar amount of the security deposit is noted in Part 1 of this Lease.
- (b) If Tenant wishes to have a pet, Tenant agrees to pay a refundable pet deposit and a non-refundable pet fee upon receiving permission to have a pet in the unit. - 4.(a) Annual Re-examinations: The components of the mandatory annual re-examination are as follows:
 - (a.)1. The status of each family shall be re-examined at least once each year unless the family claims zero income, in which case the family's income will be reexamined every 120 days.  - (b.)2. Tenant must supply DHA with accurate written information about family composition, citizenship and/or immigration status and age of family members, amount and source of income of all Tenant family members, assets and related information necessary to determine eligibility for continued occupancy, annual income, adjusted income, rent, any criminal activity committed by household members and appropriateness of dwelling size.

 - d.)4. Tenant agrees to comply with reasonable DHA requests for verification by signing releases or authorizations for third-party sources, presenting documents for review or providing other suitable forms of verification.  - (e.)5. Tenant agrees and gives permission to DHA to conduct a criminal background check on Tenant and all Household Members who are 18 years of age or older and all emancipated minors in the household at least once each year. /household member was not eligible for admission into the DHA Public Housing Program at the time of admittance, this Lease shall be terminated.

- (g.)7. Failure to supply requested information and/or misrepresentation of information is a serious violation of the terms of the Lease and may result in termination of the Lease.
- (h.)8. During the annual re-examination, Tenants will be given the choice between paying:
 - a. rent based on income; or
 - b. a flat rent based on the value of the dwelling unit.
- (i.)9. DHA shall notify each family in writing of the dollar amount of these two rent amounts.
- (j.)10. To comply with Annual Re-examination requirements, DHA shall give Tenant reasonable notice of what action(s) Tenant must take and the date by which any such action must be taken for compliance under this section.
- (k.)11. In accordance with Federal and state law, DHA will process any applicable earned income disallowance for a qualifying family that has experienced an increase in their earned income.
- (I.) 12. DHA will not reduce any portion of rent if the public assistance benefits of a covered family are reduced when the welfare department verifies:
 - (a)a. any failure of any member of the family to comply with conditions under the assistance program requiring participation in an economic self-sufficiency program or imposing a work activities requirement, or
 - (b)b. welfare fraud.
 - (c)c. In either of the cases under this section, Tenant's monthly contribution toward rent may not be decreased during the period of reduction, as a result of the benefits reduction.
 - (d)d. If Tenant challenges the welfare program grant reduction, the requirements of paragraph 12 shall not take effect until the results of the challenge are known.
- (m.)13. Failure to comply with annual re-examination requirements or misrepresentation of income or qualification for deductions is a serious lease violation and grounds for lease termination.

 - e.3. In accordance with Federal and state law, DHA will process any applicable earned income disallowance for a qualifying family who has experienced an increase in their earned income. Tenants must report timely in accordance with Section 5(c) (1), in order to ensure full benefit of income disallowance.
 - d.4. DHA will process an interim reduction in rent if Tenant has a decrease in income or change in household composition or circumstances that will last 30 days or longer.
 - <u>e.5.</u> Between annual re-examinations Tenant may be switched from a flat rent to an income-based rent upon a showing of financial hardship.
 - **f.**6. DHA will grant a hardship exemption to a qualifying Tenant who is paying the minimum rent or the flat rent.

DHA will verify Tenant's hardship claim and, if Tenant does not qualify for a hardship exemption, DHA will reinstate the Minimum Rent, retroactive to the date the exemption was granted. DHA will enter into a Repayment Agreement for any rent not paid during the 90 day period. When the hardship is verified, Tenant's rent will be based on the greater of 30 percent of adjusted monthly income or 10 percent of monthly income.
- i.9. Flat rent payers who qualify for the hardship exemption will be required to provide necessary documentation of income and deductions so that DHA can compute an accurate income-based rent.
- j-10. If Tenant (other than a Flat or Minimum Rent payer) is granted a reduction in rent between annual re-examinations, Tenant is then subject to an Interim increase in rent if Tenant's income increases.
- k.11. DHA will process an interim increase in rent if Tenant receives DHA's permission to add an adult member with income to the lease:
- <u>H12.</u> DHA will NOT process an interim increase in rent if Tenant's earned or unearned income increases. If these increases are still in place at Tenant's regular recertification, rent will increase at that time.
- m.13. DHA will process an interim increase in rent if the DHA discovers that Tenant has been misrepresenting the facts upon which his or her rent is based. Failure to report accurate information is also grounds for Lease termination in accordance with Section 15 of this Lease.
- n.14. DHA will process an interim increase in rent if DHA verifies that a Tenant claiming zero income has either monetary or non-monetary income.
- 3.(c) Effective Dates of Rent Changes:

- d.4. Increases Tenant will receive a retroactive charge for an increase in income that would have resulted in a rent increase and was not reported timely, retroactive to the month after the change should have been reported. (d) Retroactive rent charges will be applied only if it is found that Tenant has misrepresented the facts on which the rent is based so that the rent Tenant is paying is less than the rent Tenant should have been charged; or is late in reporting in accordance with Section 5(c) of this Lease. The increase in rent shall be applied retroactively to the first of the month following the month in which the misrepresentation or failure to report occurred.
- 4.(d) Notice of Rent Adjustments and Grievance Rights:

Tenant will be notified in writing of any rent adjustment due to annual or interim re-examinations. All notices will state the effective date of the rent adjustment. Tenant may ask for an explanation stating the specific grounds of the DHA determination concerning rent, dwelling size or eligibility, and if Tenant does not agree with the determination, Tenant shall have the right to request a hearing under the DHA Grievance Procedures.

Utilities shall be used for normal household purposes only. Tenant agrees not to waste any utilities provided by the Agency and to comply with all applicable laws, regulations, or guidelines of any governmental entity regulating utilities or fuels.
- (b) At some developments where DHA provides utilities, the utilities are check_metered at Tenant's unit. In these situations, each Tenant is provided a consumption allowance (in kilowatt hours for electricity and in thousand cubic feet for natural gas). All appliances must be professionally installed by an Agency-approved contractor or by DHA maintenance personnel for a reasonable fee.

The amount shall be appropriate for the size and type of dwelling unit occupied by the Tenant. The Total Tenant Payment less the Utility Allowance equals Tenant Rent. If the Allowance for Utilities exceed the Total Tenant Payment, the Agency will pay a monthly Utility Reimbursement to Tenant or the utility supplier each month or quarterly if the monthly amount of reimbursement is \$15 or less... Tenants who choose Flat Rents (not income-based rents) receive no utility allowance.
- (e) The Agency may change the Utility Allowance at any time during the term of the lease and shall give Tenant 60 days' written notice of the revised Utility Allowance, along with any changes in Tenant Rent or Utility Reimbursement.
- (f) Tenant is responsible for paying the utility bill, related deposits and charges, if applicable. If Tenant's actual utility bill is less than the Utility Allowance, Tenant shall receive the benefit of such savings.
- (g) Tenant will not allow utilities to be disconnected by any means (including by the utility supplier for non-payment) until the end of the lease term.
- (h) When Tenant pays for utilities directly, failure to make timely payments to the utility supplier is a serious lease violation and grounds for lease termination.

- 7-(g) DHA will not use guest registration information to run criminal history checks on adult guests unless DHA has reason to believe the guest is actually living at the property or the guest is causing trouble on the property as evinced by complaints from other Tenants or law enforcement personnel.
- 8.(h) Failure to register guests or to obtain Agency permission for visits longer than 14 days in a calendar year is a serious lease violation and grounds for lease termination.

- (h) Involuntary transfers are subject to the Grievance Procedure and no transfers may be made until the time to request a grievance has expired or the procedure has been completed.
- (i) Failure by Tenant to comply with a mandatory transfer is grounds for Lease termination.

 - 4.iii. The family fails to notify the DHA of any additions to the household by birth, adoption or Court-awarded custody and to refrain from permitting other persons to join the household without first undergoing screening by the DHA, except as provided in Section 12(b).
- (g) DHA may permit an adult not on the Lease to join the household as a new head of household. In giving approval for such an arrangement, DHA will consider whether there is any remaining member capable of executing a Lease and the ability of the family to stay together if the new household member is allowed. The new head of the household must meet DHA's applicant screening criteria. A new head of the household added to the Lease under the above paragraph(s) f. and g. will be charged for any arrearages incurred by the former head of household. DHA reserves the right to establish a payment plan with the new head of household, especially when an eviction for arrearages would result in the separation of the family.
- (h) If this Lease is an extension of occupancy by Tenant's household under a prior Lease or Leases with DHA, any amounts due under the prior Lease or Leases may be charged and collected as if the same had occurred under this Lease.

20.14. Entry of Premises During Tenancy

- (a) Upon applicable and/or reasonable notice, any employee, or contractor of DHA will be permitted to enter the dwelling unit during reasonable hours (8:00 a.m. to 5:30 p.m.) for the purpose of performing routine maintenance, making improvements or repairs, inspecting the unit or showing the unit for re-leasing.
- (b) When Tenant calls to request maintenance on the dwelling unit, DHA shall acknowledge receipt of the request within 24 hours. A request for maintenance constitutes permission for DHA to enter the unit and perform the maintenance. If Tenant is not at home when DHA performs requested maintenance, DHA shall leave a copy of completed work order in the unit.
- (c) For reasons other than emergencies or requested maintenance, DHA shall give all Tenants a minimum 48 hours' written notice that DHA intends to enter the dwelling unit and state the reason for entry. Tenants with disabilities will be provided notice in the formats they request.
- (d) DHA may enter Tenant's dwelling unit at any time without advance notification when there is reasonable cause to believe that an emergency exists that poses an immediate threat to the safety and/or welfare of Tenants and/or employees. Legitimate emergency conditions will not be used as a pretext for unit inspections.
- (e) If Tenant and all adult members of the household are absent from the dwelling unit at the time of entry, DHA shall leave a written statement in the dwelling unit specifying the date, time and purpose of entry prior to leaving the dwelling unit.

21.15. Defects Hazardous to Life, Health or Safety

If the dwelling unit is damaged so that conditions are created that are hazardous to the life, health or safety of the occupants, the following terms will be applicable:

- (a) DHA Responsibilities and Services: DHA shall be responsible for repair of the unit within a reasonable period of time after receiving notice from Tenant. If the damage was caused by Tenant, family members, Tenant's pet(s), guests, or other person under Tenant's control, the reasonable cost of the repairs shall be charged to Tenant. The reasonable period of time to abate and repair an emergency is defined to be 24 hours.
- (b) If necessary repairs cannot be made within a reasonable time, DHA shall offer Tenant decent, safe and sanitary alternative accommodations.
- (c) If repairs cannot be made by DHA within a reasonable amount of time, and decent, safe and sanitary alternative accommodations containing no hazardous defects are unavailable, then rent shall abate in proportion to the seriousness of the damage and loss in value as a dwelling. The abatement will remain in effect until the damage is corrected.
- (d) No abatement of rent shall occur if Tenant rejects the alternative accommodations and remains in the dwelling unit or if the damage was caused by Tenant, family members, Tenant's pet(s), quests, or other person under Tenant's control.
- (e) If Tenant's dwelling unit is uninhabitable or is hazardous to life, health and safety, and a decent and sanitary alternative accommodation containing no hazardous defects is offered and refused, and Tenant refuses to leave the unit until it is repaired, Tenant's lease may be terminated.
- (f) Tenant Responsibilities: Tenant shall immediately notify the Property Manager of the damage when the damage is hazardous to life, health or safety of the occupants.
- (g) Tenant agrees to continue to pay full rent, less the abated portion, during the time the defect remains uncorrected.
- (h) DHA shall not be liable for any injuries or property damage sustained on any premises leased or assigned to Tenant except for injuries or property damage resulting from intentional or negligent action or omissions on the part of DHA, the DHA's representatives or agents.
- (i) All accidents involving injury or loss of property to Tenant authorized members, Tenant's pet(s) or guests must be reported, in writing, to the Management Office, within 5 business days. Failure to comply with this reporting procedure does not waive or foreclose any legal or equitable remedies that the person may have against the DHA with respect to said damages or injury.

22.16. Inspections

(a) Move in Inspections: DHA and Tenant or his/her representative shall inspect the dwelling unit before occupancy. DHA may photograph the unit at the move-in inspection or at any subsequent

inspection. DHA shall give Tenant a written statement of the condition of the dwelling unit, both inside and outside and note any equipment provided with the dwelling unit. The statement shall be signed by DHA and Tenant or his/her representative and a copy of the statement will be retained in Tenant's folder. Any deficiencies noted on the inspection report will be corrected by DHA at no charge to Tenant prior to move-in or within ten (10) business days after move-in, provided the defect does not render the unit uninhabitable. If DHA fails to correct the deficiencies within ten (10) business days of the move-in, Tenant may exercise the remedy described in Section 14(c).

- (b) Annual Inspections. An annual inspection will be conducted for all Tenants. Tenants will be notified at least 48 hours in advance of the annual inspection. At least one inspection shall be conducted of all occupied units, structures and systems using the Uniform Property Condition Survey (UPCS).
- (c) Besides the UPCS inspection, DHA shall conduct at least one housekeeping inspection each year to check the condition of the dwelling unit, the equipment within, and any areas assigned to the Tenant for upkeep. DHA will provide Tenant with a written statement regarding dwelling unit conditions. Further, DHA shall request work orders for all items found to be in disrepair.
- (d) DHA will use the annual housekeeping inspection to assess Tenant's overall care of the dwelling unit, equipment and housekeeping habits or practices in accordance with this Lease. When housekeeping is a problem, DHA will notify Tenant in writing of the housekeeping problems and identify the measures and time period provided to abate unsatisfactory conditions.
- (e) Interim Inspections: DHA will conduct interim inspections to follow up to any housekeeping problems found during the annual inspections. Tenants notified in writing of housekeeping problems will receive interim inspections to measure corrections to any identified unsatisfactory conditions and progress toward abatement of the problem.
- (f) Move-out Inspection: DHA will inspect the dwelling unit at the time Tenant vacates and give Tenant a written statement of the charges, if any, for which Tenant is responsible. In order to protect Tenant's rights, Tenant and/or representative may join in such inspection, unless Tenant vacates without notice to DHA.
- (g) **All** Inspections will be conducted to evaluate unit conditions, establish preventive maintenance programs, prepare unit rehabilitation specifications, or take other actions to improve the maintenance of units.
- (h) Failure to permit inspection of the dwelling unit is a serious lease violation and grounds for lease termination.

23.17. Parking and Motor Vehicles: Tenant agrees:

- a)(a) To refrain from parking any vehicles in any right-of-way or fire lane, on lawns or other DHA property not designated for parking purposes.
- b)(b) Not to drive on DHA property unless Tenant has a current drivers license.
- e)(c) To bring onto DHA property only vehicles that are insured and registered through the Texas Bureau of Motor Vehicles.
- d)(d) To register all vehicles driven by Tenant with the manager and display the parking decal if applicable at Tenant's property.
- e)(e) To park in Tenant parking spaces only (not visitor spaces, if any).
- f)(f) Not to bring any vehicle onto DHA property unless Tenant has registered with manager the make, model, color, year, license number, and state of registration of the vehicle to be parked.
- g)(g) To remove any inoperable or unlicensed vehicle as described above. If not removed by Tenant, these vehicles will be removed from DHA property at Tenant's expense.
- h)(h) Not to carry out automobile repairs on DHA property

24.18. Notice Procedures

- (a) Tenant Responsibility Any notice to DHA must be in writing, delivered to the Management Office or to DHA's central office personally or sent prepaid first-class mail, properly addressed.
- (b) DHA Responsibility All notices to Tenants must be in writing, except notices to Tenants with disabilities, which must be in the accessible format requested by Tenant. Notices will also be available in Spanish or other languages as needed.
- (c) Notices for lease termination or non-renewal must be personally served upon Tenant or upon

- any adult member of the household residing in the dwelling unit or sent by regular mail. If no one is in actual possession of the premises, the notice of termination may be posted on the premises. An adult is a person 16 years of age or older or an emancipated minor who is head of household.
- (d) Notices, other than notices for lease termination or non-renewal, may be delivered by hand to Tenant or any adult member of the Tenant's household or sent by first-class mail.
- (e) Unopened, cancelled first class mail returned by the Post Office shall be sufficient evidence that notice was given, whether signed or unsigned.

25.19. Termination of the Lease

For termination of the Lease, the following procedures shall be followed by DHA and Tenant:

- (a) Tenant may terminate this Lease at any time by giving 30 days' written notice. Failure to give the said notice to management may result in additional rent being charged to the Tenant's account: Tenant is responsible for the final month's rent until the vacate date. Tenant shall leave the unit and all other areas assigned to him/her for maintenance in clean condition except for normal wear and tear and shall return the keys to DHA before leaving. The security deposit may not be used for the rent or other charges. If Tenant fails to give 30 day notice, DHA may charge the Tenant 14 days' rent from the date DHA learns the unit is vacant.
- (b) Tenant may cancel this Lease and vacate the Premises without liability for further rent by showing a court order protecting Tenant against family violence from an occupant of the Premises. DHA is prohibited from collecting rent or enforcing this Lease if Tenant's grounds for canceling this Lease and vacating the premises are instances of domestic violence, dating violence, sexual assault, or stalking, as those terrors are defined in Section 3 of the United States Housing Act of 1937 as amended by the Violence Against Women Act VAWA 42 U.S.C. 13925
- (c) Tenant may cancel this Lease and vacate the Premises without liability for further rent if Tenant joins the military after signing this Lease or is in the military and receives orders for a permanent change of station or to deploy for more than 90 days.
- (d) DHA may terminate this lease only for serious or repeated violations of material terms of the Lease, or for other good cause. Examples of behavior for which the lease can be terminated include, but are not limited to, failure to make payments due under the Lease, or failure to make payments to a utility supplier when the utility connection is in Tenant's name, and/or failure to fulfill Tenant obligations set forth above. A Tenant who submits a late rental payment three times within a twelve month period will be subject to termination of the lease.
- (e) If, after execution of this Lease DHA becomes aware through a criminal background check that the Tenant or a family/household member has been involved in criminal conduct, in violation of Part 2, Section 11, while under a prior DHA Lease Agreement, this Lease shall be terminated.
- (f) The Lease will also be terminated if:
 - Tenant fails to provide complete and accurate information about income, deductions from income, family composition, family circumstances or past criminal activity when requested to do so by DHA;
 - 2. Tenant permits an adult to reside in the unit who has not satisfied the screening requirements established by DHA;
 - 3. Tenant violates DHA's requirements related to registering visitors;
 - 4. Tenant falsifies documents regarding any family member's use of an illegal controlled substance or abuse of alcohol;
 - 5. Tenant, tenant's guests, family members or other persons under the control of tenant smoke on DHA property;
 - 5.6. Tenant is fleeing to avoid prosecution or custody or confinement after conviction for a crime or attempt to commit a crime, which is a felony under the laws of the state from which he flees, or for violating a condition of probation or parole imposed by Federal or State law;
 - 6.7. There is any criminal activity engaged in by the Tenant, any member of the household, a guest, or another person under Tenant's control that threatens the health, safety or right of peaceful enjoyment of the premises by other Tenants, DHA employees, or persons residing in the immediate vicinity of the premises; or
 - 7.8. There is any drug-related criminal activity on or off the premises engaged in by

Tenant, any member of the household, a guest, or another person under Tenant's control.

The DHA will not be required to prove that Tenant knew, or should have known, that the member of the household, guest, or another person under Tenant's control was engaged in the prohibited activity.

- (g) In deciding to evict for criminal activity, DHA may consider all of the circumstances of the case, including the seriousness of the offense, the extent of participation by family members and the effects that the eviction would have on family members not involved in the proscribed activity. In appropriate cases, DHA may permit continued occupancy by remaining family members and may impose a condition that family members who engaged in the proscribed activity will neither reside in nor visit the dwelling unit. DHA may require a family member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to being allowed to reside or visit in the dwelling unit.
- (h) DHA will not evict Tenant for criminal activity when Tenant is verified to be the victim of domestic violence, dating violence or stalking unless the criminal activity in which Tenant is participating is unrelated to the domestic violence, dating violence or stalking. If the abuser is verified to be a family member, Tenant must remove the abuser from the lease in order to remain in the unit. Nothing in this lease can be construed to limit the authority of Agency to terminate the tenancy of any Tenant when that Tenant's presence can be demonstrated to be an actual and imminent threat to other Tenants, staff or those providing service to the property.
- (i) This Lease may be terminated or will not be renewed by DHA if non-exempt adult members of the Tenant Family are not in Compliance with the Community Service requirements described in Section 25. This can occur no earlier than the end of the second lease term after Tenant or non-exempt adult members fail to comply with Community Service requirements.
- (j) DHA shall give written notice of lease termination in English or Spanish or other language as needed or, in the case of a Tenant with a disability, in an accessible format, of:
 - (a)1) Fourteen (14) days in the case of failure to pay rent;
 - (b)2) Three (3) days when the health or safety of other Tenants, DHA employees, or persons residing in the vicinity of the premises is threatened, or for any drug-related or violent criminal activity, or for possession or display of illegal firearms, as described in Section 11(t). A criminal conviction is not needed;
 - (c)3) Thirty (30) days in any other case.
- (k) The Notice of Lease termination shall state reasons for the termination, shall inform Tenant of his/her right to make such reply as he/she may wish, and of Tenant's right to examine Agency documents directly relevant to the termination. In addition, when the Agency is required to offer Tenant an opportunity for a grievance hearing, the notice shall inform Tenant of the right to request such a hearing in accordance with the DHA Grievance Procedure. Notice to Vacate may be combined with or run concurrently with the Notice of Lease Termination.
- (I) When DHA is required to offer Tenant the opportunity for a grievance hearing, and Tenant has made a timely request for a grievance hearing, the tenancy shall not terminate, even if the notice of Lease termination has expired, until the grievance process has been completed.
- (m) DHA excludes from the DHA Grievance Procedures lease enforcement actions related to any criminal activity that threatens the health, safety or right of peaceful enjoyment of the premises by other Tenants, DHA employees, or agents of DHA, or persons residing in the immediate vicinity. DHA also excludes from the DHA Grievance Procedures lease terminations related to any drug-related criminal activity on or off premises. In lease terminations for these violations, the Notice of Lease Termination shall state that Tenant is not entitled to a Grievance hearing and shall specify the judicial eviction procedure to be used by the Agency. HUD has determined that this eviction procedure provides the opportunity for a hearing in a Court that contains the basic elements of due process.
- (n) Tenant or DHA may give notice of termination on any day of the month.
- (o) DHA may evict Tenant from the dwelling unit **only** by bringing a court action.
- (p) If DHA files an eviction action against Tenant, Tenant will be liable for all legal fees including, costs of court, cost of a writ of possession if one is filed, and costs awarded by the Court, including Attorney's fees, unless Tenant prevails in the action.
- (q) DHA may continue to accept rent or other sums after the giving of a notice to vacate or the filing a

suit for eviction. This acceptance of sums does not waive DHA's right of eviction or any other contractual or statutory right. The accepting of money, at any time, does not waive DHA's right to damages, past rent, future rent, other sums, or to continue with any court proceeding.

(r) This lease shall terminate upon abandonment of the premises by Tenant. No court action will be required to obtain possession of the premises.

26.20. Grievance Procedure and Requirements

- (a) Disputes arising under this Lease shall be resolved pursuant to the DHA's Grievance Procedure, and any amendments thereto that are in effect at the time such grievances arise, incorporated herein by reference. Lease termination for any reason set forth in Part 2, Section 18(f)(3), (4), (5), and (6) shall be excluded from the DHA's Grievance Procedure.
- (b) In the case of a proposed adverse action including a proposed Lease termination, DHA shall not take the proposed action until the time for Tenant to request a grievance hearing has expired or, where applicable, the grievance process has been completed.
- (c) The DHA President and CEO shall appoint as hearing officers fair and impartial persons knowledgeble of Federal law, HUD regulations and DHA policies who do not work in the Property Management or Intake Departments. The names of the persons so appointed shall be shared with the Resident Advisory Board and all Tenants through posting on bulletin boards at all properties.

27.21. Notice to Post Office

When DHA evicts a Tenant for engaging in any criminal activity, DHA shall notify the local Post Office serving the dwelling unit so that the Post Office will stop delivering mail for such person at the unit and the person will not return to the community to pick up mail.

28.22. Lease Modifications and Riders

Any modification of this Lease must be by a written rider to the Lease executed by DHA and the Tenant, the only exception being for modifications of rent pursuant to Section 5. of this Lease.

29.23. Non-waiver of Rights

The failure of DHA or Tenant to exercise any right or remedy as provided in this lease shall not affect the right to do so at any later date.

30.24. Non-Liability

Tenant acknowledges that any security measures provided by the Agency will not be treated by Tenant as a guarantee against crime or a reduction in the risk of crime. The Agency will not be liable to any Tenant, family/household member, or guest for injury, damage or loss to person or property caused by criminal conduct of other persons, including theft, burglary, assault, vandalism or other crimes. DHA will not be liable to Tenant, any family/household member or guest for personal injury or damage or loss to personal property from fire, water leaks, explosions, or natural causes including rain, hail, ice, snow, smoke, lightning, wind and interruption of utilities. Tenants are strongly urged to secure renter's insurance to protect against the losses mentioned above. If information regarding Tenant, Tenant's family/household members is requested by a third party for law enforcement purposes, Tenant authorizes Agency to provide the information.

31.25. Abandonment

- (a) DHA may remove all property that remains in the unit or in the common areas after abandonment by Tenant or after judicial eviction of the Tenant. DHA is not liable for any property removed after Tenant's abandonment of the apartment, DHA does not have an obligation to store abandoned property.
- (b) Tenant shall be deemed to have abandoned the dwelling unit when Tenant has moved out. When DHA questions whether the unit has been abandoned, DHA will secure the apartment against vandalism and post a notice of planned entry on the door. If, after 2 days, there is no response to the notice and inspection shows that all or most of Tenant's property has been removed or rent is not paid, DHA will conclude the unit has been abandoned.
- (c) Two (2) days after DHA determines Tenant has abandoned the dwelling unit, DHA may remove

- all property left in the unit; clean up; make repairs; and relet the apartment,
- (d) Abandonment of the Premises will be treated as a termination by the Tenant under Part 2, Section 18 of this Lease.

32.26. Community Service Requirements/Economic Self-Sufficiency Programs

- (a) HUD's Community Service requirements and Economic Self-Sufficiency programs mandate that each adult household member not eligible for an exemption shall contribute 8 hours per month of some combination of community service within his/her community, or Economic Self-Sufficiency activity, both as defined in the Admissions and Continued Occupancy Policy.
- (b) If Tenant does not comply with Community Service requirements or Economic Self-Sufficiency programs, DHA will either terminate the lease or not renew or extend Tenant's Lease upon expiration of the Lease term and shall take such action as is necessary to terminate the tenancy of the household.
- (c) Based on consideration of Tenant's efforts to comply with this Section, the DHA reserves the right to enter into a written agreement with Tenant before the expiration of the Lease term to cure any non-compliance with neighborhood service or economic self-sufficiency programs.

33.27. Special Provisions related to occupancy of scattered site single family homes.

- (a.) Tenant is responsible for the complete care of front, back and side yards, including mowing, watering, weeding and trimming the grounds and shrubbery.
- (b.) Tenants who desire to install ceiling fans must obtain written approval from DHA prior to installation. Any ceiling fans installed shall become a part of the premises and the property of DHA upon termination of the lease.
- (c.) Tenant will be charged the actual cost of repairing and/or replacing dishwashers damaged as the result of activity other than normal wear and tear.
- (d.) Tenant will be charged the actual cost of repairing and/or replacing any fencing damaged as the result of activity other than normal wear and tear.
- (e.) For specific designated scattered sites Tenant shall be required to relocate to another non-FSS after the allotted time to reside in the unit has expired.

34.28. Special Provisions related to occupancy of Family Self Sufficiency and Low Income Housing Tax Credit Developments

Certain DHA properties are identified as housing developments that have been designated as Family Self-Sufficiency/Incentive Transfer Developments. As a condition of occupancy of the Premises, the Tenant must either have an active Family Self-Sufficiency Contract or have qualified as a high performing Tenant for an incentive transfer. When the Tenant was transferred to the development as a Family self Sufficiency participant, the Tenant acknowledges that breach of the Family Self-Sufficiency Contract will constitute a breach of the Lease and will require the transfer of Tenant and all Household Members to another development that has not been designated a Family Self-Sufficiency/Incentive Transfer Development.

35.29. Special Provisions related to occupancy of Low Income Housing Tax Credit Developments

The Premises is located in a housing development that has been financed, at least in part, with Low-Income Housing Tax Credits. The Tenant understands that the dwelling unit is available to Tenant only because of assistance payments made by HUD (the "Assistance Payments") that allow the Premises to be offered to Tenant at a rent level that is less than the market (unsubsidized) rent that would otherwise be due on the Premises. If such assistance payments terminate or are substantially reduced, and there is a default under any agreement, letter of credit or other instrument providing other funds as a substitute for assistance payments, then Tenant agrees that DHA shall have the right not to renew this Lease or to terminate this Lease at the end of its current term and either

- (a.) relocate Tenant to any other available appropriately sized dwelling unit in the inventory of DHA; or
- (b.) arrange for DHA to provide Tenant a rental voucher under Section 8 of the United States Housing Act of 1937, as amended, if a voucher is then available, to be used by Tenant to obtain another dwelling unit. DHA will make a good faith effort to transfer Tenant within the same neighborhood. Tenant will be given ninety (90) calendar days written notice of the availability of a suitably sized unit prior to being required to move. Tenant's response to the written notice that a transfer will be

Housing Choice Voucher Program Administrative Plan

Introduction

The Dallas Housing Authority (DHA) administers a variety of tenant-based, project-based and grant programs under Section 8 of the 1937 Housing Act. Administration of these programs complies with the U.S. Department of Housing and Urban Development (HUD) regulations for the Section 8 Program, as set forth in title 24 of the Code of Federal Regulations (CFR), Part 982 and 983 et al. DHA complies with all federal, state and local housing laws. Definitions of terms used in this Administrative Plan are found in the last section of this Plan,

Purpose of the Administrative Plan

The Administrative Plan establishes policies for functions and operations that are not governed by Federal regulations for the Housing Choice Voucher Program and other special programs administered by the Authority. Policies related to the Authority's Family Self Sufficiency (FSS) Program are included in a separate document, the FSS Action Plan, and are not part of this document.

The Administrative Plan, hereinafter referred to as the "Plan", covers both admission to and continued participation in the abovementioned programs.

Only DHA's Board of Commissioners is authorized to approve changes to the Plan. The Authority is responsible for complying with all subsequent changes in HUD regulations pertaining to the programs administered by the Authority. If such changes conflict with this Plan, HUD regulations take precedence. When circumstances not addressed by provisions in this Plan arise, they will be reviewed on a case-by-case basis and appropriate actions will be taken as warranted. These actions will be documented by the Vice President of Voucher Programs and/or the Director. If a conflict arises between or among the regulations identified in this Plan, the regulations specifically promulgated for the applicable program will take precedence.

By the adoption of this Administrative Plan, the Board of Commissioners authorizes the CEO to make HUD-authorized charges (see **24 CFR § 982.155**) against the administrative fee reserve.

DHA staff shall develop (and revise when needed) operating procedures, systems, forms and methods designed to ensure that the policies set forth in this Administrative Plan are administered correctly, fairly and uniformly by all program staff.

Section I. Special Conditions & Objectives of the Section 8 Program

A. Special Conditions and Arrangements

- Debra Walker et al. v. HUD et al.: DHA will administer the Walker Settlement Program as required by the United States District Court of the Northern District of Texas, Dallas Division through the Settlement Stipulation and Order, March 8, 2001. This program is covered in full in Addendum 8. DHA will administer the obligations set out in the Agreed Final Judgment approved by the United States District Court signed December 21, 2004.
- Public Housing Desegregated Housing Opportunities: DHA shall provide each Class Member leasing a public housing unit the opportunity to be placed on the Section 8 Waiting List if DHA is accepting Section 8 applications. If DHA is not

accepting new applications for its Housing Choice Voucher (HCV) program at the time an Applicant leases a public housing unit, DHA will inform the Applicant in writing of his/her right to apply for the HCV program when the program waiting list opens.

B. <u>Objectives of Section 8 Programs</u>

DHA's objective in administering the Housing Voucher programs is to provide decent, safe and sanitary affordable housing to low-income Families otherwise unable to obtain adequate housing. The number of Families served is limited by the number of vouchers and funding available, DHA's budget and the availability of adequate housing.

The Section 8 Program provides participating Families with greater choice of housing opportunities by subsidizing rental payments to private Landlords. Through this program, DHA helps low-income Families obtain quality housing within DHA's geographical jurisdiction, which includes all cities located in whole or in part in Dallas County, the City of Plano and Red Oak, Texas as well as Collin, Denton, Rockwall, Ellis, Kaufman, Tarrant and Ellis Counties.

Through program administration, DHA shall:

- 1 ensure eligibility and correct family share of rent for participating Families;
- 2. ensure Housing Quality Standards are enforced;
- 3. ensure no more than reasonable rents are paid for all units under contract in the Section 8 Program;
- 4. offer all current and future Section 8 Program Families counseling and referral assistance on the following priority basis:
 - a. all Section 8 Families residing in a unit in which payment to the Landlord is abated because of a failed inspection: and
 - b. all other Section 8 Families.
- 5. make every effort to assist a substantial percentage of its Section 8 Families to find units in low-poverty neighborhoods; and
- 6. limit occupancy of DHA's voucher Families to no more than 30% of the total number of units at any apartment community, except when the owner has demonstrated the ability to manage the complex effectively and adhere to Housing Quality Standards.

Section II. Fair Housing and Equal Opportunity

A. Nondiscrimination and Affirmatively Furthering Fair Housing

The Authority affirmatively furthers Fair Housing and works to remove impediments to Fair Housing in the administration of the program by complying fully with all Federal, State, and local nondiscrimination laws and administers programs in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing, and marketing the program to members of protected classes who are "least likely to apply".

The Authority shall not discriminate against any applicant, participant, or landlord because of race, color, national or ethnic origin or ancestry, religion, sex, age, disability, sexual orientation, gender identity, source of income, marital status or presence of

children in a household (protected classes); nor will any criteria be applied, or information be considered pertaining to attributes or behavior that may be imputed by some to a particular group or category. The Authority shall not deny any family the opportunity to apply for housing (when the waiting list is open) or deny any eligible applicant the opportunity to lease a housing unit that meets family needs and program requirements.

B. Applicable Federal Laws and Regulations

Federal laws require PHAs to treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. The DHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- 1. Title VI of the Civil Rights Act of 1964
- 2. Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- 3. Executive Order 11063
- 4. Section 504 of the Rehabilitation Act of 1973
- 5. The Age Discrimination Act of 1975
- 6. Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- 7. Violence Against Women Reauthorization Act of 2005 (VAWA)
- 8. Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity
- 9. Affirmatively Furthering Fair Housing requirements

When more than one civil rights law applies to a situation, the laws will be read and applied together.

DHA will honor and comply with any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted so long as such laws or ordinances do not conflict with Federal laws.

C. Equitable Treatment

The DHA will not use membership in any protected class to:

- 1. Deny to any family the opportunity to apply for housing, nor deny to any qualified applicant the opportunity to participate in the Housing Choice Voucher program
- 2. Provide housing that is different from that provided to others¹
- 3. Subject anyone to segregation or disparate treatment
- 4. Restrict anyone's access to any benefit enjoyed by others in connection with the housing program

¹ Except when needed to provide person with disabilities special services to achieve equal access to programs.

- 5. Treat a person differently in determining eligibility or other requirements for admission
- 6. Steer an applicant or participant toward or away from a particular area based any of these factors
- 7. Deny anyone access to the same level of services
- 8. Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- 9. Discriminate in the provision of residential real estate transactions
- 10. Discriminate against someone because they are related to or associated with a member of a protected class
- 11. Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class.

D. Providing Information to Families and Owners

- 1. The DHA will ensure that families and owners are fully aware of all applicable civil rights laws and regulations. As part of the briefing process, the DHA will provide information to applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods. 24 CFR 982.301
- 2. The Housing Assistance Payment (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, sexual orientation, gender identity, or disability in connection with the contract.

E. **Discrimination Complaints**

- 1. If an applicant or participant believes that any family member has been discriminated against by DHA or an owner, the family should advise DHA.
- 2. HUD requires DHA to make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action.
- 3. In addition, the Authority will provide information to applicants and participants regarding housing discrimination complaints in the family briefing session and program packets. Information includes referrals to the City of Dallas's Fair Housing Office, the Texas Human Rights Commission, the HUD Office of Fair Housing & Equal Opportunity, and low cost legal service provided through the Legal Services and Dallas County Dispute Resolution Center.
- 4. All applicable Fair Housing Information and Discrimination Complaint Forms will be made available to applicants and participants, including form HUD-903 or form HUD-903A.

F. Reasonable Accommodations for People with Disabilities

- 1. DHA, as a public agency that provides low rent housing to eligible families, has a legal obligation to provide "reasonable accommodations" to applicants and participants if they or any family members have a disability. 24 CFR § 8.4
- 2. An applicant or participant with a disability may request information or an accommodation by contacting the Dallas Housing Authority at 3939 N. Hampton Rd,

- Dallas, Texas 75212 or by telephone by calling 214-951-8348 or TTY: 800-735-2989, 214-951-8367, or by email at 504ADA@dhadal.com
- 3. A reasonable accommodation is a modification or change DHA can make to its offices, methods or procedures to assist an otherwise eligible applicant or participant with a disability to take full advantage of and use DHA's programs, including those that are operated by other agencies in DHA-owned public space. 24 CFR § 8.20
- 4. An accommodation is not reasonable if it: 24 CFR § 8.21(b) and 24 CFR § 8.24(a)(2)
 - a. Causes an undue financial and administrative burden; or
 - b. Represents a fundamental alteration in the nature of DHA's program.
- 5. Subject to the undue burdens and fundamental alterations tests, DHA will correct physical situations in its offices or procedures that create a barrier to equal housing opportunity for all.
- To permit people with disabilities to take full advantage of the DHA's housing program and non-housing programs, in accordance with Section 504 and the Fair Housing Amendments Act of 1988, DHA shall comply with all requirements and prohibitions in applicable law.
- 7. Specific actions are described in the *Procedures on Civil Rights and Disability Rights* and the *Procedure on Reasonable Accommodations for Applicants and Section 8 Participants.* **24 CFR § 8.4**
- 8. Facilities and programs used by applicants and participants shall be accessible to persons in wheelchairs, persons with sensory impairments and other persons with disabilities. Application and administrative offices, hearing rooms, etc. will be usable by residents with a full range of disabilities. 24 CFR § 8.21
- 9. Documents and procedures used by applicants and residents will be accessible for those with vision, hearing or other sensory impairments. Also, all documents will be written simply and clearly to enable applicants with learning or cognitive disabilities to understand as much as possible. Methods used to ensure that communication is understandable by persons with disabilities are described in the *Procedure on Civil Rights and Disability Rights*. 24 CFR § 8.6
- 10. Examples of reasonable accommodations include, but are not limited to: 24 CFR § 8.4
 - a. Making alterations to a DHA office or administrative facility to make it fully accessible so it could be used by a family member with a wheelchair;
 - b. Permitting applications and reexaminations to be completed by mail when it is difficult for them to come to DHA offices because of a disability;
 - c. Conducting home visits instead of requiring applicants and participants to come to DHA offices;
 - d. Using higher payment standards (either within the acceptable range, as an exception to the current payment standard up to 110 percent of the payment standard, or with HUD approval, of a payment standard above 110 percent of the payment standard) if the DHA determines this is necessary to enable a person with disabilities to obtain a housing unit equivalent to those available to families without disabled members:

- e. Providing time extensions to locate a unit when needed because of lack of accessible units or special challenges of the family in seeking a unit;
- f. Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with DHA staff;
- g. Displaying posters and other housing information in locations throughout DHA's office in such a manner as to be easily readable from a wheelchair;
- h. Permitting a participant to move from an apartment that cannot be made accessible to an apartment that is or can be made accessible, even when most moves are not permitted;
- i. Widening the door of a DHA-owned community room or public restroom so a person in a wheelchair may use the facility;
- j. Intervening with a landlord so that he/she will permit a participant with a disability to make unit modifications as permitted by the Fair Housing Act.
- k. Making sure that DHA processes are understandable to applicants and residents with sensory or cognitive impairments, including but not limited to: 24 CFR § 8.6
 - 1) Making large type documents, Braille documents, cassettes or a reader available to an applicant or resident with a vision impairment during interviews or meetings with DHA staff;
 - 2) Making a sign language interpreter available to an applicant with a hearing impairment during interviews or meetings with DHA staff;
 - Permitting an applicant or resident to be accompanied or represented by a family member, friend or advocate at all meetings and interviews with DHA if the individual desires such representation;
 - 4) Permitting an outside agency or individual to assist an applicant with a disability to meet the DHA's applicant screening criteria.
- 11. An applicant family that has a member with a disability must still be able to meet essential obligations of tenancy. They must be able 24 CFR § 8.3
 - a. to pay rent and other charges (e.g. utility bills) as required by the lease in a timely manner:
 - b. to care for and avoid damaging the unit and common areas;
 - c. to use facilities and equipment in a reasonable way;
 - d. to create no health, or safety hazards, and to report maintenance needs;
 - e. not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
 - f. not to engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
 - g. to comply with necessary and reasonable rules and program requirements of HUD and the DHA.

There is no requirement that members with a disability be able to do these things without assistance. If an applicant or resident family member needs

- assistance with one of the essential obligations of tenancy, DHA will, as a reasonable accommodation, make a referral to an individual or agency that can provide such assistance. 24 CFR § 8.20
- 12. If an applicant or resident receives a referral to an agency or individual who can assist the applicant or resident with complying with the essential obligations of tenancy, the applicant or resident is not obligated to accept the service, but if refusing service results in a lease violation(s), the Landlord may terminate the lease and DHA may terminate assistance. 24 CFR § 8.2
- 13. An applicant or resident family with a member who has a disability and needs or wants a reasonable accommodation may request it at any time prior to a specified due date or prior to the termination or withdrawal of assistance. 24 CFR § 8.20
- 14. If an applicant or resident would prefer not to discuss the situation with the DHA, that is his/her right.

G. Denial or Termination of Assistance

DHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation. 24 CFR 982.552 (2)(iv)

- 1. When applicants with disabilities are denied assistance, the notice of denial must inform them of DHA's informal review process and their right to request a review. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process. The process for requesting an Informal review is outlined in this document.
- 2. When a participant family's assistance is terminated, the notice of termination must inform them of DHA's informal hearing process and their right to request a hearing and reasonable accommodation before the effective termination date.
- 3. When reviewing reasonable accommodation requests submitted before termination of assistance, the DHA must consider whether any verifiable mitigating circumstances explain and overcome the problem that led to DHA's decision to deny or terminate assistance. If a reasonable accommodation will meet the requirements, DHA must make the accommodation. DHA cannot undertake actions that violate HUD regulations. This would, by definition, cause a fundamental alteration in the nature of DHA's program.

H. <u>Providing Information in Languages other than English for persons with Limited English Proficiency</u>

- For persons with Limited English Proficiency (LEP), language can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program.
- 2. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin.
- 3. The DHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency.

- 4. DHA's Procedure on Communication with Persons with Limited English Proficiency describes the specific methods DHA will use to accomplish this policy.
 - a. All forms, written materials and recorded voice-mail messages used to communicate with prospective applicants, applicants and residents shall be available in any language spoken by the lower of 1000 eligible families or five percent of the eligible population of Dallas. This includes documents related to intake, marketing, outreach, certification, reexamination and inspections.
 - b. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with DHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.
 - c. In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the DHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.
 - d. The DHA will provide written translations of other vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served. Translation of other documents, if needed, can be provided orally.

Section III General Administrative Provisions of Program Operation

A. Quality Control and Analysis of Data

- 1. Under the Section 8 Management Assessment Program (SEMAP), HUD requires the DHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. DHA shall routinely exceed the number and percentage of quality control monitoring actions required by HUD by reviewing every staff member's work to regularly check for completeness, accuracy and compliance with both HUD's program regulations and guidance and this Administrative Plan.
- DHA will use the results reported in any Independent Public Accountant (IPA) or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the DHA's error detection and abuse prevention efforts. In addition, DHA will use this information to design and target training designed to prevent future errors.
- 3. DHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the DHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.
- 4. DHA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

B. Privacy Rights of Clients

All adult members of applicant and participant families are required to sign the Federal Privacy Act Statement, HUD form 9886, at admission and every recertification thereafter, in conjunction with the HUD 50058 form, which states the conditions under which HUD will release information. Requests for information must be accompanied by a written Release of Information Request signed by the applicable party in order for the Authority to release any information involving an applicant or participant, unless disclosure is authorized under Federal or State law. The Authority may release information requested by court subpoena.

Client information is confidential. Current and forwarding address information, and family members claimed in the household, will be released to Police Officials upon the Authority obtaining official identification. To the extent permitted by law, owner information regarding program participation is confidential.

DHA is required to verify information on income, qualification for deductions from income and preferences. Such verifications shall be obtained as described in the **Procedure on Verification of Information**. All applicant and participant files are treated as confidential and handled in accordance with the **Procedure on File Security**.

C. <u>Legal Jurisdiction of the DHA's Programs</u>

The Authority's area of operation is the area geographically defined as any city in whole or in part in the following counties: Collin, Dallas, Denton, Ellis, Kaufman, Rockwall, and Tarrant.

D. <u>Compliance with Federal Rules and Regulations</u>

Issues not addressed in this document related to applicants, participants and owners are governed by the Department of Housing and Urban Development Code of Federal Regulations, HUD handbooks, memoranda, circulars, and notices, or other applicable law.

E. Records Retention

Files for past participants leaving no balance owed the program will be maintained for three years. Files for past participants leaving with a balance owed the Authority will be retained indefinitely until the balance is cleared, whether or not the balance has been written off. Litigation voucher participant and applicant files are retained indefinitely regardless of participation status.

F. Eligible Types of Housing

The following types of rental housing units may be assisted in the Housing Choice Voucher program (unless designated otherwise) depending on the needs of applicants and participants:

- 1. Single family detached homes, duplexes, low-rise, garden apartments, condominiums, townhouses, high-rises, and other multi-family rental housing structures:
- 2. Manufactured homes in which the tenant leases the mobile home and the pad;
- 3. Manufactured homes in which the tenant owns the mobile home and leases the pad;
- 4. Independent Group Residences;
- 5. Congregate or Shared Housing;

6. Single Room Occupancy Facilities.

Hotels, motels, nursing homes, college or school dormitories, other types disallowed by HUD regulations, or a unit occupied by its owner or a person with any interest in the dwelling unit (other than units in the HCV homeownership program, or approved Reasonable Accommodation request), are not eligible types of housing in the HCV program.

G. Continuously Assisted Families

An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance or was receiving assistance in the past 90 days under any 1937 Housing Act program when the family is admitted to the Housing Choice Voucher program. As noted below, families being relocated from the Authority's public housing have first priority for vouchers and qualify as continually assisted. In addition, families assisted under the U.S. Housing Act (including all families occupying units in properties receiving Section 8 project-based assistance) are considered continually assisted. All such families are treated in the regulations (at 24 CFR § 982.203) as "special (non-waiting list) admissions".

When continuously assisted families face loss of housing assistance either because the owner of the property in which they live chooses not to renew a subsidy contract or because the property must be vacated for demolition, conversion to a new use, sale or total rehabilitation, such families may receive vouchers as continuously assisted families (and special non-waiting list admissions).

H. <u>Management Assessment Objectives</u>

The Authority operates its housing assistance program with efficiency and uses resources in a manner that reflects commitment to quality and service. The Authority's policies and practices are consistent with the goals and objectives of the following HUD SEMAP indicators and any other such indicators as HUD's regulations are amended.

- 1. Selection from the Waiting List
- 2. Rent Reasonableness
- 3. Determination of Adjusted Income
- 4. Utility Allowance Schedule
- 5. HQS Quality Control Inspections
- 6. HQS Enforcement
- 7. Expanding Housing Opportunities (See Walker Case information)
- 8. FMR/Exception Rent & Payment Standards
- 9. Annual Re-certifications
- 10. Correct Tenant Rent Calculations
- 11. Pre-Contract HQS Inspections
- 12. Annual HQS Inspections

15. Deconcentration Bonus Indicator

In order to demonstrate compliance with HUD and other pertinent regulations, the Authority will maintain records, reports and other documentation for a time that is in accordance with HUD requirements and in a manner that will allow an auditor, housing professional or other interested party to monitor the Authority's operational procedures and practices objectively and accurately.

In addition to the SEMAP factors above, to ensure quality control, supervisory staff performs random audits of all Housing Choice Voucher actions.

I. Outreach to Eligible Families, Affirmative Marketing

The Authority reserves the right to open or close the lottery pool based on the supply of available vouchers and applicants and in accordance with its **Procedure on Opening and Closing the Waiting List**. The Authority publicizes and disseminates information concerning the availability and nature of housing assistance to income eligible families.

To reach families from all backgrounds, the Authority advertises through a wide variety of sources including: daily and local newspapers, minority media, service agencies, and broadcast media. An effort will be made to notify elected officials, government agencies, and agencies that specifically address the needs of individuals with disabilities and any other members of protected classes who may be proportionally underserved by the Program. The Authority will continuously monitor and evaluate outreach activities to ensure that the widest possible audience is reached. See the Authority's **Procedure on Affirmative Marketing**.

J. Owner Outreach

- 1. Outreach to property owners is conducted on an ongoing basis to develop interest in the program and to increase the number of units available in low-poverty areas. On a continuing basis, the Authority welcomes the participation of owners of decent, safe, and sanitary housing units.
- 2. The Authority continually makes personal contact with private property owners, property managers, and real estate agencies. Program requirements are explained and printed material is offered to acquaint the owner with opportunities available through the program. The Authority maintains a list of interested property owners and units available for the program, and prospective owners are sent an information packet. Upon receipt of an owner listing, the unit information is recorded in an automated database and made available to all applicants and participants.
- 3. The Authority will make an effort to contact and encourage local property owners with units specially designed or adapted for persons with mobility impairments and other disabilities and those who may be willing to adapt units to participate in the program. Whenever a property owner makes a unit available for the program, DHA will inquire as to whether the unit is accessible and the extent of the accessibility.

K. Owner Outreach in Low Poverty Areas

The Authority encourages program participation by owners of units located outside areas of poverty or minority concentration. The Authority periodically evaluates the demographic distribution of assisted families as it relates to HUD and Census data to identify areas within the jurisdiction where owner outreach should be targeted. The purpose of these activities is to provide better housing opportunities to families. Voucher

holders are informed of the full range of areas where they may lease units inside the Authority's jurisdiction and are given a list of owners who are willing to lease units outside areas of poverty or minority concentration.

The Authority's Mobility Counseling (MC) program increases the opportunity and choice among Housing Choice Voucher recipients. MC is a process that guides Housing Choice Voucher holders to move from a high-poverty neighborhood into a low-poverty neighborhood. MC identifies multiple resources available in the new community that will aid in alleviating some of the transitional difficulties families might face.

The Authority provides the following to Housing Choice Voucher holders:

- 1. Information on general locations and characteristics of neighborhoods including: shopping centers, light rail lines, bus lines, etc.
- 2. A listing of available rental property. The list is updated weekly and states: address, amenities, deposit information, etc. as provided by owners.
- 3. A list of properties/owners who accept Section 8 is available on-line at www.gosection8.com, www.realtor.com, and/or upon request.
- 4. A description of portability provisions available in the Housing Choice Voucher program.
- 5. A map that identifies areas of low poverty and minority concentrations within the City of Dallas and the Greater Dallas Metropolitan Area areas.

For more detailed information regarding the Authority's Mobility Counseling Program, refer to the Mobility Counseling Program guidelines and procedures.

L. The Family Self Sufficiency Program

The Family Self Sufficiency (FSS) program coordinates the delivery of assisted housing with existing supportive services such as medical assistance, education, job counseling, job training, childcare and transportation. (For further information, please see the Authority's FSS Action Plan)

M. The Homeownership Program

Policies related to the Authority's Home Ownership Program are included in a separate document, entitled, **HOMEOWNERSHIP PLAN**, and incorporated in this Plan as **ATTACHMENT V**.

N. The Project-based Assistance Program

The Authority reserves the right to implement and modify as needed a Project Based Assistance program, utilizing up to the HUD-approved number of DHA project based vouchers. For detailed information regarding the Project Based Assistance Voucher Program, please see the **Procedure on Project Based Programs**.

DHA shall not approve admission of Applicants with criminal backgrounds whose presence may compromise the health, safety, welfare and/or peaceful enjoyment of the housing by other residents.

To avoid admitting such Applicants, DHA shall examine the activity of all adult members of the Applicant's Family for a period of five (5) years prior to the date of the admission into the program. DHA shall take reasonable steps to ensure that neither the Applicant nor any member of the Applicant's family who will be included on the lease:

- is currently using illegal drugs or has a history of engaging in the illegal use of controlled substances in the past 5 years. This waiver is not available to individuals engaged in selling, producing or manufacturing illegal substances.
- 3. <u>Conviction for Methamphetamine Production</u>: DHA shall permanently deny admission to Families if an adult member has been convicted for the manufacture of Methamphetamine (also known as speed) in Federally assisted housing.

In some instances, participants may be permitted to repay their debt in installments.(See HCV Program Integrity and Ethics Policy)

E. Public Housing and Former Program Participants

Applicants moving from DHA public housing developments shall be screened using the same procedures as Applicants from the Waiting List. Additionally, the record of former Section 8 participants will be researched for possible program violations. The following violations are grounds for denial of admission:

- While participating in the Section 8 Program, the Family violated any Family Obligation, as set forth in 24 CFR 982.551 as amended. An exception may be granted if the Family member who violated the Family Obligation is not a current member of the household.

- 6. No Family member may have been evicted from public housing for non-payment of rent during the past 60 months.
- 7. No Family member may have engaged in or threatened abusive or violent behavior toward DHA personnel during the past 60 months.

Section V. Admitting Applicants to the Voucher Program

A. When Applications are Accepted

Applications for the Section 8 Program are accepted periodically when the number of applicants already on the waiting list are insufficient to fill projected slots in the coming 12 months. Specific dates, times and locations for accepting non-preference applications are announced by public notice in area newspapers, on local radio stations and posted in DHA Administrative Offices.

B. How the Waiting List is Organized

DHA will use a lottery system to place families on the HCV Waiting List. When using the lottery system, DHA shall post the time and date of lottery selection and the number of applicants that will be selected by the lottery. This notice shall be posted with the announcement of the opening of the Waiting List. Applicants placed on the HCV Waiting List using a lottery system will be randomly assigned a number and the application will be placed on the HCV Waiting List in order of the assigned numbers and according to DHA Preference(s). Applicants that are selected shall be informed in writing of their selection and placement on the HCV Waiting List. Applicants that are not selected by the lottery will not be placed on the Waiting List and will have to reapply when the Waiting List is re-opened.

Applications for the HCV program will be active for eighteen (18) months only, after which the waiting list will be extinguished. Immediately before the waiting list is extinguished the waiting list and reopened for new applicants. Applicants still on the list when the list is extinguished will be sent a post card informing them of the fact. Such applicants are not entitled to an Informal Hearing since their applications are withdrawn, they are not being denied a voucher. They have every right to reapply for the program when the list opens for new applications.

Project-based voucher properties that were developed using Low Income Housing Tax Credits will have separate waiting lists, maintained jointly by DHA and the property owner at the property. Continuously assisted persons being relocated from public housing properties shall have first preference for admission to PBV properties. Individuals on the HCV waiting lists will have an opportunity to apply for admission to Project-based voucher properties.

While individuals/families may apply for any project-based lists that are open, when they accept an offer at any such property, they will be withdrawn from other PBV lists.

C. The Application

The application constitutes the basic record of Applicants applying for admission; therefore Applicants must supply complete and true information. The application and all other materials relating to the Applicant's eligibility will be placed and retained in the Applicant's file.

D. Opening the Waiting List

DHA will open the HCV Waiting List every eighteen months for general admissions to the program. In addition, DHA may open the list to target only admissions for categories of Families that meet specific preferences or funding criteria. DHA may limit the number of applications accepted for targeted admissions in order to meet program objectives. DHA may target information about this limited opening to individuals in the qualifying groups.

E. The Walker Settlement Voucher Waiting List

If the number of families assisted under the Walker program falls short and interchange does not achieve full lease-up, DHA may maintain a separate Special Admissions Waiting List for applicants that are eligible for the Walker Settlement Voucher program. These applicants will not be added to the HCV Waiting List but are eligible to apply for the HCV Waiting List when open. Applying for the HCV Waiting List will not affect the applicant's status on the Special Admissions Waiting List. DHA may use a

lottery system to place families on the Special Admissions Walker Settlement Voucher Waiting List and may limit the number of families placed on the list. Each applicant will be randomly assigned a number based on the lottery; this number will NOT be based on the date or time of application. The applicants selected in the lottery will be placed on the Special Admissions Waiting List in order of the randomly assigned number. DHA will not apply Preference(s) to the Special Admission Waiting List. Applicants that are selected will be informed in writing of their selection and placement on the Special Admissions Waiting List.

F. Completion of Applications

- Applications for the Housing Choice Voucher Program may be taken electronically, by telephone, or at designated DHA facilities. The application or pre-application constitutes the basic record of Applicants applying for admission; therefore DHA shall only accept complete applications. The application, together with all other materials relating to the Applicants' eligibility, shall be placed in the Applicants' file.
- 2. Applicants who need assistance in completing their applications or who need an alternative method of communication because of disabilities will be furnished with such assistance or alternative communication method upon request

G. Continuously Assisted Families/ "Special Admissions"

Certain families are issued vouchers or project-based voucher units, outside the context of the waiting list. These families:

- 1. are being relocated from the Authority's public housing properties or Low Income Housing Tax Credit properties in which DHA is participating that are being demolished, undergoing substantial capital improvements, modernization, or rehabilitation or change in use, or who are being relocated pursuant to agreements already in place between DHA and the tax credit property ownership entity; or because a unit that is the right size for their family is unavailable; or
- 2. have lost assisted housing or are about to lose assisted housing because a private owner receiving project-based Section 8 assistance opts out of, chooses not to renew the HAP contract or fails quality inspections, requiring that their HAP contract be cancelled; or
- 3. are receiving assistance in a Section 8 SRO program and the owner of the program fails inspections, intends to opt out, not renew, or reduce the program size.

A family qualifies for one of these vouchers when they receive notice that they will have to move for one of the reasons cited above. Eligible families will be issued vouchers in an order based on date on which they receive notice to move.

Generally, DHA will receive replacement housing vouchers to assist these families, but if the process of obtaining these vouchers is delayed, the families will be issued vouchers to prevent their becoming homeless.

H. Administration of the Waiting List

1. Organization of the Waiting List

At a minimum, the HCV Waiting List will include the following information:

a. The Applicants' name, address, phone number;

- b. The names, relationship to head, sex and age of family members who will live in the assisted unit;
- c. The number of bedrooms for which the Family initially qualifies in accordance to DHA occupancy standards;
- d The date of lottery pull;
- e. Qualification for any local preferences, if applicable; and
- f. Racial and ethnic designation of the Head of Household.

2. Suspension of Applications

When the number of eligible Applicants on the Housing Choice Voucher Waiting List is such that there is no reasonable prospect of housing additional Applicants within 18 months, the President and CEO will suspend the taking of further applications. Such suspension will be announced publicly. DHA may also close the Waiting List for administrative purposes. During such periods, DHA may continue to accept applications from Applicants qualifying for targeted funding for specific programs.

I. Selection from the Waiting List: The HCV Program

Applicants added to the HCV Waiting list after January 1, 2009 will be selected in the following order:

- So long as available funding permits re-issuance of turnover vouchers, families involuntarily displaced from their current housing due to governmental action or federally designated natural disaster. Families qualifying for this preference shall have first priority over all other Families applying for housing;
- 2. So long as available funding permits re-issuance of turnover vouchers, individuals who need and qualify for congregate housing in an assisted living facility shall have second preference for admission, but only to congregate housing assisted living facilities:
- 3. So long as available funding permits re-issuance of turnover vouchers, families and individuals who qualify under any of the categories listed below shall have equal preference (sorted by lottery number) over all other families applying for regular vouchers:

Families who have been made homeless by documented domestic violence; and individuals graduating from or "aging out" of the foster care program administered by the Texas Department of Protective and Regulatory Services, families completing their tenure in transitional housing (under the Continuum of Care), chronically homeless individuals and persons; and

currently or formerly homeless applicants who are ready to move to project or tenantbased voucher housing providing permanent supportive housing to the homeless;

- 4. Applicants that do not meet any Admissions Preferences will be considered non-preference applicants.
- 5. Within each group, applicants will be processed in lottery number order.

Applicants applying for or qualifying for a specific category of special use vouchers (e.g. Veterans Administration Supportive Housing [VASH] or Family Unification Program

[FUP], or Mainstream) may be selected ahead of higher placed Applicants on the HCV Waiting List that do not qualify for the targeting funding.

The final determination of eligibility is made when the Applicants are selected from the HCV Waiting List, and the Applicants income and Family composition is verified.

- 1. Documentation to Determine Eligibility: All adult members of Applicant families are required to sign HUD's Form 9886, <u>Authorization to Release Information Privacy Act Notice</u> and disclose the social security number and card for each Family member. If a social security number has never been issued for a Family member, the member must obtain a social security number. The parent or guardian of a child or disabled adult must sign a certification statement for each person.
 - If a Family member does not have the original Social Security card issued by the Social Security Administration, DHA will accept photo identification and verification of the number from the Social Security Office. An original award letter from the Social Security Administration can be used for this purpose.
- 2. Individuals who claim the preference as currently or formerly homeless must be certified as qualified by the Bridge.
- 3. Families who claim preferences for domestic violence, individuals aging out of foster care or families who are currently or formerly homeless must be certified as qualified by a DHA-Approved Referral Agency (ARA).

J. Income Targeting Requirement

In accordance with Income Targeting requirements established by HUD, seventy-five percent (75%) of the new admissions to the Section 8 Program each year from the waiting list will have incomes at or below thirty percent (30%) of the area median income (extremely low income applicants).

These applicants will be selected before other eligible applicants on an as needed basis to ensure the income targeting requirement is met.

It is not anticipated that it will be necessary to skip higher income families on the waiting list to achieve federally mandated income targeting requirements because the majority of families on the waiting list are extremely low income families.

Non-waiting list admissions are not subject to income targeting requirements. This would include continuously assisted families displaced from public housing, families issued vouchers because of project-based program REAC failures or owner opt outs, etc.

K. Determination of Ineligibility and Informal Review

- 1. Review for Determination of Ineligibility: DHA shall notify all Applicants found ineligible for assistance that they have been denied assistance. Applicants shall be notified in writing of the reason(s) for the determination and the right to request an Informal Review of the determination. Upon request, Applicants will be allowed to review a copy of relevant documentation regarding the determination.
 - a. Applicants who wish to contest a denial of assistance shall have the opportunity to submit information and evidence to the Vice President of Voucher Programs and/or his/her designee for an Informal Review of the denial determination. An informal review does not involve a hearing – it is a review of the material in the

- applicant's file to ensure that a correct decision (based upon the material submitted by the applicant) about the applicant's status has been made.
- b. The request for an Informal Review must be made in writing within ten calendar days from the date of the written denial of assistance. An Applicant that fails to request the Informal Review within ten calendar days will be ineligible for a review and the denial shall stand. The Informal Review shall be scheduled within thirty calendar days of the Applicant's request.
- c. The Vice President of Voucher Programs or his/her designee shall conduct the informal review of the file, and any additional information presented by the Applicant for consideration.
- d. The outcome of the Informal Review shall be recorded in the Applicant's file. If it is determined that the Applicant is eligible, the Family's name will be placed on the Section 8 Waiting List without loss of position during the period of ineligibility, or issued a voucher, whichever is appropriate. The Vice President of Voucher Programs will notify the Applicant of the outcome, in writing, within fourteen (14) calendar days after the Applicant's review.
- 2. Reviews for Applicants after the Issuance of a Voucher: The Vice President of Voucher Programs or his/her designee will review matters presented by Applicants who have been issued vouchers when no HAP has yet been paid on their behalf.
- 3. Matters Not Subject to Informal Review by Applicants: DHA shall not grant file reviews for matters to:
 - a. DHA's discretionary administrative determinations or to consider general policy issues or class grievances;
 - b. DHA's determination of Family's unit size under DHA subsidy standards;
 - DHA's determination not to approve leasing a unit under the Section 8 Program, or approve a proposed lease;
 - d. DHA's determinations that unit selected does not comply with HQS;
 - e. DHA's determination that a unit selected is not in accordance with HQS because of the size of the Family;
 - f. DHA's refusal to extend Families' voucher past the maximum time allowed under DHA policy;
 - g. DHA's determination of rent reasonableness;
 - h. DHA's schedule of utility allowances; and
 - i. DHA's decision not to approve a unit or tenancy.

DHA is not bound by any decision that is in conflict with HUD regulations or DHA policy. The President and CEO or his/her designee, may review all decisions to ensure compliance with HUD regulations and DHA policy.

If the Authority determines that it is not bound by a review decision, the Authority shall promptly notify the participant of the determination, and the reasons for the determination.

L. Briefing and Issuance of Vouchers

DHA briefs all Families entering the Section 8 Housing Choice Voucher Program for the first time, relocating Families, and Families porting into Dallas (Section 8 participants that transfer from another housing authority).

1. Conducting a Briefing: Briefing attendance is mandatory. Applicants/participants will receive written or telephone notification of the date, time and location of the scheduled briefing. Applicant must call 24 hours prior to the scheduled briefing to reschedule. A maximum of two (2) appointments shall be granted per applicant/tenant. Any Applicant that does not attend one of the two sessions shall have his/her application withdrawn. Applicants whose applications are withdrawn are not entitled to an Informal review. Briefings may be conducted in group sessions or individually.

DHA may conduct individual briefings as a reasonable accommodation if needed by persons with disabilities.

Briefings may be conducted in the evenings and on weekends to accommodate applicants who work.

In limited circumstances, DHA may notify applicants via telephone of the required briefings. In such circumstance, the file will be documented to indicate when the oral notification was made, the person who made the oral notification, the number contacted, the person contacted, and the reason for the oral notification. Applicants who were not reachable when oral notification was attempted will not be withdrawn from the wait list.

DHA may hold a combined briefing and voucher issuance session.

- Briefing Information: In addition to the HUD-required information provided during the briefings, DHA strongly encourages Section 8 Families to seek housing in nonpoverty areas by providing:
 - a. information or access to the addresses of units available to Section 8 Families, as well as the Landlords' name, and telephone numbers;
 - b. information on individual units available for lease;
 - c. individual counseling and information about public transportation to view units;
 - d. information on neighborhood amenities, including information on crime, schools, day care, health care and public transportation; and
 - e. counseling to Families on program matters, and in instances of alleged program discrimination.
- Schedules for Briefings will be communicated to the Inclusive Communities Project (ICP), so their staff can participate in all briefings to assist with and encourage mobility moves.

M. Promoting Housing Opportunities

DHA seeks to increase the participation of Landlords with units located outside of areas with a high concentration of low-income Families. To accomplish this goal, DHA conducts outreach to Landlords with properties in low-poverty areas and encourages them to accept voucher holders. The local media, professional real estate organizations,

Apartment Listing Network and the Cole Indices are used as resources to increase the interest of private Landlords within DHA jurisdiction.

As part of this outreach effort, DHA prepares and distributes information packets, brochures, leaflets, and handouts outlining the benefits of the Section 8 Program. DHA provides Landlords with information regarding HUD regulations, Section 8 Program guidelines, fair housing, Housing Quality Standards, and other Landlord related issues. In addition, DHA conducts Landlord workshops, corporate briefings, property visits, and initiates telephone contact with Landlords owning housing units in low-poverty areas.

A low poverty census tract is defined as a census tract where the poverty rate is at or below 17.8%, or at or below the overall poverty rate for the principal operating area of DHA, whichever is greater. DHA uses the most recent decennial Census data to determine the poverty rate and provides a listing of the eligible census tract areas to landlords and to clients in the briefing packets and in vacancy listings. This is the same targeting required by the Federal Court in the Walker settlement agreement.

The methodology used in promoting de-concentration of Section 8 Housing Choice Voucher holders is outlined in the Landlord Services Procedures

N. The Term of Vouchers

Section 8 vouchers expire 90 days from the date of issuance. DHA may extend the voucher term so long as the regional rental market is tight. When rental markets are loose, DHA may only extend the voucher term as a reasonable accommodation to persons with disabilities or when leasing opportunities are limited by market conditions.

Class Members participating in the Walker Settlement Program and actively searching for housing in Predominantly White Areas will be given one hundred twenty (120) days to find suitable housing.

Applicants/participants in the Veterans Assisted Supportive Housing (VASH) and actively searching for housing will be given one hundred twenty (120) days to find suitable housing.

Families shall be considered successful in their housing search should they submit a Request for Tenancy Approval (RFTA) prior to the expiration date on the Section 8 Voucher. The Family may submit only one RFTA at a time. Once the documents are accepted, DHA shall suspend (i.e., toll) the term of the Family's voucher. Should the Family be required to resume their search for housing (e.g., because the unit selected fails inspection or the property owner does not agree to a reasonable rent), the Family shall be allowed to resume their search for housing using the remainder of the time left on the voucher.

The voucher shall be withdrawn if the Family fails to lease suitable housing during the term of the voucher. Expiration or withdrawal of a voucher does not preclude the Family from completing a new application for the HCV Waiting List, when the waiting list is open.

Section VI. Payment and Subsidy Standards

DHA shall determine the Family's unit size and Family contribution of housing cost in accordance with HUD regulations, using the verification hierarchy outlined in HUD's regulations and verification guidance.

A. Payment Standards

- 1. DHA will establish program Payment Standards by balancing the competing needs of setting Payment Standards as low as possible to assist as the highest number of Families within available funding, while still setting the Standards high enough to ensure that Families can find and lease housing in non-impacted neighborhoods. The range of possible Payment Standards is between 110 percent and 90 percent of HUD's Fair Market Rent standard. HUD has established a payment standard equal to 125% of the FMR for Class Members participating in the Walker Settlement Program utilizing the vouchers in predominantly white areas.
- 2. DHA will monitor the effect of the Payment Standard it sets by tracking the percentage of families who lease housing within the time limit established for their voucher (the "success rate") and the locations where families actually lease. If the success rate decreases or the pattern of leasing shows families leasing fewer units in non-impacted neighborhoods, staff will recommend an increase in the Payment Standard to the Board of Commissioners.
- 3. The Payment Standard for Housing Choice Vouchers shall be determined annually following the publication of the final Fair Market Rent (FMR) by HUD and shall be made effective as soon as possible after HUD issues FMRs.
- 4. The President and CEO shall determine the payment standard with the following criteria and/or objectives:
 - a. DHA shall consider the amount received from HUD in its Annual Contributions Contract;
 - b. DHA shall avoid concentration of Section 8 Families in high poverty areas;
 - c. DHA shall seek to provide housing opportunities in all areas of its jurisdiction with particular emphasis on non-poverty areas; and
 - d. DHA shall ensure that the majority of Families are not paying more than 40% of their income for their housing cost.

DHA shall analyze its rental market quarterly to ensure these objectives are met. DHA will ensure that the applicable payment standards are distributed to pertinent staff.

B. Family Subsidy Standard at Admission

- DHA shall exercise prudence in the determination and administration of housing Subsidy Standards. Maximum Subsidy Standards for an eligible Family is determined based upon the members included on the application. All adult members must appear in person with photo identification.
- 2. Adult members that are not identified at the time of the application will not be considered as members of the assisted household unless they were minors at the time of application who have become adults while on the waiting list. Children added by birth, adoption or court awarded custody between the time of application and admission will be added to the household when verification of the birth, adoption or court awarded custody to a family member listed on the application is provided to DHA.
- 3. All individuals added to the household are subject to HUD's eligibility and DHA's suitability standards. DHA will not approve the addition of adults to a client family if

- the addition will increase the voucher size for which the family qualifies or if the adults do not pass the criminal history screening.
- 4. The Vice President of Voucher Programs, or his/her designee, shall review requests for additions to the household that are not described in the paragraph above to ensure additions are within DHA's policy. DHA will provide the Head of Household with written notification of the determination within fourteen (14) calendar days of the Family's request. Families denied the opportunity to add an individual to their household will be provided with the reason for denial.

C. Live-in Aides

- 1. DHA's decision about whether or not to permit the addition of a Live-in Aide to a voucher household shall be based upon verification that:
 - a. The person to be assisted by the live-in aide qualifies as an Individual with a disability as defined at 24 CFR part 8.3; and
 - b. A qualified medical practitioner verifies that the live-in aide is needed because of the disability; and
 - c. That the individual proposed as the Live-in Aide possesses the skills and ability needed to provide the services needed by the person with a disability as verified by the qualified medical practitioner.
 - d. Dallas Housing Authority shall notify the Family of the decision to approve or deny the Live-in Aide in writing within fourteen (14) business days from the date all required documentation is provided
- 2. The Family and Live-in Aide will be required to submit a certification that the Live-in Aide is (1) not obligated to support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.
- 3. Under this HUD definition, a person already residing in the unit (such as a spouse, boyfriend or girlfriend) cannot be a live-in aide (since they are living in the unit anyway).
- 4. A live-in aide cannot have another place to live since he/she is verified to be necessary to provide care on a live-in basis and is supposed to live in the unit. A live-in aide may have a job outside the assisted unit if the disabled individual's qualified medical practitioner certifies that the outside employment will not affect the care and services to be provided to the person assisted.
- 5. Live-in Aides are required to attend the annual recertification appointments with the Head of Household and DHA must determine annually the eligibility of the household for a Live in Aide.
- 6. Although family members may be qualified to perform the services needed by the individual with disabilities, a live-in aide will not be considered as a family member on the voucher, his/her income will not be counted for eligibility or rent purposes, and the live-in aide cannot receive the voucher as a "remaining member of a tenant/client family."
- 7. The Live-In Aide must meet DHA's screening criteria. Further, the live-in aide must not currently owe rent or other amounts to DHA or any other housing authority in connection with any HCV or Public Housing programs.

D. Family Subsidy Standard during participation

- DHA will permit the addition of minors who are born to or adopted by a family member listed on the lease and voucher, or when a court awards custody or other approved certified custody/guardianship documents to a family member listed on the lease and voucher although such additions to the family must be reported within 10 calendar days of occurrence;
- 2. DHA will not permit the addition of adult family members to the family unless such addition will not increase the voucher size for which the family qualifies;
- 3. DHA shall review the composition of the household at each annual recertification. If the addition of a family member results in overcrowding (more than two persons per living/sleeping room) DHA will notify the Head of Household of the need to move and issue the Family another Housing Choice Voucher at the termination of the family's lease.
- 4. The standards applicable to adding a Live-in Aide to the household (who is, by definition a household member but not a family member) during the family's participation are the same as those listed under "Family Subsidy Standards at Admission"

E. Occupancy Standards

Voucher size is one factor in determining the family's level of assistance. The size of a voucher will be based upon the family/household composition. In compliance with the Fair Housing Act, other fair housing laws, and HUD regulations (24 CFR 982.401 and 24 CFR 982.402) and in an effort to administer federal funds responsibly, DHA takes a conservative and stringent approach in determining the appropriate size of the voucher. To that extent, DHA will utilize an occupancy standard of two (2) persons per bedroom, pursuant to the HUD guidelines concerning the Determination of Unit Size Requirements. DHA will not determine who will share a bedroom/sleeping room. DHA shall issue a voucher for the smallest sized unit possible using the following standards regardless of age, gender, or relationship of family and household members:

- 1. At least one person must occupy each bedroom.
- 2. A maximum of two (2) persons may occupy a bedroom or living/sleeping room,
- 3. A one-person family will be issued a one-bedroom voucher.
- 4. Larger families (more than one person household) will be issued vouchers based upon the two (2) persons per bedroom occupancy standard, without regard to the age, gender, or relationship of family members. For example, a two-person family will be issued a one-bedroom voucher; a three-person family will be issued a twobedroom voucher.
- 5. A child (under 18 years of age) who is temporarily away from the home because of placement in foster care, or an adult member over age 18 who is a full-time student temporarily away at college is considered a member of the family.
- 6. A family that consists of a pregnant woman (with no other persons) shall be treated as a two-person family.
- 7. Two disabled individuals may be assigned a two (2) bedroom voucher subject to the review and approval of a request for reasonable accommodation.

- 8. A bedroom may be allocated for an approved Live-In Aide to provide continuous medical assistance to a Disabled Family member. Since a live-in aide is one person, no additional bedrooms will be considered for the Live-In Aide's Family. A live-in aide must not have another residence, but rather must live in the unit.
- 9. A bedroom will not be allocated to house furniture, and a bedroom will not be allocated for medical equipment unless it is verified necessary for a resident with a disability. DHA will conduct an inspection to determine that the size and type of medical equipment verified to be needed by the participant with a disability warrants an additional bedroom. For example, a participant will not be approved for an extra bedroom to house a folding wheelchair.

F. Unit Size Selected by Voucher Holder

The family may select a dwelling unit of a different size than that listed on the Voucher; however, the affordability may not exceed 40% of adjusted monthly income at initial lease up. The unit must provide adequate space so that there are no more than two family members for each living or sleeping room in the unit.

The Housing Assistance Payment is based upon the lower of the Payment Standard for family unit size or the Payment Standard for the unit size rented by the family. The utility allowance for which the family will qualify will be based upon the lower of the allowance for the unit size approved for the family or the allowance for the unit actually leased.

G. Remaining Family Member

- 1. Under certain circumstances the original Family composition may be altered when the Head of Household leaves the unit. A Remaining Family Member, as defined by HUD, is an adult Family member already in the household at the time the Head of Household permanently leaves the household.
- If the Head of Household dies, or otherwise permanently leaves the household for any reason unrelated to criminal activity or incarceration, and there is another eligible adult Family member capable of assuming the Head of Household position, the voucher assistance will pass to that Remaining Family Member, who will then become the Head of Household.
- 3. When the Head of Household leaves the unit because of criminal activity or incarceration, DHA will terminate assistance, not permit another family member to take over the voucher.
- 4. If there are more than one qualified remaining Family members, the Family may designate any qualified Family member as the Head of Household. The Head of Household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as Head of Household.
- 5. Whenever an adult family member takes over the position of head as the remaining family member, he or she becomes responsible for any debts to the owner or DHA incurred by the previous head.
- 6. If the head of household dies or leaves the household permanently, the remaining family members must report this fact to DHA in writing within 10 days after the head of household's departure.

7. DHA will not permit adults not formerly members of the household to join the household simply to become the remaining member of a tenant family.

H. Temporary Absence of Head of Household

- 1. If the Head of Household is temporarily absent from the home due to illness requiring hospitalization, nursing home confinement, or employment outside the local area, including military service, the Section 8 HAP will be provided for a maximum of 90 days. The absent Head of Household's income will continue to be counted and the Family will be responsible for their portion of rent to the Landlord for the 90 day period. If the Head of Household is unable to return to the Section 8 Housing Program assisted unit after the 90-day period, DHA will no longer consider the absent Family member the Head of Household and the Family may utilize the provisions of section G.
- 2. An exception will be considered for the benefit of minor children where there is no eligible remaining Family member that has the legal capacity to enter a lease under state and local law. If there is another eligible adult that was not previously a member of the household who is available to move into the unit and assume the role as Head of Household, DHA may consider the addition of this adult as the Head of Household. The adult assuming the role as Head of Household must assume legal custody or kinship care of the minor children. The newly designated Head of Household must meet DHA's eligibility standards and their income will be used to determine the Family's share of housing assistance. For the benefit of the minor children, the newly designated Head of Household may assume permanent status as Head of Household if the initial Head of Household is unable to return to the unit and grants written authorization. In such cases, the initial Head of Household's claim to Section 8 assistance is lost. The new Head of Household would assume any outstanding debt incurred by the former Head of Household.

I. Separation or Divorce

In cases of divorce or separation under a settlement or judicial decree, DHA shall follow a court's ruling in determining which Family members continue to receive Section 8 assistance. In cases where no settlement or judicial decree exists, DHA will:

- 1. grant the voucher to the Family member who retains custody of the minor children or who cares for Disabled Family members;
- grant the voucher to the Family members forced to leave a unit as a result of actual or threatened physical violence against Family members by a spouse or other Family members of the household;
- 3. grant the voucher to the Family member that provides housing for the minor children 51% or more of the time in the case of joint custody.
- 4. DHA will not grant both parents of minor children a voucher.

J. Determination of Family Share of Housing Cost (24 CFR part 5.609)

The Family's contribution to the housing cost will be based upon the verified Annual and Adjusted Income as defined in HUD regulations.

The amount of the Total Tenant Payment will be calculated based on the highest of:

1. ten percent (10%) of the monthly unadjusted Family Income;

- 2. thirty percent (30%) of the Family's monthly adjusted income;
- 3. DHA minimum rent of \$50.00.
- 4. The actual amount of the family's contribution will be the Total Tenant Payment unless the family chooses a unit with a gross rent higher than the payment standard. In this instance, the family's contribution to housing cost will equal the Total Tenant Payment plus the amount by which the gross rent exceeds the payment standard.

K. Exemption from Minimum Rent Requirement

Families paying the minimum rent required by DHA may request an exemption from the minimum rent requirements if they believe the imposition of minimum rent creates a hardship for their Family. DHA will consider the following hardships:

- 1. The Family has lost eligibility for, or is awaiting an eligibility determination for federal, state, or local assistance program;
- 2. The income of the Family has decreased because of changed circumstances including loss of employment; or
- 3. A death in the Family has occurred.

The minimum rent exemption will be granted to families paying minimum rent as soon as the exemption is requested and DHA will begin verifying the nature of the circumstances under which the family qualifies for the exemption. If the verification process reveals that the circumstances will last for less than 90 days, the minimum rent will be reinstated retroactively to the date it was requested. If the circumstances will last for more than 90 days, the minimum rent will be exempted until the circumstances change.

L. Adjustments to Income

Adjusted income is the annual income of all household members after making the mandatory deductions as identified in 24 CFR 5.611 and 24 CFR 5.617.

- 1. Mandatory Deductions include:
 - a. \$480 for each dependent;
 - b. \$400 for elderly or disabled Families;
 - c Un-reimbursed anticipated annual medical expenses of Elderly or Disabled Families that exceed three percent (3%) of annual income;
 - d. Un-reimbursed disability assistance expenses for care or apparatus for disabled Family members that exceed three percent (3%) of annual income and permit an adult family member to work; and
 - e. Reasonable child care expenses to allow an adult Family member to work, actively seek work, or attend school.

M. Verification of Income, Assets and Deductions

DHA shall follow the stricter of HUD's regulations and guidance on the verification of income, assets and asset income and deductions from income or its own procedures. See **Procedure on Verification of Information**.

N. Non-Cash Contributions To Families

As required by Federal regulations, in determining Annual Income, regular non-cash contributions from persons outside the Family are included. This information shall be obtained from the Zero Income Interview Questionnaire, Contribution Form and Personal Declaration and Questionnaire; DHA shall verify the type and value of the non-cash contribution by contacting the source and obtaining an acceptable third party verification.

O. Maximum Initial Rent Burden

A family shall not initially pay more than 40% of their monthly adjusted income toward their portion of the rent and utility allowance for occupancy of a newly leased Section 8 assisted unit. This rent burden test is applied at the initial lease-up of a new unit (including whenever a family moves), but is not applied during subsequent years of occupancy in a unit already under lease.

P. <u>Utility Allowance</u>

At least annually, the Housing Authority shall obtain and analyze utility rate data for Utility providers in the local jurisdiction, and will determine whether there has been a Change of 10% or more in the rate for any utility since the last revision of the Utility Allowance Schedule.

If there has been a change of 10% or more, an appropriate adjustment to the schedule shall be made. No adjustment shall be made for any increase less than \$1 per unit month.

Q. Utility Reimbursements

When the unit leased by a participating family has tenant paid utilities and the amount of utility allowance exceeds the Family's total tenant payment, DHA shall issue the Family a payment for the amount by which the utility allowance exceeds the total tenant payment. This is the Utility Reimbursement. Utility reimbursements are made using debit cards. If the value of the Utility Reimbursement is less than \$15 per month, the debit card will be reloaded quarterly, if more than \$15 per month, the debit card will be reloaded monthly.

VII. Request for Tenancy Approval, Inspection and Leasing

A. Term of the Voucher and Extensions

Once a Voucher has been issued, it is the family's responsibility to locate suitable housing. The housing unit's rent must fall within the rent reasonableness limitations for comparable unassisted units set by the Housing Choice Voucher Program; the unit must meet Housing Quality Standards requirements; and the family share for rent and utilities may not exceed 40 percent of their adjusted monthly income.

The initial voucher term will be 90 calendar days (120 days for Walker Settlement Vouchers and VASH vouchers). The family must submit a Request for Tenancy Approval and proposed lease within the 90-day period unless the Authority grants an extension. The Authority will not grant extensions of search time in extenuating circumstances, except as described below.

The Authority will approve extensions if necessary as a reasonable accommodation for a

person with disabilities. A family seeking an extension of the voucher term must submit a request for reasonable accommodation, and the request must be made before the voucher expires. In addition, the Authority may extend the voucher when the rental market is tight (vacancy rates are low for housing in the Payment Standard range and few units are available).

It is the Authority's policy to suspend the term of the voucher from the date a Request for Tenancy Approval and proposed lease is received by the Authority, while the Authority processes the request, until the date the Authority makes a final determination with respect to that Request for Tenancy Approval.

B. Portability and Moves

Portability is a feature of the HCV program under which voucher holders may use their vouchers in jurisdictions other than those that issued the voucher. The details of portability are covered in the *Procedures on Portability*. Eligible families are permitted to port to another jurisdiction that runs an HCV program, subject to the following policy:

Outgoing Vouchers:

- Families whose head and spouse lived somewhere other than Dallas on the date of application must lease within DHA's jurisdiction for 12 months before becoming eligible for portability.
- 2. Families whose head and spouse lived in Dallas on the date of application are eligible for portability as soon as they receive their voucher as long as they hold a valid Housing Voucher, have not violated any Family Obligations, do not owe money to any Housing Authority and are moving to a location where their housing assistance payment is affordable under DHA's budget authority, if the receiving PHA cannot absorb their voucher.
- 3. Families that are new admissions to the program must meet the income eligibility requirements applicable to the area where the family initially leases a unit with assistance.
- 4. Participant families are not meet the income eligibility requirements in the area the family plans to move. Families must notify the Authority in writing when they want to move out of the Authority's jurisdiction using the portability feature.

Incoming Vouchers:

DHA may absorb some or all incoming portable vouchers when it has funding available. Otherwise, when the Authority reaches full utilization (or when there are questions about the availability of HUD HAP payments), the Authority will not absorb incoming portable Vouchers but will bill the sending PHA for the family's costs under the program.

C. Relocation of Witnesses and Victims of Crime

DHA will provide Housing Choice Voucher assistance for the relocation of witnesses in connection with efforts to combat crime in public and assisted housing. The Authority will accept written referrals from HUD for such cases. All referred applicants must meet Housing Choice Voucher eligibility requirements before admission to the program.

D. Restrictions on Renting to Relatives

Families may not lease a property owned by relatives (i.e., sister, brother, mother, father, spouse, son, daughter, etc.) as set forth in HUD regulations. Exceptions to restrictions

on renting to relatives are made if a reasonable accommodation is required for the family and is approved by the ADA-504 Coordinator. Families seeking an exception must submit a request for reasonable accommodation. In no case will an exception be granted to permit someone to lease a unit from a family member when that family member owns and lives in the unit, since this is forbidden by statute and regulation.

E. Request for Tenancy Approval

After the family is issued a voucher, the family must locate an eligible unit with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the DHA to approve the assisted tenancy in the selected unit.

F. Owner information in the RFTA package

- 1. All new Landlords must provide the following documentation:
 - a. Tax identification letter issued by the IRS or social security card
 - c. Direct deposit agreement with voided check
 - d. Current government issued photo ID
 - e. IRS W-9 form with original signature
 - f. Copy of warranty deed, or other approved deed or proof of control of the unit
 - g. Proof of payment of real estate taxes
 - h. Copy of management agreement (for property management companies).
 - i. Completed Request for Tenancy Approval (RFTA) Form HUD-52517
 - j. Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum Form HUD-52641-A
- The RFTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, proposed rent and the requested beginning date of the lease, necessary for the DHA to determine whether to approve the assisted tenancy in this unit.
- 3. Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.
- 4. Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless DHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household and the owner is not living in the unit.
- 5. For units constructed prior to 1978, owners must either
 - a. certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or
 - b. attach a lead-based paint disclosure statement.
- 6. The RFTA, proposed lease, and other required documents listed above must be submitted no later than the expiration date stated on the voucher. **HCV Guidebook**

p.8-15

- 7. The duration of the lease may be no more or no less than one year.
- 8. When the family submits the RFTA the DHA will review the RFTA for completeness.
 - a. If the RFTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RFTA, the DHA will notify the family and the owner of the deficiencies. It is the sole responsibility of the owner and the tenant to submit the required documentation timely and without omissions or errors. Failure to provide this documentation within the specified time and without errors will result in the nullification of the RFTA approval process.
 - b. Missing information and/or missing documents will only be accepted as original hard copies, scanned copies of original documents transmitted electronically, and in-person. The DHA will not accept missing information over the phone but will accept some missing information via fax or email.
- 9. When the family submits the RFTA and proposed lease, the DHA will also review the terms of the RFTA for consistency with the terms of the proposed lease.
 - a. If the terms of the RFTA are not consistent with the terms of the proposed lease, the DHA will notify the family and the owner of the discrepancies.
 - b. Corrections to the terms of the RFTA and/or the proposed lease will only be accepted as original hard copies in-person, or scanned copies of original documents transmitted electronically. The DHA will not accept corrections by phone but will accept some corrections via fax or email.
- 10. Because of the time sensitive nature of the tenancy approval process, DHA will attempt to communicate with the owner and family by phone, fax, or email. DHA will use mail when the parties can't be reached by phone, fax, or email.

G. RFTA Limitation

The family may submit one Request for Tenancy Approval (RFTA) at a time. The family may only submit another RFTA if the previously submitted RFTA is voided.

H. Screening and Security Deposit Requirements

DHA encourages Landlords to screen all potential residents. Landlords need not accept Families that have a poor rental history, a history of allowing persons not listed on the lease to live in the unit, a history of damaging units or vacating units without giving proper notice. DHA shall not provide reimbursement to Landlords in cases when there are damages caused by the Section 8 Family or their guests; when the Section 8 Family vacates the unit without giving proper notice, or does not pay the Family's portion of rent owed under the lease.

Owners may collect a security deposit that is reasonable and comparable to security deposits collected for similar, unassisted units in the area. The Authority prohibits security deposits in excess of private market practice or in excess of amounts charged to unassisted tenants.

DHA will provide the Landlord with the Family's current address, as shown in DHA's records, and the name and address, if known, of the Family's current and previous Landlord.

I. HAP Execution Policies

Preparation of the lease and HAP contract will be handled in accordance with the **Procedure on HAP Execution.**

- 1. Both the owner and voucher holder must sign the Request for Tenancy Approval. The Request for Tenancy Approval and a copy of the owner's proposed lease must be submitted prior to the expiration of the Housing Voucher.
- 2. The Lease form must be the standard form used in the locality by the owner. The lease must contain terms consistent with State and local law, and that apply generally to unassisted tenants in the same property.
- 3. The HUD Addendum to the lease must be used in conjunction with the owner lease and HAP contract. The Authority will review the documents to determine if they are consistent with State law.
- 4. The owner may be required to make changes to his/her lease agreement. If the lease does not meet HUD requirements, the Authority will explain the problems to the owner and suggest how they may be corrected, by a specific date. If the lease cannot be approved for any reason, the owner and the family will be notified in writing and the reasons provided. The Authority does provide a sample lease agreement that owners may opt to use.

J. Non-housing Agreements

- 1. Owners and tenants may execute agreements for services (i.e. parking, furniture, late charges, pets, pet deposits², community rules, and covenants) and appliances (other than range and refrigerator) and other items in addition to those that are provided under the lease, if the agreement is in writing and approved by the Authority. Separate agreements must be attached to the Lease as a Lease Addendum. A copy of the agreement must be provided to the Authority.
- 2. Any appliance, service or other item(s) that is routinely provided to non-subsidized tenants as part of the lease agreement (such as air conditioning, dishwasher, garbage disposal or garage) or is permanently installed in the unit cannot be put under separate agreement and must be included in the lease. For an item to be covered by a separate agreement, the tenant must have the option of not utilizing the service, appliance or other item.
- 3. The Authority is not liable for unpaid charges for items covered by separate agreements and nonpayment of these separate agreements cannot be cause for eviction.
- 4. The following types of separate agreements are not acceptable: agreements for altered or additional security deposit, altered or additional rent amounts and/or fees, excess utilities, or charges for any item customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants on the premises.

K. Housing Quality Standards and Inspections

1. Prior to execution of the HAP contract, the Authority is required by HUD regulations to inspect the unit to ensure it meets Housing Quality Standards, (HQS).

² Note that an Assistance Animal (service animal or companion animal) verified to be needed by a person with a disability is not a pet and a pet deposit may not be charged.

- 2. HUD's performance and acceptability standards for HCV-assisted housing are provided in **24 CFR 982.401**. DHA's administration of the Housing Quality Standards is covered in the **Procedure on Housing Quality Inspections**.
- 3. No unit shall be initially placed under contract in the Housing Choice Voucher Program until/unless the standards are met. Units must also continue to meet HQS as long as the family continues to receive housing assistance in the assisted unit. HQS takes precedence over local housing codes and other codes.
- 4. The family must allow the Authority and the owner to inspect the unit at reasonable times with reasonable notice and grant access to the unit in emergencies. Failure to allow access for inspection or an emergency is a violation of the family obligations and grounds for termination from the program.
- 5. Modifications to Provide Accessibility
 - a. Under the Fair Housing Act of 1988 an owner is not permitted to refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit at the family's expense.
 - b. Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.
 - c. When the applicant moves from the unit the owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises.
 - d. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time.
 - e. The interest in any such account accrues to the benefit of the tenant and the owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained. 24 CFR 100.203; Notice 2003-31
- 6. Family Responsibilities 24 CFR 982.404

The family is responsible for breach of the HQS that is caused by the following:

- a. Utilities that are required to be paid by the tenant are not in service;
- b. Appliances that are required to be provided by the tenant are absent or not working.
- c. Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.
- 7. Owner Responsibilities

- a. The owner is responsible for all HQS violations not listed as a family responsibility above. However, if the family's actions constitute serious or repeated lease violations the owner may take legal action to evict the family.
- b. DHA does not enforce the lease agreement between the Family and the owner through the enforcement of HQS; however, a Family's living habits may cause damage to the unit and result in HQS violations that are the Owner's responsibility to repair. Owners are responsible for all lease enforcement activities and any legal actions taken as a result of serious and/or repeated violations of the lease agreement. Lease violations and eviction paperwork must be submitted to DHA at the time of occurrence.
- c. DHA shall review all communications sent from owners related to lease violations and/or evictions and take appropriate action based upon the type of violations. This may include termination of assistance for the Family that has violated the lease agreement.
- d. Owners who fail to provide DHA with documentation throughout the Family's occupancy, risk the possibility that a Family may be relocated even if serious lease violations have occurred.
- e. Failure to provide DHA documentation at the time of occurrence and/or failure to properly enforce the lease agreement may not justify denial of a move request or the termination of assistance to the Family.
- 8. Special Requirements for children with elevated blood-lead levels 24 CFR 35.1225
 - a. A risk assessment must be conducted for deteriorated paint at initial and annual inspections when the unit was built prior to January 1,1978 and occupied by a child on the lease under the age of six. The risk assessment must be completed in accordance with program requirements and the results of the risk assessment will immediately be provided to the family and the owner of dwelling. Within 30 days after receiving the risk assessment report from DHA, or evaluation from the public health department, the owner is required to complete the reduction of identified lead-base hazards in accordance with the lead base paint regulations 24 CFR 35.1325 and 35.1330. All deteriorated paint found in the above referenced units, must be corrected in order to pass HQS. The requirement for passed inspections is triggered by the amount of the deteriorated paint observed known as the Below De Minimus or at or Above De Minimus rule. DHA must determine which set of requirements the owner is instructed to follow to correct deteriorated paint and describe the deficiency on the HQS Inspection Report. An executed copy of the Owner's certification showing lead base paint clearance is required to pass any LBP violation listed as at or above De Minimus. If the owner does not complete the "hazard reduction" as required by the re-inspection, the dwelling unit is in violation of HQS and will result in abatement of HAP payment to the owner. If the DHA is notified by a public health department or other medical health care provider, or verifies information from a source other than public health department or medical health provider, that a child of less than 6 years of age, living a HCV assisted built prior to January 1, 1978 has been identified as having an environmental intervention blood lead level, the DHA will complete a risk assessment of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information will be provided to the owner.

- 9. At least quarterly, DHA shall attempt to collect from public health department(s) within DHAs area of operation the names and/or addresses of children under 6 year of age with an identified environmental intervention blood lead level. DHA shall match this information for families receiving HCV assistance. If a match occurs, DHA will notify the owner and conduct a risk assessment inspection.
- 10. Violation of HQS Space Standards 24 CFR 982.403

If a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, the DHA will issue the family a new voucher at the earlier of the family's next annual reexamination or the expiration of the family's lease, and the family must try to find a large enough unit as soon as possible.

L. Additional Inspection Requirements

- DHA uses the acceptability criteria in HUD program regulations 24 CFR 982.401, interpretative guidance of acceptability criteria in Form HUD 52580-A Inspection Checklist, and the HUD Housing Inspection Manual.
- 2. Where these documents instruct that guidance should be sought from local codes/practice, DHA has issued instructive guidance in the form of Inspection Policy and Procedure maintained in the Authority's Inspections Office.

M. The Inspection Process

Before approving a lease, DHA shall inspect the dwelling unit for compliance with HQS. All inspections of units shall be conducted within 7 to 10 calendar days of the date the unit will be ready for inspection, as documented on the RFTA packet.

DHA uses an electronic inspection system to conduct HQS inspections. Copies of the failed inspection report shall be mailed or emailed to the Landlord and Family. A report for every inspection shall be prepared and maintained in the Family's file in the Section 8 division. Each report shall specify the defects or deficiencies, if any, which must be corrected by the Landlord before the HAP contract will be executed.

1. Initial Inspection

If at the time of the initial inspection DHA determines that violations exist, DHA shall notify the Landlord in writing, and require the defects be corrected. A copy of this notification shall be retained in the Family's file. If DHA determines, as a result of the re-inspection that the Landlord has satisfactorily corrected all defects or deficiencies, DHA shall execute the Housing Assistance Payment Contract.

If the Landlord fails to make the required repairs within the time frame provided by DHA, the inspection and the RFTA shall be cancelled. The Family will then be issued new paperwork to search for alternate housing, provided there is time left on the voucher to search for housing.

2. Annual Inspection

Annual inspections of the unit are conducted within 365 days of the initial or annual inspection. If the unit passes the inspection, DHA shall continue HAP payments to the Landlord.

3. Emergency Fail Items (Abatement will follow)

Emergency inspections are conducted immediately upon receipt of information that there are deficiencies in a unit that may be considered life threatening. Such deficiencies must be corrected within 24 to 72 hours of the inspection date, depending on the nature of the deficiency.

Hazards that pose an **immediate threat to the health and safety** of the Family must be corrected within twenty-four (24) hours. Examples include any condition that jeopardizes the security of the unit including but not limited to:

- a. Broken locks(window, doors, or any point of entry),
- b. Broken window or door frames.
- c. Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling,
- d. Natural gas or fuel oil leaks,
- e. Any electrical problem or condition that could result in shock or fire,
- f. Condition that present the imminent possibility of injury,
- g. Obstacles that prevent safe entrance to or exit from the unit,
- h. Absence of a functioning toilet in the unit,
- i. Inoperable smoke detector,
- j. Absence of a working heating system outside temperature is below 60 degrees Fahrenheit.
- k. No gas in unit when the unit has gas appliances or fixtures,
- I. No running water in unit,
- m. No electrical power in unit,
- n. Non-working Air Conditioning/Doesn't maintain appropriate temperature.

During the period of May 1st – Oct 15th, hazards that represent a potential threat to the health and safety of the Family must be corrected within seventy-two (72) hours. Examples include:

- a. Heating system does not maintain a temperature of at least 68 degrees Fahrenheit when the outside temperature is below 60 degrees Fahrenheit;
- b. The unit lacks hot water;
- c. Referrals to City of Dallas.

If a Family is issued a voucher to move because the HQS inspection revealed the unit is in a condition that poses a threat to the health and safety of the Family, DHA may notify the appropriate city for code enforcement. The city will be given the property address and Landlord's name. If the unit is located in the City of Dallas, DHA may notify the City of Dallas Street Sanitation and Code Enforcement Services.

4. Complaint Inspections

DHA shall respond to all Families reporting violations of Housing Quality Standards in their units. Requests for complaint inspections are made to the Landlord Services division. Families may call Customer Service or submit a written request. DHA will also respond to calls made by the general public reporting violations of HQS. If the nature of the violation threatens the health and safety of the family, an immediate HQS inspection will be conducted.

Once the complaint is received, DHA shall notify the Family and Landlord of the complaint and give the Landlord and/or Family a reasonable amount of time to address the complaint and make necessary repairs. If the complaint is not addressed appropriately within the time frame specified, DHA shall perform an

inspection of the unit and take the steps outlined for such situations according to the terms of the HAP contract.

Hazards that pose no threat to the health and safety of Families must be corrected within thirty (30) days. If the nature of the violation threatens the health and safety of the family, an immediate HQS Inspection will be conducted.

5. Re-inspection Process: DHA shall schedule a re-inspection by providing written or email notice to the landlord with a copy to the family, advising him or her of the date and time of the re-inspection. Routine re-inspection appointments shall occur no later than twenty-one (21) days after the unit fails inspection. A nine day grace period will be granted to the family or landlord to request a final Inspection. Failure to have all non-emergency repairs made within 30 days will result in terminating program assistance if the family is responsible for making the correction, and/or cancelling the HAP contract and relocating the family if the landlord is responsible for making the correction.

DHA will bear the cost of the first inspection of any of the types of inspections listed above and one additional, follow-up inspection. If subsequent inspections are needed before the unit passes HQS, DHA will charge the owner its actual costs for inspections beyond the first two inspections. This policy is designed to encourage owners to make timely improvements necessary.

6. DHA-Owned Units

DHA shall obtain the services of an outside contractor to inspect for HQS at all properties in which DHA or an affiliate owns and/or has an owner interest. The outside contractor shall inspect no more than 25% of these DHA owned units and will communicate the results of the inspection to DHA and the Family. The remaining 75% of inspections will be conducted by DHA Housing Inspectors.

N. Abatement of Housing Assistance Payment

DHA shall abate HAP to Landlords for units that fail HQS when the Landlord fails to make acceptable corrections within the required time frame. DHA shall not abate payments to Landlords for violations of HQS that are the Family's responsibility. DHA shall offer housing mobility services to the Family when payments to the owner are abated due to no fault of the family.

DHA will abate housing assistance payments when the unit fails a re-inspection for a violation of HQS that is the responsibility of the Landlord and may take action to ban the landlord from participating in the DHA Section 8 program.

1. Mandatory Relocation of Family

Once it is determined to abate the unit, the landlord shall be notified in writing of DHA's intent to abate the unit and move the Family. DHA shall cancel the HAP contract when the Family moves from the unit or sixty (60) days after the abatement notification date, whichever comes first.

If DHA initiates action to abate the unit, the Family must move from the unit. If the Family decides not to move, DHA shall terminate the assistance to the Family in accordance with the HAP Contract.

2. HQS Violations

In accordance with the HUD Tenancy Addendum (HUD-52641A), a breach of the HQS caused by the Family is not the responsibility of the Landlord. DHA will terminate assistance to the Family if the Family fails to correct a HQS breach caused by the Family member or by a guest.

The following actions constitute a Family breach of the HQS:

- a. Tenant paid utilities that are not in service;
- b. Failure to provide and maintain any appliances that are to be provided by the Family;
- c. Vermin infestation in the unit caused by the family's housekeeping; or
- d. Damage to the unit beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the family's security deposit under state law.

3. Owner Responsibility

The owner is responsible for all other HQS violations not listed in the Family breach of HQS section listed above, even if the violation is a result of the Family's living habits. If the Family's living habits constitute serious and/or repeated violations of the lease agreement, it is the owner's responsibility to enforce the lease with appropriate legal action up to and including eviction of the Family from the property. (See Family violation section listed above.)

The owner may choose to make repairs that result from a Family's violation of the lease agreement and bill the Family for the repair.

O Rent Reasonableness Determination

DHA shall monitor the rents within its jurisdiction and disapprove a lease for a rent that is not reasonable, based on the rents charged for comparable rental units in the immediate area. DHA shall exercise this authority for all Section 8 tenant-based program participants.

1. Factors to Consider When Determining Rent Reasonableness

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The PHA may use these factors to make upward or downward adjustments to the rents of comparable units when the units are not identical to the HCV-assisted unit.

- a. Location and age of the unit;
- b. Unit size, including the number of rooms and square footage of rooms;
- c. The type of unit, including construction type (e.g., single family, duplex, garden, low-rise, high-rise);
- d. The quality of the units including the quality of the original construction, maintenance and improvements made;
- e. Amenities, services, and utilities included in the rent;
- f. Availability of public transportation at or near the unit; and

g. Proximity to quality schools and employment opportunities.

2. Units that Must Not be Used as Comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits or tax incentives; and units subsidized by the Department of Agriculture rural housing programs

3. Rents Charged for Other Units on the Premises

- a. The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.
- b. By accepting payment from DHA each month, the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises.
- c. If asked to do so, the owner must give DHA information regarding rents charged for other units on the premises in accordance with the voucher program regulation at 24 CFR 982.507, which requires DHA to certify that the rent charged to the housing choice voucher tenant is not more than the rent charged for other unassisted comparable units in the open market.

4. DHA's Rent Reasonableness Approach

DHA utilizes a rent reasonableness system and database that compares similar units and includes and considers all of HUD's rent reasonable factors. DHA shall use 3 comparable units for each rent reasonableness determination. A hedonic pricing methodology adjusts the rental value of the comparable units, based on features that may differ between the comparable units and the subject unit. For example, when a comparable unit has a significant feature that the subject unit does not have (e.g., owner-paid utilities), the rental price of the comparable unit should be adjusted downward, as if the comparable unit also did not have this feature. The amount of the adjustment is equal to the value of that feature in the market. A hedonic pricing system is a model identifying price factors according to the premise that price is determined both by internal characteristics of the good being sold and external factors affecting it. The most common example of the hedonic pricing method is in the housing market: the price of a property is determined by the characteristics of the house (size, appearance, features, condition) as well as the characteristics of the surrounding neighborhood (accessibility to schools and shopping, level of water and air pollution, value of other homes, etc.) The hedonic pricing model is used to estimate the extent to which each factor affects the price.

DHA shall use a database to identify and compare the program subject unit to the most similar private market rental property units within a specific geographic radius, drawing on a data base of non-subsidized comparables and current property listings in compliance with HUD Rent Reasonable requirements.

Section 24 CFR part 982.507(c) states that the owner must provide DHA information requested on rents charged by the owner for other units in the premises or elsewhere. The RFTA, Form HUD-52517 was revised to add information from owners of multifamily properties on the rents charged for three (3) recent rentals of comparable unassisted units in the same complex. The owner supplies this information in Section 12a of the revised RFTA. DHA may use the information provided in Section 12a of the form to determine and document rent reasonableness for comparable unassisted units in the same apartment complex.

5. How Market Data is Collected

DHA's database utilizes landlord listings to continuously update a database used to determine rent reasonableness. The database allows staff to use a variety of techniques to assure that data is current and acceptable. Techniques include but are not limited to: phone verification, Multiple Listing Service updates, and owner provided leases. DHA may collect and enter data on unit information and market rents in the DHA jurisdiction. Information sources may include newspapers, realtors, appraisers, market surveys, landlords, and other available sources. Unit data will include the location, quality, size, type and age of the unit, as well as amenities, housing services, maintenance and utilities to be provided by the owner. Data will be updated on an ongoing basis and rent information that is more than 12 months old will not be used to determine rent reasonableness.

6. How Rents are Determined

The DHA shall use a unit-to-unit comparison, by which the rent for a unit proposed for HCV assistance is directly compared to the rents for one or more unassisted units selected as comparables within the same market area. Interactive maps, with satellite overlays, will be used to identify and select the most similar unsubsidized units in closest proximity to the subject unit, and comparable unit data characteristics will be used to select the most similar units.

In comparing rents, DHA shall take into account critical market factors that impact rent, including the location, quality, size, unit type, and age of the contract unit, as well as any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

Where comparable units differ from the unit proposed for HCV assistance, DHA shall determine whether those differences impact rent. Where they do, DHA shall adjust the rental value of the comparable units, up or down, based on the market value of these factors. The rent for the unit proposed for HCV assistance will be compared to the adjusted rents for the comparable units, enabling a fair, accurate, market-based determination of rent reasonableness.

DHA shall notify the owner of the rent approved based upon its analysis of rents for comparable units. If the owner disagrees with this analysis, the owner may submit additional information in support of their requested rent. DHA may consider this information when making rent determinations. The owner must submit any additional information within 3 business days of the DHA notification.

P Housing Assistance Payment Contracts with Landlords

1. When a complete and correct RFTA package is received, the unit passes the HQS inspection, the rent is determined to be reasonable, and the Family's share of the

- rent will not exceed 40 percent of the Family's adjusted monthly income, DHA will execute a Housing Assistance Payment (HAP) Contract with the owner.
- 2. DHA shall execute HAP contracts for new admission Families on any day of the month after the unit has passed inspection and the rent has been agreed to by DHA and the landlord.
- 3. DHA shall execute HAP contracts for moving Families on any day of the month after the unit has passed inspection and the rent has been agreed to by DHA and the landlord. DHA shall terminate all HAP Contracts of relocating Families on the last day of the month. If the Family remains in the unit beyond the last day of the month and has taken occupancy of the new unit, the Family will be responsible for the rent due to the landlord in one of the units (DHA will not make HAP payments on two units for the same period of time, with the exception of the initial payment to the new landlord).
- 4. DHA shall inform the Family and the landlord of the approved date of move in for the Family and the approved date of HAP contract effective date. The lease between the landlord and the client must have the same initial date as the HAP contract.

Q. Monthly HAP Payments

- 1. HAP disbursements shall be deposited directly into the Landlord's bank account by the fifth day of every month. A computerized statement detailing payment activity shall be provided electronically to the Landlord by the fifth of each month.
- 2. All HAP payments made by DHA to the Landlord are deemed received by the Landlord when the funds are wired by DHA to the Landlord's bank. DHA can recover overpayments by deducting from the HAP disbursement.
- 3. Landlords are required to enroll in the direct deposit program.
- 4. Late Payments: The first HAP for a new contract will be received no later than two calendar months following the execution of the HAP contract. The HAP contract must be executed within 60 days of move in by the Family. If the HAP contract has not been executed within 60 days of move in by the Family, DHA will consider the HAP contract void and not make any payment. All other payments will be made by the fifth day of each calendar month. DHA will not pay late fees on unpaid late fees.

No late fee will be assessed or paid by DHA if the payment is received late due to factors beyond DHA's control or receipt of late payment is due to an adjustment in either the amount of contract rent to the Landlord or the HAP to be made by DHA.

DHA shall pay a late fee of \$50.00 for HAP not made (as defined above), due to factors within DHA control. No other late fees will be paid. This payment is made upon request from Landlord, provided he/she has a policy and practice of collecting late fees from private market Families residing in his/her units.

Section VIII. Ongoing Program Operations

A. Rent Increases to Owners

On or after the anniversary of the first year or term of the lease and HAP contract, owners may request a rent adjustment. All adjustment requests submitted to the Authority must be requested in writing in the format prescribed by the Authority. The

owner must provide a 60 day advance notice to the family and supply a copy to the Authority. Owner rent adjustments, if determined reasonable by the Authority, are effective the first day of first month commencing on or after the contract anniversary date or 60 days from the first of the month following receipt of the owner request, whichever is later.

In order for the tenant to remain on the Housing Choice Voucher program in the unit, the new rent must meet rent reasonableness. If it does not, the Authority will attempt to negotiate the rent with the owner to an amount acceptable. If the Authority is unsuccessful and the owner proceeds with the rent increase, the tenant will be issued a voucher to move to a program acceptable unit.

The Authority reserves the right to suspend processing of owner requests for rent adjustments whenever funds are not sufficient to cover the cost of such adjustments.

B. Annual Recertification

- 1. Families are required to provide information on income, assets, deductions, and family composition at least annually, as well as the need for and the eligibility of a live-in aide.
- 2. Re-certification dates will change when a family moves.
- 3. Recertification packets will be mailed to participating Families 90 to 120 days in advance of the scheduled annual re-certification effective date.
- 4. The head of household will be notified that she/he (and live-in aide if any) is required to attend a re-certification interview on a specified date and must complete the included information packet, including providing signatures on any third party verification forms needed.
- 5. It is the Authority's preference to conduct Annual Recertifications at its offices; however, in-home recertifications will be conducted pursuant to a request and approval for reasonable accommodations to persons with disabilities.
- 6. When an in-person recertification is to be performed, all adult household members, and live-in aide, if applicable, must attend the interview and bring the completed packet and all required documentation.
- 7. If the family fails to bring all the required documentation to the interview, the interview will be conducted and the family will be allowed 10 additional days to submit the required data. If the data is not then submitted, the family will be terminated for violation of family obligations.
- 8. The interview may be re-scheduled once, based upon approval of extenuating circumstances, i.e. disability or work-related reasons, etc.
- 9. If the family fails to attend two (2) scheduled re-certification appointments without contacting the Authority, the family may be terminated for failure to comply with program requirements.
- 10. Upon completion of the re-certification, the Authority will notify the owner and tenant in writing of the new rent to be paid by the tenant (and of the new Housing Assistance Payment, if applicable).
- 11. If there is an increase in tenant income that increases the tenant portion of rent, the tenant will be given a 30 day notice of the increase in rent. If re-certification was

- delayed by the tenant, the increase will be made retroactive to the original effective date of the re-certification.
- 12. If there is decrease in tenant rent, the decrease will become effective on the scheduled effective re-certification date.
- 13. During the annual reexamination process, the DHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in **24 CFR 5.612** by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from his/her parents based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.
- 14. If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.
- 15. If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), the DHA will process a reexamination in accordance with the policies in this chapter.
- C. Interim Changes in Income and Family Composition

Reporting Requirements

- 1. Voucher clients are required to report all changes in family composition or status to the DHA Occupancy Technician within 10 calendar days of the occurrence. Failure to report within the 10 calendar days may result in a retroactive rent increase, but not a retroactive credit or rent reduction. In order to qualify for rent reductions, Voucher Clients must report income decreases promptly. Voucher Clients are also required to report interim increases in income if they have been granted interim rent reductions or have previously reported zero income.
- DHA wishes to encourage families to improve their economic circumstances, so most changes in family income between reexaminations will not result in a rent change. DHA will process interim changes in rent in accordance with the chart below:

INCOME CHANGE	DHA ACTION
(a) Decrease in income for any reason, except for decrease that lasts less than 30 days or subject to Imputed Welfare Income rules ³ .	• Process interim rent reduction if income decrease will last more than 30 days. 24 CFR § 5.609
(b) Increase in verified family deductions	• Process interim rent reduction if income decrease will last more than 30 days. 24 CFR § 5.609
(c) Increase in income following DHA granting interim rent decrease.	Process interim increase for income increases after interim rent reductions.
(d) Increase in earned income from the employment of a current household member.	Defer rent increase until next regular reexam. 24 CFR § 960.255

³ Decreases in welfare income resulting from welfare fraud or from cuts for failure to comply with economic self sufficiency requirements are not eligible for rent reductions (24 CFR § 5.615).

_

(e) Increase in unearned income (e.g.COLA adjustment for social security).	Defer rent increase to the next regular reexam.
(f) Increase in income because a person with income (from any source) joins the household.	Conduct an Interim Redetermination of the family's income and raise the rent.
(g) Increase in monetary or non-monetary income after Voucher Client claims zero income	Process an interim rent increase.

- 3. DHA will process an interim increase in rent only if
 - a. the Voucher Client has misrepresented or failed to report facts upon which rent is based, so the rent the Voucher Client is paying is less than it should have⁴; or
 - b. the resident's income increases after the Voucher Client was granted an interim decrease in rent; or
 - c. the Voucher Client reported zero income and has a verified increase in income (that may be a non-monetary contribution); or
 - d. a person with income joins the household;
- Complete verification of the circumstances applicable to rent adjustments must be documented and approved by according to DHA Procedure on Verification 24 CFR § 982
- 5. DHA will process interim decreases in rent as follows:
 - a. When a decrease in income is reported, and DHA verifies that the decrease will last less than 30 days, an interim adjustment will not be processed.
 - b. Voucher Clients reporting decreases in income that are expected to last more than 30 days will have an interim adjustment processed.
- 6. Voucher Clients granted a reduction in rent are required to report for special reexaminations at intervals determined by the Occupancy Technician. Reporting is required until income increases or it is time for the next regularly scheduled reexamination, whichever occurs first.
- 7. If Voucher Clients experience a decrease in income from public assistance because their grant is cut for one of the two following reasons, their rent will not be reduced:
 - a. Welfare department has reduced the grant because of welfare fraud; or
 - b. Welfare department has reduced the grant because the family failed to comply with economic self sufficiency requirements.
- 8. If a Voucher Client challenges the welfare department's reduction of their grant, an interim reduction in rent will not be processed until the matter is settled by the welfare department.
- 9. If the welfare department upholds the grant reduction, the Voucher Client shall owe a retroactive rent on the interim rent reduction granted in "8" above.

٠

⁴ DHA will apply any increase in rent retroactive to the month following the month in which the misrepresentation occurred.

10. If the welfare department overturns the grant reduction, no retroactive balance is owed. See DHA **Procedure on Imputed Welfare Income**

Interim Rent Decreases

The tenant may report any of the following changes, which would result in DHA conducting an interim adjustment to decrease the tenant's rent when verified:

- 1. Decrease in earned or unearned income;
- Increase in allowances or deductions.
- 3. If a family receiving Temporary Assistance to Needy Families (TANF) has their TANF grant reduced because of welfare fraud or failure to comply with economic self-sufficiency requirements, DHA is not permitted to reduce tenant rent.
- 4. When a family's TANF grant is reduced, DHA will verify the reason for the reduction through the Texas Department of Social Services, and will reduce rent if the reason for the reduction is other than welfare fraud or failure to comply with economic selfsufficiency requirements.

Required Interim Redeterminations

- 1. For families claiming zero income, re-certification will be scheduled every 120 days.
- 2. For families whose annual income cannot be projected with any reasonable degree of accuracy, re-certification may be scheduled every 120 days.

Interim Rent Increases

Interim increases in Tenant Rent will be made only when:

- 1. The tenant has misrepresented any facts related to income or deductions from income; or
- 2. The tenant has claimed zero income and has been verified to have cash or non-cash income; or
- 3. A family member with income joins the family (with DHA's approval); or
- 4. The tenant has experienced an increase in income after having received an interim decrease in rent.

Timing of Interim Rent Adjustments

- 1. Interim rent increases will be effective 30 days after the first of the month.
- 2. Decreases in the tenant rent will be effective the first of the month following the month the change was reported, so long as the facts alleged by the family are verified.
- 3. If a family's rent is increased due to unreported income or overstated deductions, the increase will be computed retroactive to the date when rent should have increased. Interim re-certification will be made effective the first of the following month of which the unreported income was documented and verified.
- 4. If the family's rent is decreased due to unreported change in income, the decrease will be effective the first date of the month after completion of the interim recertification.
- 5. No retroactive rent decreases will be granted.

- 6. Participants must report changes in income timely in order to have the decreased rent effective for the first of the following month.
- 7. If the reduction is reported within 10 days of the change, the decreased rent will be made effective by the first of the following month.
- 8. If the family is responsible for delays in completing an interim re-certification, the Authority may terminate assistance.
- 9. The owner and tenant will be sent a notification letter informing them of the change in Rent, Tenant Rent and HAP, and the effective date of the changes.
- 10. Interim re-certifications do not affect regularly scheduled re-certification effective dates.

Interim Changes in Family Composition

The family is required to **report** the following in writing to the Authority within ten calendar days of the change:

- 1. A family member is added by birth, adoption or court-awarded custody, with or without increased income.
- 2. The family wants permission to add a member by any method other than birth, adoption or court-awarded custody.
- 3. The family loses a member;
- 4. DHA will approve the addition to the family of children by birth, adoption, or court-awarded custody when verified, and
- 5. DHA **may** permit the admission of other household members who were not a party to the lease, with written owner approval, based on the following criteria and provided the member is program eligible and the addition of the member will not disqualify the family for the size of voucher they are currently assisted under:
 - a. Relationships consistent with DHA's definition of family
 - b. Temporary custody of foster children
 - c. Other family member additions (e.g. kinship care)
- 6. Persons age 18 or older may be approved for addition to the family even if the voucher size for which the family qualifies for will increase. They will be subject to the same criminal history screening used for all applicants upon approval. Only one such person may be added to any family during their term as voucher holders.
- 7. Other than children added by birth, adoption or court awarded custody, additional family members must be authorized by the Authority in writing and approved by the owner in writing through an amendment to the lease agreement.
- 8. Failure on the part of the owner to approve an additional Family Member to the assisted unit does not constitute automatic grounds for termination of the lease agreement or automatic grounds for the Authority to issue a new Housing Voucher to the family to facilitate their moving to another unit. Instead, it means that addition of the requested family member is a lease violation and may subject the family to lease termination and termination of assistance.
- 9. An adult family member who has been removed from the lease at the family's

- request may not re-enter the household until the next annual recertification and then only if the voucher size for which the family qualifies for will not increase.
- 10. Assisted families, whose head, spouse or other family member has become disabled since move-in, will have the opportunity to request a reasonable accommodation to increase the voucher size, if verified to be necessary to provide proper care or assistance.
- 11. Alternatively, the family may receive authorization to relocate to an accessible unit, as may be required. As a reasonable accommodation to persons with disabilities, DHA may approve a mutual rescission that will permit a family to move before the end of the lease term.
- 12. All requests to remove a household member (e.g. because the member has been involved in criminal activity that threatens the entire family with program termination) must be accompanied by substantial supporting documentation that the member to removed has another address. Examples of such documentation could include utility bills in the name of the subject, canceled checks verifying payment of rent, driver's license indicating address is at a location corresponding to the utility billing or lease, or in their name at another location.
- 13. If there is a change in family composition resulting in an increase or decrease to the family's voucher size and payment standard, the appropriate size will be used at the time of next annual re-certification and/or move, whichever comes first.
- 14. Failure of the family to report an over-housed situation may result in a Dallas Housing Authority requirement for repayment of excess HAP payments and/or termination from the program.
- D. <u>Earned Income Disallowances</u> (Adults with disabilities ONLY)
 - 1. If a Voucher Client with a disability goes to work or has new or additional earned income and qualifies under one of the following three criteria, that individual will receive an Earned Income Disallowance (EID) as described below and in the DHA Procedure on Earned Income Disallowances. To qualify, a Voucher Client must qualify as a person with a disability and:
 - a. Goes to work after having been unemployed for at least twelve months, or goes to work after having earned less in the last 12 months than would be earned working ten hours per week for a fifty week year earning minimum wage; or
 - b. Receives new or increased earned income during participation in an education, job training, or other economic self-sufficiency activity; or
 - c. Receives new or increased earned income within six months of having received a cash benefit or in-kind services funded through the program of Temporary Assistance to Needy Families. If an in-kind benefit (child care, clothing or transportation subsidies, for example) was received, it must be worth at least \$500 in the past six months.
 - During the first 12 months after the date when the Voucher Client qualified for the EID, the resident's rent will not be increased because of the new earned income. Rent during this period will be based on the resident's income before qualifying for the EID plus any increases in unearned income that may occur after qualifying for the EID.

- 3. During the second 12 months after the date the resident qualified for the EID, the resident's rent will be increased by an amount equal to fifty percent of what the increase would be if not for the EID.
- 4. The disallowance periods described in number 2 and 3 above only occur while the resident is employed. If the resident stops working, the disallowance stops and resumes again when the resident goes back to work.
- 5. Even if the full 24 months of disallowance (12 months of full disallowance plus 12 months of 50% disallowance) have not been used, the EID will terminate 24 months from the date when the resident first qualified for the EID.
- 6. An EID is awarded to a person, not an entire family. More than one adult family member can receive an EID at the same time if they qualify as described under number 1 above.
- 7. No one receives more than one EID in a lifetime.

E. Family Absences from the Unit

The family may be absent from the unit for up to 14 consecutive day periods with owner approval and written notification to the Authority. Absences longer than 14 consecutive days require advance approval by the owner and the Authority. The family may not be absent from the unit for a period of more than 180 consecutive days for any reason or the family will be terminated from the program, per HUD regulations. During the family absence, assistance payments are terminated and the family is responsible for the full contract rent.

Assistance for the entire household will be terminated if the head of household, co-head, spouse or adult child is absent due to incarceration for drug related or violent criminal activity.

F. Remaining Family Members

A remaining family member is defined as a family member listed on the most recent recertification who is 18 years of age or older, who meets all other eligibility criteria, and is a member of an Authority tenant family, but not a signatory to the lease and who continues to live in the unit after all other family members have left.

If the head of household leaves the Housing Choice Voucher program for any reason, any remaining adult in the household may be designated by the remaining family as the head of household. If there are no remaining adults in a household that includes minor children, the Authority may at its discretion allow another person related to the remaining tenant family by blood or marriage or court action to assume head of household responsibilities even though that person was not previously listed on the lease.

Families will not be permitted to add adult members to the Family for the purpose of "leaving them the voucher."

G. Family Moves

Moratorium on Family Moves

DHA may enact a moratorium on all optional moves by the family. Such a moratorium will be formally adopted by the Board of Commissioners and public notice shall be posted both when the moratorium is adopted and when it ends. When such a moratorium is in effect, moves will still be permitted because of:

- 1. Relocation directed by the Authority;
- 2. Owner-caused failed HQS so long as the tenant is in compliance with program regulations;
- 3. Family need for an accessible unit to accommodate a member's disability;
- 4. Catastrophic disasters;
- 5. Family member is determined to be endangered from specific criminal activity directed at the family member rather than simply crime encountered because of the location of the family's unit, as verified by a threat assessment, and/or other available supporting documentation;
- 6. Family size exceeds appropriate voucher size by two or more persons;
- 7. Family is moving to a neighborhood that is not economically impacted.

When moves are permitted

A family is not permitted to move during the initial lease term. A family may only move once during any one-year period and when their lease term has expired. Exceptions to restricting moves to the first term of the lease or within a twelve month period are limited to the conditions listed above under paragraph A. Unless otherwise approved by the Dallas Housing Authority's Vice President of Voucher Programs or his/her designee, mutual rescissions of a lease between tenant and landlord are not allowed. A participant who chooses to rescind a current lease with a landlord without Authority approval may be subject to termination of assistance.

Moves within the Authority's jurisdiction:

- 1. Other than the exceptions noted above, families will be eligible to move within the Authority's jurisdiction with continued assistance **only** if they:
 - a. currently live in the Authority's jurisdiction; and
 - b. hold a valid Housing Voucher; and
 - c. are eligible to move; and
 - d. have not violated any Family obligations; and
 - e. do not owe the Authority any money; and
 - f. their current landlord indicates that they are fully lease compliant; and
 - g. are moving at or after the date of their Annual Recertification of Income and Family Circumstances and at the end of their lease term.
- 2. A family that wants to move with continued assistance must vacate the unit in compliance with the lease and provide proper notice to the owner (as required under the lease) and to the Authority.
- 3. Failure to provide such notice will result in termination of assistance due to failure to comply with the family obligation.
- 4. Families that want to move must request a moving packet and must attend a move briefing. Priorities for scheduling families for the move briefings are as follows:
 - a. Uninhabitable unit, including catastrophic disasters, uncorrected owner-caused HQS failures, and overcrowding as defined in HQS.

- b. Disability-related need, as documented by a qualified medical practitioner.
- c. Mobility moves, defined as moves from neighborhoods impacted by income to neighborhoods not impacted by income;
- d. Reduction in the family's voucher size that results in the family paying excessive rent.
- e. Upward change in the family's voucher size that allows the family to lease a larger unit.
- f. Voluntary moves after the first 12 months of occupancy.
- g. All other moves.
- 5. The Authority will conduct a criminal background check of household members over the age of 17 prior to issuing a moving packet. If the family is eligible to move, has not violated their Program Obligations or Lease Agreement, and does not owe the Authority money, the family will be offered a new voucher to search for another unit.
- 6. At any time, the Authority may deny permission to move due to the following if:
 - a. The family does not notify the Authority, and the owner before the family moves out of the unit or terminates the lease.
 - b. The family does not allow the Authority and the owner to inspect/repair the unit at reasonable times and after reasonable notice.
 - c. The family is verified to be responsible for an HQS failure.
 - d. The family is verified to have committed any serious or repeated violations of the lease.
 - e. The family owes the Authority or another PHA money for any reason.
 - f. The Authority does not have sufficient funding for continued assistance.
 - g. The family is verified to have violated any Family Obligation.
 - h. For any other HUD-allowed reason.
- 7. Families who intentionally cause their assisted unit to fail Housing Quality Standards will not be eligible to receive another Housing Voucher to relocate to another unit and will be terminated from the program.
- 8. The Authority will not issue a voucher to a family who wishes to move due to an eviction action initiated by the owner. Both the owner and the family are required to notify the Authority whenever an eviction is filed. Housing assistance payments will continue until the court date, unless payments have been abated for owner-caused HQS violations. If the court rules that the family was evicted for violating the terms of the lease, including failure to pay rent, the family is ineligible for further assistance and will be terminated from the HCV program. If the court rules for the family, the family is eligible to receive another voucher.

If the family with permission to move does not locate a new dwelling unit to move into, they will be required to submit an Agreement to Continue the Assisted Tenancy, and the assisted tenancy may be extended for any reasonable period of time mutually agreed upon by owner and tenant. In the absence of the Agreement to Continue the Assisted Tenancy, HAP payments and the HAP contract will terminate

at the end of the notice issued by the tenant.

H. Overlapping HAP Payments

If a participant family moves from an assisted unit with continued assistance, the effective date of the assistance at the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of Housing Assistance payments (for the month when the family moves out of the old unit) and the first Housing Assistance Payment for the new unit, is not considered duplicate housing subsidy.

- I. Owner Termination of a Participant's Lease: Grounds for Lease Termination
 - a. The owner may terminate the lease for lease violations at any time.
 - b. The owner may terminate the lease for any other reason only <u>after</u> the initial period of the lease.
 - c. When an owner terminates a lease for reasons not related to participant lease violations, the family's status will be reviewed and, if the family is in full compliance with family obligations, the family will be issued a Move Packet.
 - d. The owner must follow state and local laws and must provide the Authority with a copy of the eviction and/or lease termination notice immediately.

J. Required Notice for Lease Termination

- 1. Depending upon the terms of the Lease Agreement, the owner may give the tenant a 30-day (or other period) notice to move.
- 2. Owners are required to follow eviction procedures consistent with their Lease, Addendum to the Lease and HAP contract and must comply with the requirements of Federal, State, and local law.
- 3. Owners must give written notice to the Authority of any legal actions and are required to provide the Authority with copies of all court action papers regarding program participants.
- 4. Provided the owner initiates an eviction action in accordance with the lease, follows all pertinent laws, files all pertinent actions, and supplies the Authority with copies of all pertinent legal documents, the owner is entitled to HAP payment until the family voluntarily moves or is evicted.
- 5. The owner must use the lease termination and/or eviction proceedings as prescribed in the lease and contract:
 - a. The owner can institute court action, using the grounds for eviction cited in the lease; or
 - b. The owner can issue proper notice not to renew the Lease Agreement.
- 6. The owner may not terminate tenancy for the Authority's failure to pay the housing assistance payment.

K. Change in Ownership or Property Management Company

- 1. The Authority must receive a written request from the owner in order to make changes regarding who is to receive the Authority's HAP payment.
- 2. The Authority will process a change of ownership only upon the written request and accompanied by documentation of the title transfer: i.e. recorded deed, legal sale

documents, etc.

L. Termination of Assistance to Participants

Grounds and policy covering Termination are covered in Section X of this Administrative Plan.

Section IX. Special Programs, Features and Options

A. HUD's Special Programs

DHA operates several Section 8 Programs under special allocations and regulations from HUD. Applicants are admitted to these programs based on the special criteria of each program. DHA may, with HUD authorization, establish separate waiting lists or open the waiting list for these programs. When the waiting list is open for target admissions only, DHA shall only accept applications from qualified Applicants.

Applicants are admitted as a special admission when HUD allocates funding that is targeted for specific types of Families. The existing programs are outlined below.

 U.S. Department of Housing and Urban Development – Veterans Administration Supportive Housing Program (HUD-VASH)

The HUD-VASH Program assists homeless veterans and their families based on selection by the local Veterans Administration (VA) Office for participation in the HUD-VASH initiative. The program targets homeless veterans who initially agree to work with the VA Office to receive supportive services to assist with becoming self-sufficient. Under the VASH program, restrictions on assistance to persons with certain drug-related and criminal history problems are waived.

2. Family Unification

Under the Family Unification Program, Applicants are admitted based on referrals from the Child Protective Services Department of the Texas Department of Protective and Regulatory Services (CPS). Families admitted to this program are either in imminent danger of losing their child(ren) to foster care due to the lack of adequate housing, or the lack of housing is the sole reason for continued placement of the child(ren) in foster care. CPS provides supportive services to the participating Families. Following admittance into the Section 8 Program, participants follow all Section 8 rules and regulations

3. Mainstream Housing for Persons with Disabilities

Mainstream tenant-based vouchers are available for Disabled Families. When a voucher under this program becomes available for reissue (e.g., the Family initially selected for the program terminates assistance or is unsuccessful in their search for a unit), DHA shall offer the voucher to the next Applicant with a Disability on DHA's Housing Choice Voucher Waiting List that is eligible to receive assistance under this program. The vouchers will be reissued in this manner until the time designated under the announcement through which the allocation was awarded via an Annual Contributions Contract (ACC) expires.

If there is an insufficient pool of Disabled Families on DHA's Housing Choice Voucher Waiting List, DHA shall conduct outreach to encourage eligible persons to

apply for this special allocation of vouchers. Outreach shall include contacting independent living centers, advocacy organizations for Persons with Disabilities, and social service providers for referrals of persons receiving medical, mental and health services who would benefit from Housing Choice Voucher assistance. Following admittance into the Housing Choice Voucher Program, participants follow all Section 8 rules and regulations.

4. Preservation Program

Preservation vouchers are available under this program for eligible Families residing in an eligible preservation project as defined by **24 CFR Section 248.157 (c)** on the date of the Landlord's prepayment or voluntary termination. Families are offered tenant-based assistance under the Section 8 Program if, as the result of a rent increase no later than one year after the date of the Landlord's prepayment or voluntary termination, the Family's rent exceeds thirty percent (30%) of their adjusted income.

The following conditions are applicable under this program:

- a. Landlord Opt-Outs: Landlords who choose not to renew an expiring Section 8 or Section 23 project-based contract;
- b. Preservation Pre-Payments: Landlords who choose to pre-pay the HUD insured mortgage or voluntarily terminate the mortgage insurance.
- c. HUD Enforcement Actions: HUD terminates the HAP contract or does not offer the Landlord the opportunity to renew the expiring HAP contract for failure to comply with the terms of the contract.
- d. HUD Property Disposition: HUD becomes the Landlord of the property through foreclosure and is either selling or closing the property.

Tenant-Based Vouchers for Disabled Individuals with Medicaid Waivers

DHA shall provide housing opportunities in assisted living facilities for disabled individuals identified by the Social Security Administration (SSA) as being entitled to a Medicaid waiver of medical expenses. The housing assistance allows these individuals to reside in assisted living facilities rather than being moved to nursing homes or other medical facilities.

6. Fair Share Vouchers for Disabled Families

As part of its fair share allocation, DHA received vouchers for use by Disabled Families. When a voucher under this housing opportunity becomes available for reissue (e.g., the Family initially selected for the program drops out or is unsuccessful in their search for housing), the voucher may be used only for the next eligible Disabled Family on the Section 8 Waiting List. If there is an insufficient pool of Disabled Families on the Section 8 Waiting List, DHA shall conduct outreach to encourage eligible Disabled Families to apply. Outreach may include contacting independent living centers, advocacy organization for Persons with Disabilities, and medical, mental health and social service providers for referrals of Persons with Disabilities who would benefit from Housing Choice Voucher assistance. Following admission to the Section 8 program, all other program requirements will apply.

7. Money Follows the Person Initiative

Under this program, DHA will offer vouchers to persons with disabilities who are living in nursing or assisted living facilities simply because the housing at the facility is affordable to permit such persons to live independently in privately-owned apartments. The program is functional because such individual's medical needs can be met through provision of in-home health care.

B. <u>DHA's Special Programs</u>

1. Project-Based Program

DHA shall allocate up to 20% of its tenant-based Housing Choice Vouchers for special programs under HUD's project-based voucher program. DHA administers vouchers that are provided to Families under specified criteria. Families that participate in the Project based Program are eligible to receive a voucher to relocate after one year only if DHA has sufficient funds to cover the cost of the voucher. Families must provide a written request to relocate.

- a. Project-Based Vouchers for Persons with Special Needs: DHA will periodically advertise its intent and solicit Landlords and social service providers to provide housing opportunities for Families with special needs.
- b. Project-Based Vouchers for the Elderly at Roseland Gardens: Participants in the Project-Based Housing for the Elderly includes Families originally displaced from the Roseland Homes development and other one and two person Families with all members 55 years of age or older.
- c. Project-Based Vouchers Assigned under the Walker Agreed Final Judgment: DHA shall maintain for 15 years at least 119 Project Based Section 8 units in Predominantly-White Areas. DHA shall ensure such units are in locations that provide good quality social, recreational, educational, commercial, health care, and municipal facilities and services that are at least equivalent to the social, recreational, educational, commercial, health care, and municipal facilities and services. Each resident household of these 119 Section 8 Project Based units shall be issued a Section 8 Housing Choice Voucher, if, at any time after the initial lease term, the resident household gives DHA written notice requesting the issuance of the voucher and DHA determines it has sufficient funds to cover the cost. DHA shall give each resident household written notice of this right at the time of signing the initial lease.
- d. Permanent Supportive Housing for Homeless and/or Formerly Incarcerated
- e Replacement of ACC

2. Walker Settlement Vouchers

DHA shall administer up to 3,205 Section 8 vouchers pursuant to the <u>Settlement and Stipulation Order filed on March 8, 2001.</u> Administration of these vouchers is described in the <u>Settlement Voucher Implementation Plan</u> approved November 28, 2001 as amended.

C. Shared Housing

DHA permits the use of individual lease shared housing. Regulations governing shared housing are defined in **24 CFR 982.615**, as amended.

Shared housing allows an assisted Family to share a unit with another assisted Family or unassisted individual(s). DHA uses the shared housing feature to meet the need of the elderly, individual adults aging out of foster care, and Persons with Disabilities.

No one is permitted to share housing with relatives who live in the unit.

D. Section 8 Homeownership Program

DHA shall provide Homeownership opportunities for voucher holders. DHA shall allocate up to 10% of vouchers to assist eligible Families in attaining Homeownership. This program is covered in Addendum Number 10 of this Administrative Plan.

Section X. Termination of Assistance

A. Terminations of Families Based on Program Regulations

DHA may terminate the assistance of Families at the family request or for any violation of program rules and family obligations including but not limited to the following reasons:

- 1. Families notify DHA that they wish to voluntarily terminate their assistance.
- 2. No Housing Assistance Payment has been paid on the family's behalf for 180 days (six months).
- 3. No family member certifies to either citizenship or eligible immigration status and does not elect not to contest his/her eligible status.
- 4. Any member of the Family refuses to sign and submit the HUD and DHA required consent form(s) for obtaining information.
- 5. Any family members do not provide their Social Security information and documentation within the time required and specified by the Authority.
- 6. Families move out of their dwelling unit without giving proper written notice to DHA and their Landlord.
- 7. DHA determines the Landlord is entitled to payments due to non-payment of rent, damages, or other amounts owed under the Landlord's lease by the Family, and it is verified that the Family has failed to satisfy any such liability.
- 8. The family has not reimbursed DHA or another PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease, or if the family breaches an agreement with DHA to pay amounts owed.
- 9. A family does not report an increase of income or change of family composition as required by this Administrative Plan.
- 10. The family fails to comply with the requirement to recertify after two notices.
- 11. Any member of the Family has engaged in drug related criminal activity, or violent criminal activity as outlined in Section IV B.

Criminal activity directly relating to domestic violence, dating violence, or stalking shall not be considered cause for termination of assistance for any participant, or immediate member of a participant's family who is the victim of the domestic violence, dating violence, or stalking.

- 12. Any family member is subject to a lifetime registration requirement under a state sex offender registration program.
- 13. Any member of the Family has ever been convicted of manufacturing methamphetamine on the premises of Federally assisted housing.
- 14. Any family member engages in illegal use of a controlled substance.
- 15. Any family member engages in abuse of alcohol in a manner that threatens the health, safety or peaceful enjoyment of the premises by other residents or neighbors.
- 16. Any household member illegally possesses weapons.
- 17. Any member of the Family misrepresents, bribes or commits any other corrupt or criminal act in connection with any federal housing program.
- 18. Any Family member or guest of the Family engages in or threatens abusive or violent behavior toward Authority personnel.
- 19. All members of the Family are absent from the unit for more than 14 consecutive days without PHA and landlord approval.
- 20. A family is has their lease terminated by their landlord as a result of serious or repeated lease violations or is evicted for serious or repeated lease violation(s).
- 21. Any family member who enters into a side payment agreement without DHA's authorization.
- 22. Any family member or guest causes damage to the unit as verified by a DHA inspection.
- 23. Any family member engages in violent physical behavior or fights.
- 24. Any member of the Family has violated any Family Obligation under the Section 8 Program as outlined in **24 CFR 982.551**, as amended.
- 25. Any other HUD-allowed reason.

The Authority may impose, as a condition of continued assistance for other family members, a requirement that the family members who participated in or were culpable for the action or failure will not ever reside in the unit.

B. Participant Termination Notification

In any case where the Authority decides to terminate assistance to the family, the Authority will give both the family and the owner a 30-day written termination notice which states:

- 1. Reasons for the termination;
- 2. Effective date of the termination;
- 3. Family's right to request an informal hearing; and
- 4. Family's responsibility to pay the full rent to the owner if they remain in the assisted unit after the termination effective date.

C. The Violence Against Women Act

 The Violence Against Women and Justice Department Reauthorization Act of 2005 (VAWA) protects Families who are victims of domestic violence, dating violence or stalking. In accordance with PIH Notice 2006-42, DHA will not terminate

assistance if it is determined that criminal activity on the part of any Family member is directly related to domestic violence, dating violence, or stalking of a member of the Family's household or any guest or other person under the Family's control.

VAWA defines domestic violence, dating violence, stalking and immediate family member as the following:

- 2. Domestic Violence: Includes felony or misdemeanor crimes of violence committed by a current or former spouse of the victim, by a person with whom the victim shares a child in common, by a person who is cohabitated with or has cohabited with the victim as a spouse, by a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction receiving grant monies, or by any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction.
- 3. Dating Violence: Violence committed by a person:
 - a. who is or has been in a social relationship of a romantic or intimate nature with the victim; and
 - b. where the existence of such a relationship shall be determined based on a consideration of the following factors:
 - 1) the length of the relationship;
 - 2) the type of relationship; and
 - 3) the frequency of interaction between the persons involved in the relationship.
- 4. Stalking: to follow, pursue, or repeatedly commit acts with the intent to kill, injure, harass, or intimidate; or to place under surveillance with the intent to kill, injure, harass, or intimidate another person; and in the course of, or as a result of, such following, pursuit, surveillance, or repeatedly committed acts, to place a person in reasonable fear of the death of, or serious bodily injury to, or to cause substantial emotional harm to (i) that person; (ii) a member of the immediate family of that person; or (iii) the spouse or intimate partner of that person.
- 5. Immediate Family Member: a spouse, parent, brother, sister, or child of the person, or an individual to whom that person stands in loco parentis (in place of a parent); or any other person living in the household of that person and related to that person by blood or marriage.

DHA will notify landlords and Section 8 participants of the protections provided by VAWA during termination proceedings, Landlord and client briefings, and available information from DHA staff.

Section 8 participants requesting protection from termination or eviction for incidents of actual or threatened domestic violence, dating violence or stalking must complete, sign and submit HUD Form 50066 within 14 business days of notification of the termination or eviction.

D. Terminating DHA HAP payments

 The HAP contract will be terminated and any overpayments of HAP will be recouped on the last day of the month after a tenant has died and no eligible remaining family members are in the unit and/or on the last day of the month after a tenant has vacated the unit, with or without notice to the landlord.

- 2. DHA will use public records to verify the date of death.
- 3. If tenants have abandoned the unit and vacated without written notice to DHA and/or the landlord, DHA will use records such as inspection dates, dates of unit being leased or public utility consumption records to verify last month of occupancy.

Section XI. Informal Hearings

A. Situations in which DHA will offer informal hearings

An **informal hearing** is offered to a participating Family based on the Authority's decision affecting the Family in the Housing Choice Voucher Program in accordance with the procedures described in the following section on Informal Hearings.

The Authority shall give a participant an opportunity for an informal hearing in disputes involving the following determinations:

- 1. the amount of the total tenant payment or tenant rent;
- 2. appropriate utility allowance;
- 3. family unit size under payment standard;
- 4. termination of assistance;

B. <u>Situations in which DHA will not offer informal hearings</u>

The Authority is not required to provide an opportunity for an informal hearing to review Authority determinations:

- 1. that are administrative determinations by the Authority, or to consider general policy issues or class grievances.
- 2. that a unit does not comply with the Authority's Housing Quality Standards, that the owner has failed to maintain or operate a contract unit to provide decent, safe, and sanitary housing in accordance with the Housing Quality Standards (HQS), (including all services, maintenance, and utilities required under the lease), or that the contract unit is not decent, safe, and sanitary because of an increase in family size or change in family composition.
- 3. when Authority wishes to exercise any remedy against the owner under an outstanding contract, including the termination of Housing Assistance Payments to the owner.
- 4. not to approve a family's request for an extension of the term of the Voucher issued to an applicant or an assisted family that wants to move to another dwelling unit with continued participation in the Authority's Housing Choice Voucher Program.

C. Notice to Participant

- 1. The Authority shall give the participant prompt written notice of the decision made regarding the above stated issues.
- 2. The written notice shall contain a brief statement of the reasons for the decision, and a statement that if the participant does not agree with the decision, she/he may request an informal hearing on the decision within ten (10) calendar days from the date of the notice.

- 3. If the request for an Informal Hearing is not submitted timely, the participant will have waived his/her right to request an informal hearing.
- 4. If an informal hearing request is submitted within the required timeframe, the Authority will timely schedule the informal hearing and send written notice to the client.
- 5. The written notice shall contain the date, time, and place where the informal hearing will be conducted.
- 6. The informal hearing shall occur prior to the date of termination of housing assistance payments unless the tenant has already vacated the unit.
- 7. If the informal hearing cannot be held before the scheduled date of termination of assistance, assistance will be paid until the hearing has been held and a decision rendered.

D. The Hearing Officer

- 1. The Authority will designate a hearing officer(s) to conduct the informal hearing.
- 2. The hearing officer shall be a person other than a person who made or approved the decision under review, or a subordinate of such person.

E. Rights of the Participant

Section XII. Process for Program Reduction

DHA will adopt measures at the direction of the President and CEO to manage program operations within the guidelines of HUD's regulations and within the funding HUD makes available.

As a last resort, DHA will terminate HAP contracts, in accordance with HUD requirements, if it is determined that funding appropriated under the consolidated Annual Contributions Contract (ACC) is insufficient to support continued assistance for Families in the program. 24 CFR § 982.454.

C. Anticipating Annual Income 24 CFR § 5.609(d)

If it is not feasible to anticipate income for a 12-month period, the Authority may use the annualized income anticipated for a shorter period, subject to an Interim Adjustment at the end of the shorter period. (This method would be used for school bus drivers or classroom aides who are only paid for 9 months, or for tenants receiving unemployment compensation.)

D. Adjusted Income 24 CFR § 5.611

Adjusted Income (the income upon which income-based rent is based) means Annual Income less the following deductions:

For All Families

- 1. Child Care Expenses A deduction of amounts anticipated to be paid by the family for the care of children under 13 years of age for the period for which Annual Income is computed, BUT ONLY when such care is necessary to enable a family member to be gainfully employed, to seek employment or to further his/her education. Amounts deducted must be unreimbursed expenses and shall not exceed: (a) the amount of income earned by the family member released to work; or (b) an amount determined to be reasonable by DHA when the expense is incurred to permit education or to seek employment.
- 2. Dependent Deduction An exemption of \$480 for each member of the family residing in the household (other than the head of household, or spouse, Live-in Aide, foster adult or foster child) who is under eighteen years of age or who is eighteen years of age or older and disabled, or a full-time student.
- 3. Work-related Disability Expenses/Disability Assistance Allowance a deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s) freed to work.
 - Equipment and auxiliary apparatus may include but are not limited to: wheelchairs, lifts, reading devices for the visually impaired, service animals, and equipment added to cars and vans to permit their use by the disabled family member. Also included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.
 - a. For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income, provided the amount so calculated does not exceed the employment income earned.
 - b. For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income (provided the amount so calculated does not exceed the employment income earned) PLUS medical expenses as defined below.

For elderly and disabled families only:

4. Medical Expense Deduction — A deduction of unreimbursed Medical Expenses, including insurance premiums, anticipated for the period for which Annual Income is computed.

Medical expenses include but are not limited to: services of physicians and other health care professionals, services of health care facilities, health insurance premiums (including the cost of Medicare), prescription and non-prescription medicines, transportation to and

from treatment, dental expenses, eyeglasses, hearing aids and batteries, attendant care (unrelated to employment of family members), and payments on accumulated medical bills. To be considered by DHA for the purpose of determining a deduction from income, the expenses claimed must be verifiable.

- a. For elderly or disabled families without work-related disability expenses: The amount of the deduction shall equal total medical expenses less three percent of annual income.
- b. For elderly or disabled families with both work-related disability expenses and medical expenses: the amount of the deduction is calculated as described in paragraph 3 (b) above.
- 5. Elderly/Disabled Household Exemption An exemption of \$400 per household. See Definitions in the next section.

E. Computing Rent 24 CFR § 5.628

- 1. Total Tenant Payment (TTP)
 - a. The first step in computing income-based rent is to determine each family's Total Tenant Payment.
 - b. Then, if the family is occupying an apartment that has tenant-paid utilities, the Utility Allowance is subtracted from the Total Tenant Payment.
 - c. The result of this computation, if a positive number, is the Tenant Rent.
 - d. If the Total Tenant Payment less the Utility Allowance is a negative number, the result is the utility reimbursement.
- 2. Total Tenant Payment is the higher of:
 - 30% of adjusted monthly income; or
 - 10% of monthly income; but never less than the
 - Minimum Rent of \$50.

3. Tenant rent

- a. Tenant rent is computed by subtracting the utility allowance for tenant supplied utilities (if applicable) from the Total Tenant Payment.
- b. In developments where the landlord pays all utility bills directly to the utility supplier, Tenant Rent equals Total Tenant Payment. 24 CFR § 5.634

4. Rent to Landlord

- a. Rent to landlord is the greater of:
 - The Payment Standard less the landlord's Housing Assistance Payment; or.
 - The Gross Rent less the landlord's Housing Assistance Payment

5. Minimum Rent

The Minimum Rent shall be \$50 per month.

6. Minimum rent hardship exemption

A hardship exemption shall be granted to residents who can document that they are unable to pay the \$50 because of a long-term hardship (over 90 days). Examples of situations

under which residents would qualify for the hardship exemption to the minimum rent are limited to the following: 24 CFR § 5.630

- a. The family has lost eligibility for or is applying for an eligibility determination for a Federal, State or local assistance program;
- b. The family would be evicted as result of the imposition of the minimum rent requirements;
- c. The income of the family has decreased because of changed circumstances, including loss of employment;
- d. A death in the family has occurred;

Being exempted from paying minimum rent does not mean the family automatically pays nothing. Instead, the family is required to pay the greater of 30% of Adjusted Monthly Income or 10 percent of monthly income

Live-in Aides (Definition #35) may also be considered part of the applicant's/participant's household. However, live-in aides are not family members (even if related) and have no rights as "remaining family members".

Foster Care Arrangements include situations in which the family is caring for a foster adult, child or children in their home who have been placed there by a public child placement agency, or a foster adult or adults placed in the home by a public adult placement agency. These individuals are household members but are not family members and have no rights as "remaining family members".

For purposes of continued occupancy: the term family also includes the remaining member of a resident family with the capacity to execute a lease.

26. Foster Adult – An adult (usually a person with disabilities) who is placed in someone's home by a governmental agency so the family can help with his/her care. Foster adults may be members of DHA households, but they have no rights as remaining family members. The income received by the family for the care of a Foster Adult is excluded from Annual Income.

- 27. <u>Full-Time Student -</u> A person who is carrying a subject load that is considered full-time for day students under the standards and practices of the educational institution attended. Educational institution shall include but not be limited to: college, university, secondary school, vocational school or trade school. **24 CFR 5.603**
- 28. <u>Guest –</u> For the purposes of resident selection and lease enforcement, a guest is a person temporarily staying in the unit with the consent of the resident or other member of the household who has express or implied authority to so consent on behalf of the resident. **24CFR § 5.A**

- 31. Imputed Welfare Income The amount of Annual Income by which a resident's welfare grant has been reduced because of welfare fraud or failure to comply with economic self-sufficiency requirements that is, nonetheless, included in Annual Income for determining rent. 24 CFR § 5.615(b)
- 32. Individual with Disabilities, Section 504 definition 24 CFR § 8.3

Section 504 definitions of Individual with Handicaps and Qualified Individual with disabilities are not the definitions used to determine program eligibility. Instead, use the definition of "Person with Disabilities" as defined later in this section. Note: the Section 504, Fair Housing, and Americans with Disabilities Act (ADA) definitions are similar. ADA uses the term "individual with a disability".

Individual with disabilities means any person who has:

A physical or mental impairment that:

- a. substantially limits one or more major life activities;
- b. has a record of such an impairment; or
- c. is regarded as having such an impairment.

For purposes of housing programs, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

Definitional elements:

____"physical or mental impairment" means any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

Any mental or psychological disorder, such as mental retardation, organic brain syndrome, emotional or mental illness, and specific learning disabilities. The term "physical or mental impairment" includes, but is not limited to, such diseases and

conditions as orthopedic, visual, speech and hearing impairments, cerebral palsy, autism, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, mental retardation, emotional illness, drug addiction and alcoholism.

"Major life activities" means functions such as caring for one's self, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working.

"Has a record of such an impairment" means has a history of, or has been misclassified as having, a mental or physical impairment that substantially limits one or more major life activities.

"Is regarded as having an impairment" means has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation; or

Has a physical or mental impairment that substantially limits one or more major life activities only as result of the attitudes of others toward such impairment; or

Has none of the impairments defined in this section but is treated by a recipient as having such an impairment.

NOTE: A person would be covered under the first item if DHA refused to serve the person because of a perceived impairment and thus "treats" the person in accordance with this perception. The last two items cover persons who are denied the services or benefits of DHA's housing program because of myths, fears, and stereotypes associated with the disability or perceived disability.

The 504 definition of disability does not include homosexuality, bisexuality, or transvestitism. Note: These characteristics do not disqualify an otherwise disabled applicant/resident from being covered.

The 504 definition of individual with disabilities is a civil rights definition. To be considered for admission to public housing a person must meet the program definition of person with disabilities found in this section.

- 33. <u>Kinship care -</u> an arrangement in which a relative or non-relative becomes the primary caregiver for a child or children but is not the biological parent of the child or children. - 34. <u>Live-in Aide A person</u> who resides with an elderly person(s), near elderly person(s) or person(s) with disabilities and who: (a) is determined by DHA to be essential to the care and well-being of the person(s); (b) is not obligated to support the family member; and (c) would not be living in the apartment except to provide the necessary supportive services **24 CFR 5.403**

A family member, can qualify as a live-in aide, although a family member who already lives with the family cannot qualify as a live-in aide since they are already living in the unit.

Before admitted a live-in aide to an HCV family, DHA shall verify through a qualified medical practitioner:

a. That the person requesting the live-in aide meets the definition in the Section of "individual with a disability; and

- b. The live-in aide is needed because of the family member's disability; and
- c. That the live-in aide selected (whether a family member or not) is capable of providing the services the family member with a disability needs.

Examples of such costs are: brokerage or legal fees, settlement costs for real property, or penalties for withdrawing saving funds before maturity.

Net Family assets also include the amount in excess of any consideration received for assets disposed of by an applicant or resident for less than fair market value during the two years preceding the date of the initial certification or reexamination. Housing Choice Voucher Program Administrative Plan

Introduction

The Dallas Housing Authority (DHA) administers a variety of tenant-based, project-based and grant programs under Section 8 of the 1937 Housing Act. Administration of these programs complies with the U.S. Department of Housing and Urban Development (HUD) regulations for the Section 8 Program, as set forth in title 24 of the Code of Federal Regulations (CFR), Part 982 and 983 et al. DHA complies with all federal, state and local housing laws. Definitions of terms used in this Administrative Plan are found in the last section of this Plan,

Purpose of the Administrative Plan

The Administrative Plan establishes policies for functions and operations that are not governed by Federal regulations for the Housing Choice Voucher Program and other special programs administered by the Authority. Policies related to the Authority's Family Self Sufficiency (FSS) Program are included in a separate document, the FSS Action Plan, and are not part of this document.

The Administrative Plan, hereinafter referred to as the "Plan", covers both admission to and continued participation in the abovementioned programs.

Only DHA's Board of Commissioners is authorized to approve changes to the Plan. The Authority is responsible for complying with all subsequent changes in HUD regulations pertaining to the programs administered by the Authority. If such changes conflict with this Plan, HUD regulations take precedence. When circumstances not addressed by provisions in this Plan arise, they will be reviewed on a case-by-case basis and appropriate actions will be taken as warranted. These actions will be documented by the Vice President of Voucher Programs and/or the Director. If a conflict arises between or among the regulations identified in this Plan, the regulations specifically promulgated for the applicable program will take precedence.

By the adoption of this Administrative Plan, the Board of Commissioners authorizes the CEO to make HUD-authorized charges (see **24 CFR § 982.155**) against the administrative fee reserve.

DHA staff shall develop (and revise when needed) operating procedures, systems, forms and methods designed to ensure that the policies set forth in this Administrative Plan are administered correctly, fairly and uniformly by all program staff.

Section I. Special Conditions & Objectives of the Section 8 Program

A. Special Conditions and Arrangements

 Debra Walker et al. v. HUD et al.: DHA will administer the Walker Settlement Program as required by the United States District Court of the Northern District of Texas, Dallas Division through the Settlement Stipulation and Order, March 8, 2001. This program is covered in full in Addendum 8. DHA will administer the obligations set out in the Agreed Final Judgment approved by the United States District Court signed December 21, 2004.

2. Public Housing Desegregated Housing Opportunities: DHA shall provide each Class Member leasing a public housing unit the opportunity to be placed on the Section 8 Waiting List if DHA is accepting Section 8 applications. If DHA is not accepting new applications for its Housing Choice Voucher (HCV) program at the time an Applicant leases a public housing unit, DHA will inform the Applicant in writing of his/her right to apply for the HCV program when the program waiting list opens.

B. Objectives of Section 8 Programs

DHA's objective in administering the Housing Voucher programs is to provide decent, safe and sanitary affordable housing to low-income Families otherwise unable to obtain adequate housing. The number of Families served is limited by the number of vouchers and funding available, DHA's budget and the availability of adequate housing.

The Section 8 Program provides participating Families with greater choice of housing opportunities by subsidizing rental payments to private Landlords. Through this program, DHA helps low-income Families obtain quality housing within DHA's geographical jurisdiction, which includes all cities located in whole or in part in Dallas County, the City of Plano and Red Oak, Texas as well as Collin, Denton, Rockwall, Ellis, Kaufman, Tarrant and Ellis Counties.

Through program administration, DHA shall:

- 1 ensure eligibility and correct family share of rent for participating Families;
- 2. ensure Housing Quality Standards are enforced;
- ensure no more than reasonable rents are paid for all units under contract in the Section 8 Program;
- 4. offer all current and future Section 8 Program Families counseling and referral assistance on the following priority basis:
 - a. all Section 8 Families residing in a unit in which payment to the Landlord is abated because of a failed inspection; and
 - b. all other Section 8 Families.
- 5. make every effort to assist a substantial percentage of its Section 8 Families to find units in low-poverty neighborhoods; and
- 6. limit occupancy of DHA's voucher Families to no more than 30% of the total number of units at any apartment community, except when the owner has demonstrated the ability to manage the complex effectively and adhere to Housing Quality Standards.

Section II. Fair Housing and Equal Opportunity

A. Nondiscrimination and Affirmatively Furthering Fair Housing

The Authority affirmatively furthers Fair Housing and works to remove impediments to Fair Housing in the administration of the program by complying fully with all Federal,

State, and local nondiscrimination laws and administers programs in accordance with the rules and regulations governing Fair Housing and Equal Opportunity in housing, and marketing the program to members of protected classes who are "least likely to apply".

The Authority shall not discriminate against any applicant, participant, or landlord because of race, color, national or ethnic origin or ancestry, religion, sex, age, disability, sexual orientation, gender identity, source of income, marital status or presence of children in a household (protected classes); nor will any criteria be applied, or information be considered pertaining to attributes or behavior that may be imputed by some to a particular group or category. The Authority shall not deny any family the opportunity to apply for housing (when the waiting list is open) or deny any eligible applicant the opportunity to lease a housing unit that meets family needs and program requirements.

B. Applicable Federal Laws and Regulations

Federal laws require PHAs to treat all applicants and participants equally, providing the same quality of service, regardless of family characteristics and background. The DHA will comply fully with all federal, state, and local nondiscrimination laws, and with rules and regulations governing fair housing and equal opportunity in housing and employment, including:

- 1. Title VI of the Civil Rights Act of 1964
- 2. Title VIII of the Civil Rights Act of 1968 (as amended by the Community Development Act of 1974 and the Fair Housing Amendments Act of 1988)
- 3. Executive Order 11063
- 4. Section 504 of the Rehabilitation Act of 1973
- 5. The Age Discrimination Act of 1975
- 6. Title II of the Americans with Disabilities Act (to the extent that it applies, otherwise Section 504 and the Fair Housing Amendments govern)
- 7. Violence Against Women Reauthorization Act of 2005 (VAWA)
- 8. Equal Access to Housing in HUD Programs Regardless of Sexual Orientation or Gender Identity
- 9. Affirmatively Furthering Fair Housing requirements

When more than one civil rights law applies to a situation, the laws will be read and applied together.

DHA will honor and comply with any applicable state laws or local ordinances and any legislation protecting individual rights of tenants, applicants, or staff that may subsequently be enacted so long as such laws or ordinances do not conflict with Federal laws.

C. Equitable Treatment

The DHA will not use membership in any protected class to:

1. Deny to any family the opportunity to apply for housing, nor deny to any qualified

applicant the opportunity to participate in the Housing Choice Voucher program

- 2. Provide housing that is different from that provided to others¹
- 3. Subject anyone to segregation or disparate treatment
- 4. Restrict anyone's access to any benefit enjoyed by others in connection with the housing program
- 5. Treat a person differently in determining eligibility or other requirements for admission
- 6. Steer an applicant or participant toward or away from a particular area based any of these factors
- 7. Deny anyone access to the same level of services
- 8. Deny anyone the opportunity to participate in a planning or advisory group that is an integral part of the housing program
- 9. Discriminate in the provision of residential real estate transactions
- 10. Discriminate against someone because they are related to or associated with a member of a protected class
- 11. Publish or cause to be published an advertisement or notice indicating the availability of housing that prefers or excludes persons who are members of a protected class.

D. Providing Information to Families and Owners

- 1. The DHA will ensure that families and owners are fully aware of all applicable civil rights laws and regulations. As part of the briefing process, the DHA will provide information to applicant families about civil rights requirements and the opportunity to rent in a broad range of neighborhoods. 24 CFR 982.301
- 2. The Housing Assistance Payment (HAP) contract informs owners of the requirement not to discriminate against any person because of race, color, religion, sex, national origin, age, familial status, sexual orientation, gender identity, or disability in connection with the contract.

E. Discrimination Complaints

- 1. If an applicant or participant believes that any family member has been discriminated against by DHA or an owner, the family should advise DHA.
- 2. HUD requires DHA to make every reasonable attempt to determine whether the applicant's or participant's assertions have merit and take any warranted corrective action.
- 3. In addition, the Authority will provide information to applicants and participants regarding housing discrimination complaints in the family briefing session and program packets. Information includes referrals to the City of Dallas's Fair Housing

_

¹ Except when needed to provide person with disabilities special services to achieve equal access to programs.

- Office, the Texas Human Rights Commission, the HUD Office of Fair Housing & Equal Opportunity, and low cost legal service provided through the Legal Services and Dallas County Dispute Resolution Center.
- All applicable Fair Housing Information and Discrimination Complaint Forms will be made available to applicants and participants, including form HUD-903 or form HUD-903A.

F. Reasonable Accommodations for People with Disabilities

- 1. DHA, as a public agency that provides low rent housing to eligible families, has a legal obligation to provide "reasonable accommodations" to applicants and participants if they or any family members have a disability. 24 CFR § 8.4
- 2. An applicant or participant with a disability may request information or an accommodation by contacting the Dallas Housing Authority at 3939 N. Hampton Rd, Dallas, Texas 75212 or by telephone by calling 214-951-8348 or TTY: 800-735-2989, 214-951-8367, or by email at 504ADA@dhadal.com
- 3. A reasonable accommodation is a modification or change DHA can make to its offices, methods or procedures to assist an otherwise eligible applicant or participant with a disability to take full advantage of and use DHA's programs, including those that are operated by other agencies in DHA-owned public space. 24 CFR § 8.20
- 4. An accommodation is not reasonable if it: 24 CFR § 8.21(b) and 24 CFR § 8.24(a)(2)
 - a. Causes an undue financial and administrative burden; or
 - b. Represents a fundamental alteration in the nature of DHA's program.
- 5. Subject to the undue burdens and fundamental alterations tests, DHA will correct physical situations in its offices or procedures that create a barrier to equal housing opportunity for all.
- 6. To permit people with disabilities to take full advantage of the DHA's housing program and non-housing programs, in accordance with Section 504 and the Fair Housing Amendments Act of 1988, DHA shall comply with all requirements and prohibitions in applicable law.
- 7. Specific actions are described in the *Procedures on Civil Rights and Disability Rights* and the *Procedure on Reasonable Accommodations for Applicants and Section 8 Participants*. **24 CFR § 8.4**
- 8. Facilities and programs used by applicants and participants shall be accessible to persons in wheelchairs, persons with sensory impairments and other persons with disabilities. Application and administrative offices, hearing rooms, etc. will be usable by residents with a full range of disabilities. 24 CFR § 8.21
- 9. Documents and procedures used by applicants and residents will be accessible for those with vision, hearing or other sensory impairments. Also, all documents will be written simply and clearly to enable applicants with learning or cognitive disabilities to understand as much as possible. Methods used to ensure that communication is understandable by persons with disabilities are described in the *Procedure on Civil Rights and Disability Rights*. 24 CFR § 8.6

- 10. Examples of reasonable accommodations include, but are not limited to: 24 CFR § 8.4
 - a. Making alterations to a DHA office or administrative facility to make it fully accessible so it could be used by a family member with a wheelchair;
 - b. Permitting applications and reexaminations to be completed by mail when it is difficult for them to come to DHA offices because of a disability;
 - c. Conducting home visits instead of requiring applicants and participants to come to DHA offices:
 - d. Using higher payment standards (either within the acceptable range, as an exception to the current payment standard up to 110 percent of the payment standard, or with HUD approval, of a payment standard above 110 percent of the payment standard) if the DHA determines this is necessary to enable a person with disabilities to obtain a housing unit equivalent to those available to families without disabled members:
 - e. Providing time extensions to locate a unit when needed because of lack of accessible units or special challenges of the family in seeking a unit;
 - f. Permitting an authorized designee or advocate to participate in the application or certification process and any other meetings with DHA staff;
 - g. Displaying posters and other housing information in locations throughout DHA's office in such a manner as to be easily readable from a wheelchair;
 - h. Permitting a participant to move from an apartment that cannot be made accessible to an apartment that is or can be made accessible, even when most moves are not permitted;
 - i. Widening the door of a DHA-owned community room or public restroom so a person in a wheelchair may use the facility:
 - j. Intervening with a landlord so that he/she will permit a participant with a disability to make unit modifications as permitted by the Fair Housing Act.
 - k. Making sure that DHA processes are understandable to applicants and residents with sensory or cognitive impairments, including but not limited to: 24 CFR § 8.6
 - 1) Making large type documents, Braille documents, cassettes or a reader available to an applicant or resident with a vision impairment during interviews or meetings with DHA staff;

 - Permitting an applicant or resident to be accompanied or represented by a family member, friend or advocate at all meetings and interviews with DHA if the individual desires such representation;
 - 4) Permitting an outside agency or individual to assist an applicant with a disability to meet the DHA's applicant screening criteria.
- 11. An applicant family that has a member with a disability must still be able to meet

essential obligations of tenancy. They must be able 24 CFR § 8.3

- a. to pay rent and other charges (e.g. utility bills) as required by the lease in a timely manner:
- b. to care for and avoid damaging the unit and common areas;
- c. to use facilities and equipment in a reasonable way;
- d. to create no health, or safety hazards, and to report maintenance needs;
- e. not to interfere with the rights and peaceful enjoyment of others, and to avoid damaging the property of others;
- f. not to engage in prohibited criminal activity that threatens the health, safety or right to peaceful enjoyment of the premises by other residents or staff; and not to engage in drug-related criminal activity; and
- g. to comply with necessary and reasonable rules and program requirements of HUD and the DHA.

There is no requirement that members with a disability be able to do these things without assistance. If an applicant or resident family member needs assistance with one of the essential obligations of tenancy, DHA will, as a reasonable accommodation, make a referral to an individual or agency that can provide such assistance. 24 CFR § 8.20

- 12. If an applicant or resident receives a referral to an agency or individual who can assist the applicant or resident with complying with the essential obligations of tenancy, the applicant or resident is not obligated to accept the service, but if refusing service results in a lease violation(s), the Landlord may terminate the lease and DHA may terminate assistance. 24 CFR § 8.2
- 13. An applicant or resident family with a member who has a disability and needs or wants a reasonable accommodation may request it at any time prior to a specified due date or prior to the termination or withdrawal of assistance. 24 CFR § 8.20
- 14. If an applicant or resident would prefer not to discuss the situation with the DHA, that is his/her right.

G. Denial or Termination of Assistance

DHA's decision to deny or terminate the assistance of a family that includes a person with disabilities is subject to consideration of reasonable accommodation. 24 CFR 982.552 (2)(iv)

- 1. When applicants with disabilities are denied assistance, the notice of denial must inform them of DHA's informal review process and their right to request a review areview. In addition, the notice must inform applicants with disabilities of their right to request reasonable accommodations to participate in the informal review process. The process for requesting an Informal review is outlined in this document.
- 2. When a participant family's assistance is terminated, the notice of termination must inform them of DHA's informal hearing process and their right to request a hearing and reasonable accommodation before the effective termination date.

- 3. When reviewing reasonable accommodation requests submitted before termination of assistance, the DHA must consider whether any verifiable mitigating circumstances explain and overcome the problem that led to DHA's decision to deny or terminate assistance. If a reasonable accommodation will meet the requirements, DHA must make the accommodation. DHA cannot undertake actions that violate HUD regulations. This would, by definition, cause a fundamental alteration in the nature of DHA's program.
- H. <u>Providing Information in Languages other than English for persons with Limited English Proficiency</u>
 - For persons with Limited English Proficiency (LEP), language can be a barrier to accessing important benefits or services, understanding and exercising important rights, complying with applicable responsibilities, or understanding other information provided by the HCV program.
 - 2. In certain circumstances, failure to ensure that LEP persons can effectively participate in or benefit from federally-assisted programs and activities may violate the prohibition under Title VI against discrimination on the basis of national origin.
 - 3. The DHA will take affirmative steps to communicate with people who need services or information in a language other than English. These persons will be referred to as Persons with Limited English Proficiency.
 - 4. DHA's Procedure on Communication with Persons with Limited English Proficiency describes the specific methods DHA will use to accomplish this policy.
 - a. All forms, written materials and recorded voice-mail messages used to communicate with prospective applicants, applicants and residents shall be available in any language spoken by the lower of 1000 eligible families or five percent of the eligible population of Dallas. This includes documents related to intake, marketing, outreach, certification, reexamination and inspections.
 - b. Applicants and residents with low English comprehension may furnish an interpreter to assist in communication with DHA. When an applicant or resident needs interpretation services and a staff member of the Authority speaks the language needed, the staff member will provide translation services.
 - c. In a courtroom, a hearing, or situations in which health, safety, or access to important benefits and services are at stake, the DHA will generally offer, or ensure that the family is offered through other sources, competent services free of charge to the LEP person.
 - d. The DHA will provide written translations of other vital documents for each eligible LEP language group that constitutes 5 percent or 1,000 persons, whichever is less, of the population of persons eligible to be served. Translation of other documents, if needed, can be provided orally.

Section III General Administrative Provisions of Program Operation

A. Quality Control and Analysis of Data

- 1. Under the Section 8 Management Assessment Program (SEMAP), HUD requires the DHA to review a random sample of tenant records annually to determine if the records conform to program requirements and to conduct quality control inspections of a sample of units to ensure HQS compliance [24 CFR, Part 985]. DHA shall routinely exceed the number and percentage of quality control monitoring actions required by HUD by reviewing every staff member's work to regularly check for completeness, accuracy and compliance with both HUD's program regulations and quidance and this Administrative Plan.
- DHA will use the results reported in any Independent Public Accountant (IPA) or HUD monitoring reports to identify potential program abuses as well as to assess the effectiveness of the DHA's error detection and abuse prevention efforts. In addition, DHA will use this information to design and target training designed to prevent future errors.
- 3. DHA will review all referrals, specific allegations, complaints, and tips from any source including other agencies, companies, and individuals, to determine if they warrant investigation. In order for the DHA to investigate, the allegation must contain at least one independently-verifiable item of information, such as the name of an employer or the name of an unauthorized household member.
- 4. DHA will investigate inconsistent information related to the family that is identified through file reviews and the verification process.

B. Privacy Rights of Clients

All adult members of applicant and participant families are required to sign the Federal Privacy Act Statement, HUD form 9886, at admission and every recertification thereafter, in conjunction with the HUD 50058 form, which states the conditions under which HUD will release information. Requests for information must be accompanied by a written Release of Information Request signed by the applicable party in order for the Authority to release any information involving an applicant or participant, unless disclosure is authorized under Federal or State law. The Authority may release information requested by court subpoena.

Client information is confidential. Current and forwarding address information, and family members claimed in the household, will be released to Police Officials upon the Authority obtaining official identification. To the extent permitted by law, owner information regarding program participation is confidential.

DHA is required to verify information on income, qualification for deductions from income and preferences. Such verifications shall be obtained as described in the **Procedure on Verification of Information**. All applicant and participant files are treated as confidential and handled in accordance with the **Procedure on File Security**.

C. Legal Jurisdiction of the DHA's Programs

The Authority's area of operation is the area geographically defined as any city in whole or in part in the following counties: Collin, Dallas, Denton, Ellis, Kaufman, Rockwall, and Tarrant.

D. Compliance with Federal Rules and Regulations

Issues not addressed in this document related to applicants, participants and owners are governed by the Department of Housing and Urban Development Code of Federal Regulations, HUD handbooks, memoranda, circulars, and notices, or other applicable law.

E. Records Retention

Files for past participants leaving no balance owed the program will be maintained for three years. Files for past participants leaving with a balance owed the Authority will be retained indefinitely until the balance is cleared, whether or not the balance has been written off. Litigation voucher participant and applicant files are retained indefinitely regardless of participation status.

F. Eligible Types of Housing

The following types of rental housing units may be assisted in the Housing Choice Voucher program (unless designated otherwise) depending on the needs of applicants and participants:

- 1. Single family detached homes, duplexes, low-rise, garden apartments, condominiums, townhouses, high-rises, and other multi-family rental housing structures:
- 2. Manufactured homes in which the tenant leases the mobile home and the pad;
- 3. Manufactured homes in which the tenant owns the mobile home and leases the pad;
- 4. Independent Group Residences;
- 5. Congregate or Shared Housing;

Hotels, motels, nursing homes, college or school dormitories, other types disallowed by HUD regulations, or a unit occupied by its owner or a person with any interest in the dwelling unit (other than units in the HCV homeownership program, or approved Reasonable Accommodation request), are not eligible types of housing in the HCV program.

G. Continuously Assisted Families

An applicant is continuously assisted under the 1937 Housing Act if the family is already receiving assistance or was receiving assistance in the past 90 days under any 1937 Housing Act program when the family is admitted to the Housing Choice Voucher program. As noted below, families being relocated from the Authority's public housing have first priority for vouchers and qualify as continually assisted. In addition, families assisted under the U.S. Housing Act (including all families occupying units in properties receiving Section 8 project-based assistance) are considered continually assisted. All such families are treated in the regulations (at 24 CFR § 982.203) as "special (non-waiting

list) admissions".

When continuously assisted families face loss of housing assistance either because the owner of the property in which they live chooses not to renew a subsidy contract or because the property must be vacated for demolition, conversion to a new use, sale or total rehabilitation, such families may receive vouchers as continuously assisted families (and special non-waiting list admissions).

H. Management Assessment Objectives

The Authority operates its housing assistance program with efficiency and uses resources in a manner that reflects commitment to quality and service. The Authority's policies and practices are consistent with the goals and objectives of the following HUD SEMAP indicators and any other such indicators as HUD's regulations are amended.

- 1. Selection from the Waiting List
- 2. Rent Reasonableness
- 3. Determination of Adjusted Income
- 4. Utility Allowance Schedule
- 5. HQS Quality Control Inspections
- 6. HQS Enforcement

- 10. Correct Tenant Rent Calculations
- 11. Pre-Contract HQS Inspections
- 12. Annual HQS Inspections

- 14. Family Self-Sufficiency Enrollment and Escrow
- 15. Deconcentration Bonus Indicator

In order to demonstrate compliance with HUD and other pertinent regulations, the Authority will maintain records, reports and other documentation for a time that is in accordance with HUD requirements and in a manner that will allow an auditor, housing professional or other interested party to monitor the Authority's operational procedures and practices objectively and accurately.

In addition to the SEMAP factors above, to ensure quality control, supervisory staff performs random audits of all Housing Choice Voucher actions.

I. Outreach to Eligible Families, Affirmative Marketing

The Authority reserves the right to open or close the lottery pool based on the supply of available vouchers and applicants and in accordance with its **Procedure on Opening**

and Closing the Waiting List. The Authority publicizes and disseminates information concerning the availability and nature of housing assistance to income eligible families.

To reach families from all backgrounds, the Authority advertises through a wide variety of sources including: daily and local newspapers, minority media, service agencies, and broadcast media. An effort will be made to notify elected officials, government agencies, and agencies that specifically address the needs of individuals with disabilities and any other members of protected classes who may be proportionally underserved by the Program. The Authority will continuously monitor and evaluate outreach activities to ensure that the widest possible audience is reached. See the Authority's **Procedure on Affirmative Marketing**.

J. Owner Outreach

- Outreach to property owners is conducted on an ongoing basis to develop interest in the program and to increase the number of units available in low-poverty areas. On a continuing basis, the Authority welcomes the participation of owners of decent, safe, and sanitary housing units.
- 2. The Authority continually makes personal contact with private property owners, property managers, and real estate agencies. Program requirements are explained and printed material is offered to acquaint the owner with opportunities available through the program. The Authority maintains a list of interested property owners and units available for the program, and prospective owners are sent an information packet. Upon receipt of an owner listing, the unit information is recorded in an automated database and made available to all applicants and participants.
- 3. The Authority will make an effort to contact and encourage local property owners with units specially designed or adapted for persons with mobility impairments and other disabilities and those who may be willing to adapt units to participate in the program. Whenever a property owner makes a unit available for the program, DHA will inquire as to whether the unit is accessible and the extent of the accessibility.

K. Owner Outreach in Low Poverty Areas

The Authority encourages program participation by owners of units located outside areas of poverty or minority concentration. The Authority periodically evaluates the demographic distribution of assisted families as it relates to HUD and Census data to identify areas within the jurisdiction where owner outreach should be targeted. The purpose of these activities is to provide better housing opportunities to families. Voucher holders are informed of the full range of areas where they may lease units inside the Authority's jurisdiction and are given a list of owners who are willing to lease units outside areas of poverty or minority concentration.

The Authority's Mobility Counseling (MC) program increases the opportunity and choice among Housing Choice Voucher recipients. MC is a process that guides Housing Choice Voucher holders to move from a high-poverty neighborhood into a low-poverty neighborhood. MC identifies multiple resources available in the new community that will aid in alleviating some of the transitional difficulties families might face.

The Authority provides the following to Housing Choice Voucher holders:

- 1. Information on general locations and characteristics of neighborhoods including: shopping centers, light rail lines, bus lines, etc.
- 2. A listing of available rental property. The list is updated weekly and states: address, amenities, deposit information, etc. as provided by owners.
- 3. A list of properties/owners who accept Section 8 is available on-line at www.gosection8.com, www.realtor.com, and/or upon request.
- 4. A description of portability provisions available in the Housing Choice Voucher program.
- A map that identifies areas of low poverty and minority concentrations within the City
 of Dallas and the Greater Dallas Metropolitan Area that are areas of low poverty and
 minority concentrations.

For more detailed information regarding the Authority's Mobility Counseling Program, refer to the Mobility Counseling Program guidelines and procedures.

L. The Family Self Sufficiency Program

The Family Self Sufficiency (FSS) program coordinates the delivery of assisted housing with existing supportive services such as medical assistance, education, job counseling, job training, childcare and transportation. (For further information, please see the Authority's FSS Action Plan)

M. The Homeownership Program

Policies related to the Authority's Home Ownership Program are included in a separate document, entitled, **HOMEOWNERSHIP PLAN**, and incorporated in this Plan as **ATTACHMENT V**.

N. <u>The Project-based Assistance Program</u>

The Authority reserves the right to implement and modify as needed a Project Based Assistance program, utilizing up to the HUD-approved number of DHA project based vouchers. For detailed information regarding the Project Based Assistance Voucher Program, please see the **Procedure on Project Based Programs**.

Section V. Admitting Applicants to the Voucher Program

A. When Applications are Accepted

Applications for the Section 8 Program are accepted periodically when the number of applicants already on the waiting list are insufficient to fill projected slots in the coming 12 months. Specific dates, times and locations for accepting non-preference applications are announced by public notice in area newspapers, on local radio stations and posted in DHA Administrative Offices.

B. How the Waiting List is Organized

DHA will use a lottery system to place families on the HCV Waiting List. When using the lottery system, DHA shall post the time and date of lottery selection and the number of applicants that will be selected by the lottery. This notice shall be posted with the announcement of the opening of the Waiting List. Applicants placed on the HCV Waiting List using a lottery system will be randomly assigned a number and the application will be placed on the HCV Waiting List in order of the assigned numbers and according to DHA Preference(s). Applicants that are selected shall be informed in writing of their selection and placement on the HCV Waiting List. Applicants that are not selected by the lottery will not be placed on the Waiting List and will have to reapply when the Waiting List is re-opened.

Applications for the HCV program will be active for eighteen (18) months only, after which the waiting list will be extinguished. Immediately before the waiting list is extinguished the waiting list and reopened for new applicants. Applicants still on the list when the list is extinguished will be sent a post card informing them of the fact. Such applicants are not entitled to an Informal Hearing since their applications are withdrawn, they are not being denied a voucher. They have every right to reapply for the program when the list opens for new applications.

DHA retains the right to discard a waiting list when the response rate for applicants drops below 50 percent of the persons contacted. In practice, this means that when applicants are contacted by mail (or other method requested by applicants with disabilities) and requested to come to DHA to attend a briefing and file a full application prior to receiving a Voucher, fewer than 50 percent of those contacted attend their application briefing. The waiting list will not be discarded until two things happen: Everyone who remains on the waiting list will be given one opportunity to update his/her application, and an opening of the waiting list will be scheduled. All applicants who update their data will be the first people (using their former application numbers) on the new waiting list.

Project-based voucher properties that were developed using Low Income Housing Tax Credits will have separate waiting lists, maintained jointly by DHA and the property owner at the property. Continuously assisted persons being relocated from public housing properties shall have first preference for admission to PBV properties. Individuals on the HCV waiting lists will have an opportunity to apply for admission to Project-based voucher properties.

While individuals/families may apply for any project-based lists that are open, when they accept an offer at any such property, they will be withdrawn from other PBV lists.

C. The Application

The application constitutes the basic record of Applicants applying for admission—: thereforeetherefore,—Applicants must supply complete and true information. The application—, together with and with all other materials relating to the Applicant's eligibility will be placed and retained in the Applicant's file.

D. Opening the Waiting List

DHA may will periodically open the HCV Waiting List_to_every eighteen months for general admissions to the program. In addition, DHA may open the list to target only admissions for categories of Families that meet specific preferences or funding criteria. DHA may limit the number of applications accepted for targeted admissions in order to meet program objectives. DHA may target information about this limited opening to individuals in the qualifying groups.

E. The Walker Settlement Voucher Waiting List

If the number of families assisted under the Walker program falls short and interchange does not achieve full lease-up, DHA will—mayDHA will—maintain a separate Special Admissions Waiting List for applicants that are eligible for the Walker Settlement Voucher program. These applicants will not be added to the HCV Waiting List but are eligible to apply for the HCV Waiting List when open. Applying for the HCV Waiting List will not affect the applicant's status on the Special Admissions Waiting List. DHA may use a lottery system to place families on the Special Admissions Walker Settlement Voucher Waiting List and may limit the number of families placed on the list. Each applicant will be randomly assigned a number based on the lottery; this number will NOT be based on the date or time of application. The applicants selected in the lottery will be placed on the Special Admissions Waiting List in order of the randomly assigned number. DHA will not apply Preference(s) to the Special Admission Waiting List. Applicants that are selected will be informed in writing of their selection and placement on the Special Admissions Waiting List.

F. Completion of Applications

- 1. Applications for the Housing Choice Voucher Program may be taken electronically, by telephone, or at designated DHA facilities. The application or pre-application constitutes the basic record of Applicants applying for admission; therefore DHA shall only accept completed applications. The application, together with all other materials relating to the Applicants' eligibility, shall be placed in the Applicants' file.
- 2. Applicants who need assistance in completing their applications or who need an alternative method of communication because of disabilities will be furnished with such assistance or alternative communication method upon request

G. Continuously Assisted Families/ "Special Admissions"

Certain families are issued vouchers or project-based voucher units, outside the context of the waiting list. These families:

1. are being relocated from the Authority's public housing properties or Low Income Housing Tax Credit properties in which DHA is participating that are being

demolished, undergoing substantial capital improvements, modernization, or rehabilitation or change in use, or who are being relocated pursuant to agreements already in place between DHA and the tax credit property ownership entity; or because a unit that is the right size for their family is unavailable; or

- have lost assisted housing or are about to lose assisted housing because a private owner receiving project-based Section 8 assistance opts out of, chooses not to renew the HAP contract or fails quality inspections, requiring that their HAP contract be cancelled; or
- 3. are receiving assistance in a Section 8 SRO program and the owner of the program fails inspections, intends to opt out, not renew, or reduce the program size.

A family qualifies for one of these vouchers when they receive notice that they will have to move for one of the reasons cited above. Eligible families will be issued vouchers in an order based on date on which they receive notice to move.

Generally, DHA will receive replacement housing vouchers to assist these families, but if the process of obtaining these vouchers is delayed, the families will be issued vouchers to prevent their becoming homeless.

H. Administration of the Waiting List

1. Organization of the Waiting List

At a minimum, the HCV Waiting List will include the following information:

- a. The Applicants' name, address, phone number;
- b. The names, relationship to head, sex and age of family members who will live in the assisted unit;
- c. The number of bedrooms for which the Family initially qualifies in accordance to DHA occupancy standards;
- d The date and time of application or if selected by lottery, the date of lottery pull;
- e. Qualification for any local preferences, if applicable; and
- f. Racial and ethnic designation of the Head of Household.

2. Updating the Section 8 Waiting List

When waiting time for applicants for housing will average more than twenty-four (24) months, DHA may confirm Applicants' continued interest in the Housing Choice Voucher Program and update the Waiting List accordingly. DHA shall contact Applicants at their last known address to determine the continued interest in the program. Applicants not responding to the inquiry within fifteen (15) calendar days, or responding negatively, will be removed from the Housing Choice Voucher Waiting List. Once Applicants are removed from the Waiting List, they will be required to re-apply for assistance when the waiting list is open.

3.2. Suspension of Applications

When the number of eligible Applicants on the Housing Choice Voucher Waiting List is such that there is no reasonable prospect of housing additional Applicants within

<u>36-18</u> months, the President and CEO will suspend the taking of further applications. Such suspension will be announced publicly. DHA may also close the Waiting List for administrative purposes. During such periods, DHA may continue to accept applications from Applicants qualifying for targeted funding for specific programs.

I. Selection from the Waiting List: The HCV Program

Applicants that are on the HCV Waiting list prior to January 1, 2009 will be selected on a first come, first served basis according to the date and time the completed applications were received. No Admissions preferences will apply to these Applicants.

Applicants added to the HCV Waiting list after January 1, 2009 will be selected in the following order:

- 1. So long as available funding permits re-issuance of turnover vouchers, families involuntarily displaced from their current housing due to governmental action or federally designated natural disaster. Families qualifying for this preference shall have a first priority over all other Families applying for housing;
- So long as available funding permits re-issuance of turnover vouchers, individuals
 who need and qualify for congregate housing in an assisted living facility shall have
 second preference for admission, but only to congregate housing assisted living
 facilities;
- 3. So long as available funding permits re-issuance of turnover vouchers, families and individuals who qualify under any of the categories listed below shall have equal preference (sorted by lottery number) over all other families applying for regular vouchers:

Families who have been made homeless by documented domestic violence; and individuals graduating from or "aging out" of the foster care program administered by the Texas Department of Protective and Regulatory Services, families completing their tenure in transitional housing (under the Continuum of Care), chronically homeless individuals and persons; and

currently or formerly homeless applicants who are ready to move to project or tenantbased voucher housing providing permanent supportive housing to the homeless;

- 4. Applicants that do not meet any Admissions Preferences will be considered non-preference applicants.
- 5. Within each group, applicants will be processed in lottery number order.

Applicants applying for or qualifying for a specific category of special use vouchers (e.g. Veterans Administration Supportive Housing [VASH] or Family Unification Program [FUP], or Mainstream) may be selected ahead of higher placed Applicants on the HCV Waiting List that do not qualify for the targeting funding.

The final determination of eligibility is made when the Applicants are selected from the HCV Waiting List, and the Applicants income and Family composition is verified.

 Documentation to Determine Eligibility: All adult members of Applicant families are required to sign HUD's Form 9886, <u>Authorization to Release Information Privacy Act</u> <u>Notice</u> and disclose the social security number and card for each Family member. If

a social security number has never been issued for a Family member, the member must obtain a social security number. The parent or guardian of a child or disabled adult must sign a certification statement for each person.

If a Family member does not have the original Social Security card issued by the Social Security Administration, DHA will accept photo identification and verification of the number from the Social Security Office. An original award letter from the Social Security Administration can be used for this purpose.

- 2. Individuals who claim the preference as currently or formerly homeless must be certified as qualified by the Bridge.
- 3. Families who claim preferences for domestic violence, individuals aging out of foster care or families who are currently or formerly homeless must be certified as qualified by a DHA-Approved Referral Agency (ARA).

J. Admissions Preferences

Admissions Preferences will not apply to families that applied prior to January 1, 2009 or special admissions applications.

KJK. Income Targeting Requirement

In accordance with Income Targeting requirements established by HUD, seventy-five percent (75%) of the new admissions to the Section 8 Program each year from the waiting list will have incomes at or below thirty percent (30%) of the area median income (extremely low income applicants).

These applicants will be selected before other eligible applicants on an as needed basis to ensure the income targeting requirement is met.

It is not anticipated that it will be necessary to skip higher income families on the waiting list to achieve federally mandated income targeting requirements because the majority of families on the waiting list are extremely low income families.

Non-waiting list admissions are not subject to income targeting requirements. This would include continuously assisted families displaced from public housing, families issued vouchers because of project-based program REAC failures or owner opt outs, etc.

LKL. Determination of Ineligibility and Informal Review

- Review for Determination of Ineligibility: DHA shall notify all Applicants found ineligible for assistance that they have been denied assistance. Applicants shall be notified in writing of the reason(s) for the determination and the right to request an Informal Review of the determination. Upon request, Applicants will be allowed to review a copy of relevant documentation regarding the determination.
 - a. Applicants who wish to contest a denial of assistance shall have the opportunity to submit information and evidence to the Vice President of Voucher Programs and/or his/her designee for an Informal Review of the denial determination. An informal review does not involve a hearing it is a review of the material in the applicant's file to ensure that a correct decision (based upon the material submitted by the applicant) about the applicant's status has been made.

- b. The request for an Informal Review must be made in writing within ten calendar days from the date of the written denial of assistance. An Applicant that fails to request the Informal Review within ten calendar days will be ineligible for a review and the denial shall stand. The Informal Review shall be scheduled within thirty calendar days of the Applicant's request.
- c. The Vice President of Voucher Programs or his/her designee shall conduct the informal review of the file, and any additional information presented by the Applicant for consideration.
- d. The outcome of the Informal Review shall be recorded in the Applicant's file. If it is determined that the Applicant is eligible, the Family's name will be placed on the Section 8 Waiting List without loss of position during the period of ineligibility, or issued a voucher, whichever is appropriate. The Vice President of Voucher Programs will notify the Applicant of the outcome, in writing, within fourteen (14) calendar days after the Applicant's review.
- 2. Reviews for Applicants after the Issuance of a Voucher: The Vice President of Voucher Programs or his/her designee will review matters presented by Applicants who have been issued vouchers when no HAP has yet been paid on their behalf.
- 3. Matters Not Subject to Informal Review by Applicants: DHA shall not grant file reviews for matters to:
 - a. DHA's discretionary administrative determinations or to consider general policy issues or class grievances;
 - b. DHA's determination of Family's unit size under DHA subsidy standards;
 - c. DHA's determination not to approve leasing a unit under the Section 8 Program, or approve a proposed lease;
 - d. DHA's determinations that unit selected does not comply with HQS;
 - e. DHA's determination that a unit selected is not in accordance with HQS because of the size of the Family;
 - f. DHA's refusal to extend Families' voucher past the maximum time allowed under DHA policy;
 - q. DHA's determination of rent reasonableness:
 - h. DHA's schedule of utility allowances; and
 - i. DHA's decision not to approve a unit or tenancy.

DHA is not bound by any decision that is in conflict with HUD regulations or DHA policy. The President and CEO or his/her designee, may review all decisions to ensure compliance with HUD regulations and DHA policy.

If the Authority determines that it is not bound by a review decision, the Authority shall promptly notify the participant of the determination, and the reasons for the determination.

MLM. Briefing and Issuance of Vouchers

DHA briefs all Families entering the Section 8 Housing Choice Voucher Program for the first time, relocating Families, and Families porting into Dallas (Section 8 participants that transfer from another housing authority).

1. Conducting a Briefing: Briefing attendance is mandatory. Applicants/participants will receive written or telephone notification of the date, time and location of the scheduled briefing. Applicant must call 24 hours prior to the scheduled briefing to reschedule. A maximum of two (2) appointments shall be granted per applicant/tenant. Any Applicant that does not attend one of the two sessions shall have his/her application withdrawn. Applicants whose applications are withdrawn are not entitled to an Informal review. Briefings may be conducted in group sessions or individually.

DHA may conduct individual briefings as a reasonable accommodation if needed by persons with disabilities.

Briefings may be conducted in the evenings and on weekends to accommodate applicants who work.

In limited circumstances, DHA may notify applicants via telephone of the required briefings. In such circumstance, the file will be documented to indicate when the oral notification was made, the person who made the oral notification, the number contacted, the person contacted, and the reason for the oral notification. Applicants who were not reachable when oral notification was attempted will not be withdrawn from the wait list.

DHA may hold a combined briefing and voucher issuance session.

- Briefing Information: In addition to the HUD-required information provided during the briefings, DHA strongly encourages Section 8 Families to seek housing in nonpoverty areas by providing:
 - a. information or access to the addresses of units available to Section 8 Families, as well as the Landlords' name, and telephone numbers;
 - b. information on individual units available for lease;
 - c. individual counseling and information about public transportation to view units;
 - d. information on neighborhood amenities, including information on crime, schools, day care, health care and public transportation; and
 - e. counseling to Families on program matters, and in instances of alleged program discrimination.
- 3. Schedules for Briefings will be communicated to the Inclusive Communities Project (ICP), so their staff can participate in <u>all</u> briefings to <u>assist with and</u> encourage mobility moves.

NMN. Promoting Housing Opportunities

DHA seeks to increase the participation of Landlords with units located outside of areas with a high concentration of low-income Families. To accomplish this goal, DHA

conducts outreach to Landlords with properties in low-poverty areas and encourages them to accept voucher holders. The local media, professional real estate organizations, Apartment Listing Network and the Cole Indices are used as resources to increase the interest of private Landlords within DHA jurisdiction.

As part of this outreach effort, DHA prepares and distributes information packets, brochures, leaflets, and handouts outlining the benefits of the Section 8 Program. DHA provides Landlords with information regarding HUD regulations, Section 8 Program guidelines, fair housing, Housing Quality Standards, and other Landlord related issues. In addition, DHA conducts Landlord workshops, corporate briefings, property visits, and initiates telephone contact with Landlords owning housing units in low-poverty areas.

A low poverty census tract is defined as a census tract where the poverty rate is at or below 17.8%, or at or below the overall poverty rate for the principal operating area of DHA, whichever is greater. DHA uses the most recent decennial Census data to determine the poverty rate and provides a listing of the eligible census tract areas to landlords and to clients in the briefing packets and in vacancy listings. This is the same targeting required by the Federal Court in the Walker settlement agreement.

The methodology used in promoting de-concentration of Section 8 Housing Choice Voucher holders is outlined in the Landlord Services Procedures

ONO. The Term of Vouchers

Section 8 vouchers expire 90 days from the date of issuance. DHA <u>will not may extend</u> the voucher term so long as the regional rental market is tight. When rental markets are loose, DHA may onlynot extend the voucher term except as a reasonable accommodation to persons with disabilities or when leasing opportunities are limited by market conditions.

Class Members participating in the Walker Settlement Program and actively searching for housing in Predominantly White Areas will be given one hundred twenty (120) days to find suitable housing.

Applicants/participants in the Veterans Assisted Supportive Housing (VASH) and actively searching for housing will be given one hundred twenty (120) days to find suitable housing.

Families shall be considered successful in their housing search should they submit a Request for Tenancy Approval (RFTA) prior to the expiration date on the Section 8 Voucher. The Family may submit only one RFTA at a time. Once the documents are accepted, DHA shall suspend (i.e., toll) the term of the Family's voucher. Should the Family be required to resume their search for housing (e.g., because the unit selected fails inspection or the property owner does not agree to a reasonable rent), the Family shall be allowed to resume their search for housing using the remainder of the time left on the voucher.

The voucher shall be withdrawn if the Family fails to lease suitable housing during the term of the voucher. Expiration or withdrawal of a voucher does not preclude the Family from completing a new application for the HCV Waiting List, when the waiting list is open.

Section VI. Payment and Subsidy Standards

DHA shall determine the Family's unit size and Family contribution of housing cost in accordance with HUD regulations, using the verification hierarchy outlined in HUD's regulations and verification guidance.

A. Payment Standards

- 1. DHA will establish program Payment Standards by balancing the competing needs of setting Payment Standards as low as possible to assist as the highest number of Families within available funding, while still setting the Standards high enough to ensure that Families can find and lease housing in non-impacted neighborhoods. The range of possible Payment Standards is between 110 percent and 90 percent of HUD's Fair Market Rent standard. HUD has established a payment standard equal to 125% of the FMR for Class Members participating in the Walker Settlement Program utilizing the vouchers in predominantly white areas.
- 2. DHA will monitor the effect of the Payment Standard it sets by tracking the percentage of families who lease housing within the time limit established for their voucher (the "success rate") and the locations where families actually lease. If the success rate decreases or the pattern of leasing shows families leasing fewer units in non-impacted neighborhoods, staff will recommend an increase in the Payment Standard to the Board of Commissioners.
- 3. The Payment Standard for Housing Choice Vouchers shall be determined annually following the publication of the final Fair Market Rent (FMR) by HUD and shall be made effective January 1 of the following year for all regular Housing Choice Voucher Families as soon as possible after HUD issues FMRs. Families.
- 4. The President and CEO shall determine the payment standard with the following criteria and/or objectives:
 - a. DHA shall consider the amount received from HUD in its Annual Contributions Contract;
 - b. DHA shall avoid concentration of Section 8 Families in high poverty areas;
 - c. DHA shall seek to provide housing opportunities in all areas of its jurisdiction with particular emphasis on non-poverty areas; and
 - d. DHA shall ensure that the majority of Families are not paying more than 40% of their income for their housing cost.

DHA shall analyze its rental market quarterly to ensure these objectives are met. DHA will ensure that the applicable payment standards are distributed to pertinent staff.

B. Family Subsidy Standard at Admission

1. DHA shall exercise prudence in the determination and administration of housing Subsidy Standards. Maximum Subsidy Standards for an eligible Family is

- determined based upon the members included on the application. All adult members must appear in person with photo identification.
- 2. Adult members that are not identified at the time of the application will not be considered as members of the assisted household unless they were minors at the time of application who have become adults while on the waiting list. Children added by birth, adoption or court awarded custody between the time of application and admission will be added to the household when verification of the birth, adoption or court awarded custody to a family member listed on the application is provided to DHA.
- All individuals added to the household are subject to HUD's eligibility and DHA's suitability standards. DHA will not approve the addition of adults to a client family if the addition will increase the voucher size for which the family qualifies or if the adults do not pass the criminal history screening.
- 4. The Vice President of Voucher Programs, or his/her designee, shall review requests for additions to the household that are not described in the paragraph above to ensure additions are within DHA's policy. DHA will provide the Head of Household with written notification of the determination within fourteen (14) calendar days of the Family's request. Families denied the opportunity to add an individual to their household will be provided with the reason for denial.

C. Live-in Aides

- 1. DHA's decision about whether or not to permit the addition of a Live-in Aide to a voucher household shall be based upon verification that:
 - a. The person to be assisted by the live-in aide qualifies as an Individual with a disability as defined at 24 CFR part 8.3; and
 - b. A qualified medical practitioner verifies that the live-in aide is needed because of the disability; and
 - c. That the individual proposed as the Live-in Aide possesses the skills and ability needed to provide the services needed by the person with a disability as verified by the qualified medical practitioner.
 - d. Dallas Housing Authority shall notify the Family of the decision to approve or deny the Live-in Aide in writing within fourteen (14) business days from the date all required documentation is provided
- 2. The Family and Live-in Aide will be required to submit a certification that the Live-in Aide is (1) not obligated to support of the person(s) needing the care, and (2) would not be living in the unit except to provide the necessary supportive services.
- 3. Under this HUD definition, a person already residing in the unit (such as a spouse, boyfriend or girlfriend) cannot be a live-in aide (since they are living in the unit anyway).
- 4. A live-in aide cannot have another place to live since he/she is verified to be necessary to provide care on a live-in basis and is supposed to live in the unit. An live-in aide- may have a job outside the assisted unit is-if the disabled individual's

- qualified medical practitioner certifies that the outside employment will not affect the care and services to be provided to the person assisted.
- 5. Live-in Aides are required to attend the annual recertification appointments with the Head of Household and DHA must determine annually the eligibility of the household for a Live in Aide.
- 6. Although family members may be qualified to perform the services needed by the individual with disabilities, a live-in aide will not be considered as a family member on the voucher, his/her income will –not be counted for eligibility or rent purposes, and the live-in aide cannot receive the voucher as a "remaining member of a tenant/client family."
- 7. The Live-In Aide must meet DHA's screening criteria. Further, the live-in aide must not currently owe rent or other amounts to DHA or any other housing authority in connection with any HCV or Public Housing programs.

D. Family Subsidy Standard during participation

- DHA will permit the addition of minors who are born to or adopted by a family member listed on the lease and voucher, or when a court awards custody or other approved certified custody/guardianship documents to a family member listed on the lease and voucher although such additions to the family must be reported within 10 calendar days of occurrence;
- 2. DHA will not permit the addition of adult family members to the family unless such addition will not increase the voucher size for which the family qualifies;
- 3. DHA shall review the composition of the household at each annual recertification. If the addition of a family member results in overcrowding (more than two persons per living/sleeping room) DHA will notify the Head of Household of the need to move and issue the Family another Housing Choice Voucher at the termination of the family's lease.
- 4. The standards applicable to adding a Live-in Aide to the household (who is, by definition a household member but not a family member) during the family's participation are the same as those listed under "Family Subsidy Standards at Admission"

E. Occupancy Standards

Voucher size is one factor in determining the family's level of assistance. The size of a voucher will be based upon the family/household composition. In compliance with the Fair Housing Act, other fair housing laws, and HUD regulations (24 CFR 982.401 and 24 CFR 982.402) and in an effort to administer federal funds responsibly, DHA takes a conservative and stringent approach in determining the appropriate size of the voucher. To that extent, DHA will utilize an occupancy standard of two (2) persons per bedroom, pursuant to the HUD guidelines concerning the Determination of Unit Size Requirements. DHA will not determine who will share a bedroom/sleeping room. DHA shall issue a voucher for the smallest sized unit possible using the following standards regardless of age, gender, or relationship of family and household members:

- 1. At least one person must occupy each bedroom.
- 2. A maximum of two (2) persons may occupy a bedroom or living/sleeping room,
- 3. A one-person family will be issued a one-bedroom voucher.
- 4. Larger families (more than one person household) will be issued vouchers based upon the two (2) persons per bedroom occupancy standard, without regard to the age, gender, or relationship of family members. For example, a two-person family will be issued a one-bedroom voucher; a three-person family will be issued a twobedroom voucher.
- 5. A child (under 18 years of age) who is temporarily away from the home because of placement in foster care, or an adult member over age 18 who is a full-time student temporarily away at college is considered a member of the family.
- 6. A family that consists of a pregnant woman (with no other persons) shall be treated as a two-person family.
- 7. Two disabled individuals may be assigned a two (2) bedroom voucher subject to the review and approval of a request for reasonable accommodation.
- 8. A bedroom may be allocated for an approved Live-In Aide to provide continuous medical assistance to a Disabled Family member. Since a live-in aide is one person, no additional bedrooms will be considered for the Live-In Aide's Family. A live-in aide must not have another residence, but rather must live in the unit.
- 9. A bedroom will not be allocated to house furniture, and a bedroom will not be allocated for medical equipment unless it is verified necessary for a resident with a disability. DHA will conduct an inspection to determine that the size and type of medical equipment verified to be needed by the participant with a disability warrants an additional bedroom. For example, a participant will not be approved for an extra bedroom to house a folding wheelchair.

F. Unit Size Selected by Voucher Holder

The family may select a dwelling unit of a different size than that listed on the Voucher; however, the affordability may not exceed 40% of adjusted monthly income at initial lease up. The unit must provide adequate space so that there are no more than two family members for each living or sleeping room in the unit.

The Housing Assistance Payment <code>isis is</code> based upon the lower of the Payment Standard for family unit size or the Payment Standard for the unit size rented by the family. The utility allowance for which the family will qualify will be based upon the lower of the allowance for the unit size approved for the family or the allowance for the unit actually leased.

G. Remaining Family Member

 Under certain circumstances the original Family composition may be altered when the Head of Household leaves the unit. A Remaining Family Member, as defined by HUD, is an adult Family member already in the household at the time the Head of Household permanently leaves the household.

- If the Head of Household dies, or otherwise permanently leaves the household for any reason unrelated to criminal activity or incarceration, and there is another eligible adult Family member capable of assuming the Head of Household position, the voucher assistance will pass to that Remaining Family Member, who will then become the Head of Household.
- 3. When the Head of Household leaves the unit because of criminal activity or incarceration, DHA will terminate assistance, not permit another family member to take over the voucher.
- 4. If there are more than one qualified remaining Family members, the Family may designate any qualified Family member as the Head of Household. The Head of Household must have the legal capacity to enter into a lease under state and local law. A minor who is emancipated under state law may be designated as Head of Household.
- 5. Whenever an adult family member takes over the position of head as the remaining family member, he or she becomes responsible for any debts to the owner or DHA incurred by the previous head.
- 6. If the head of household dies or leaves the household permanently, the remaining family members must report this fact to DHA in writing within 10 days after the head of household's departure.
- 7. DHA will not permit adults not formerly members of the household to join the household simply to become the remaining member of a tenant family.

H. Temporary Absence of Head of Household

- 1. If the Head of Household is temporarily absent from the home due to illness requiring hospitalization, nursing home confinement, or employment outside the local area, including military service, the Section 8 HAP will be provided for a maximum of 90 days. The absent Head of Household's income will continue to be counted and the Family will be responsible for their portion of rent to the Landlord for the 90 day period. If the Head of Household is unable to return to the Section 8 Housing Program assisted unit after the 90-day period, DHA will no longer consider the absent Family member the Head of Household and the Family may utilize the provisions of section G.
- 2. An exception will be considered for the benefit of minor children where there is no eligible remaining Family member that has the legal capacity to enter a lease under state and local law. If there is another eligible adult that was not previously a member of the household who is available to move into the unit and assume the role as Head of Household, DHA may consider the addition of this adult as the Head of Household. The adult assuming the role as Head of Household must assume legal custody or kinship care of the minor children. The newly designated Head of Household must meet DHA's eligibility standards and their income will be used to determine the Family's share of housing assistance. For the benefit of the minor children, the newly designated Head of Household may assume permanent status as Head of Household if the initial Head of Household is unable to return to the unit and grants written authorization. In such cases, the initial Head of Household's claim to

Section 8 assistance is lost. The new Head of Household would assume any outstanding debt incurred by the former Head of Household.

I. Separation or Divorce

In cases of divorce or separation under a settlement or judicial decree, DHA shall follow a court's ruling in determining which Family members continue to receive Section 8 assistance. In cases where no settlement or judicial decree exists, DHA will:

- 1. grant the voucher to the Family member who retains custody of the minor children or who cares for Disabled Family members;
- grant the voucher to the Family members forced to leave a unit as a result of actual or threatened physical violence against Family members by a spouse or other Family members of the household;
- 3. grant the voucher to the Family member that provides housing for the minor children 51% or more of the time in the case of joint custody.
- 4. DHA will not grant both parents of minor children a voucher.

J. Determination of Family Share of Housing Cost (24 CFR part 5.609)

The Family's contribution to the housing cost will be based upon the verified Annual and Adjusted Income as defined in HUD regulations.

The amount of the Total Tenant Payment will be calculated based on the highest of:

- 1. ten percent (10%) of the monthly unadjusted Family Income;
- 2. thirty percent (30%) of the Family's monthly adjusted income;
- 3. DHA minimum rent of \$50.00.
- 4. The actual amount of the family's contribution will be the Total Tenant Payment unless the family chooses a unit with a gross rent higher than the payment standard. In this instance, the family's contribution to housing cost will equal the Total Tenant Payment plus the amount by which the gross rent exceeds the payment standard.

K. Exemption from Minimum Rent Requirement

Families paying the minimum rent required by DHA may request an exemption from the minimum rent requirements if they believe the imposition of minimum rent creates a hardship for their Family. DHA will consider the following hardships:

- 1. The Family has lost eligibility for, or is awaiting an eligibility determination for federal, state, or local assistance program;
- 2. The income of the Family has decreased because of changed circumstances including loss of employment; or
- 3. A death in the Family has occurred.

The minimum rent exemption will be granted to families paying minimum rent as soon as the exemption is requested and DHA will begin verifying the nature of the circumstances under which the family qualifies for the exemption. If the verification process reveals that the circumstances will last for less than 90 days, the minimum rent will be reinstated

retroactively to the date it was requested. If the circumstances will last for more than 90 days, the minimum rent will be exempted until the circumstances change.

L. Adjustments to Income

Adjusted income is the annual income of all household members after making the mandatory deductions as identified in 24 CFR 5.611 and 24 CFR 5.617.

- 1. Mandatory Deductions include:
 - a. \$480 for each dependent;
 - b. \$400 for elderly or disabled Families;
 - c Un-reimbursed anticipated annual medical expenses of Elderly or Disabled Families that exceed three percent (3%) of annual income;
 - d. Un-reimbursed disability assistance expenses for care or apparatus for disabled Family members that exceed three percent (3%) of annual income and permit an adult family member to work; and
 - e. Reasonable child care expenses to allow an adult Family member to work, actively seek work, or attend school.

M. Verification of Income, Assets and Deductions

DHA shall follow the stricter of HUD's regulations and guidance on the verification of income, assets and asset income and deductions from income or its own procedures. See **Procedure on Verification of Information**.

N. Non-Cash Contributions To Families

As required by Federal regulations, in determining Annual Income, regular non-cash contributions from persons outside the Family are included. This information shall be obtained from the Zero Income Interview Questionnaire, Contribution Form and Personal Declaration and Questionnaire; DHA shall verify the type and value of the non-cash contribution by contacting the source and obtaining an acceptable third party verification.

O. Maximum Initial Rent Burden

A family shall not initially pay more than 40% of their monthly adjusted income toward their portion of the rent and utility allowance for occupancy of a newly leased Section 8 assisted unit. This rent burden test is applied at the initial lease-up of a new unit (including whenever a family moves), but is not applied during subsequent years of occupancy in a unit already under lease.

P. Utility Allowance

At least annually, the Housing Authority shall obtain and analyze utility rate data for Utility providers in the local jurisdiction, and will determine whether there has been a Change of 10% or more in the rate for any utility since the last revision of the Utility Allowance Schedule.

If there has been a change of 10% or more, an appropriate adjustment to the schedule shall be made. No adjustment shall be made for any increase less than \$1 per unit month.

Q. Utility Reimbursements

When the unit leased by a participating family has tenant paid utilities and the amount of utility allowance exceeds the Family's total tenant payment, DHA shall issue the Family a payment each month for the amount by which the utility allowance exceeds the total tenant payment. This is the Utility Reimbursement. Utility reimbursements are made using debit cards. If the value of the Utility Reimbursement is less than \$15 per month, the debit card will be reloaded quarterly, if more than \$15 per month, the debit card will be reloaded monthly.

VII. Request for Tenancy Approval, Inspection and Leasing

A. Term of the Voucher and Extensions

Once a Voucher has been issued, it is the family's responsibility to locate suitable housing. The housing unit's rent must fall within the rent reasonableness limitations for comparable unassisted units set by the Housing Choice Voucher Program; the unit must meet Housing Quality Standards requirements; and the family share for rent and utilities may not exceed 40 percent of their adjusted monthly income.

The initial voucher term will be 90 calendar days (120 days for Walker Settlement Vouchers and VASH vouchers). The family must submit a Request for Tenancy Approval and proposed lease within the 90-day period unless the Authority grants an extension. The Authority will not grant extensions of search time in extenuating circumstances, except as described below.

The Authority will approve extensions if necessary as a reasonable accommodation for a person with <u>disabilities</u>. <u>Adisabilities</u>A family seeking an extension of the voucher term must submit a request for reasonable accommodation, and the request must be made before the voucher expires. <u>In addition, the Authority may extend the voucher when the rental market is tight (vacancy rates are low for housing in the Payment Standard range and few units are available).</u>

It is the Authority's policy to suspend the term of the voucher from the date a Request for Tenancy Approval and proposed lease is received by the Authority, while the Authority processes the request, until the date the Authority makes a final determination with respect to that Request for Tenancy Approval.

B. Portability and Moves

Portability is a feature of the HCV program under which voucher holders may use their vouchers in jurisdictions other than those that issued the voucher. The details of portability are covered in the *Procedures on Portability*. Eligible families are permitted to port to another jurisdiction that runs an HCV program, subject to the following policy:

Outgoing Vouchers:

- 1. Families whose head and spouse lived somewhere other than Dallas on the date of application must lease within DHA's jurisdiction for 12 months before becoming eligible for portability.
- 2. Families whose head and spouse lived in Dallas on the date of application are eligible for portability as soon as they receive their voucher as long as they hold a valid Housing Voucher, have not violated any Family Obligations, do not owe money to any Housing Authority and are moving to a location where their housing assistance payment is affordable under DHA's budget authority, if the receiving PHA cannot absorb their voucher.
- 3. Families that are new admissions to the program must meet the income eligibility requirements applicable to the area where the family initially leases a unit with assistance.
- 4. Participant families <u>must_are not meet</u> the income eligibility requirements in the area the family plans to move. Families must notify the Authority in writing when they want to move out of the Authority's jurisdiction using the portability feature.

Incoming Vouchers:

DHA may absorb some or all incoming portable vouchers when it has funding available. Otherwise, when the Authority reaches full utilization (or when there are questions about the availability of HUD HAP payments), the Authority will not absorb incoming portable Vouchers but will bill the sending PHA for the family's costs under the program.

C. Relocation of Witnesses and Victims of Crime

DHA will provide Housing Choice Voucher assistance for the relocation of witnesses in connection with efforts to combat crime in public and assisted housing. The Authority will accept written referrals from HUD for such cases. All referred applicants must meet Housing Choice Voucher eligibility requirements before admission to the program.

D. Restrictions on Renting to Relatives

Families may not lease a property owned by relatives (i.e., sister, brother, mother, father, spouse, son, daughter, etc.) as set forth in HUD regulations. Exceptions to restrictions on renting to relatives are made if a reasonable accommodation is[1] required for the family and is approved by the ADA-504 Coordinator. Families seeking an exception must submit a request for reasonable accommodation. In no case will an exception be granted to permit someone to lease a unit from a family member when that family member owns and lives in the unit, since this is forbidden by statute and regulation.

E. Request for Tenancy Approval

After the family is issued a voucher, the family must locate an eligible unit with an owner or landlord willing to participate in the voucher program. Once a family finds a suitable unit and the owner is willing to lease the unit under the program, the owner and the family must request the DHA to approve the assisted tenancy in the selected unit.

F. Owner information in the RFTA package

1. All new Landlords must provide the following documentation:

- a. Tax identification letter issued by the IRS or social security card
- c. Direct deposit agreement with voided check
- d. Current government issued photo ID
- e. IRS W-9 form with original signature
- f. Copy of warranty deed, or other approved deed or proof of control of the unit
- g. Proof of payment of real estate taxes
- h. Copy of management agreement (for property management companies).
- i. Completed Request for Tenancy Approval (RFTA) Form HUD-52517
- j. Copy of the proposed lease, including the HUD-prescribed Tenancy Addendum Form HUD-52641-A
- The RFTA contains important information about the rental unit selected by the family, including the unit address, number of bedrooms, structure type, year constructed, utilities included in the rent, proposed rent and the requested beginning date of the lease, necessary for the DHA to determine whether to approve the assisted tenancy in this unit.
- 3. Owners must certify to the most recent amount of rent charged for the unit and provide an explanation for any difference between the prior rent and the proposed rent.
- 4. Owners must certify that they are not the parent, child, grandparent, grandchild, sister or brother of any member of the family, unless DHA has granted a request for reasonable accommodation for a person with disabilities who is a member of the tenant household and the owner is not living in the unit.
- 5. For units constructed prior to 1978, owners must either
 - a. certify that the unit, common areas, and exterior have been found to be free of lead-based paint by a certified inspector; or
 - b. attach a lead-based paint disclosure statement.
- The RFTA, proposed lease, and other required documents listed above must be submitted no later than the expiration date stated on the voucher. HCV Guidebook p.8-15
- 7. The duration of the lease may be no more or no less than one year.
- 8. When the family submits the RFTA the DHA will review the RFTA for completeness.
 - a. If the RFTA is incomplete (including lack of signature by family, owner, or both), or if the dwelling lease is not submitted with the RFTA, the DHA will notify the family and the owner of the deficiencies. It is the sole responsibility of the owner and the tenant to submit the required documentation timely and without omissions or errors. Failure to provide this documentation within the specified time and without errors will result in the nullification of the RFTA approval process.

- b. Missing information and/or missing documents will only be accepted as original hard copies, scanned copies of original documents transmitted electronically, and in-person. The DHA will not accept missing information over the phone but will accept some missing information via fax or email.
- 9. When the family submits the RFTA and proposed lease, the DHA will also review the terms of the RFTA for consistency with the terms of the proposed lease.
 - a. If the terms of the RFTA are not consistent with the terms of the proposed lease, the DHA will notify the family and the owner of the discrepancies.
 - b. Corrections to the terms of the RFTA and/or the proposed lease will only be accepted as original hard copies in-person, or scanned copies of original documents transmitted electronically. The DHA will not accept corrections by phone but will accept some corrections via fax or email.
- 10. Because of the time sensitive nature of the tenancy approval process, the DHA will attempt to communicate with the owner and family by phone, fax, or email. The DHA will use mail when the parties can't be reached by phone, fax, or email.

G. RFTA Limitation

The family may submit one Request for Tenancy Approval (RFTA) at a time. The family may only submit another RFTA if the previously submitted RFTA is voided.

H. Screening and Security Deposit Requirements

DHA encourages Landlords to screen all potential residents. Landlords need not accept Families that have a poor rental history, a history of allowing persons not listed on the lease to live in the unit, a history of damaging units or vacating units without giving proper notice. DHA shall not provide reimbursement to Landlords in cases when there are damages caused by the Section 8 Family or their guests; when the Section 8 Family vacates the unit without giving proper notice, or does not pay the Family's portion of rent owed under the lease.

Owners may collect a security deposit that is reasonable and comparable to security deposits collected for similar, unassisted units in the area. The Authority prohibits security deposits in excess of private market practice or in excess of amounts charged to unassisted tenants.

DHA will provide the Landlord with the Family's current address, as shown in DHA's records, and the name and address, if known, of the Family's current and previous Landlord.

I. HAP Execution Policies

Preparation of the lease and HAP contract will be handled in accordance with the **Procedure on HAP Execution.**

- 1. Both the owner and voucher holder must sign the Request for Tenancy Approval. The Request for Tenancy Approval and a copy of the owner's proposed lease must be submitted prior to the expiration of the Housing Voucher.
- 2. The Lease form must be the standard form used in the locality by the owner. The

lease must contain terms consistent with State and local law, and that apply generally to unassisted tenants in the same property.

- 3. The HUD Addendum to the lease must be used in conjunction with the owner lease and HAP contract. The Authority will review the documents to determine if they are consistent with State law.
- 4. The owner may be required to make changes to his/her lease agreement. If the lease does not meet HUD requirements, the Authority will explain the problems to the owner and suggest how they may be corrected, by a specific date. If the lease cannot be approved for any reason, the owner and the family will be notified in writing and the reasons provided. The Authority does provide a sample lease agreement that owners may opt to use.

J. Non-housing Agreements

- 1. Owners and tenants may execute agreements for services (i.e. parking, furniture, late charges, pets, pet deposits², community rules, and covenants) and appliances (other than range and refrigerator) and other items in addition to those that are provided under the lease, if the agreement is in writing and approved by the Authority. Separate agreements must be attached to the Lease as a Lease Addendum. A copy of the agreement must be provided to the Authority.
- 2. Any appliance, service or other item(s) that is routinely provided to non-subsidized tenants as part of the lease agreement (such as air conditioning, dishwasher, garbage disposal or garage) or is permanently installed in the unit cannot be put under separate agreement and must be included in the lease. For an item to be covered by a separate agreement, the tenant must have the option of not utilizing the service, appliance or other item.
- 3. The Authority is not liable for unpaid charges for items covered by separate agreements and nonpayment of these separate agreements cannot be cause for eviction.
- 4. The following types of separate agreements are not acceptable: agreements for altered or additional security deposit, altered or additional rent amounts and/or fees, excess utilities, or charges for any item customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants on the premises.

K. Housing Quality Standards and Inspections

- 1. Prior to execution of the HAP contract, the Authority is required by HUD regulations to inspect the unit to ensure it meets Housing Quality Standards, (HQS).
- HUD's performance and acceptability standards for HCV-assisted housing are provided in 24 CFR 982.401. DHA's administration of the Housing Quality Standards is covered in the Procedure on Housing Quality Inspections.

² Note that an Assistance Animal (service animal or companion animal) verified to be needed by a person with a disability is not a pet and a pet deposit may not be charged.

- 3. No unit shall be initially placed under contract in the Housing Choice Voucher Program until/unless the standards are met. Units must also continue to meet HQS as long as the family continues to receive housing assistance in the assisted unit. HQS takes precedence over local housing codes and other codes.
- 4. The family must allow the Authority and the owner to inspect the unit at reasonable times with reasonable notice and grant access to the unit in emergencies. Failure to allow access for inspection or an emergency is a violation of the family obligations and grounds for termination from the program.
- 5. Modifications to Provide Accessibility
 - a. Under the Fair Housing Act of 1988 an owner is not permitted to refuse the request of a family that contains a person with a disability to make necessary and reasonable modifications to the unit at the family's expense.
 - b. Modifications to units to provide access for a person with a disability must meet all applicable HQS requirements and conform to the design, construction, or alteration of facilities contained in the UFAS and the ADA Accessibility Guidelines (ADAAG) [28 CFR 35.151(c) and Notice 2003-31] See Chapter 2 of this plan for additional information on reasonable accommodations for persons with disabilities.
 - c. The When the applicant moves from the unit the The owner may require restoration of the unit to its original condition if the modification would interfere with the owner or next occupant's full enjoyment of the premises.
 - d. The owner may not increase a customarily required security deposit. However, the landlord may negotiate a restoration agreement that requires the family to restore the unit and, if necessary to ensure the likelihood of restoration, may require the tenant to pay a reasonable amount into an interest bearing escrow account over a reasonable period of time.
 - e. The interest in any such account accrues to the benefit of the tenant and the owner may also require reasonable assurances that the quality of the work will be acceptable and that any required building permits will be obtained. 24 CFR 100.203; Notice 2003-31
- 6. Family Responsibilities 24 CFR 982.404

The family is responsible for breach of the HQS that is caused by the following:

- a. Utilities that are required to be paid by the tenant are not in service;
- b. Appliances that are required to be provided by the tenant are absent or not working.
- c. Damage to the unit or premises caused by a household member or guest beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the tenant's security deposit under state law or court practice.
- 7. Owner Responsibilities

- a. The owner is responsible for all HQS violations not listed as a family responsibility above. However, if the family's actions constitute serious or repeated lease violations the owner may take legal action to evict the family.
- b. DHA does not enforce the lease agreement between the Family and the owner through the enforcement of HQS; however, a Family's living habits may cause damage to the unit and result in HQS violations that are the Owner's responsibility to repair. Owners are responsible for all lease enforcement activities and any legal actions taken as a result of serious and/or repeated violations of the lease agreement. Lease violations and eviction paperwork must be submitted to DHA at the time of occurrence.
- c. DHA shall review all communications sent from owners related to lease violations and/or evictions and take appropriate action based upon the type of violations. This may include termination of assistance for the Family that has violated the lease agreement.
- d. Owners who fail to provide DHA with documentation throughout the Family's occupancy, risk the possibility that a Family may be relocated even if serious lease violations have occurred.
- e. Failure to provide DHA documentation at the time of occurrence and/or failure to properly enforce the lease agreement may not justify denial of a move request or the termination of assistance to the Family.
- 8. Special Requirements for children with elevated blood-lead levels 24 CFR 35.1225
 - a. A risk assessment must be conducted for deteriorated paint at initial and annual inspections when the unit was built prior to January 1,1978 and occupied by a child on the lease under the age of six. The risk assessment must be completed in accordance with program requirements and the results of the risk assessment will immediately be provided to the family and the owner of dwelling. Within 30 days after receiving the risk assessment report from DHA, or evaluation from the public health department, the owner is required to complete the reduction of identified lead-base hazards in accordance with the lead base paint regulations 24 CFR 35.1325 and 35.1330. All deteriorated paint found in the above referenced units, must be corrected in order to pass HQS. The requirement for passed inspections is triggered by the amount of the deteriorated paint observed known as the Below De Minimus or at or Above De Minimus rule. DHA must determine which set of requirements the owner is instructed to follow to correct deteriorated paint and describe the deficiency on the HQS Inspection Report. An executed copy of the Owner's certification showing lead base paint clearance is required to pass any LBP violation listed as at or above De Minimus. If the owner does not complete the "hazard reduction" as required by the re-inspection, the dwelling unit is in violation of HQS and will result in abatement of HAP payment to the owner. If the DHA is notified by a public health department or other medical health care provider, or verifies information from a source other than public health department or medical health provider, that a child of less than 6 years of age, living a HCV assisted built prior to January 1, 1978 has been identified as having an environmental intervention blood lead level, the DHA will complete a

risk assessment of the dwelling unit. In cases where the public health department has already completed an evaluation of the unit, this information will be provided to the owner.

- 9. At least quarterly, DHA shall attempt to collect from public health department(s) within DHAs area of operation the names and/or addresses of children under 6 year of age with an identified environmental intervention blood lead level. DHA shall match this information for families receiving HCV assistance. If a match occurs, DHA will notify the owner and conduct a risk assessment inspection.
- 10. Violation of HQS Space Standards 24 CFR 982.403

If a unit does not meet the HQS space standards because of an increase in family size or a change in family composition, the DHA will issue the family a new voucher at the earlier of the family's next annual reexamination or the expiration of the family's lease, and the family must try to find a large enough unit as soon as possible.

L. Additional Inspection Requirements

- 1. DHA uses the acceptability criteria in HUD program regulations **24 CFR 982.401**, interpretative guidance of acceptability criteria in Form HUD 52580-A Inspection Checklist, and the HUD Housing Inspection Manual.
- 2. Where these documents instruct that guidance should be sought from local codes/practice, DHA has issued instructive guidance in the form of Inspection Policy and Procedure maintained in the Authority's Inspections Office.

M. The Inspection Process

Before approving a lease, DHA shall <u>ensure inspect</u> the dwelling unit <u>is inspected</u> for compliance with HQS. All inspections of units shall be conducted within 7 to 10 calendar days of the date the unit will be ready for inspection, as documented on the RFTA packet.

DHA uses an electronic inspection system to conduct HQS inspections. Copies of the failed inspection report shall be mailed or emailed to the Landlord and Family. A report for every inspection shall be prepared and maintained in the Family's file in the Section 8 division. Each report shall specify the defects or deficiencies, if any, which must be corrected by the Landlord before the HAP contract will be executed.

1. Initial Inspection

If at the time of the initial inspection DHA determines that violations exist, DHA shall notify the Landlord in writing, and require the defects be corrected. A copy of this notification shall be retained in the Family's file. If DHA determines, as a result of the re-inspection that the Landlord has satisfactorily corrected all defects or deficiencies, DHA shall execute the Housing Assistance Payment Contract.

If the Landlord fails to make the required repairs within the time frame provided by DHA, the inspection and the RFTA shall be cancelled. The Family will then be issued new paperwork to search for alternate housing, provided there is time left on the voucher to search for housing.

2. Annual Inspection

Annual inspections of the unit are conducted within 365 days of the initial or annual inspection. If the unit passes the inspection, DHA shall continue HAP payments to the Landlord.

3. Emergency Fail Items (Abatement will follow)

Emergency inspections are conducted immediately upon receipt of information that there are deficiencies in a unit that may be considered life threatening. Such deficiencies must be corrected within 24 to 72 hours of the inspection date, depending on the nature of the deficiency.

Hazards that pose an **immediate threat to the health and safety** of the Family must be corrected within twenty-four (24) hours. Examples include any condition that jeopardizes the security of the unit including but not limited to:

- a. Broken locks(window, doors, or any point of entry),
- b. Broken window or door frames,
- c. Major plumbing leaks or flooding, waterlogged ceiling or floor in imminent danger of falling.
- d. Natural gas or fuel oil leaks,
- e. Any electrical problem or condition that could result in shock or fire,
- f. Condition that present the imminent possibility of injury,
- g. Obstacles that prevent safe entrance to or exit from the unit,
- h. Absence of a functioning toilet in the unit,
- i. Inoperable smoke detector,
- j. Absence of a working heating system outside temperature is below 60 degrees Fahrenheit,
- k. No gas in unit when the unit has gas appliances or fixtures,
- I. No running water in unit,
- m. No electrical power in unit,
- n. Non-working Air Conditioning/Doesn't maintain appropriate temperature.

During the period of May 1st – Oct 15th, hazards that represent a potential threat to the health and safety of the Family must be corrected within seventy-two (72) hours. Examples include:

- a. Heating system does not maintain a temperature of at least 68 degrees Fahrenheit when the outside temperature is below 60 degrees Fahrenheit;
- b. The unit lacks hot water;
- c. Referrals to City of Dallas.

If a Family is issued a voucher to move because the HQS inspection revealed the unit is in a condition that poses a threat to the health and safety of the Family, DHA may notify the appropriate city for code enforcement. The city will be given the property address and Landlord's name. If the unit is located in the City of Dallas, DHA may notify the City of Dallas Street Sanitation and Code Enforcement Services.

4. Complaint Inspections

DHA shall respond to all Families reporting violations of Housing Quality Standards in their units. Requests for complaint inspections are made to the Landlord Services division. Families may call Customer Service or submit a written request. DHA will also respond to calls made by the general public reporting violations of HQS. If the nature of the violation threatens the health and safety of the family, an immediate HQS inspection will be conducted.

Once the complaint is received, DHA shall notify the Family and Landlord of the complaint and give the Landlord and/or Family a reasonable amount of time to address the complaint and make necessary repairs. If the complaint is not addressed appropriately within the time frame specified, DHA shall perform an inspection of the unit and take the steps outlined for such situations according to the terms of the HAP contract.

Hazards that pose no threat to the health and safety of Families must be corrected within thirty (30) days. If the nature of the violation threatens the health and safety of the family, an immediate HQS Inspection will be conducted.

5. Re-inspection Process: DHA shall schedule a re-inspection by providing written or email notice to the landlord with a copy to the family, advising him or her of the date and time of the re-inspection. Routine re-inspection appointments shall occur no later than twenty-one (21) days after the unit fails inspection. A nine day grace period will be granted to the family or landlord to request a final Inspection. Failure to have all non-emergency repairs made within 30 days will result in terminating program assistance if the family is responsible for making the correction, and/or cancelling the HAP contract and relocating the family if the landlord is responsible for making the correction.

DHA will bear the cost of the first inspection of any of the types of inspections listed above and one additional, follow-up inspection. If subsequent inspections are needed before the unit passes HQS, DHA will charge the owner its actual costs for inspections beyond the first two inspections. This policy is designed to encourage owners to make timely improvements necessary.

6. DHA-Owned Units

DHA shall obtain the services of an outside contractor to inspect for HQS at all properties in which DHA or an affiliate owns and/or has an owner interest. The outside contractor shall inspect no more than 25% of these DHA owned units and will communicate the results of the inspection to DHA and the Family. The remaining 75% of inspections will be conducted by DHA Housing Inspectors.

N. Abatement of Housing Assistance Payment

DHA shall abate HAP to Landlords for units that fail HQS when the Landlord fails to make acceptable corrections within the required time frame. DHA shall not abate payments to Landlords for violations of HQS that are the Family's responsibility. DHA shall offer housing mobility services to the Family when payments to the owner are abated due to no fault of the family.

DHA will abate housing assistance payments when the unit fails a re-inspection for a violation of HQS that is the responsibility of the Landlord and may take action to ban the landlord from participating in the DHA Section 8 program.

1. Mandatory Relocation of Family

Once it is determined to abate the unit, the landlord shall be notified in writing of DHA's intent to abate the unit and move the Family. DHA shall cancel the HAP contract when the Family moves from the unit or sixty (60) days after the abatement notification date, whichever comes first.

If DHA initiates action to abate the unit, the Family must move from the unit. If the Family decides not to move, DHA shall terminate the assistance to the Family in accordance with the HAP Contract.

2. HQS Violations

In accordance with the HUD Tenancy Addendum (HUD-52641A), a breach of the HQS caused by the Family is not the responsibility of the Landlord. DHA will terminate assistance to the Family if the Family fails to correct a HQS breach caused by the Family member or by a guest.

The following actions constitute a Family breach of the HQS:

- a. Tenant paid utilities that are not in service;
- b. Failure to provide and maintain any appliances that are to be provided by the Family;
- c. Vermin infestation in the unit caused by the family's housekeeping; or
- d. Damage to the unit beyond normal wear and tear. "Normal wear and tear" is defined as items which could not be charged against the family's security deposit under state law.

3. Owner Responsibility

The owner is responsible for all other HQS violations not listed in the Family breach of HQS section listed above, even if the violation is a result of the Family's living habits. If the Family's living habits constitute serious and/or repeated violations of the lease agreement, it is the owner's responsibility to enforce the lease with appropriate legal action up to and including eviction of the Family from the property. (See Family violation section listed above.)

The owner may choose to make repairs that result from a Family's violation of the lease agreement and bill the Family for the repair.

O Rent Reasonableness Determination

DHA's Section 8 Program operates in a market that does not function normally due to its expanded jurisdiction. This expanded jurisdiction makes it difficult to obtain a Fair Market Rent (FMR) reflective of the entire jurisdiction. DHA shall monitor the rents within its jurisdiction and disapprove a lease for a rent that is not reasonable, based on the rents charged for comparable rental units in the immediate area. DHA shall exercise this authority for all Section 8 tenant-based program participants.

1. Factors to Consider When Determining Rent Reasonableness

HUD requires PHAs to take into consideration the factors listed below when determining rent comparability. The PHA may use these factors to make upward or downward adjustments to the rents of comparable units when the units are not identical to the HCV-assisted unit.

- a. Location and age of the unit;
- b. Unit size, including the number of rooms and square footage of rooms;
- c. The type of unit, including construction type (e.g., single family, duplex, garden, low-rise, high-rise);
- d. The quality of the units including the quality of the original construction, maintenance and improvements made;
- e. Amenities, services, and utilities included in the rent;
- f. Availability of public transportation at or near the unit; and
- g. Proximity to quality schools and employment opportunities.

2. Units that Must Not be Used as Comparables

Comparable units must represent unrestricted market rents. Therefore, units that receive some form of federal, state, or local assistance that imposes rent restrictions cannot be considered comparable units. These include units assisted by HUD through any of the following programs: Section 8 project-based assistance, Section 236 and Section 221(d)(3) Below Market Interest Rate (BMIR) projects, HOME or Community Development Block Grant (CDBG) program-assisted units in which the rents are subsidized; units subsidized through federal, state, or local tax credits or tax incentives; and units subsidized by the Department of Agriculture rural housing programs, and units that are rent-controlled by local ordinance.

3. Rents Charged for Other Units on the Premises

- a. The Request for Tenancy Approval (HUD-52517) requires owners to provide information, on the form itself, about the rent charged for other unassisted comparable units on the premises if the premises include more than 4 units.
- b. By accepting payment from DHA each month, the owner certifies that the rent is not more than the rent charged for comparable unassisted units on the premises.
- c. If asked to do so, the owner must give DHA information regarding rents charged for other units on the premises in accordance with the voucher program regulation at 24 CFR 982.507, which requires DHA to certify that the rent charged to the housing choice voucher tenant is not more than the rent charged for other unassisted comparable units in the open market.

4. DHA's Rent Reasonableness Approach

DHA utilizes a rent reasonableness system and database that compares similar units and includes and considers all of HUD's rent reasonable factors. DHA shall use 3 comparable units for each rent reasonableness determination. A hedonic

pricing methodology adjusts the rental value of the comparable units, based on features that may differ between the comparable units and the subject unit. For example, when a comparable unit has a significant feature that the subject unit does not have (e.g., owner-paid utilities), the rental price of the comparable unit should be adjusted downward, as if the comparable unit also did not have this feature. The amount of the adjustment is equal to the value of that feature in the market. A hedonic pricing system is a model identifying price factors according to the premise that price is determined both by internal characteristics of the good being sold and external factors affecting it. The most common example of the hedonic pricing method is in the housing market: the price of a property is determined by the characteristics of the house (size, appearance, features, condition) as well as the characteristics of the surrounding neighborhood (accessibility to schools and shopping, level of water and air pollution, value of other homes, etc.) The hedonic pricing model is used to estimate the extent to which each factor affects the price.

DHA shall use a database to identify and compare the program subject unit to the most similar private market rental property units within a specific geographic radius, drawing on a data base of non-subsidized comparables and current property listings in compliance with HUD Rent Reasonable requirements.

Section 24 CFR part 982.507(c) states that the owner must provide DHA information requested on rents charged by the owner for other units in the premises or elsewhere. The RFTA, Form HUD-52517 was revised to add information from owners of multifamily properties on the rents charged for three (3) recent rentals of comparable unassisted units in the same complex. The owner supplies this information in Section 12a of the revised RFTA. DHA may use the information provided in Section 12a of the form to determine and document rent reasonableness for comparable unassisted units in the same apartment complex.

5. How Market Data is Collected

DHA's database utilizes landlord listings to continuously update a database used to determine rent reasonableness. The database allows staff to use a variety of techniques to assure that data is current and acceptable. Techniques include but are not limited to: phone verification, Multiple Listing Service updates, and owner provided leases. DHA may collect and enter data on unit information and market rents in the DHA jurisdiction. Information sources may include newspapers, realtors, appraisers, market surveys, landlords, and other available sources. Unit data will include the location, quality, size, type and age of the unit, as well as amenities, housing services, maintenance and utilities to be provided by the owner. Data will be updated on an ongoing basis and rent information that is more than 12 months old will not be used to determine rent reasonableness.

6. How Rents are Determined

The DHA shall use a unit-to-unit comparison, by which the rent for a unit proposed for HCV assistance is directly compared to the rents for one or more unassisted units selected as comparables within the same market area. Interactive maps, with satellite overlays, will be used to identify and select the most similar unsubsidized

units in closest proximity to the subject unit, and comparable unit data characteristics will be used to select the most similar units.

In comparing rents, DHA shall take into account critical market factors that impact rent, including the location, quality, size, unit type, and age of the contract unit, as well as any amenities, housing services, maintenance and utilities to be provided by the owner in accordance with the lease.

Where comparable units differ from the unit proposed for HCV assistance, DHA shall determine whether those differences impact rent. Where they do, DHA shall adjust the rental value of the comparable units, up or down, based on the market value of these factors. The rent for the unit proposed for HCV assistance will be compared to the adjusted rents for the comparable units, enabling a fair, accurate, market-based determination of rent reasonableness.

DHA shall notify the owner of the rent approved based upon its analysis of rents for comparable units. If the owner disagrees with this analysis, the owner may submit additional information in support of their requested rent. DHA may consider this information when making rent determinations. The owner must submit any additional information within 3 business days of the DHA notification.

P Housing Assistance Payment Contracts with Landlords

- When a complete and correct RFTA package is received, the unit passes the HQS inspection, the rent is determined to be reasonable, and the Family's share of the rent will not exceed 40 percent of the Family's adjusted monthly income, DHA will execute a Housing Assistance Payment (HAP) Contract with the owner.
- 2. DHA shall execute HAP contracts for new admission Families on any day of the month after the unit has passed inspection and the rent has been agreed to by DHA and the landlord.
- 3. DHA shall execute HAP contracts for moving Families on any day of the month after the unit has passed inspection and the rent has been agreed to by DHA and the landlord. DHA shall terminate all HAP Contracts of relocating Families on the last day of the month. If the Family remains in the unit beyond the last day of the month and has taken occupancy of the new unit, the Family will be responsible for the rent due to the landlord in one of the units (DHA will not make HAP payments on two units for the same period of time, with the exception of the initial payment to the new landlord).
- 4. DHA shall inform the Family and the landlord of the approved date of move in for the Family and the approved date of HAP contract effective date. The lease between the landlord and the client must have the same <u>initial date as the HAP contract.</u>

Q. Monthly HAP Payments

1. HAP disbursements shall be deposited directly into the Landlord's bank account by the fifth day of every month. A computerized statement detailing payment activity shall be provided electronically to the Landlord by the fifth of each month.

- 2. All HAP <u>payments</u> made by DHA to the Landlord are deemed received by the Landlord when the funds are wired by DHA to the Landlord's bank. DHA can recover overpayments by deducting from the HAP disbursement.
- 3. Landlords are required to enroll in the direct deposit program.
- 4. Late Payments: The first HAP for a new contract will be received no later than two calendar months following the execution of the HAP contract. The HAP contract must be executed within 60 days of move in by the Family. If the HAP contract has not been executed within 60 days of move in by the Family, DHA will consider the HAP contract void and not make any payment. All other payments will be made by the fifth day of each calendar month. DHA will not pay late fees on unpaid late fees.

No late fee will be assessed or paid by DHA if the payment is received late due to factors beyond DHA's control or receipt of late payment is due to an adjustment in either the amount of contract rent to the Landlord or the HAP to be made by DHA.

DHA shall pay a late fee of \$50.00 for HAP not made (as defined above), due to factors within DHA control. No other late fees will be paid. This payment is made upon request from Landlord, provided he/she has a policy and practice of collecting late fees from private market Families residing in his/her units.

Section VIII. Ongoing Program Operations

A. Rent Increases to Owners

On or after the anniversary of the first year or term of the lease and HAP contract, owners may request a rent adjustment. All adjustment requests submitted to the Authority must be requested in writing in the format prescribed by the Authority. The owner must provide a 60 day advance notice to the family and supply a copy to the Authority. Owner rent adjustments, if determined reasonable by the Authority, are effective the first day of first month commencing on or after the contract anniversary date or 60 days from the first of the month following receipt of the owner request, whichever is later.

In order for the tenant to remain on the Housing Choice Voucher program in the unit, the new rent must meet rent reasonableness. If it does not, the Authority will attempt to negotiate the rent with the owner to an amount acceptable. If the Authority is unsuccessful and the owner proceeds with the rent increase, the tenant will be issued a voucher to move to a program acceptable unit.

The Authority reserves the right to suspend processing of owner requests for rent adjustments whenever funds are not sufficient to cover the cost of such adjustments.

B. Annual Recertification

- 1. Families are required to provide information on income, assets, deductions, and family composition at least annually. Also, as well as, the need for and the eligibility of a live-in aide. will be verified annually at recertification.
- 2. Re-certification dates will change when a family moves.

- 3. Recertification packets will be mailed to participating Families 90 to 120 days in advance of the scheduled annual re-certification effective date.
- 4. The head of household will be notified that she/he (and live-in aide if any) is required to attend a re-certification interview on a specified date and must complete the included information packet, including providing signatures on any third party verification forms needed.
- 5. It is the Authority's preference to conduct Annual Recertifications at its offices; however, in-home recertifications will be conducted pursuant to a request and approval for reasonable accommodations to persons with disabilities.
- 6. When an in-person recertification is to be performed, all adult household members, and live-in aide, if applicable, must attend the interview and bring the completed packet and all required documentation.
- 7. If the family fails to bring all the required documentation to the interview, the interview will be conducted and the family will be allowed 10 additional days to submit the required data. If the data is not then submitted, the family will be terminated for violation of family obligations.
- 8. The interview may be re-scheduled once, based upon approval of extenuating circumstances, i.e. disability or work-related reasons, etc.
- 9. If the family fails to attend two (2) scheduled re-certification appointments without contacting the Authority, the family may be terminated for failure to comply with program requirements.
- 10. Upon completion of the re-certification, the Authority will notify the owner and tenant in writing of the new rent to be paid by the tenant (and of the new Housing Assistance Payment, if applicable).
- 11. If there is an increase in tenant income that increases the tenant portion of rent, the tenant will be given a 30 day notice of the increase in rent. If re-certification was delayed by the tenant, the increase will be made retroactive to the original effective date of the re-certification.
- 12. If there is decrease in tenant rent, the decrease will become effective on the scheduled effective re-certification date.
- 13. During the annual reexamination process, the DHA will determine the ongoing eligibility of each student who is subject to the eligibility restrictions in **24 CFR 5.612** by reviewing the student's individual income as well as the income of the student's parents. If the student has been determined "independent" from his/her parents based on the policies in Sections 3-II.E and 7-II.E, the parents' income will not be reviewed.
- 14. If the student is no longer income eligible based on his/her own income or the income of his/her parents, the student's assistance will be terminated in accordance with the policies in Section 12-I.D.
- 15. If the student continues to be income eligible based on his/her own income and the income of his/her parents (if applicable), the DHA will process a reexamination in

accordance with the policies in this chapter.

C. Interim Changes in Income and Family Composition

Reporting Requirements

- 1. Voucher clients are required to report all changes in family composition or status to the DHA Occupancy Technician within 10 calendar days of the occurrence. Failure to report within the 10 calendar days may result in a retroactive rent increase, but not a retroactive credit or rent reduction. In order to qualify for rent reductions, Voucher Clients must report income decreases promptly. Voucher Clients are also required to report interim increases in income if they have been granted interim rent reductions or have previously reported zero income.
- 2. DHA wishes to encourage families to improve their economic circumstances, so most changes in family income between reexaminations will not result in a rent change. DHA will process interim changes in rent in accordance with the chart below:

INCOME CHANGE

(a) Decrease in income for any reason, except for decrease that lasts less than 30 days or subject to Imputed Welfare Income rules³.

- (b) Increase in verified family deductions
- (c) Increase in income following DHA granting interim rent decrease.
- (d) Increase in earned income from the employment of a current household member.
- (e) Increase in unearned income (e.g.COLA adjustment for social security).
- (f) Increase in income because a person with income (from any source) joins household.
- (g) Increase in monetary or non-monetary income after Voucher Client claims zero income

DHA ACTION

- Process interim rent reduction if income decrease will last more than 30 days. 24 CFR § 5.609
- Process interim rent reduction if income decrease will last more than 30 days. 24 CFR § 5.609
- · Process interim increase for income increases after interim rent reductions.
- 1. Defer rent increase until next regular reexam. 24 CFR § 960.255
- Defer rent increase to the next regular reexam.

Conduct an Interim Redetermination of the family's income and raise the rent.

- Process an interim rent increase.
- 3. DHA will process an interim increase in rent only if

³ Decreases in welfare income resulting from welfare fraud or from cuts for failure to comply with economic self sufficiency requirements are not eligible for rent reductions (24 CFR § 5.615).

- a. the Voucher Client has misrepresented or failed to report facts upon which rent is based, so the rent the Voucher Client is paying is less than it should have⁴; or
- b. the resident's income increases after the Voucher Client was granted an interim decrease in rent; or
- c. the Voucher Client reported zero income and has a verified increase in income (that may be a non-monetary contribution); or
- d. a person with income joins the household;
- Complete verification of the circumstances applicable to rent adjustments must be documented and approved by according to DHA Procedure on Verification 24 CFR § 960.259(c)982
- 5. DHA will process interim decreases in rent as follows:
 - a. When a decrease in income is reported, and DHA verifies that the decrease will last less than 30 days, an interim adjustment will not be processed.
 - b. Voucher Clients reporting decreases in income that are expected to last more than 30 days will have an interim adjustment processed.
- 6. Voucher Clients granted a reduction in rent are required to report for special reexaminations at intervals determined by the Occupancy Technician. Reporting is required until income increases or it is time for the next regularly scheduled reexamination, whichever occurs first.
- 7. If Voucher Clients experience a decrease in income from public assistance because their grant is cut for one of the two following reasons, their rent will not be reduced:
 - a. Welfare department has reduced the grant because of welfare fraud; or
 - b. Welfare department has reduced the grant because the family failed to comply with economic self sufficiency requirements.
- 8. If a Voucher Client challenges the welfare department's reduction of their grant, an interim reduction in rent will not be processed until the matter is settled by the welfare department.
- 9. If the welfare department upholds the grant reduction, the Voucher Client shall owe a retroactive rent on the interim rent reduction granted in "8" above.
- 10. If the welfare department overturns the grant reduction, no retroactive balance is owed. See DHA **Procedure on Imputed Welfare Income**

Interim Rent Decreases

The tenant may report any of the following changes, which would result in DHA conducting an interim adjustment to decrease the tenant's rent when verified:

1. Decrease in earned or unearned income:

⁴ DHA will apply any increase in rent retroactive to the month following the month in which the misrepresentation occurred.

- 2. Increase in allowances or deductions.
- 3. If a family receiving Temporary Assistance to Needy Families (TANF) has their TANF grant reduced because of welfare fraud or failure to comply with economic self-sufficiency requirements, DHA is not permitted to reduce tenant rent.
- 4. When a family's TANF grant is reduced, DHA will verify the reason for the reduction through the Texas Department of Social Services, and will reduce rent if the reason for the reduction is other than welfare fraud or failure to comply with economic selfsufficiency requirements.

Required Interim Redeterminations

- 1. For families claiming zero income, re-certification will be scheduled every 120 days.
- 2. For families whose annual income cannot be projected with any reasonable degree of accuracy, re-certification may be scheduled every 120 days.

Interim Rent Increases

Interim increases in Tenant Rent will be made only when:

- 1. The tenant has misrepresented any facts related to income or deductions from income; or
- 2. The tenant has claimed zero income and has been verified to have cash or non-cash income; or
- 3. A family member with income joins the family (with DHA's approval); or
- 4. The tenant has experienced an increase in income after having received an interim decrease in rent.

Timing of Interim Rent Adjustments

- 1. Interim rent increases will be effective 30 days after the first of the month.
- Decreases in the tenant rent will be effective the first of the month following the month the change was reported, so long as the facts alleged by the family are verified.
- 3. If a family's rent is increased due to unreported income or overstated deductions, the increase will be computed retroactive to the date when rent should have increased. Interim re-certification will be made effective the first of the following month of which the unreported income was documented and verified.
- 4. If the family's rent is decreased due to unreported change in income, the decrease will be effective the first date of the month after completion of the interim recertification.
- 5. No retroactive rent decreases will be granted.
- 6. Participants must report changes in income timely in order to have the decreased rent effective for the first of the following month.
- 7. If the reduction is reported within 10 days of the change, the decreased rent will be made effective by the first of the following month.

- 8. If the family is responsible for delays in completing an interim re-certification, the Authority may terminate assistance.
- 9. The owner and tenant will be sent a notification letter informing them of the change in Rent, Tenant Rent and HAP, and the effective date of the changes.
- 10. Interim re-certifications do not affect regularly scheduled re-certification effective dates.

Interim Changes in Family Composition

The family is required to **report** the following in writing to the Authority within ten calendar days of the change:

- 1. A family member is added by birth, adoption or court-awarded custody, with or without increased income.
- 2. The family wants permission to add a member by any method other than birth, adoption or court-awarded custody.
- 3. The family loses a member;
- 4. DHA will approve the addition to the family of children by birth, adoption, or court-awarded custody when verified, and
- 5. DHA **may** permit the admission of other household members who were not a party to the lease, with written owner approval, based on the following criteria and provided the member is program eligible and the addition of the member will not disqualify the family for the size of voucher they are currently assisted under:
 - a. Relationships consistent with DHA's definition of family
 - b. Temporary custody of foster children
 - c. Other family member additions (e.g. kinship care)
- 6. Persons age 18 or older may be approved for addition to the family even if the voucher size for which the family qualifies for will increase. They will be subject to the same criminal history screening used for all applicants upon approval. Only one such person may be added to any family during their term as voucher holders.
- 7. Other than children added by birth, adoption or court awarded custody, additional family members must be authorized by the Authority in writing and approved by the owner in writing through an amendment to the lease agreement.
- 8. Failure on the part of the owner to approve an additional Family Member to the assisted unit does not constitute automatic grounds for termination of the lease agreement or automatic grounds for the Authority to issue a new Housing Voucher to the family to facilitate their moving to another unit. Instead, it means that addition of the requested family member is a lease violation and may subject the family to lease termination and termination of assistance.
- 9. An adult family member who has been removed from the lease at the family's request may not re-enter the household until the next annual recertification and then only if the voucher size for which the family qualifies for will not increase.

- 10. Assisted families, whose head, spouse or other family member has become disabled since move-in, will have the opportunity to request a reasonable accommodation to increase the voucher size, if verified to be necessary to provide proper care or assistance.
- 11. Alternatively, the family may receive authorization to relocate to an accessible unit, as may be required. As a reasonable accommodation to persons with disabilities, DHA may approve a mutual rescission that will permit a family to move before the end of the lease term.
- 12. All requests to remove a household member (e.g. because the member has been involved in criminal activity that threatens the entire family with program termination) must be accompanied by substantial supporting documentation that the member to removed has another address. Examples of such documentation could include utility bills in the name of the subject, canceled checks verifying payment of rent, driver's license indicating address is at a location corresponding to the utility billing or lease, or in their name at another location.
- 13. If there is a change in family composition resulting in an increase or decrease to the family's voucher size and payment standard, the appropriate size will be used at the time of next annual re-certification and/or move, whichever comes first.
- 14. Failure of the family to report an over-housed situation may result in a Dallas Housing Authority requirement for repayment of excess HAP payments and/or termination from the program.
- D. Earned Income Disallowances (Adults with disabilities ONLY)
 - 1. If a Voucher Client with a disability goes to work or has new or additional earned income and qualifies under one of the following three criteria, that individual will receive an Earned Income Disallowance (EID) as described below and in the DHA Procedure on Earned Income Disallowances. To qualify, a Voucher Client must qualify as a person with a disability and:
 - a. Goes to work after having been unemployed for at least twelve months, or goes to work after having earned less in the last 12 months than would be earned working ten hours per week for a fifty week year earning minimum wage; or
 - b. Receives new or increased earned income during participation in an education, job training, or other economic self-sufficiency activity; or
 - c. Receives new or increased earned income within six months of having received a cash benefit or in-kind services funded through the program of Temporary Assistance to Needy Families. If an in-kind benefit (child care, clothing or transportation subsidies, for example) was received, it must be worth at least \$500 in the past six months.
 - During the first 12 months after the date when the Voucher Client qualified for the EID, the resident's rent will not be increased because of the new earned income. Rent during this period will be based on the resident's income before qualifying for the EID plus any increases in unearned income that may occur after qualifying for the EID.

- 3. During the second 12 months after the date the resident qualified for the EID, the resident's rent will be increased by an amount equal to fifty percent of what the increase would be if not for the EID.
- 4. The disallowance periods described in number 2 and 3 above only occur while the resident is employed. If the resident stops working, the disallowance stops and resumes again when the resident goes back to work.
- 5. Even if the full 24 months of disallowance (12 months of full disallowance plus 12 months of 50% disallowance) have not been used, the EID will terminate 48–24 months from the date when the resident first qualified for the EID.
- 6. An EID is awarded to a person, not an entire family. More than one adult family member can receive an EID at the same time if they qualify as described under number 1 above.
- 7. No one receives more than one EID in a lifetime.

E. Family Absences from the Unit

The family may be absent from the unit for up to 14 consecutive day periods with owner approval and written notification to the Authority. Absences longer than 14 consecutive days require advance approval by the owner and the Authority. The family may not be absent from the unit for a period of more than 180 consecutive days for any reason or the family will be terminated from the program, per HUD regulations. During the family absence, assistance payments are terminated and the family is responsible for the full contract rent.

Assistance for the entire household will be terminated if the head of household, co-head, spouse or adult child is absent due to incarceration for drug related or violent criminal activity.

F. Remaining Family Members

A remaining family member is defined as a family member listed on the most recent recertification who is 18 years of age or older, who meets all other eligibility criteria, and is a member of an Authority tenant family, but not a signatory to the lease and who continues to live in the unit after all other family members have left.

If the head of household leaves the Housing Choice Voucher program for any reason, any remaining adult in the household may be designated by the remaining family as the head of household. If there are no remaining adults in a household that includes minor children, the Authority may at its discretion allow another person related to the remaining tenant family by blood or marriage or court action to assume head of household responsibilities even though that person was not previously listed on the lease.

Families will not be permitted to add adult members to the Family for the purpose of "leaving them the voucher."

G. Family Moves

Moratorium on Family Moves

DHA may enact a moratorium on all optional moves by the family. Such a moratorium

will be formally adopted by the Board of Commissioners and public notice shall be posted both when the moratorium is adopted and when it ends. When such a moratorium is in effect, moves will still be permitted because of:

- 1. Relocation directed by the Authority;
- 2. Owner-caused failed HQS so long as the tenant is in compliance with program regulations;
- 3. Family need for an accessible unit to accommodate a member's disability;
- 4. Catastrophic disasters;
- 5. Family member is determined to be endangered from specific criminal activity directed at the family member rather than simply crime encountered because of the location of the family's unit, as verified by a threat assessment, and/or other available supporting documentation;
- 6. Family size exceeds appropriate voucher size by two or more persons;
- 7. Family is moving to a neighborhood that is not economically impacted.

When moves are permitted

A family is not permitted to move during the initial lease term. A family may only move once during any one-year period and when their lease term has expired. Exceptions to restricting moves to the first term of the lease or within a twelve month period are limited to the conditions listed above under paragraph A. Unless otherwise approved by the Dallas Housing Authority's Vice President of Voucher Programs or his/her designee, mutual rescissions of a lease between tenant and landlord are not allowed. A participant who chooses to rescind a current lease with a landlord without Authority approval may be subject to termination of assistance.

Moves within the Authority's jurisdiction:

- 1. Other than the exceptions noted above, families will be eligible to move within the Authority's jurisdiction with continued assistance **only** if they:
 - a. currently live in the Authority's jurisdiction; and
 - b. hold a valid Housing Voucher; and
 - c. are eligible to move; and
 - d. have not violated any Family obligations; and
 - e. do not owe the Authority any money; and
 - f. their current landlord indicates that they are fully lease compliant; and
 - g. are moving at or after the date of their Annual Recertification of Income and Family Circumstances and at the end of their lease term.
- 2. A family that wants to move with continued assistance must vacate the unit in compliance with the lease and provide proper notice to the owner (as required under the lease) and to the Authority.

- 3. Failure to provide such notice will result in termination of assistance due to failure to comply with the family obligation.
- 4. Families that want to move must request a moving packet and must attend a move briefing. Priorities for scheduling families for the move briefings are as follows:
 - a. Uninhabitable unit, including catastrophic disasters, uncorrected owner-caused HQS failures, and overcrowding as defined in HQS.
 - b. Disability-related need, as documented by a qualified medical practitioner.
 - c. Mobility moves, defined as moves from neighborhoods impacted by income to neighborhoods not impacted by income;
 - d. Reduction in the family's voucher size that results in the family paying excessive rent.
 - e. Upward change in the family's voucher size that allows the family to lease a larger unit.
 - f. Voluntary moves after the first 12 months of occupancy.
 - g. All other moves.
- 5. The Authority will conduct a criminal background check of household members over the age of 17 prior to issuing a moving packet. If the family is eligible to move, has not violated their Program Obligations or Lease Agreement, and does not owe the Authority money, the family will be offered a new voucher to search for another unit.
- 6. At any time, the Authority may deny permission to move due to the following if:
 - a. The family does not notify the Authority, and the owner before the family moves out of the unit or terminates the lease.
 - b. The family does not allow the Authority and the owner to inspect/repair the unit at reasonable times and after reasonable notice.
 - c. The family is verified to be responsible for an HQS failure.
 - d. The family is verified to have committed any serious or repeated violations of the lease.
 - e. The family owes the Authority or another PHA money for any reason.
 - f. The Authority does not have sufficient funding for continued assistance.
 - g. The family is verified to have violated any Family Obligation.
 - h. For any other HUD-allowed reason.
- 7. Families who intentionally cause their assisted unit to fail Housing Quality Standards will not be eligible to receive another Housing Voucher to relocate to another unit and will be terminated from the program.
- 8. The Authority will not issue a voucher to a family who wishes to move due to an eviction action initiated by the owner. Both the owner and the family are required to notify the Authority whenever an eviction is filed. Housing assistance payments will

continue until the court date, unless payments have been abated for owner-caused HQS violations. If the court rules that the family was evicted for violating the terms of the lease, including failure to pay rent, the family is ineligible for further assistance and will be terminated from the HCV program. If the court rules for the family, the family is eligible to receive another voucher.

If the family with permission to move does not locate a new dwelling unit to move into, they will be required to submit an Agreement to Continue the Assisted Tenancy, and the assisted tenancy may be extended for any reasonable period of time mutually agreed upon by owner and tenant. In the absence of the Agreement to Continue the Assisted Tenancy, HAP payments and the HAP contract will terminate at the end of the notice issued by the tenant.

H. Overlapping HAP Payments

If a participant family moves from an assisted unit with continued assistance, the effective date of the assistance at the new assisted unit may begin during the month the family moves out of the first assisted unit. Overlap of Housing Assistance payments (for the month when the family moves out of the old unit) and the first Housing Assistance Payment for the new unit, is not considered duplicate housing subsidy.

- I. Owner Termination of a Participant's Lease: Grounds for Lease Termination
 - a. The owner may terminate the lease for lease violations at any time.
 - b. The owner may terminate the lease for any other reason only <u>after</u> the initial period of the lease.
 - c. When an owner terminates a lease for reasons not related to participant lease violations, the family's status will be reviewed and, if the family is in full compliance with family obligations, the family will be issued a Move Packet.
 - d. The owner must follow state and local laws and must provide the Authority with a copy of the eviction and/or lease termination notice immediately.

J. Required Notice for Lease Termination

- 1. Depending upon the terms of the Lease Agreement, the owner may give the tenant a 30-day (or other period) notice to move.
- 2. Owners are required to follow eviction procedures consistent with their Lease, Addendum to the Lease and HAP contract and must comply with the requirements of Federal, State, and local law.
- 3. Owners must give written notice to the Authority of any legal actions and are required to provide the Authority with copies of all court action papers regarding program participants.
- 4. Provided the owner initiates an eviction action in accordance with the lease, follows all pertinent laws, files all pertinent actions, and supplies the Authority with copies of all pertinent legal documents, the owner is entitled to HAP payment until the family voluntarily moves or is evicted.
- 5. The owner must use the lease termination and/or eviction proceedings as prescribed

in the lease and contract:

- a. The owner can institute court action, using the grounds for eviction cited in the lease; or
- b. The owner can issue proper notice not to renew the Lease Agreement.
- 6. The owner may not terminate tenancy for the Authority's failure to pay the housing assistance payment.

K. Change in Ownership or Property Management Company

- 1. The Authority must receive a written request from the owner in order to make changes regarding who is to receive the Authority's HAP payment.
- 2. The Authority will process a change of ownership only upon the written request and accompanied by documentation of the title transfer: i.e. recorded deed, legal sale documents, etc.

L. <u>Termination of Assistance to Participants</u>

Grounds and policy covering Termination are covered in Section X of this Administrative Plan.

Section IX. Special Programs, Features and Options

A. HUD's Special Programs

DHA operates several Section 8 Programs under special allocations and regulations from HUD. Applicants are admitted to these programs based on the special criteria of each program. DHA may, with HUD authorization, establish separate waiting lists or open the waiting list for these programs. When the waiting list is open for target admissions only, DHA shall only accept applications from qualified Applicants.

Applicants are admitted as a special admission when HUD allocates funding that is targeted for specific types of Families. The existing programs are outlined below.

 U.S. Department of Housing and Urban Development – Veterans Administration Supportive Housing Program (HUD-VASH)

The HUD-VASH Program assists homeless veterans and their families based on selection by the local Veterans Administration (VA) Office for participation in the HUD-VASH initiative. The program targets homeless veterans who initially agree to work with the VA Office to receive supportive services to assist with becoming self-sufficient. Under the VASH program, restrictions on assistance to persons with certain drug-related and criminal history problems are waived.

2. Family Unification

Under the Family Unification Program, Applicants are admitted based on referrals from the Child Protective Services Department of the Texas Department of Protective and Regulatory Services (CPS). Families admitted to this program are either in imminent danger of losing their child(ren) to foster care due to the lack of

adequate housing, or the lack of housing is the sole reason for continued placement of the child(ren) in foster care. CPS provides supportive services to the participating Families. Following admittance into the Section 8 Program, participants follow all Section 8 rules and regulations

3. Mainstream Housing for Persons with Disabilities

Mainstream tenant-based vouchers are available for Disabled Families. When a voucher under this program becomes available for reissue (e.g., the Family initially selected for the program terminates assistance or is unsuccessful in their search for a unit), DHA shall offer the voucher to the next Applicant with a Disability on DHA's Housing Choice Voucher Waiting List that is eligible to receive assistance under this program. The vouchers will be reissued in this manner until the time designated under the announcement through which the allocation was awarded via an Annual Contributions Contract (ACC) expires.

If there is an insufficient pool of Disabled Families on DHA's Housing Choice Voucher Waiting List, DHA shall conduct outreach to encourage eligible persons to apply for this special allocation of vouchers. Outreach shall include contacting independent living centerscenter, advocacy organizations for Persons with Disabilities, and social service providers for referrals of persons receiving medical, mental and health services who would benefit from Housing Choice Voucher assistance. Following admittance into the Housing Choice Voucher Program, participants follow all Section 8 rules and regulations.

4. Preservation Program

Preservation vouchers are available under this program for eligible Families residing in an eligible preservation project as defined by **24 CFR Section 248.157 (c)** on the date of the Landlord's prepayment or voluntary termination. Families are offered tenant-based assistance under the Section 8 Program if, as the result of a rent increase no later than one year after the date of the Landlord's prepayment or voluntary termination, the Family's rent exceeds thirty percent (30%) of their adjusted income.

The following conditions are applicable under this program:

- a. Landlord Opt-Outs: Landlords who choose not to renew an expiring Section 8 or Section 23 project-based contract;
- b. Preservation Pre-Payments: Landlords who choose to pre-pay the HUD insured mortgage or voluntarily terminate the mortgage insurance.
- c. HUD Enforcement Actions: HUD terminates the HAP contract or does not offer the Landlord the opportunity to renew the expiring HAP contract for failure to comply with the terms of the contract.
- d. HUD Property Disposition: HUD becomes the Landlord of the property through foreclosure and is either selling or closing the property.
- 5. Tenant-Based Vouchers for Disabled Individuals with Medicaid Waivers

DHA shall provide housing opportunities in assisted living facilities for disabled individuals identified by the Social Security Administration (SSA) as being entitled to a Medicaid waiver of medical expenses. The housing assistance allows these individuals to reside in assisted living facilities rather than being moved to nursing homes or other medical facilities.

6. Fair Share Vouchers for Disabled Families

As part of its fair share allocation, DHA received vouchers for use by Disabled Families. When a voucher under this housing opportunity becomes available for reissue (e.g., the Family initially selected for the program drops out or is unsuccessful in their search for housing), the voucher may be used only for the next eligible Disabled Family on the Section 8 Waiting List. If there is an insufficient pool of Disabled Families on the Section 8 Waiting List, DHA shall conduct outreach to encourage eligible Disabled Families to apply. Outreach may include contacting independent living centers, advocacy organization for Persons with Disabilities, and medical, mental health and social service providers for referrals of Persons with Disabilities who would benefit from Housing Choice Voucher assistance. Following admission to the Section 8 program, all other program requirements will apply.

7. Money Follows the Person Initiative

1. Child Care Expenses — A deduction of amounts anticipated to be paid by the family for the care of children under 13 years of age for the period for which Annual Income is computed, BUT ONLY when such care is necessary to enable a family member to be gainfully employed, to seek employment or to further his/her education. Amounts deducted must be unreimbursed expenses and shall not exceed: (a) the amount of income earned by the family member released to work; or (b) an amount determined to be reasonable by DHA when the expense is incurred to permit education or to seek employment.

- 2. Dependent Deduction An exemption of \$480 for each member of the family residing in the household (other than the head of household, or spouse, Live-in Aide, foster adult or foster child) who is under eighteen years of age or who is eighteen years of age or older and disabled, or a full-time student.
- 3. Work-related Disability Expenses/Disability Assistance Allowance a deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s) freed to work.

Equipment and auxiliary apparatus may include but are not limited to: wheelchairs, lifts, reading devices for the visually impaired, service animals, and equipment added to cars and vans to permit their use by the disabled family member. Also included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.

- a. For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income, provided the amount so calculated does not exceed the employment income earned.
- b. For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less three percent of Annual Income (provided the amount so calculated does not exceed the employment income earned) PLUS medical expenses as defined below.

To be considered by DHA for the purpose of determining a deduction from income, the expenses claimed must be verifiable.

- a. For elderly or disabled families without work-related disability expenses: The amount of the deduction shall equal total medical expenses less three percent of annual income.
- b. For elderly or disabled families with both work-related disability expenses and medical expenses: the amount of the deduction is calculated as described in paragraph 3 (b) above.
- 5. Elderly/Disabled Household Exemption An exemption of \$400 per household. See Definitions in the next section.
- E. Computing Rent 24 CFR § 5.628
- 1. Total Tenant Payment (TTP)

- a. The first step in computing income-based rent is to determine each family's Total Tenant Payment.
- b. Then, if the family is occupying an apartment that has tenant-paid utilities, the Utility Allowance is subtracted from the Total Tenant Payment.
- c. The result of this computation, if a positive number, is the Tenant Rent.
- d. If the Total Tenant Payment less the Utility Allowance is a negative number, the result is the utility reimbursement.
- 2. Total Tenant Payment is the higher of:
 - 30% of adjusted monthly income; or
 - 10% of monthly income; but never less than the
 - Minimum Rent of \$50.

3. Tenant rent

- a. Tenant rent is computed by subtracting the utility allowance for tenant supplied utilities (if applicable) from the Total Tenant Payment.
- b. In developments where the landlord pays all utility bills directly to the utility supplier, Tenant Rent equals Total Tenant Payment. 24 CFR § 5.634

4. Rent to Landlord

- a. Rent to landlord is the greater of:
 - The Payment Standard less the landlord's Housing Assistance Payment; or.
 - The Gross Rent less the landlord's Housing Assistance Payment

5. Minimum Rent

The Minimum Rent shall be \$50 per month.

6. Minimum rent hardship exemption

A hardship exemption shall be granted to residents who can document that they are unable to pay the \$50 because of a long-term hardship (over 90 days). Examples of situations under which residents would qualify for the hardship exemption to the minimum rent are limited to the following: **24 CFR § 5.630**

- a. The family has lost eligibility for or is applying for an eligibility determination for a Federal, State or local assistance program;
- b. The family would be evicted as result of the imposition of the minimum rent requirements;
- c. The income of the family has decreased because of changed circumstances, including loss of employment;
- d. A death in the family has occurred;

Being exempted from paying minimum rent does not mean the family automatically pays

nothing. Instead, the family is required to pay the greater of 30% of Adjusted Monthly Income or 10 percent of monthly income

- 32. Individual with Disabilities, Section 504 definition 24 CFR § 8.3

Section 504 definitions of Individual with Handicaps and Qualified Individual with disabilities are not the definitions used to determine program eligibility. Instead, use the definition of "Person with Disabilities" as defined later in this section. Note: the Section 504, Fair Housing, and Americans with Disabilities Act (ADA) definitions are similar. ADA uses the term "individual with a disability".

Individual with disabilities means any person who has:

A physical or mental impairment that:

- a. substantially limits one or more major life activities;
- b. has a record of such an impairment; or
- c. is regarded as having such an impairment.

For purposes of housing programs, the term does not include any individual who is an alcoholic or drug abuser whose current use of alcohol or drugs prevents the individual from participating in the program or activity in question, or whose participation, by reason of such current alcohol or drug abuse, would constitute a direct threat to property or the safety of others.

Definitional elements:

____"physical or mental impairment" means any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems: Neurological; musculoskeletal; special sense organs; respiratory, including speech organs; cardiovascular; reproductive; digestive; genito-urinary; hemic and lymphatic; skin; and endocrine; or

"Is regarded as having an impairment" means has a physical or mental impairment that does not substantially limit one or more major life activities but that is treated by a recipient as constituting such a limitation; or

Has a physical or mental impairment that substantially limits one or more major life activities only as result of the attitudes of others toward such impairment; or

Has none of the impairments defined in this section but is treated by a recipient as having such an impairment.

NOTE: A person would be covered under the first item if DHA refused to serve the person because of a perceived impairment and thus "treats" the person in accordance with this perception. The last two items cover persons who are denied the services or benefits of DHA's housing program because of myths, fears, and stereotypes associated with the disability or perceived disability.

The 504 definition of disability does not include homosexuality, bisexuality, or transvestitism. Note: These characteristics do not disqualify an otherwise disabled applicant/resident from being covered.

The 504 definition of individual with disabilities is a civil rights definition. To be considered for admission to public housing a person must meet the program definition of person with disabilities found in this section.

Policy Statements At a minimal, DHA properties will be maintained in such conditions as to meet the physical condition standards set forth by the U.S. Department of Housing and Urban Development ("HUD") for assisted housing considered to be decent, safe, sanitary, and in good repair (DSS/GR).

Annually, each unit at each development will be subject to an annual inspection and a housekeeping inspection. In addition, each development, including the site, building exterior, building systems, common areas, and a sample of the units, will be inspected in accordance with HUD's Uniform Physical Condition Standards inspection protocol.

Each unit will be treated for pests (exterminated) at least annually and as necessary.

Procedure

1.0 Introduction

Extermination service (pest control) is a routine maintenance activity that is a part of the preventive maintenance plan to maintain DHA-owned and operated properties in accordance with federal physical housing standards for housing that is DSS/GR.

2.0 Procurement

- 2.1 Extermination service is provided by a third-party vendor.
- 2.2 Use of an extermination service is procured by the Procurement Department in accordance with HUD procurement requirements and DHA procurement policy.
- 2.3 Following the procurement process with the selection of a responsive and responsible vendor, each asset management project ("AMP") and/or each development will obtain a copy of the service contract in order to understand the scope of the service and the obligations of each party.
- 2.4 At all times, prior to utilizing the service, contact the Procurement Department regarding the necessity of creating a purchase order (PO) number for service and to receiving the PO once service has been rendered, in order to authorize payment.

3.0 Frequency

Each AMP manager will create and observe a schedule for extermination/pest control service consistent with applicable laws and regulations, DHA policy, the needs of the properties, and the needs of the residents, and consistent with the extermination contract.

At a minimal, each unit in an AMP will be treated once a year.

3939 N. Hampton Rd., Dallas, TX 75212 | Phone: 214.951.8300 | Fax: 214.951.8800 | www.dhadal.com

3.1 Scheduled

Based upon the special characteristic, condition, and needs of each development, the respective property staff will select an extermination service schedule for a specific quantity of units, such as once monthly, the second Tuesday of the month, 25 units each month, etc. By the end of the year, each unit will have been treated at least once.

3.2 Un-Scheduled

Un-scheduled extermination service can occur, based upon the needs of the property or the needs of the resident, such as when there is an infestation.

When the extermination service schedule (or the frequency of the extermination service) is set and known, by Work Order, a resident or property staff can request the service as often as necessary.

3.3 Contract Terms

Property staff will review the extermination service contract for familiarization with the scope, term, and conditions of the service and should make recommendations as necessary to amend the contract.

Property staff will communicate directly with the extermination service vendor to coordinate the service schedule.

Property staff should seek out feedback from the residents and will review the service rendered for compliance with contract terms and industry standards.

4.0 Notice Requirement

All residents will be informed of the extermination service requirement and schedule. Prior to entry into a unit, notice to the residents must be given in accordance with the lease agreement. Also, residents will be notified when an entry into the unit has occurred.

Five-Year Action Plan 2017-2021

Capital Improvements Necessary to Ensure Long-Term Physical and Social Viability – The Dallas Housing Authority's Capital Fund Program Five-Year Plan reflects not only the most recent physical needs assessment, but also the needs more recently identified by the residents and management and maintenances staffs at each housing development. Significant improvements identified in the Plan include sidewalk repairs, exterior painting, concrete repair, landscaping, sprinkler repair, foundation repair, roof replacement, and security cameras at several sites. DHA is also anticipating needing to replace the HVAC units at several sites. The remodeling of kitchens and bathrooms is included, as is replacing the water heaters. The Plan anticipates the demolition of two sites during the last year to make ready for redevelopment of those sites. The needs are specifically identified for each housing development in the Capital Fund Budget consisting of the 2017 Annual Statement and Capital Fund Five-Year Action Plan.

Estimated Costs – Estimated costs for the improvements described above and listed in DHA's 5-Year CFP Plan are estimated to be \$43.3 million. Approximately 80% of these costs are for physical improvements to the dwelling units while 4.5% is for non-dwelling structures and equipment. Demolition costs anticipated for late in the Five-Year cycle are anticipated to be 10% of the total estimated costs. The table below shows the anticipated cost by year and by type of expenditure for each of the five years in the CFP Plan.
